Attention Computer Associates Shareholders

Why is *this* man smiling?

Charles B. Wang
Chairman

Is it because he has made money on CA stock over the past five years while others have not?

Under Chairman Wang's leadership, the CA board was named one of the worst in America

The Best and Worst Corporate Boards, *Business Week*, 1.24.00

*CA stock has returned a negative 14% to shareholders over the past 5 years, versus a software industry average of positive 169%**

CA is much in need of a clean break from its past, and in particular from the influence of Mr. Wang, whose continued presence on the board depresses investor confidence in the progress being made.

Proxy Alert: Computer Associates International, Inc., *Institutional Shareholder Services*, 8.20.01

CA rewarded Charles Wang while the company's performance was dismal

At the bottom of the performance heap, Charles B. Wang of Computer Associates International, Inc. (CA) earned \$698.2 million from 1998 through 2000 and produced a dismal shareholder return of -63%

Executive Pay, *Business Week*, 4.16.01

CA has recently reported a \$342 million loss as a gain

On July 23, using Generally Accepted Accounting Principles (GAAP), CA reported a \$342 million loss.**

However, using its pro forma pro rata model, CA was able to report a \$323 million gain.**

**Ranger Governance believes CA shareholders have something to smile about
The Ranger Nominees: Cece Smith, Elizabeth VanStory, Richard Agnich and Stephen Perkins**

The Ranger nominees would be truly independent Board members

The revised [Ranger] slate, by contrast, offers instant medicine for what ails CA.

Proxy Alert: Computer Associates International, Inc., *Institutional Shareholder Services*, 8.20.01

... replacing Mr. Wang and three other incumbent directors with a minority of Ranger nominees would bring a welcome breath of fresh air to the board.

Reviewed Agenda for Computer Associates International, Inc., *Proxy Monitor*, 8.17.01

The Ranger nominees would return control of the Company into the hands of shareholders

The Ranger nominees want to ensure a greater voice on the CA Board for the people who should have had it all along - the shareholders.

**The Ranger nominees believe that they can
enhance shareholder value at CA through
Integrity, Innovation and Accountability.**

Vote the GREEN Proxy On August 29th

If you have submitted a proxy card for Ranger's former full slate of 10 candidates, Ranger will cast your vote for Cece Smith, Elizabeth VanStory, Richard Agnich and Stephen Perkins. Because Ranger will nominate only these four nominees to serve as directors of Computer Associates at the annual meeting on August 29, 2001, other members of the full slate will not be eligible for election and votes for them will not count. Thus, unless you submit a new proxy card, you will lose the opportunity to vote with respect to as many as six of Computer Associates ten directorships.

Even if you have sent a white proxy card to Computer Associates, you have every right to change your vote. You may revoke that proxy, and vote as recommended by ISS, by signing, dating and mailing the GREEN Proxy.

If you have any questions on how to vote your shares, please call our proxy solicitor:

MORROW & CO., INC. at (800) 607-0088

Ranger urges all shareholders to read its definitive proxy statement and supplement which contain important information. Ranger's definitive proxy statement was filed with the Securities and Exchange Commission on July 27, 2001 and the supplement was filed on August 17, 2001. Both are available on Ranger's updated website at www.rangergov.com.
