PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Independence Holding Company (the 'Company') of Proxies to be used at the Annual Meeting of Stockholders to be held at the Hyatt Regency Greenwich, 1800 E. Putnam Avenue, Old Greenwich, Connecticut on June 18, 2004 at 9:30 A.M., EDT. In addition to solicitation of Proxies by mail, the directors, officers and employees of the Company may solicit Proxies personally, by telephone, telefax or telegram. The expense of all such solicitation, including the cost of preparing, printing and mailing this Proxy Statement, will be borne by the Company. The Company will, upon request, reimburse brokers, banks or other persons for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners of the Company's shares. This Proxy Statement and the accompanying Proxy and the Company's Annual Report to Stockholders, which contains financial statements for the year ended December 31, 2003, will first be mailed to stockholders of the Company on or about May 17, 2004.

If the enclosed form of Proxy is executed and returned, it will be voted as directed by the stockholder. If no directions are given, Proxies will be voted (i) for election as directors of all of the nominees specified therein, and (ii) for the ratification of the selection of KPMG LLP ('KPMG') as independent auditors for the calendar year 2004. A Proxy may be revoked at any time, insofar

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

as the authority granted thereby has not been exercised at the Annual Meeting of Stockholders, by filing with the Secretary of the Company a written revocation or a duly executed Proxy bearing a later date. Any stockholder present at the meeting may vote personally on all matters brought before the meeting and, in that event, such stockholder's Proxy will not be used at the meeting by holders of the Proxy.

Only stockholders of record as of the close of business on April 30, 2004 will be entitled to vote at the meeting. On March 31, 2004, the Company had outstanding and entitled to one vote per share, 7,738,471 shares of Common Stock, par value \$1.00 per share ('Common Stock'). An additional 2,060,068 shares of Common Stock are held in treasury by the Company and are not entitled to vote. A majority of the outstanding shares will constitute a quorum at the meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

If no contrary instruction is indicated, shares represented by properly executed Proxies in the accompanying form of proxy will be voted by the persons designated in the printed portion thereof (i) FOR the election of the nominees named below to serve as directors for a one-year term, and (ii) FOR the ratification of the selection of KPMG as independent auditors for the calendar year 2004. Each director must be elected by the affirmative vote of a plurality of the votes cast at the meeting by the holders of shares of Common Stock represented in person or by Proxy. Approval of KPMG as

independent auditors requires the affirmative vote of a majority of the shares of Common Stock present or represented at the meeting.

Management does not know of any other matters to be brought before the meeting at this time; however, if any other matters are brought before the meeting, the proxy holder shall vote in his discretion with respect to the matter. In the event a stockholder specifies a different choice on the Proxy, such stockholder's shares will be voted or withheld in accordance with the specifications so made. Should any nominee for director named herein become unable or unwilling to accept nomination or election, it is intended that the persons acting under proxy will vote for the election of such other person as the Board of Directors of the Company may recommend unless the number of directors is reduced by the Board of Directors. Each person named as a nominee has consented to their nomination and the Company has no reason to believe that any nominee will be unable or unwilling to serve if elected to office.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE 'FOR' EACH OF THE

BOARD OF DIRECTORS AND COMMITTEES AND SELECTION PROCESS

The Company's Board of Directors held four meetings in 2003 and also took action by unanimous written consent on five occasions during the year. Each director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board of Directors held during the period in which such person was a director, and (ii) the total number of meetings held by all committees of the Board of Directors on which such person served.

5

Directors are elected annually and serve until their successors are duly elected and qualified. Officers serve at the discretion of the Board of Directors.

The Company qualifies as a 'controlled company' as defined in Rule 4350(c)(5) of the NASDAQ Marketplace Rules because more than 50% of the

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

Company's voting power is held by Geneve. Please see 'Principal Stockholders' above. Therefore, the Company is not subject to the requirements of Rule 4350(c) that would otherwise require the Company to have (i) a majority of independent directors on the Board of Directors; (ii) compensation of the Company's executive officers determined by a majority of the independent directors or a compensation committee comprised solely of independent directors; (iii) director nominees selected, or recommended for the Board of Director's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors; and (iv) adopted a formal written charter or board resolution addressing the nominations process and related matters.

In light of Geneve's voting power, the Board of Directors has determined that the Board of Directors, rather than a nominating committee, is the most appropriate body for identifying director candidates and selecting nominees to be presented at the annual meeting of stockholders. In nominating candidates, the Board of Directors seeks candidates with outstanding business experience who will bring such experience to the management and direction of the Company. The Board of Directors has further determined that no policy with respect to consideration of candidates recommended by security holders would be appropriate.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has an Executive Committee, an Audit Committee and a Compensation Committee.

Executive Committee. The Executive Committee, which has all powers and authority of the Board of Directors with respect to the management of the business and affairs of the Company, currently consists of Messrs. Kirkman, Netter and Thung. The Executive Committee did not hold any meetings or take any action by written consent in 2003.

Compensation Committee. The principal functions of the Compensation Committee are to review and approve the compensation of the Company's executive officers and the Company's Chief Executive Officer, and to administer the Company's 1988 Stock Incentive Plan ('1988 Stock Plan') and 2003 Stock Incentive Plan ('2003 Stock Plan'; collectively, with the 1998 Stock Plan, the 'Stock Plans').

Messrs. Kirkman, Netter and Tatum are the current members of the Compensation Committee. The Compensation Committee met three times in 2003.

Audit Committee. The Audit Committee operates under an Audit Committee Charter adopted by the Board of Directors, which is attached to this proxy statement as Appendix A. The principal functions of the Audit Committee are to: (i) select the independent auditors; (ii) review and approve management's plan for engaging the Company's independent auditors during the year to perform non-audit services and consider what effect these services will have on the independence of the Company's independent auditors; (iii) review the Company's annual financial statements and other financial reports which require approval by the Board of Directors; (iv) oversee the integrity of the Company's financial statements, the Company's systems of disclosure controls and internal controls and the Company's compliance with legal and regulatory requirements; (v) review the scope of the Company's independent auditors' audit plans and the results of their audit; and (vi) evaluate the performance of the Company's internal audit function and independent auditors.

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

The Audit Committee met four times during 2003. The current members of the Audit Committee are Messrs. Kirkman, Ross and Tatum. Each of these individuals meets the independence requirements of NASDAQ and applicable Securities and Exchange Commission ('SEC') rules and regulations. The Audit Committee and the Board of Directors have determined that each member of the Audit Committee is financially literate and that Mr. Tatum qualifies as an 'audit committee financial expert' as defined by applicable SEC rules.

(1) In the first quarter of 2003, the Company granted 132,450 Stock Appreciation Rights ('Rights') with a base price of \$19.94. At the date of grant, the base price equaled the quoted market price of the shares. In the second quarter of 2003, these Rights were immediately vested and terminated; a like number of non-qualified stock options were issued under the 2003 Plan at the then-current market price to the officers whose Rights were terminated; and the difference between the base price of the Rights and the then-current market price was paid to such officers in cash.

(2) Present value determinations were made using the Black-Scholes model of theoretical options pricing, and were based on the following assumptions:
 (A) expected volatility is based on a five year period, calculated weekly,

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

preceding the date of grant; (B) the risk-free rate of return is based on the five year U.S. Treasury Note yield to maturity as at the date of grant; (C) dividend yield assumes that the current dividend rate paid on the Common Stock continues unchanged until the expiration date of the options; and (D) a three-year phased-in vesting period that averages two years. The actual value a Named Officer receives is dependent on future stock market conditions, and there can be no assurance that the amounts reflected in column (f) of the Option/SAR Grants Table will actually be realized. No gain would be realized by a Named Officer without appreciation in the market value of the Common Stock, which would benefit all stockholders commensurately.

RETIREMENT BENEFIT AGREEMENT

In 1991, the Company entered into a retirement benefit agreement with Mr. Thung, which was amended in December 2002, pursuant to which he is entitled to receive cash payments, based upon his salary, at such time as he retires or otherwise terminates his employment with the Company. Such payments are fully vested. Assuming that his employment with the Company had terminated on December 31, 2003, Mr. Thung would have been entitled to receive approximately \$902,200 which amount increases each year he remains employed by the Company until he attains age 62. Of such amount, approximately \$181,500 was accrued in 2003.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is comprised of directors who meet the NASDAQ standards for independence. The Audit Committee operates under a written charter adopted by the Board of Directors, which was reviewed and revised in April 2004.

The Audit Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Company's independent auditors and with appropriate company financial personnel. The Audit Committee also discussed with the Company's senior management and independent auditors the process used for certifications by the Company's chief executive officer and chief financial officer which are required for certain filings with the Securities and Exchange Commission.

The Audit Committee appointed KPMG as the independent auditors for the Company after reviewing the firm's performance and independence from management.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

The independent auditors audited the annual financial statements prepared by management, expressed an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discussed with the Audit Committee any issues they believe should be raised with the Audit Committee and Board of Directors.

The Audit Committee reviewed with management and KPMG, the Company's audited financial statements and met separately with both management and KPMG to discuss and review those financial

statements and reports prior to issuance. Management has represented, and KPMG has confirmed, to the Audit Committee, that the financial statements were

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

prepared in accordance with generally accepted accounting principles.

The Audit Committee received from and discussed with KPMG the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from the Company. The Audit Committee also discussed with KPMG matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees) of the Auditing Standards Board of the American Institute of Certified Public Accountants to the extent applicable. The Audit Committee implemented a procedure to monitor auditor independence, reviewed audit and non-audit services performed by KPMG and discussed with the auditors their independence.

Based on these reviews and discussions, the Board of Directors determined that the Company's audited financial statements were to be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Management's recommendations as to the form and level of compensation of the Company's executive officers are subject to the approval of the Compensation Committee of the Board of Directors. The Committee has not retained a compensation consultant.

The Company's compensation policies seek to attract and retain key executives necessary to the long-term success of the Company, to align compensation with both annual and long-term strategic plans and goals and to reward performance in the continued growth and success of the Company and in the enhancement of shareholder values. In furtherance of these goals, the Company has employed a combination of annual base salaries, which are set at levels which management believes to be competitive with industry and regional pay practices and economic conditions, and annual and longer term incentive compensation, including options to purchase Common Stock.

Management recommended to the Compensation Committee a bonus pool for the Company's employees (including the executive officers) based on the Company's performance in 2003 (including management's accomplishments in enhancing the insurance group's distribution network while improving its profitability, and strategically planning the direction of the Company). The amount of the 2003 bonus pool was approved by the disinterested members of the Committee. Specifically regarding the chief executive officer, Roy T.K. Thung, base salary has been determined by considering Company and individual performance. Mr. Thung's annual bonus payments are subject to approval by the disinterested members of the Compensation Committee.

The Company and Geneve operate under cost-sharing arrangements pursuant to which certain items are allocated between the companies. During 2003, the Company paid to Geneve or accrued for payment thereto approximately \$255,000 under such arrangements, and paid or accrued approximately an additional \$64,000 for the first quarter of 2004. Geneve also provides the Company the use of office space as its corporate headquarters for annual consideration of \$236,000. In addition, certain directors, officers and/or employees of the Company or its subsidiaries, who are also directors, officers and/or employees of Geneve, received compensation and benefits from Geneve for services rendered thereto since January 1, 2003. The foregoing is subject to the approval of the Audit Committee of the Board of Directors at least annually, and management of the Company believes that the terms thereof are no less favorable than could be obtained by the Company from unrelated parties on an arm's length basis.

At various times since January 1, 2003, certain securities transfers were made between the Company and/or certain of its subsidiaries, on the one hand, and Geneve, on the other hand, at fair market value. The Company has invested as a limited partner in Dolphin Limited Partnership-A, an investment partnership. Mr. Donald Netter is the Chairman, Chief Executive Officer and President, and the indirect principal owner, of the managing member of the general partner of Dolphin Limited

Partnership-A. Mr. Donald Netter is the son of Mr. Edward Netter. Pursuant to the terms of the Partnership Agreement, all limited partners are charged

The following table presents aggregate fees for professional services billed to the Company for the years ended December 31, 2003 and 2002 by KPMG:

PRE-APPROVAL POLICIES AND PROCEDURES.

The Audit Committee has adopted policies and procedures to pre-approve all audit and permitted non-audit services performed by our independent auditor. These policies and procedures are set forth in our Audit Committee charter.

Applicable Commission rules and regulations permit waiver of the pre-approval requirements for services other than audit, review or attest services if certain conditions are met. Out of the services characterized above as Audit-Related, Tax and All Other, none were billed pursuant to these provisions in fiscal 2003 without pre-approval. Pre-approval requirements under applicable rules and regulations were not in place during fiscal 2002.

APPENDIX A

CHARTER OF THE AUDIT COMMITTEE OF THE
BOARD OF DIRECTORS OF
INDEPENDENCE HOLDING COMPANY

The Audit Committee, appointed by and acting on behalf of the Board of Directors of Independence Holding Company ('INHO'), a Delaware corporation, shall be responsible for overseeing INHO's accounting, financial reporting processes, internal controls, and audit of INHO's financial statements. Management is responsible for (a) the preparation, presentation and integrity of INHO's financial statements; (b) accounting and financial reporting principles; and (c) INHO's internal controls and procedures designed to promote compliance with accounting standards and applicable laws and regulations. INHO's independent auditing firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

MEMBERSHIP

The Audit Committee shall be composed of at least three directors determined by the Board of Directors (the 'Board') to have no relationship with INHO that may interfere with the exercise of their independence from management and to meet the independence and financial literacy requirements of NASDAQ and applicable federal law. At least one member must have accounting or other relevant financial management expertise as required by NASDAQ. If an Audit Committee member simultaneously serves on the audit committees of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of such director to effectively serve on INHO's Audit Committee. Appointment to the Audit Committee, including the designation of the Chair of the Audit Committee and the designation of any Audit Committee members as 'audit committee financial experts,' shall be made on an annual basis by the full Board.

RESPONSIBILITIES OF AUDIT COMMITTEE

The Audit Committee shall undertake such functions as it deems appropriate to oversee INHO's accounting, financial reporting processes, internal controls, and audit of INHO's financial statements. Without limiting its scope of activities, the Audit Committee shall, among other things, be responsible for:

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

The appointment, replacement, compensation and oversight of the work of INHO's independent auditors.

Reviewing the adequacy and appropriateness of INHO's system of internal financial controls, including the need for, and conduct of, an internal auditing function.

Reviewing and discussing the written statement from the independent auditor concerning any relationship between the auditor and INHO or any other relationships that may adversely affect the independence of the auditor, and, based on such review, assuring and assessing the independence of the auditor.

Establishing policies and procedures for the review and pre-approval by the Audit Committee of all auditing services and permissible non-audit services (including the fees and terms thereof) to be performed by the independent auditor, with exceptions provided for de minimis amounts under certain circumstances as described by law.

Reviewing, discussing and assessing with the independent auditor: (a) its audit plans, and audit procedures, including the scope, fees and timing of the audit; (b) the results of the annual audit examination and accompanying management letters; and (c) the results of the independent auditors' procedures with respect to interim periods.

Reviewing and discussing reports from the independent auditors on (a) all critical accounting policies and practices used by INHO; (b) alternative accounting treatments within generally accepted accounting principles ('GAAP') related to material items that have been discussed

A-1

with management, including the ramifications of the use of the alternative treatments and the treatment preferred by the independent auditor; and (c) other material written communications between the independent auditor and management.

Reviewing with the independent auditor its judgment as to the quality, not just the acceptability, of INHO's accounting principles and such matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

Reviewing and granting prior approval authority for related party transactions (as defined in the relevant NASDAQ requirements).

Reviewing the filings made on behalf of INHO with the Securities and Exchange Commission (the 'SEC'), NASDAQ and such other exchange(s) upon which the securities of INHO are listed.

Reviewing INHO's audited financial statements and INHO's quarterly financial information, in each case prior to the filing with the SEC.

Reviewing and discussing with management, the independent auditor, and senior financial and accounting employees: (a) the adequacy and effectiveness of INHO's internal controls (including any significant deficiencies and significant changes in internal controls reported to the

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

Audit Committee by the independent auditor or management); (b) INHO's internal audit procedures; and (c) the adequacy and effectiveness of INHO's disclosures controls and procedures, and management reports thereon.

Reviewing the procedures established by INHO, and actions undertaken on INHO's behalf, to protect INHO's proprietary intellectual property.

Reviewing the findings of investigations, examinations, and similar reviews, if any, issued or conducted by regulatory authorities which pertain to INHO's internal financial controls and financial reporting functions.

Establishing procedures for the receipt, retention and treatment of complaints received by INHO regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Publishing the report of the Audit Committee required by the rules of the SEC to be included in the company's annual proxy statement.

Further, the Audit Committee shall conduct special investigations at its discretion and shall perform such other functions as may be requested from time to time by the Board of Directors.

In the conduct of its responsibilities, the Audit Committee is authorized to communicate directly with any employee of INHO or any third party conducting business with INHO, to engage professionals, including lawyers, accountants and other advisers who have or have not previously rendered services to INHO on terms (including financial) that the Audit Committee deems appropriate in its discretion, and to undertake such other actions as the Audit Committee deems appropriate in order to fulfill its responsibilities.

MEETINGS

The Audit Committee shall meet at the discretion of its Chairperson or a majority of its members, but shall meet not less frequently than quarterly and as often as necessary to carry out its responsibilities. A majority of the members of the Audit Committee shall constitute a quorum and shall be empowered to act on behalf of the Audit Committee. The Audit Committee shall meet at least annually with INHO's independent auditors without management present. The Audit Committee may delegate its authority to any subcommittee or member where appropriate and permitted by relevant law and the rules and regulations of the SEC, NASDAQ and any other exchange(s) upon which the securities of INHO are listed. The Audit Committee shall maintain minutes of its proceedings.

A-2

REPORTING RESPONSIBILITIES

The Audit Committee shall report to the Board of Directors as the Chairperson, a majority of the members, or the Board of Directors may request. The Audit Committee may, acting on its own initiative, report to, or otherwise communicate with, one or more members of management, including those persons responsible for financial reporting and internal auditing, and INHO's independent auditors.

Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

INHO's independent auditors shall report directly to the Audit Committee but shall be responsible to the entire Board of Directors.

PROCEDURES FOR DISCHARGING AUDIT COMMITTEE RESPONSIBILITIES

The Audit Committee shall discuss and review:

The independent auditors' proposed audit plan for the current year, and discuss with the independent auditors its scope, staffing, location, reliance upon management and general audit approach.

Significant findings during the year, including the status of previous audit recommendations.

Any difficulties encountered in the course of audit work, including any restrictions on the scope of activities or access to required information.

The adequacy of the Audit Committee charter, annually.

Any matters raised by the audit that the Audit Committee believes should be discussed privately without the presence of management; the Audit Committee shall meet at least annually with INHO's independent auditors without management.

Inquiries as to the auditors' independent qualitative judgments about the appropriateness, not just the acceptability, of the accounting principles and the clarity of the financial disclosure practices used or proposed to be used by INHO.

THE CHAIRPERSON

The Chairperson shall have the authority and responsibility to call the meetings of the Audit Committee, to oversee the conduct of meetings, to report on the deliberations of the Audit Committee to the Board of Directors and, as appropriate, to others. The Chairperson shall have the authority to engage, on behalf of the Audit Committee, counsel, accountants, and others in the furtherance of the Chairperson's and the Audit Committee's duties.
