ITEM 8.01 Other Events.

Randall J. Hogan, Chairman and Chief Executive Officer of Pentair, Inc. (the Company), has entered into a prearranged stock trading plan to sell a portion of his Company stock for the purposes of exercising expiring stock options and tax planning. The stock trading plan was adopted in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934.

Rule 10b5-1 plans permit directors and officers who are not in possession of material, non-public information to establish prearranged plans to buy or sell company stock. Once the plan is in place, the executive may not retain or exercise any discretion over trading under the plan, although the executive may later amend or terminate the plan. The broker administering the plan is authorized to trade company shares in volumes and at times determined independently by the broker, subject to limitations set forth in the plan.

The plan lasts for a period of two years and provides for the annual sale of approximately 10 percent of Mr. Hogan's current aggregate holdings of Company stock and of stock options granted to date. The transactions under this plan will be disclosed publicly through Form 144 and Form 4 filings with the Securities Exchange Commission. The Form 4 filings will also be posted on Pentair's investor relations Web site.

The plan was adopted during an authorized trading period at a time when Mr. Hogan was not in possession of material, non-public information.
