PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD FEBRUARY 21, 2002

GENERAL INFORMATION

This Proxy Statement is being furnished to shareholders of Sorrento Networks Corporation, a New Jersey corporation, in connection with the solicitation of proxies by our Board of Directors for use at our Annual Meeting of Shareholders (the 'Annual Meeting') to be held at the San Diego Marriott Del Mar, 11966 El Camino Real, San Diego, California, on February 21, 2002 at 10:00 a.m., and any adjournments or postponements thereof, pursuant to the Notice of Meeting. The approximate date on which this Proxy Statement is first being sent to shareholders is January 22, 2002.

WHO CAN VOTE

Only holders of record of our common stock, par value \$0.30 per share, at the close of business on January 10, 2002, are entitled to vote at the Annual Meeting. As of January 10, 2002, we had outstanding and entitled to vote 14,209,550 shares of common stock. The 8,888 shares of common stock in our treasury on that date will not be voted.

HOW YOU CAN VOTE BY PROXY

If you are a registered stockholder (you hold your stock in your own name),

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

you may vote by one of the following methods:

PROXY CARD, by completing and mailing the enclosed proxy card;

TELEPHONE VOTING, by dialing 1-800-PROXIES and following the enclosed instructions for telephone voting;

VIA THE INTERNET, by going to the web address [HTTP://WWW.AMSTOCK.COM](http://WWW.AMSTOCK.COM) and following the enclosed instructions for Internet voting.

If you are a registered voter, you can simplify your voting and save the company expense by voting via the Internet or calling the toll-free number listed on the proxy card. A control number, located on the proxy card, is designated to verify a stockholder's identity and allow the stockholder to vote the shares and confirm that the voting instructions have been recorded properly. If you vote via the Internet or by telephone, please do not return a signed proxy card.

If you return your signed proxy card or use the telephone or Internet voting before the Annual Meeting, we will vote your shares as you direct. You have three choices on each matter to be voted upon. For the election of directors, you may vote for (1) all of the nominees, (2) none of the nominees, or (3) all of the nominees except those you designate. See 'Proposal 1 -- Election of Directors.' For each of the other items, you may vote 'FOR', 'AGAINST,' or 'ABSTAIN' from voting.

If you do not specify on your proxy card or through internet or telephone prompts how you want to vote your shares, we will vote them 'for' the election of director nominees and 'for' ratification of the independent auditors.

If your shares are held in 'street name' (through a broker or other nominee), you must provide instructions on voting to your nominee holder. If you wish to vote in person at the meeting, you must obtain from the record holder a legal proxy issued in your name. You will need to contact your broker or other nominee to determine whether you will be able to vote electronically via the Internet or by telephone.

HOW YOU MAY REVOKE OR CHANGE YOUR VOTE

You can revoke your proxy at any time before it is voted at the Annual Meeting by:

- (1) Sending written notice of revocation to the Secretary; or
- (2) Submitting another proper proxy with a more recent date than that of the proxy first given by (i) following the Internet voting instructions, or (ii) following the telephone voting instructions, or (iii) by signing and returning a proxy card to the Company; or
- (3) Attending the Annual Meeting and voting in person.

Another person at the meeting may also represent you if you execute a proper proxy designating that person.

Any notice of revocation that is delivered at the Annual Meeting should be hand delivered to the Inspector of Election at or before the taking of the vote. A shareholder may be requested to present such documents as shall be reasonably

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

requested for the purpose of establishing such shareholder's identity.

QUORUM, VOTING REQUIREMENTS AND EFFECT OF ABSTENTIONS AND NON-VOTES

At the Annual Meeting, an Inspector of Election will determine the presence of a quorum and tabulate the results of the voting by the shareholders. The holders of one-third of the outstanding shares of common stock that are entitled to vote at the Meeting must be present in person or by proxy in order to have the quorum that is necessary for the transaction of business at the Annual Meeting. The Inspectors will treat properly executed proxies marked 'abstain' or required to be treated as 'non-votes' as present for purposes of determining whether there is a quorum at the Annual Meeting. Broker 'non-votes' occur when a broker or nominee holding shares for a beneficial owner returns a proxy but does not have the authority to vote on a particular proposal.

The five nominees for director who receive the highest number of affirmative votes will be elected to serve as directors until the next annual meeting of the shareholders of the Company or until their successors are duly elected and qualified. All other matters will require the approval of a majority of the votes cast by the holders of common stock in person or by proxy at the Annual Meeting. Abstentions and non-votes will have the same effect as a vote against any proposal other than the election of directors.

COSTS OF SOLICITATION

We will bear the cost of preparing, printing, and mailing material in connection with this solicitation of proxies. In addition to mailing material, certain of our employees may make solicitations personally, by telephone, and by fax. We are required to reimburse brokerage firms, banks, and others for their reasonable out-of-pocket expenses, including clerical expenses, related to forwarding proxy material to beneficial owners of stock or otherwise in connection with this solicitation of proxies.

ANNUAL REPORT

The Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2001, containing audited financial statements for such year, and the Quarterly Report on Form 10-Q for October 31, 2001 are enclosed with this Proxy Statement. This Proxy Statement and the enclosed Proxy are being sent to our shareholders on or about January 22, 2002.

IN ORDER THAT YOUR SHARES MAY BE REPRESENTED AT THIS MEETING, YOU ARE REQUESTED TO PLEASE SIGN, DATE AND MAIL THE PROXY PROMPTLY.

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

AUDIT COMMITTEE REPORT

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the company specifically incorporates this Report by reference therein.

The Audit Committee met and consulted with the Company's independent accountants in person and by telephone regarding the following:

the plan for, and the independent accountants' report on, each audit of the Company's financial statements.

the Company's financial disclosure documents, including all financial statements and reports filed with the SEC and sent to shareholders.

reviewing the Company's accounting practices, principles, controls or methodologies.

significant developments in accounting and SEC rules

the adequacy of the Company's internal controls and accounting personnel

The Audit Committee is responsible for overseeing and monitoring the quality of the Company's accounting and auditing practices as well as recommending to the Board that the Company's financial statements be included in the annual report. Management is responsible for planning and conducting audits and ensuring that the Company's financial statements are prepared in accordance with generally accepted accounting principals.

In this context, the Audit Committee has met and held discussions with management and BDO Seidman, LLP, the Company's independent accountants for fiscal 2001. Management has represented to the Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements and other such matters deemed relevant and appropriate with management and the independent accountants. In addition, the Committee has met with the independent accountants and discussed the scope and results of the audit for fiscal 2001 and the matters required to be discussed by Statement on Auditing Standards No. 61, 'Communication with Audit Committees'.

Further, the Audit Committee has received the written disclosures and a letter from BDO Seidman, as required by Independence Standards Board No. 1 'Independence Discussions with Audit Committees,' and has discussed with BDO Seidman their independence from management. The Committee has also reviewed the fees received by the independent accountants for services related to fiscal 2001 and determined that no material amounts were paid for non-audit related services and such amounts were compatible with the maintenance of BDO Seidman's independence in the conduct of its auditing function.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board, and the Board has approved that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 31, 2001, for filing with the Securities and Exchange Commission. The Committee also has recommended, subject to stockholder ratification, the selection of BDO Seidman, LLP as the Company's independent accountants for the fiscal year ending January 31, 2002.

The Committee has also confirmed there have been no new circumstances or developments since their respective appointments to the Audit Committee that would impair any member's ability to act independently.

Rohit Phansalkar, who was a director at the time and later became our Chairman and Chief Executive Officer, was a partner or a member of these purchasers. In addition, Mr. Phansalkar was a partner of AW and one of our directors when AW received the 357,799 shares in payment of the placement fee.

Belmarken Holding B.V. ('Belmarken') is an indirect subsidiary of United GlobalCom, Inc. ('UGC'). Donne F. Fisher is a director of Media Liberty Corporation which owns an 11% economic interest representing a 37% voting interest in UGC and holds convertible debt of a subsidiary of United Pan-Europe Communications, N.V. ('UPC'), a subsidiary of UGC, which it has agreed to exchange for additional shares in UPC. Mr. Fisher is the President and beneficial owner of Fisher Capital Partners. Mr. Fisher was not one of our directors nor a director of Liberty Media when this stock placement occurred.

Oren G. Shaffer, a then director of our Sorrento subsidiary, is a stockholder of Virgo Cap, Inc. Renn Zaphiropoulos was one our directors as well as a director of our Sorrento subsidiary when this stock placement occurred.

Two of our customers are subsidiaries of UPC which is the parent of Belmarken, a holder of our Sorrento subsidiary's Series A shares, and indirect subsidiaries of UGC. During fiscal 2001 we made sales of \$3,364,000, including deferred revenue, to these customers and these customers had outstanding receivables of \$3,281,000 at January 31, 2001. During the nine months ended October 31, 2001 we made sales of \$1,884,000 to these customers. These customers had gross outstanding receivables of \$1,848,000 as of October 31, 2001. As noted above, Mr. Fisher is a director of a shareholder of UGC and debt holder in one of its indirect subsidiaries. Mr. Fisher was not one of our directors when we made these sales and extended credit to these customers, however, indirect subsidiaries of UGC continue to be among our customers.

During fiscal 2001 we purchased \$5,858,000 of components from Avanex Corporation of which \$2,470,000 was outstanding at January 31, 2001. During the nine months ended October 31, 2001 we purchased \$3,289,000 of components from Avanex of which \$292,040 was outstanding at October 31, 2001. Charles Mao, who joined our Board in October 2001, is Senior Vice President, Sales and Marketing of Avanex. Dr. Mao was not one of our directors when we established this relationship and we expect to continue to make significant purchases in the future from Avanex.

During fiscal 2000 FIBR Holdings, LLC purchased 679,483 unregistered shares of our common stock for \$7,500,000. In connection with this placement Humbert B. Powell III, then a director, received a finder's fee of \$300,000 from us. Andersen Weinroth Capital Corp. ('AW') received a placement fee of \$300,000 in connection with this placement and Rohit Phansalkar, who subsequently became one of our directors, and later became our Chairman and Chief Executive Officer, was a partner of AW at that time. FIBR Holdings, LLC had the right to nominate one member of the Board of Directors to serve

until the annual shareholders' meeting in 2001 and had the right to participate in any stock offering by our Sorrento subsidiary, to the extent of \$7,500,000 subject to certain limitations. Mr. Phansalkar was nominated by AW and joined our Board of Directors on January 6, 2000.

During July, 2000 we agreed to loan \$300,000 for three years at the applicable federal rate provided for in Internal Revenue Code Section 1274 to Mr. Jacobson in connection with accepting employment as our Senior Vice President, Legal. This is a full recourse loan and Mr. Jacobson has pledged his options to acquire our common stock and any options he may receive from any of our subsidiaries as collateral. During the year ended January 31, 2001 we advanced the \$300,000 for which the interest rate is 6.6%. Accrued and unpaid interest on this loan at December 31, 2001 was \$14,800.

During June 2000, we entered into various agreements with Par Chadha, our former CEO and Chairman, which, among other matters, provides for payments of \$250,000 per year for three years of consulting services and loans by us for the exercise of previously granted options to acquire 1,178,500 options at prices varying from \$7.03 to \$49.25 per share. As the members of our Board of Directors at the time of his resignation ceased to represent more than 50% of the Board in October 2000, all payments for consulting services were accelerated and no future consulting services are required. During October 2000, Mr. Chadha exercised 71,112 options, applying the \$500,000 accelerated payment to the exercise. In addition, he exercised 507,388 options for which we are contractually obligated to loan the \$5,034,000 due on the exercise. During September 2001, Mr. Chadha notified us that he does not have any obligations under the agreements. We have notified him that we do not agree with his interpretation of his repayment obligations under the terms of his agreements.

During December 2001, we entered into an agreement whereby the 507,388 option exercise was rescinded. Mr. Chadha returned the 507,388 shares to us for cancellation and we cancelled the receivable due from him and restored the original option agreements. This rescission agreement did not resolve any underlying dispute as to the option loan repayment obligations.

During fiscal 2001, we entered into employment agreements with Dr. Cheng, Mr. Mason, Mr. Sue, Mr. Jacobson, Mr. Leonard N. Hecht, our former Executive Vice President, and Mr. Phansalkar, our former CEO, which provide for loans to the employees to exercise stock options to acquire our common stock and the stock of our subsidiaries including any required tax withholdings due upon exercise. The loans are for a period not to exceed two years at the applicable federal rate, are full recourse and require the pledge of shares issued upon exercise. As of the date of this proxy no such loans are outstanding.

During fiscal 2000 we paid \$40,000 to Mr. Zaphiropoulos, a then director, for management consulting services.

During fiscal 1998, we made 8% demand loans totaling \$165,000 to Chrysalis Capital Group which were repaid with interest in April 1999. The loans were collateralized by 20,408 shares of our common stock. During fiscal 2000 and 1999, we paid \$190,070 and \$25,000, respectively, in fees to Chrysalis Capital Group for services rendered in connection with various amended loan and security agreements. Mr. Hecht, a director when such transactions occurred, owns directly and indirectly 100% of the outstanding capital stock of Chrysalis Capital Group.

- (A) Options are 'in-the-money' if, on January 31, 2001, the market price of the Common Stock (\$26.25) exceeded the exercise price of such options. The value of such options is calculated by determining the difference between the aggregate market price of the Common Stock covered by such options on January 31, 2001, and the aggregate exercise price of such options.
- (B) During December 2001, we entered into an agreement whereby the exercise of 507,388 options by Mr. Chadha was rescinded and the original option agreements were reinstated which reduces the value realized to \$273,337.

EMPLOYMENT AGREEMENTS

In September 2001, we entered into an employment agreement effective October 2001 with Mr. Arneson which provides for a salary of \$210,000 per year, a signing bonus of \$30,000 paid in six monthly installments, a temporary living allowance of \$2,000 per month for two years and 125,000 options to acquire our common stock vesting over two years. This agreement may be terminated for cause. However, should Mr. Arneson be terminated without cause during the first year of employment he will receive a lump-sum severance payment of six month's salary and vesting of all his options. The lump-sum severance payment increases to one year's salary after the first anniversary of his employment with us. In the event of a change of control, merger or sale of the Company, Mr. Arneson is entitled to receive an immediate payment equal to one year's salary and vesting of all his options.

In September 2000, we assumed our Sorrento subsidiary's obligations under its two year employment agreement with Dr. Cheng. The agreement, ending March 2002, provides for a salary of \$250,000 per year, vesting of all his options to acquire our common stock granted prior to February 1, 2000, and a bonus equal to two year's base salary payable at the end of the contract. This agreement may be terminated for cause. However, should Dr. Cheng be terminated without cause he will receive a continuation of his salary and benefits for two years and he is required to provide consulting services to us during that period.

We entered into a two year employment contract with Mr. Mason ending May 2002 which provides for a salary of \$200,000 per year and vesting of all his options to acquire our common stock granted prior to February 1, 2000. This contract may be terminated for cause. However, should Mr. Mason be terminated without cause or resign in certain circumstances prior to the end of the contract term he will receive a continuation of his salary and benefits for two years, vesting of all his options to acquire our common stock, and he is required to provide consulting services to us during the two years following his

termination.

We have entered into a two year employment contract with Mr. Sue ending May 2002 which provides for a salary of \$168,500 per year and the vesting of all his options to acquire our common stock granted prior to February 1, 2000. This contract may be terminated for cause. However, should Mr. Sue be terminated without cause or resign in certain circumstances prior to the end of the contract term he will receive a continuation of his salary and benefits for two years, vesting of all his options to acquire our common stock and he is required to provide consulting services to us during that period.

We entered into a two year employment contract with Mr. Jacobson ending in July 2002 which provides for a salary of \$250,000 per year. This contract may be terminated for cause. However, should Mr. Jacobson be terminated without cause or resign in certain circumstances prior to the end of the contract term he will receive a continuation of his salary and benefits for two years, vesting of all his options to acquire our common stock, and he is required to provide consulting services to us during two years following his termination.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 (the 'Exchange Act') requires the Company's directors and executive officers and person who own more than ten percent of a registered class of the Company's equity securities to file reports of beneficial ownership and changes in beneficial ownership with the Securities and Exchange Commission (the 'Commission'). The rules promulgated by the Commission under Section 16(a) of the Exchange Act require those persons to furnish the Company with copies of all reports filed with the Commission pursuant to Section 16(a).

Based solely upon a review of Forms 3, Forms 4 and Forms 5 and amendments thereto furnished to us pursuant to Rule 16(a)(3)(e) during the year ended January 31, 2001, and written representations of certain of our directors and officers that no Forms 4 were required to be filed, we believe that all directors, executive officers and beneficial owners of more than 10% of the Common Stock have filed with the Commission on a timely basis all reports required to be filed under Section 16(a) of the Exchange Act, except for late reporting of initial option grants by Messrs. Armstrong, Arneson, Dixon, Jacobson, Parsons and Dr. Li at the time each joined our Board of Directors or became one of our officers and annual reports for Messrs. Jacobson, Hecht and Mason, Ms. Mandl and Dr. Li.

COMPENSATION COMMITTEE REPORT

The following report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee is presently comprised of Drs. Cheng and Li and Mr. Hibbard. The Compensation Committee reviews, recommends and approves changes to our compensation and benefits policies and programs, makes recommendations to the Board for options granted under our plans and is responsible for reviewing and approving the compensation for executive officers and certain senior management of the Company. A majority of the Committee are neither employees nor former employees of the Company nor are they eligible to participate in any of the Company's executive compensation programs. Dr. Cheng does not participate in meetings of the Committee concerning his compensation package.

We have developed and are developing compensation programs designed to

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

reflect our performance and to be competitive in the marketplace. In designing compensation programs, we

17

attempt to reflect both value created for shareholders while supporting our strategic goals. The goals of our short-term and long-term compensation programs are to:

Attract, retain and motivate a high caliber executive leadership team and employee group.

Competitive base salaries in keeping with a philosophy of career continuity.

Align executive compensation with shareholder interests

Support our short-term and long-term strategic goal and objectives.

Promote our value and reward individuals for outstanding contributions to our success.

The nature of our business requires a technologically innovative personnel team to make a long-term commitment to our Company's growth. Accordingly, we grant incentive awards primarily in the form of stock options with view towards long-term corporate performance. These awards may not fluctuate as much as year-to-year financial results. Under our programs, a substantial portion of senior executives' potential compensation depends on increases in shareholder value.

We pay for performance on the basis on individual's level of responsibility. For this purpose, performance means both individual and corporate performance. Individual performance includes the ability to put our business plans into effect and to react to unanticipated events. We base compensation decisions for all employees, including the executive officers names in the Summary Compensation Table above.

Our executive compensation is based upon three components, base salary, short term incentive awards and long-term incentives, which are intended to meet our compensation program goals.

BASE SALARY

In keeping with the long-term and highly technical nature of our business, we take a long-term approach to management development. This career-oriented philosophy requires a competitive base salary. We base our salary structure on competitive positioning (comparing our salary structure with salaries paid by comparable companies), our own business performance, and general economic factors, and increases in the individual's responsibilities, whether through promotions or otherwise. Specific weights are not given to these factors, but competitive positioning is the most important factor. Within the comparable salary ranges, we determine individual senior management salaries based on individual performance, level of responsibility, and experience.

SHORT-TERM INCENTIVE AWARDS

Our short-term incentive awards are designed to reflect the individual

Edgar Filing: SORRENTO NETWORKS CORP - Form DEF 14A

officer's contribution to our profitability and revenues as well as any special achievements by the respective officers. Short-term awards help stress that decisions and contributions in any one year affect future years. Each year, the Committee establishes ranges for awards based upon our business performance, progress towards long-term goals, and competitive position. Some of the measures of performance considered include sales, profit margins, operating expenses, net income, working capital and operational excellence.

The award an executive receives depends upon the executive's individual performance and level of responsibility. Each year, we assess relative performance based on factors including initiative, business judgment, technical expertise, and management skills. None of our executive officers received an incentive bonus during fiscal 2001.

LONG-TERM INCENTIVE AWARDS

Long-term incentive awards are intended to develop and retain strong management through share ownership and incentive awards that recognize future performance. At present, stock options are the only long term incentive granted to executive officers and all our employees. The Committee believes that a significant portion of senior management's compensation should depend on value created for the shareholders. Options are an excellent way to accomplish this because they tie management's interests directly to the shareholders' interests.

18

The number of options granted to senior management is based on individual performance and level of responsibility. For the purpose, the Committee measures performance the same way as described above for short-term awards. Option grants must be sufficient in size to provide a strong incentive for executives to work for long-term business interests and become significant owners of the Company.

PROPOSAL 2 RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

The selection of independent auditors to examine our financial statements for the fiscal year ending January 31, 2002, which will be sent or made available to shareholders and filed with the Securities and Exchange Commission, is to be submitted to the meeting for ratification. BDO Seidman, LLP has been selected by the Board of Directors upon recommendation by the Audit Committee to examine such financial statements. Although ratification by the shareholders is not required by law, the Board of Directors believes that shareholders should be given this opportunity to express their views on the subject. While not binding on the Board of Directors, the failure of the shareholders to ratify the appointment of BDO Seidman, LLP as the Company's independent auditors would be considered by the Board in determining whether to continue the engagement of BDO Seidman, LLP. A member of BDO Seidman, LLP will be present at the Annual Meeting and will be available to respond to appropriate questions and will have the opportunity to make a statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF BDO SEIDMAN, LLP AS OUR INDEPENDENT AUDITORS.
