Use of Proceeds

We expect to receive net proceeds of approximately \$596.0 million from the sale of the notes we are offering, after deducting underwriting discounts and commissions but before deducting other expenses associated with the offering. We anticipate using the proceeds of this offering to repay approximately \$595.7 million of the indebtedness outstanding under our revolving credit facility (including our outstanding swingline loan) and for general partnership purposes.

Capitalization

The following table sets forth our consolidated cash and capitalization as of September 30, 2008:
on an actual basis; and

on an adjusted basis to give effect to the public offering of the notes made pursuant to the prospectus supplement and the application of the net proceeds therefrom as set forth in the prospectus supplement under the caption Use of Proceeds, as if the offering had occurred on September 30, 2008.

The actual information in the table is derived from and should be read in conjunction with our historical financial statements, including the accompanying notes, included in the exhibits to our Quarterly Report on Form 10-Q for the quarter ended September 30, 2008, which is incorporated by reference in the prospectus supplement.

Ranking

The notes will rank equally with all of our other existing and future unsubordinated indebtedness. Assuming we had completed this offering on September 30, 2008, after giving effect to the use of proceeds of this offering, we would have had approximately \$4.83 billion of unsubordinated indebtedness outstanding as of that date.
