PFIZER, PHARMACIA TO RESPOND TO EC REQUEST FOR MORE INFORMATION

The European Commission (EC) -- the agency responsible for reviewing and approving mergers and acquisitions in the European Union -- has asked Pfizer and Pharmacia to provide additional information as part of the EC's ongoing review of our proposed combination. According to Pfizer's Chief Financial Officer David Shedlarz, who is leading the transition planning process, this is occasionally done and is not particularly surprising given the size and complexity of our two companies.

"We have been working collaboratively with the EC for several months," Shedlarz says, "and we will quickly provide them with as much information as they need to thoroughly review our proposal."

Shedlarz adds that the EC's request does not change Pfizer's expectation of when the deal will close.

"What Hank said in his letter to colleagues last week, still holds true today," he says. "We continue to target closing the transaction by year-end 2002. However, the final regulatory review process may result in the closing occurring early in the first quarter of 2003."
