Some of the factors many of which are beyond our control that could cause such differences include: credit, market (including equity and commodity), liquidity, interest rate, operational, reputational, insurance, strategic, foreign exchange, regulatory, legal and other risks discussed in the Bank's Annual Report and in other regulatory filings made in Canada and with the SEC; general business and economic conditions in Canada, the United States and other countries in which the Bank conducts business, as well as the effect of changes in monetary policy in those jurisdictions and changes in the foreign exchange rates for the currencies of those jurisdictions; the degree of competition in the markets in which the Bank operates, both from established competitors and new entrants; the accuracy and completeness of information the Bank receives on customers and counterparties; the development and introduction of new products and services in markets; developing new distribution channels and realizing increased revenue from these channels; the Bank's ability to execute its strategies, including its integration, growth and acquisition strategies and those of its subsidiaries, particularly in the U.S.; changes in accounting policies (including future accounting changes) and methods the Bank uses to report its financial condition, including uncertainties associated with critical accounting assumptions and estimates; changes to our credit ratings; global capital market activity; the Bank's ability to attract and retain key executives; reliance on third parties to provide components of the Bank's business infrastructure; the failure of third parties to comply with their obligations to the Bank or its affiliates as such obligations relate to the handling of personal information; technological changes; the use of new technologies in unprecedented ways to defraud the Bank or its customers; legislative and regulatory developments; change in tax

laws; unexpected judicial or regulatory proceedings; continued negative impact of the United States securities litigation environment; unexpected changes in consumer spending and saving habits; the adequacy of the Bank's risk management framework, including the risk that the Bank's risk management models do not take into account all relevant factors; the possible impact on the Bank's businesses of international conflicts and terrorism; acts of God, such as

A substantial amount of the Bank's business involves making loans or otherwise committing resources to specific companies, industries or countries. Unforeseen events affecting such borrowers, industries or countries could have a material adverse effect on the Bank's financial results, businesses, financial condition or liquidity. The preceding list is not exhaustive of all possible factors. Other factors could also adversely affect the Bank's results. For more information, see the Bank's Annual Report. All such factors should be considered carefully when making decisions with respect to the Bank, and undue reliance should not be placed on the Bank's forward-looking statements as they may not be suitable for other purposes. DESCRIPTION OF THE DEBT SECURITIES

The following is a summary of the material attributes and characteristics of the subordinated indebtedness of the Bank evidenced by the Debt Securities, which does not purport to be complete. Reference is made to the Trust Indenture referred to below for the full text of such attributes and characteristics. A copy of the Trust Indenture may be obtained on request from the Corporate Secretary, The Toronto-Dominion Bank, Toronto-Dominion Centre, Toronto, Ontario, Canada, M5K 1A2 (telephone: (416) 308-6963) and is also available electronically at www.sedar.com.

General

The Debt Securities will be issued as one or more series of debentures pursuant to the provisions of a trust indenture dated as of November 1, 2005 between the Bank and Computershare Trust Company of Canada as trustee (the Trustee), as supplemented from time to time (including by supplemental indentures to be entered into with respect to each offering of Debt Securities) (collectively, the Trust Indenture). The aggregate principal amount of debentures (including the Debt Securities) that may be issued under the Trust Indenture is unlimited. In addition, the Bank may offer Debt Securities by way of another trust indenture, the terms of which would be described in the Prospectus Supplement relating to such offering of Debt Securities.

Status and Subordination

The Debt Securities will be direct unsecured obligations of the Bank, constituting subordinated indebtedness for the purposes of the Bank Act, ranking at least equally with other subordinated indebtedness of the

Table of Contents

Bank from time to time issued and outstanding. In the event of the insolvency or winding-up of the Bank, the indebtedness evidenced by debentures issued by the Bank, including the Debt Securities, will be subordinate in right of payment to the prior payment in full of the deposit liabilities of the Bank and all other liabilities of the Bank except liabilities which by their terms rank in right of payment equally with or subordinate to indebtedness evidenced by such debentures.

The Debt Securities will not constitute deposits that are insured under the Canada Deposit Insurance Corporation Act (Canada) or by the U.S. Federal Deposit Insurance Corporation.

Specific Variable Terms

The specific variable terms of any offering of Debt Securities (including, where applicable and without limitation, the aggregate principal amount of the Debt Securities being offered, the currency or currency unit, the issue and delivery date, the maturity date, the issue price, the interest rate (either fixed or floating and, if floating, the manner of calculation thereof), the interest payment date(s), any redemption, conversion, exchange, sinking fund or repurchase provisions, the name of any Investment Dealer involved in the distribution of the Debt Securities, the compensation payable to any Investment Dealer, the method of distribution, the form (either global book-entry form or certificated form) and the proceeds to the Bank) will be set forth in the Prospectus Supplement that will accompany this Prospectus. The Bank reserves the right to set forth in a Prospectus Supplement specific variable terms of any offering of Debt Securities which are not within the options and parameters set forth in this Prospectus.

Covenant

The Trust Indenture provides that the Bank will not create, issue or incur any indebtedness subordinate in right of payment to the deposit liabilities of the Bank which, in the event of the insolvency or winding-up of the Bank, would rank prior in right of payment to the Debt Securities.

Events of Default

The Trust Indenture provides that an event of default in respect of the Debt Securities will occur only if the Bank becomes insolvent or bankrupt or resolves to wind-up or liquidate or is ordered wound-up or liquidated. If an event of default has occurred and is continuing, the Trustee may, in its discretion and shall upon the request of holders of not less than one-quarter of the principal amount of a series of Debt Securities then outstanding under the Trust Indenture, declare the principal of and interest on all outstanding Debt Securities of such series to be immediately due and payable. There will be no right of acceleration in the case of a default in the payment of interest or a default in the performance of any other covenant of the Bank in the Trust Indenture, although a legal action could be brought to enforce such covenant.

Form

Unless otherwise specified in the applicable Prospectus Supplement, each offering of Debt Securities will be issued in book-entry only form. See Book-Entry Only Securities .

Modification

The Trust Indenture and the rights of the holders of debentures issued pursuant to the Trust Indenture, including the Debt Securities, may in certain circumstances be modified, if authorized by extraordinary resolution. For that purpose, among others, the Trust Indenture contains provisions making extraordinary resolutions binding upon all holders of debentures. Extraordinary resolution is defined, in effect, as a resolution passed at a meeting of holders of the debentures by the favorable votes of the holders of not less than 66²/₃% of the principal amount of debentures voted on the resolution at such meeting at which a quorum, as specified in the Trust Indenture, is present, or as a resolution contained in one or more instruments in writing signed by the holders of not less than 66²/₃% of the principal amount of the then outstanding debentures. Provision is made in the Trust Indenture for additional approval by the same percentage of the holders of a series of debentures if the rights of the holders of such series are affected in a manner or to an extent substantially different from those of other series. The Bank may also offer Debt

Table of Contents

Securities by way of another trust indenture, the terms of which would be described in the Prospectus Supplement relating to such offering of Debt Securities.

Holders Rights

Rights of a holder of a Debt Security represented by a global certificate in book-entry form, including voting rights, must be exercised through a CDS Participant or DTC Participant (each as defined below) in accordance with the rules and procedures of CDS or DTC (each as defined below), as applicable. See Book-Entry Only Securities .

Additional Subordinated Indebtedness

The Trust Indenture does not contain any restriction on the aggregate amount of subordinated indebtedness which may be issued thereunder.

Governing Law

The Trust Indenture and the Debt Securities shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein. The Bank may also offer Debt Securities by way of another trust indenture, the terms of which would be described in the Prospectus Supplement relating to such offering of Debt Securities.

Pursuant to the Bank Act, the Bank may not, without the approval of the holders of the Preferred Shares, create any class of shares ranking prior to or on a parity with the Preferred Shares.

Amendment of Class Provisions

Approval of amendments to the provisions of the Preferred Shares as a class may be given in writing by the holders of all the outstanding Preferred Shares or by a resolution carried by an affirmative vote of at least two-thirds of the votes cast at a meeting at which the holders of a majority of the then outstanding Preferred Shares are present or represented by proxy or, if no quorum is present at such meeting, at an adjourned meeting at which the shareholders then present or represented by proxy may transact the business for which the meeting was originally called.

Priority on Liquidation, Dissolution or Winding-up

In the event of the liquidation, dissolution or winding-up of the Bank, before any amounts shall be paid to or any assets distributed among the holders of the Common Shares or shares of any other class of the Bank ranking junior to the Preferred Shares, the holder of a Preferred Share of a series shall be entitled to receive to the extent provided for with respect to such Preferred Shares by the conditions attaching to such series: (i) an amount equal to the amount paid up thereon; (ii) such premium, if any, as has been provided for with respect to the Preferred Shares of such series; and (iii) all unpaid cumulative dividends, if any, on such Preferred Shares and, in the case of non-cumulative Preferred Shares, all declared and unpaid non-cumulative dividends. After payment to the holders of the Preferred Shares of the amounts so payable to them, they shall not be entitled to share in any further distribution of the property or assets of the Bank. Each series of Preferred Shares ranks on a parity with every other series of Preferred Shares.

Voting Rights

There are no voting rights attaching to the Preferred Shares except to the extent provided in any series or by the Bank Act.

Creation and Issue of Additional Shares

The Bank may not, without the prior approval of the holders of the Preferred Shares, create or issue (i) any shares ranking in priority to or on a parity with the Preferred Shares; or (ii) any additional series of Preferred Shares unless at the date of such creation or issuance all cumulative dividends and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of Preferred Shares then issued and outstanding.

DESCRIPTION OF WARRANTS

The following describes certain general terms and provisions that will apply to the Warrants. The particular terms and provisions of Warrants offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below apply to such Warrants, will be described in such Prospectus Supplement.

Warrants may be offered separately or together with Preferred Shares. Each series of Warrants will be issued under a separate indenture (each, a Warrant Indenture) in each case between the Bank and a trustee determined by the Bank. The statements below relating to any Warrant Indenture and the Warrants to be issued thereunder are summaries of certain anticipated provisions thereof, are not complete and are subject to, and qualified by reference to all provisions of the applicable Warrant Indenture. The applicable Prospectus Supplement will include details of the Warrant Indenture with respect to the Warrants being offered. Reference is made to the applicable Prospectus Supplement which will accompany this Prospectus for the terms and other information with respect to the offering of Warrants being offered thereby.

Table of Contents**Preferred Share Warrants**

The particular terms and provisions of each issue of Warrants providing for the issuance of Preferred Shares on exercise of Warrants will be described in the related Prospectus Supplement and may include the designation, number and terms of the Preferred Shares purchasable upon exercise of the Warrants, any procedures that will result in the adjustment of these numbers, the exercise price, dates and periods of exercise, the currency in which the Warrants are issued and any other specific terms of the Warrants.

BOOK-ENTRY ONLY SECURITIES**CDS Clearing and Depository Services Inc.**

Securities issued in book-entry only form must be purchased, transferred or redeemed through participants (CDS Participants) in the depository service of CDS Clearing and Depository Services Inc. or a successor or its nominee (collectively, CDS), except that Securities issued in the United States generally must be purchased, transferred or redeemed through participants (DTC Participants) in the depository service of The Depository Trust Company or a successor or its nominee (collectively, DTC), as described below. Each of the Investment Dealers named in an accompanying Prospectus Supplement offering securities in book-entry only form will be a CDS Participant. On the closing of a book-entry only offering, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, CDS. Except as described below, no purchaser of Securities will be entitled to a certificate or other instrument from the Bank or CDS evidencing that purchaser's ownership thereof, and no purchaser will be shown on the records maintained by CDS except through a book-entry account of a CDS Participant acting on behalf of such purchaser. Each purchaser of Securities will receive a customer confirmation of purchase from the Investment Dealer from which the Securities are purchased in accordance with the practices and procedures of that Investment Dealer. The practices of Investment Dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

CDS will be responsible for establishing and maintaining book-entry accounts for CDS Participants having interests in the Securities. If (i) the book-entry only system ceases to exist, (ii) the Bank determines that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor, or (iii) the Bank at its option elects, or is required by applicable law or the rules of any securities exchange, to withdraw the Securities from the book-entry only system, then physical certificates representing the Securities will be issued to holders thereof or their nominees.

Transfer, Conversion and Redemption of Securities

Transfers of ownership, conversions or redemptions of Securities will be effected only through records maintained by CDS for such Securities with respect to interests of CDS Participants and on the records of CDS Participants with respect to interests of persons other than CDS Participants. Holders of Securities who are not CDS Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the Securities, may do so only through CDS Participants. The ability of a holder to pledge Securities or otherwise take action with respect to such holder's interest in Securities (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

Payments and Deliveries

The Bank will make, or cause to be made, payments of principal, redemption price, if any, dividends and interest, as applicable, on Securities to CDS as the registered holder of the Securities and the Bank understands that the payment will be forwarded by CDS to CDS Participants in accordance with the customary practices and procedures of CDS. As long as CDS is the registered owner of the Securities, CDS will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. As long as the Securities are held in the CDS book-entry only system, the responsibility and liability of the Bank in respect of the Securities is limited to making payments of principal, redemption price, if any, dividends and interest, as applicable, on the

Table of Contents

Securities to CDS, as registered holder of the Securities. The Bank expects that CDS, upon receipt of any payment in respect of Securities, will credit CDS Participants' accounts in amounts proportionate to their respective interests in the principal amount of such Securities as shown on the records of CDS in accordance with the customary practices and procedures of CDS. The Bank also expects that payments by CDS Participants to the owners of beneficial interests in Securities held through such CDS Participants will be governed by standing instructions and customary practices, and will be the responsibility of such CDS Participants. The rules governing CDS provide that it acts as the agent and depository for the CDS Participants. As a result, CDS Participants must look solely to CDS, and persons other than CDS Participants having an interest in Securities must look solely to CDS Participants, for payments or deliveries made by or on behalf of the Bank to CDS in respect of such Securities.

Each beneficial owner must rely on the procedures of CDS and, if such beneficial owner is not a CDS Participant, on the procedures of the CDS Participant through which such beneficial owner owns its interest, to exercise any rights with respect to the Securities. The Bank understands that under existing policies of CDS and industry practices, if the Bank requests any action of a beneficial owner or if a beneficial owner desires to give any notice or take any action which a registered holder is entitled to give or take with respect to the Securities, CDS would authorize the CDS Participant acting on behalf of the beneficial owner to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by the Bank, any Trustee and CDS. Any beneficial owner that is not a CDS Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its CDS Participant to give such notice or take such action.

None of the Bank, the Investment Dealers, the Trustee or any other trustee (in the case of Debt Securities) will assume liability or responsibility for (i) any aspect of the records relating to the beneficial ownership of the Securities held by CDS or the payments or deliveries relating thereto, (ii) maintaining, supervising or reviewing any records relating to the Securities, or (iii) any advice or representation made by or with respect to CDS relating to the rules governing CDS or any action to be taken by CDS or at the direction of CDS Participants.

The Depository Trust Company

On the closing of a book-entry only offering made in the United States, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, DTC. Purchasers of such Securities may only hold interests in the global certificates through DTC if they are DTC Participants. Purchasers may also hold interests through a securities intermediary—banks, brokerage houses and other institutions that maintain securities accounts for customers—that has an account with DTC. DTC will maintain accounts showing the Security holdings of its DTC Participants, and these DTC Participants will in turn maintain accounts showing the Security holdings of their customers. Some of these customers may themselves be intermediaries holding Securities for their customers. Thus, each beneficial owner of a book-entry Security will hold that Security indirectly through a hierarchy of intermediaries, with DTC at the top and the beneficial owner's own securities intermediary at the bottom.

The Securities of each beneficial owner of a book-entry Security will be evidenced solely by entries on the books of the beneficial owner's securities intermediary. The actual purchaser of the Securities will generally not be entitled to have the Securities represented by the global Securities registered in its name and will not be considered the record holder. In most cases, a beneficial owner will also not be able to obtain a paper certificate evidencing the holder's ownership of Securities. Accordingly, you must rely on the procedures of DTC and the DTC participant through which you own your interest to exercise any rights of a holder under the global Security. The book-entry system for holding securities eliminates the need for physical movement of certificates and is the system through which most publicly-traded securities are held in the United States. However, the laws of some jurisdictions require some purchasers of securities to take physical delivery of their securities in definitive form. These laws may impair the ability to transfer book-entry interests in the Securities.

The Bank will make payments on Securities represented by a global Security to DTC as the registered owner and holder of the global Security representing those Securities. DTC has advised the Bank that upon receipt of any payment on a global Security, DTC will immediately credit accounts of DTC participants with payments in amounts proportionate to their respective beneficial interests in that Security, as shown in the records of DTC. Standing instructions and customary practices will govern payments by DTC participants to owners of beneficial

Table of Contents

interests in a global Security held through those DTC participants, as is now the case with Securities held for the accounts of customers in bearer form or registered in street name. Those payments will be the sole responsibility of those DTC participants, subject to any statutory or regulatory requirements in effect from time to time.

None of the Bank, the trustees or any respective agents will have any responsibility or liability for any aspect of the records of DTC or any DTC participant relating to, or payments made on account of, beneficial interests in a global Security or for maintaining, supervising or reviewing any of the records of DTC or any DTC participant relating to those beneficial interests.

A beneficial owner of book-entry Securities represented by a global Security held by DTC will have its Securities exchanged for definitive Securities only if: (i) the book-entry only system ceases to exist in the United States, (ii) the Bank determines that DTC is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor in the United States, or (iii) the Bank at its option elects, or is required by applicable law or the rules of the SEC, to withdraw the Securities from the book-entry only system in the United States.

Unless otherwise specified in the applicable Prospectus Supplement, any global Security that is exchangeable as described in the preceding paragraph will be exchangeable in whole for definitive Securities in registered form, with the same terms and of an equal aggregate principal amount. Definitive Securities will be registered in the name or names of the person or persons specified by DTC in a written instruction to the registrar of the Securities. DTC may base its written instruction upon directions it receives from DTC Participants.

In this Prospectus, for book-entry Securities held through DTC, references to actions taken by Security holders will mean actions taken by DTC upon instructions from DTC Participants, and references to payments and notices of redemption to Security holders will mean payments and notices of redemption to DTC as the registered holder of the Securities for distribution to DTC Participants in accordance with DTC's procedures.

DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered under section 17A of the U.S. Securities Exchange Act of 1934. The rules applicable to DTC and the DTC Participants are on file with the SEC.

The Bank will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the book-entry Securities held through DTC or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests held through DTC.

BANK ACT RESTRICTIONS AND RESTRICTIONS ON PAYMENT OF DIVIDENDS

The Bank Act contains restrictions on the issue, transfer, acquisition, beneficial ownership and voting of all shares of a chartered bank. For example, no person shall be a major shareholder of a bank if the bank has equity of C\$8 billion or more (which would include the Bank). A person is a major shareholder of a bank where: (i) the aggregate of shares of any class of voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 20% of that class of voting shares; or (ii) the aggregate of shares of any class of non-voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 30% of that class of non-voting shares. No person shall have a significant interest in any class of shares of a bank, including the Bank, unless the person first receives the approval of the Minister of Finance (Canada). For purposes of the Bank Act, a person has a significant interest in a class of shares of a Canadian chartered bank where the aggregate of any shares of the class beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person exceeds 10% of all of the outstanding shares of that class of shares of such bank. Purchasers of Securities (and CDS Participants) may be required to furnish declarations relating to ownership (and ownership by clients of such CDS Participants) in a form prescribed by the Bank.

The Bank Act also prohibits the registration of a transfer or issue of any share of the Bank to Her Majesty in right of Canada or of a province or any agent or agency of Her Majesty in either of those rights, or to the government of a foreign country or any political subdivision, agent or agency of any of them.

Under the Bank Act, the Bank cannot redeem or purchase any of its shares, including the Preferred Shares, unless the consent of the Superintendent of Financial Institutions (Canada) (the Superintendent) has been obtained. In addition, the Bank Act prohibits a payment to purchase or redeem any shares or the declaration of a dividend if there are reasonable grounds for believing that the Bank is, or the payment would cause the Bank to be, in contravention of the capital adequacy and liquidity regulations of the Bank Act or directions of the Superintendent.

The Bank is also restricted from paying certain dividends in the event that TD Capital Trust, TD Capital Trust II or TD Capital Trust III (each a subsidiary of the Bank) fails to pay semi-annual distributions in full to holders of Capital Trust Securities, TD Capital Trust II Securities or TD Capital Trust III Securities, respectively, when required pursuant to the terms of the respective securities. In addition, the ability to pay dividends on the Common Shares without the approval of the holders of the outstanding Preferred Shares is restricted unless all dividends on the Preferred Shares have been declared and paid or set apart for payment.

EARNINGS COVERAGE

The following earnings coverage ratios do not reflect the issuance of any Securities under this Prospectus.

The Bank's interest requirements on all subordinated notes and debentures, and liabilities for preferred shares and capital trust securities after adjustment for new issues and retirement, amounted to C\$861 million for the 12 months ended October 31, 2007 and C\$844 million for the 12 months ended July 31, 2008.

The Bank reported net income, before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes of C\$5,278 million for the 12 months ended October 31, 2007, which was 6.1 times the Bank's aggregated dividend and interest requirement for this period. The Bank reported net income, before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes of C\$5,020 million for the 12 months ended July 31, 2008, which was 5.9 times the Bank's aggregated dividend and interest requirement for this period.

On an adjusted earnings basis, the Bank's net income before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes for the 12 months ended October 31, 2007 was C\$5,594 million, which was 6.5 times the Bank's aggregated dividend and interest requirement for this period. On an adjusted earnings basis, the Bank's net income before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes for the 12 months ended July 31, 2008 was C\$5,371 million, which was 6.4 times the Bank's aggregated dividend and interest requirement for this period.

The Bank's financial results are prepared in accordance with Canadian generally accepted accounting principles (GAAP). The Bank refers to results prepared in accordance with GAAP as reported results. The Bank also utilizes non-GAAP financial measures referred to as adjusted results to assess each of its businesses and to measure overall Bank performance. To arrive at adjusted results, the Bank removes items of note, net of income taxes, from reported results. The items of note relate to items which management does not believe are indicative of underlying business performance. The Bank believes that adjusted results provide the reader with a better understanding of how management views the Bank's performance. As explained, adjusted results are different from reported results determined in accordance with GAAP. Adjusted results, items of note and related terms used herein are not defined terms under GAAP, and, therefore, may not be comparable to similar terms used by other issuers. Please see page 6 of the Bank's Third Quarter Report to Shareholders for the three and nine months ended July 31, 2008 and page 15 of the Bank's Annual Report for a reconciliation between the Bank's reported and adjusted results.

Indemnification of Directors and Officers

Under the Bank Act (Canada) (the Bank Act), The Toronto-Dominion Bank (the Bank) may not, by contract, resolution or by-law, limit the liability of its directors for breaches of their fiduciary duties. However, except in respect of an action by or on behalf of the Bank to procure a judgment in its favor, the Bank may indemnify a director or officer, a former director or officer or a person who acts or acted at the Bank s request as a director or officer of or in a similar capacity for another entity, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her because of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the bank or the entity, if:

- (1) that person acted honestly and in good faith with a view to the best interests of the Bank; or the other entity, as the case may be, and
- (2) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, that person had reasonable grounds for believing that his or her impugned conduct was lawful.

These individuals are entitled to an indemnity from the Bank if the person was not judged by the court or other competent authority to have committed any fault or omitted to do anything they ought to have done and fulfilled the conditions set out in (1) and (2) above. The Bank may, with the approval of a court, also indemnify or advance funds to that person regarding an action by or on behalf of the Bank to procure a judgment in its favor, to which the person is made a party by reason of being or having been a director or officer of the Bank or the entity, if he or she fulfills the conditions set out in (1) and (2) above.

The Bank s by-laws provide that subject to the limitations contained in the Bank Act, but without limit to the right of the Bank to indemnify or advance funds to any person under the Bank Act or otherwise, the Bank will indemnify a director or officer or a former director or officer, or a person who acts or acted at the Bank s request as a director or officer or in a similar capacity of a body corporate, and such person s heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment reasonably incurred by such person in respect of any civil, criminal or administrative action or proceeding to which such person is made a party by reason of being or having been a director or officer of the Bank or such body corporate if: (i) such person acted honestly and in good faith with a view to the best interests of the Bank; and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, such person had reasonable grounds for believing that such person s conduct was lawful. These indemnification provisions could be construed to permit or require indemnification for certain liabilities arising out of U.S. federal securities laws. Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the Securities Act) may be permitted to directors, officers or persons controlling the Bank pursuant to the foregoing provisions, the Bank has been informed that in the opinion of the Securities and Exchange Commission (SEC) such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

The Bank maintains directors and officers liability insurance policies providing for the insurance on behalf of any person who is or was a director or officer of the Bank and subsidiary companies against any liability incurred by him or her in any such capacity or arising out of his or her status as such.
