INFORMATION STATEMENT
WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY

We are sending you this information statement to inform you of the actions to be taken by the holders of a majority of our outstanding common stock by written consent in lieu of our 2010 annual meeting of shareholders.

What actions are to be taken by the written consent in lieu of an annual meeting?

The holders of a majority of our outstanding common stock executed a written consent:

1. The election of a Board of Directors consisting of seven members, to hold office until their successors are duly elected and qualified at the annual meeting of our shareholders to be held in 2011 or until the earlier of their death, resignation, or removal;
2. The ratification of Eide Bailly LLP as our independent registered public accounting firm for fiscal year ending September 30, 2010.

How many shares were voted for the actions?

The approval and adoption of each of the actions taken by written consent in lieu of an annual meeting requires the consent of the holders of a majority of the shares of our outstanding common stock. We had 19,777,304 outstanding shares of our common stock on the record date. Each share of our common stock is entitled to one vote. The seven holders of 11,802,806 shares of our common stock, representing 59.7% of our outstanding common stock shares entitled to vote on the record date, will execute a written consent in lieu of an annual meeting that will be effective on or following August 30, 2010. Under the Oklahoma General Corporation Act and our bylaws, shareholder action may be taken by written consent without a meeting of shareholders. The written consent of the holders of a majority of our outstanding common stock will be sufficient under the Oklahoma General Corporation Act and our articles of incorporation and bylaws to approve the actions described above. As a result, all actions described in this information statement will be effected on August 30, 2010, (but not earlier than the 21st business day following distribution of this information statement to our shareholders) without any further action or vote by shareholders.

Shareholder Nominations for Directors

A shareholder desiring to recommend a candidate for election to our Board of Directors at our schedule February 1, 2011 annual shareholders meeting at which one or more directors will be elected must submit a written proposal of his, her or its recommendation of the candidate to our Corporate Secretary at our principal executive offices at 900 36th Avenue, Suite 105, Norman, Oklahoma 73072. The proposal must be received at our principal executive office on or before September 30, 2011. We have established February 1, 2011 as the meeting date for our 2011 annual shareholders meeting. In the event this date changes, we will report the change in our next Quarterly Report on Form 10-Q. The shareholder proposal must comply with Rule 14a-8 of the U.S. Securities and Exchange Commission. The proposal must provide set forth certain information concerning the proposing shareholder and the nominee, including the nominee's name and address, a representation that the proposing shareholder is entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, a description of all arrangements or understandings between the proposing shareholder and the nominee and any other person pursuant to which the nomination is to be made by the proposing shareholder, the other information that would be required to be included in a proxy statement soliciting proxies for the election of the nominee and the consent of the nominee to serve as a director if elected. The nomination of any person not made in compliance with the foregoing procedure may not be recognized by our Board of Directors or Nominating and Governance Committee.

In considering individuals for nomination as directors, our Board typically solicits recommendations from our current directors and may engage third-party advisors to assist in the identification and evaluation of candidates, as deemed necessary. The Board has not established specific minimum qualities or skills that the Board believes are necessary for one or more directors to possess. Instead, in evaluating potential candidates and incumbent directors for reelection, the Board considers numerous factors, including judgment, skill, independence, integrity, experience with business and other organizations of comparable size, the interplay of the candidate's experience with other board members, experience as an officer or director of another publicly-held company, understanding of management trends in general or in our industry, expertise in financial accounting and corporate finance, ability to bring diversity to the member group, community or civic service, knowledge or expertise not currently on the Board, shareholder perception, and to the extent that the candidate would be a desirable addition to the Board and any committee of the Board. No particular weight is given to one factor over another on a general basis, but rather the factors are weighted in relationship to the perceived needs of our Board at the time of nominee selection. Our Board will evaluate candidates recommended or properly proposed by our shareholders on the same basis as our Board evaluates other candidates.

Meetings

The Board of Directors held five meetings during the fiscal year ended September 30, 2009. During the fiscal year ended September 30, 2009, each Director attended more than 75% of the total number of meetings of the Board of Directors and committees on which he served.

COMMUNICATIONS WITH THE BOARD

While the Board of Directors does not have a formal process for shareholders to send communications to the Board of Directors, each member of the Board of Directors is receptive to receiving communications from our shareholders. Shareholders may send communications to the attention of any Director at our office address.

CODE OF BUSINESS CONDUCT AND ETHICS POLICY

Our Board of Directors adopted a Code of Business Conduct and Ethics Policy (the Code of Ethics) on November 1, 2004. REPORT OF THE AUDIT COMMITTEE

December 28, 2009

With the recommendation and approval of the Audit Committee of the Board of Directors, effective October 1, 2008, we engaged the firm of Eide Bailly LLP to be our independent registered public accountants of our financial statements for the 2009 fiscal year.

On August 1, 2008, Murrell, Hall, McIntosh & Co. PLLP (MHM) resigned as our independent registered public accounting firm. MHM had entered previously into an agreement with Eide Bailly LLP, pursuant to which Eide Bailly LLP acquired the operations of MHM, and certain of the professional staff and shareholders of MHM joined Eide Bailly LLP either as employees or partners and will continue to practice as members of Eide Bailly LLP. Effective August 18, 2008, through and with the approval of our Audit Committee, we engaged Eide Bailly LLP as our independent registered public accounting firm.

We have reviewed and discussed with management our audited financial statements as of and for the fiscal year ended September 30, 2009 included in our Annual Report on Form 10-K.

We discussed with Eide Bailly LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, we have received and reviewed the written disclosures and the letter from Eide Bailly LLP required by Independence Standards Board, Standard No. 1, *Independence Discussions with Audit Committees*, and discussed with Eide Bailly LLP its independence.

Based on the reviews and discussions referred to above, on December 28, 2009 we recommended to the Board of Directors that the financial statements referred to above be included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission for the fiscal year ended September 30, 2009.

Prior to the start of each annual audit for the years ended September 30, 2009 and 2008, the Audit Committee reviewed and pre-approved the fee estimates of Eide Bailly LLP for fiscal 2009 and 2008 for providing the audit, audit-related, and all other services described below. In addition, the Audit Committee reviewed and pre-approved management's budget for audit, audit-related, and all other fees related to Eide Bailly LLP in conjunction with its review of our business plan and related operating budgets for the years ended September 30, 2009 and 2008. In addition to the review and pre-approval processes described above, in 2009 and beyond, as provided for in the Audit Committee Charter referred to below, the Committee pre-approved and intends to continue pre-approving all audit and non-audit services to be provided by the independent auditors by delegating to the Chairman of the Audit Committee the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that each approval be presented to the Audit Committee at its next scheduled meeting.

The Audit Committee has considered whether the provision of the services described under the captions Audit-Related Fees and All Other Fees by Eide Bailly LLP are compatible with maintaining the principal accountant's independence and determined that the independence of Eide Bailly LLP was not and is not impaired by the provision of said services.

Audit Fees

The aggregate fees billed by Eide Bailly LLP for professional services rendered for our audit for the year ended September 30, 2009 were \$124,784. The aggregate fees billed by Eide Bailly LLP and Murrell, Hall, McIntosh & Co., PLLP (MHM) for professional services rendered for our audit for the year ended September 30, 2008 were \$69,585 and \$21,500, respectively. No person or firm other than Eide Bailly LLP or MHM performed audit related services for us in fiscal year 2009 or 2008.

The foregoing report of the Audit Committee is not incorporated by reference in any previous or future reports or other filings by us with the Securities and Exchange Commission under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate the report or filing by reference in the applicable report or filing.

COMPENSATION DISCUSSION AND ANALYSIS

Overall Philosophy

Our Executive Compensation program is designed to attract, motivate and retain qualified executives, reward outstanding performance and results and align management's incentives with the interests of our shareholders. We believe that our Executive Officers should be motivated by our performance as well as their individual performance. To accomplish these objectives, our executive compensation program includes three underlying components: base salary, short-term cash incentives and long-term equity-based incentives. The following sections describe the process of setting executive compensation, the compensation elements, how these elements are determined, why we choose to pay each element and how each element relates to our overall compensation philosophy.

Base Salary Program

Our base salary program is based on a philosophy of providing base pay levels that are competitive with similarly situated companies in the healthcare industry. We periodically review our executive pay levels to assure consistencies with the external market. Annual salary adjustments are based on several factors including the general level of market salary increases, individual performance and long-term value to us, competitive base salary levels and our overall financial and operating results.

Long-Term Incentives

Long-term incentives consist of equity-based compensation including awards of stock options and restricted stock that vest over a period of time. We believe this vesting period motivates our executive officers to focus their efforts on our long-term goals and aligns the executives' interests with those of our shareholders because the ultimate value of the equity-based compensation is linked directly to the price of our stock.

We rely primarily on stock options to provide long-term incentive compensation because of the favorable tax treatment of stock options to employees. Stock options typically have a 10-year term before expiration and are generally exercisable 33% per year on the grant date anniversary. Executives must be employed by us at the time of vesting in order to exercise the options. The exercise price of the options is based on the closing stock price on the date of grant.

Employment Contracts and Termination of Employment, and Change-in-Control Arrangements

In conjunction with our merger-acquisition of BMS Holding Company, we entered into employment agreements with Danny C. Wright, Brett Wimberley and Susan Matthews on March 1, 2007.

Pursuant to the employment agreement with Danny C. Wright, he agreed to serve as the President and Chief Executive Officer of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The term of the agreement commenced on March 1, 2007 and continues through February 28, 2010. The term of the agreement will automatically be extended for additional one-year terms, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination, commencing March 1, 2010. We agreed to pay to Mr. Wright a base annualized salary of \$200,000. In addition to the base salary, Mr. Wright is eligible to be considered for annual bonuses to be determined by our Board of Directors. On May 28, 2010 Mr. Wright's employment agreement was amended effective May 1, 2010 increasing his salary to \$325,000 annually.

Pursuant to the employment agreement with Brett Wimberley, he agreed to serve as the Chief Operating Officer of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The term of the agreement commenced on March 1, 2007 and continues through February 28, 2010. The term of the agreement will automatically be extended for additional one-year terms, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination, commencing March 1, 2010. We agreed to pay to Mr. Wimberley a base annualized salary of \$175,000. In addition to the base salary, Mr. Wimberley is eligible to be considered for annual bonuses to be determined by our Board of Directors. On May 28, 2010 Mr. Wimberley's employment agreement was amended effective May 1, 2010 increasing his salary to \$300,000 annually.

Pursuant to the employment agreement with Susan Matthews, she agreed to serve as the Executive Vice President of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The term of the agreement commenced on March 1, 2007 and continues through February 28, 2010. The term of the agreement will automatically be extended for additional one-year terms, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination, commencing March 1, 2010. We agreed to pay to Ms. Matthews a base annualized salary of \$175,000. In addition to the base salary, Ms. Matthews is eligible to be considered for annual bonuses to be determined by our Board of Directors.

We do not maintain any key-man insurance covering the death or disability of any of our executive officers.

Retirement Plans

We offer each employee, including our executive officers, the opportunity to participate in our 401(k) plan. Employees may contribute up to the maximum allowed by the Internal Revenue Service. The Company may elect to match a portion of their contributions. Effective August 1, 2007, we began matching 50% of the first 6% of our employees' compensation contributed to our 401(k) plan.

Perquisites

Other than the compensation elements described above, we do not provide any other benefits to our executive officers that would qualify as a perquisite for purposes of this Compensation Discussion and Analysis.

Equity Compensation Plan

For the benefit of our employees, directors and consultants, we have adopted two stock options plans, the 2009 Stock Option Plan and the 2000 Stock Option Plan.

The 2009 Stock Option Plan. For the benefit of our employees, directors and consultants we adopted the **Alliance Healthcard, Inc. 2009 (Access Plans, Inc.) Equity Compensation Plan** (the 2009 Plan). The 2009 Plan was established to create equity compensation incentives designed to motivate our directors and employees to put forth maximum effort toward our success and growth and enable our ability to attract and retain experienced individuals who by their position, ability and diligence are able to make important contributions to our success. The 2009 Plan provides for the grant of stock options, including incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code)), restricted stock awards, performance units, performance bonuses and stock appreciation rights to our employees and the grant of nonqualified stock options, stock appreciation rights and restricted stock awards to non-employee directors, subject to the conditions of the 2009 Plan. The 2009 Plan is administered by our Stock Option and Compensation Committee. The number of shares of common stock authorized and reserved for issuance under the 2009 Plan is 2,550,000. The 2009 Plan was approved by our shareholders on December 4, 2009 and as of September 30, 2009 no incentive awards had been awarded.

The 2009 Plan consists of three separate plans, a Non-Executive Officer Participant Plan, an Executive Officer Participant Plan and a Non-Employee Director Participant Plan. Except for administration and the category of employees eligible to receive incentive awards, the terms of the Non-Executive Officer Participant Plan and the Executive Officer Participant Plan are identical. The Non-Employee Director Plan has other variations in terms and only permits the grant of nonqualified stock options and restricted stock awards. Each incentive award will be pursuant to a written award agreement. The 2009 Plan is designed to provide flexibility to meet our needs in a changing and competitive environment while minimizing dilution to our shareholders. We do not intend to use all incentive elements of the 2009 Plan at all times for each participant but will selectively grant the incentive awards and rights to achieve long-term goals.

Our Board of Directors approved and adopted the Access Plans, Inc. (Alliance HealthCard, Inc.) 2009 Plan on October 13, 2009. The 2009 Plan became effective on December 4, 2009 and has a term ending October 30, 2019 during which incentive awards may be granted; the 2009 Plan will continue in effect until all matters relating to the payment of incentive awards and administration are settled.

The 2000 Stock Option Plan. The 2000 Stock Option Plan (the 2000 Plan), terminated on December 4, 2009. Prior to termination this plan provided for the issuance of options intended to qualify as incentive stock options for federal income tax purposes as well as option that do not qualify as incentive stock options, to our employees and non-employees, including employees who also serve as our directors. Qualification of the grant of options under the 2000 Plan as incentive stock options for federal income tax purposes is not a condition of the grant and failure to so qualify does not affect the ability to exercise the stock options. The number of shares of common stock authorized and reserved for issuance under the 2000 Plan is 2,806,691. As of September 30, 2009, options exercisable for the purchase of 1,601,787 common stock shares had been granted under the 2000 Plan.

Our Stock Option and Compensation Committee administers and interprets the 2000 Plan (unless delegated to a committee) and has authority to grant options to all eligible participants and determine the types of options granted, the terms, restrictions and conditions of the options at the time of grant.

The exercise price of qualifying incentive stock options may not be less than the fair market value of our common stock on the date of grant of the option. The exercise price of options other than those qualifying as incentive stock options may be granted at less than the fair market value of common stock on the date of the grant. Upon the exercise of an option, the exercise price must be paid in full, in cash, in our common stock (at the fair market value thereof) or a combination thereof as permitted under the terms of the agreement evidencing the option. Options, qualifying as incentive stock options, are exercisable only by an optionee during the period ending three months after the optionee ceases to be our employee, a director or non-employee service provider. However, in the event of death or disability of the optionee, the incentive stock options are exercisable for one year following death or disability and in the event of the retirement of the optionee, the Board of Directors may designate an additional period for exercise. In any event options may not be exercised beyond the expiration date of the options. Options may be granted to our key management employees, directors, key professional employees or key professional non-employee service providers. Options granted non-employee directors and non-employee service providers do not qualify as incentive stock options. No option may be granted after December 31, 2010. Options are not transferable except by will or by the laws of descent and distribution.

Accounting and Tax Considerations

Our stock-based awards are accounted for under the provisions of FASB ASC Topic 718-*Stock Compensation* using the modified prospective method. Under the modified prospective method, stock-based compensation cost is measured at the grant date based on the fair value of the award and is recognized as expense on a straight-line basis over the requisite service or vesting period.

As part of its role, our Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals, unless the compensation is performance-based. We have no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

REPORT OF THE STOCK OPTION AND COMPENSATION COMMITTEE**December 29, 2009**

We have reviewed and discussed the above Compensation Discussion and Analysis with management of Access Plans, Inc.

Based on that review and discussions, we recommended to the Board of Directors that the Compensation Discussion and Analysis referred to above be included in the Annual Report on Form 10-K for the year ended September 30, 2009 and in this information statement.

DIRECTOR COMPENSATION

In May 2010, we adopted a compensation policy for our independent or non-employee directors. This policy provides that the directors qualifying as independent or non-employee directors are entitled to receive stock grants of 10,000 common stock shares, annually, and \$2,500 per calendar quarter. Prior to adoption of this compensation policy, beginning in May 2008, we adopted a compensation policy for our independent or non-employee directors that consisted of stock options exercisable for the purchase of 10,000 common stock shares upon initially becoming a member of the board of directors, thereafter annual options exercisable for the purchase of 5,000 common stock shares, and \$1,000 per calendar quarter. Directors who are also our employees receive no additional compensation for serving as directors or on a board committee, unless special circumstances or assigned responsibilities support additional compensation, including negotiation of the terms of an asset or entity acquisition transaction. We reimburse our directors for travel and out-of-pocket expenses in connection with their attendance at meetings of our board and its committees.

During the fiscal year ended September 30, 2009, the members of our board of directors received the following compensation:

Messrs. Simonelli, Kidd and Gerdes each received a quarterly payment of \$1,000 for each calendar quarter ended December 31, 2008, March 31, June 30 and September 30, 2009. Messrs. Furthermore, Mr. Simonelli was paid an additional Director's fee of \$50,000 and was granted stock options exercisable for the purchase of 25,000 common stock shares for \$0.70 per share pursuant to the 2000 Plan.

None of the members of the Stock Option and Compensation Committee served as one of our officers or employees during the fiscal year ended September 30, 2009. No interlocking relationship exists between members of our Board of Directors or Stock Option and Compensation Committee and members of the board of directors or compensation committee of any other company.

Officer and Director Liability and Indemnification

As provided by the Oklahoma General Corporation Act, each of our directors and officers is not liable to us or our shareholders for any action taken as a director or officer, or any failure to take any action, if the director or officer performed his or her duties in compliance with the Oklahoma General Corporation Act. A director is required to discharge his or her duties as a director, including those duties as a member of a committee, or an officer in a manner he or she believes in good faith to be in our best interests and with the care that an ordinarily prudent person in a like position would exercise under similar circumstances. In discharging his or her duties, a director or officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

One or more of our officers or employees whom the director reasonably believes to be reliable and competent in the matters presented;

Legal counsel, public accountants, investment bankers, or other persons as to matters the director reasonably believes are within the person's professional or expert competence; or

A committee of our Board of Directors of which he is not a member if the director reasonably believes the committee merits confidence.

However, neither a director nor an officer is entitled to rely on the foregoing if the director or officer has knowledge concerning the matter in question that makes reliance unwarranted.

The provisions of the Oklahoma General Corporation Act do not eliminate liability of a director or an executive officer for violations of federal securities laws, nor do they limit our and our shareholders' rights, in appropriate circumstances, to seek equitable remedies including injunctive or other forms of non-monetary relief. These remedies may not be effective in all cases.

The Oklahoma General Corporation Act requires us to indemnify all of our directors, officers, employees and agents. Under these provisions, when an individual in his or her capacity as an officer or a director is made or threatened to be made a party to any suit or proceeding, the individual may be indemnified if he or she acted in good faith. These indemnification provisions are not exclusive of any other rights to which the individual may be entitled. Insofar as indemnification for liabilities arising under the Oklahoma General Corporation Act or otherwise may be permitted to its directors and officers, we have been advised that in the opinion of the United States Securities and Exchange Commission the indemnification is against public policy and is, therefore, unenforceable.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Code of Business Conduct and Ethics Policy (Code of Ethics) addresses any conflicts of interests on the part of any employee that might cast doubt on an employee's ability to act objectively when representing us. In addition to setting guidelines, the Code of Ethics provides that each potential conflict of interest will be reviewed and the final decision as to the existence of a conflict made by our Chief Executive Officer.

The following is a description of transactions we entered into with our officers, directors and shareholders that beneficially own more than 5% of our common stock during the years ended September 30, 2009 and 2008. These transactions will continue in effect and may result in conflicts of interest between us and these named persons.

Although our officers and directors have fiduciary duties to us and our shareholders, there can be no assurance that conflicts of interest will always be resolved in our favor or in favor of our shareholders.

Office Space Leasing Arrangements

We lease space for our corporate offices and our Wholesale Plans division in Norman, Oklahoma under a lease that expires September 30, 2010. The total space consists of approximately 6,523 square feet. The lease agreement is with Southwest Brokers, Inc., a company owned by Brett Wimberley, one of our Directors and executive officers and greater than 5% shareholders.

In the event we are required to move from our current offices in Norman, Oklahoma, the terms and cost of occupancy may be substantially different than those under which that office space is currently occupied and the rental rate may be substantially greater.

Merger-Acquisition of BMS Holding Company

On February 28, 2007, we completed the merger-acquisition of BMS Holding Company, whose shareholders were Danny C. Wright, Brett Wimberley and Susan Matthews (the BMS Shareholders). In connection with this merger, three promissory notes were issued to the BMS Shareholders in the aggregate amount of \$7,147,000. The notes are dated March 1, 2007 and bear interest at 1% per annum. The carrying amount of these notes for financial reporting purposes was discounted to \$6,666,447 with an effective interest rate of 7% to adjust for the below market interest rate. Principal and accrued interest of the notes were due and payable in 12 consecutive quarterly installments commencing on May 15, 2007 and on each August 14, November 14, February 14 and May 15 of each year thereafter and in full on February 14, 2010, if not previously paid. Any payment of principal and interest was to be applied first to the payment of interest due on the outstanding principal sum and the balance was to be applied in reduction of principal sum. Notwithstanding the foregoing and any other provision in the notes, in the event that our consolidated earnings before interest, income taxes, depreciation and amortization, determined in accordance with generally accepted accounting principles for each of the fiscal years ending on September 30, 2007, 2008 and 2009 should be less (Actual EBITDA) than \$4,200,000 (the Targeted EBITDA), then the principal amount of these notes were to be reduced by an amount equal to the percentage by which the Actual EBITDA for each applicable period falls short of the Targeted EBITDA and the adjusted principal balance of the notes would then be amortized over the remaining term of the notes in accordance with the foregoing payment terms and schedule.

In addition to the foregoing, after the consummation of the BMS Holdings merger, the principal amounts of these notes were to be reduced dollar-for-dollar by any loss incurred by BMS Insurance Agency, L.L.C., a BMS Holdings affiliate, resulting from contingent commissions being held by CAPIC pending receipt of a non-resident license from the Puerto Rico Department of Insurance. Any net proceeds of BMS Insurance Agency, L.L.C. attributable to pre-closing periods was to inure on a pro-rata basis to the benefit of the BMS Shareholders as holders of the notes. After any decrease or increase in the principal amount of the notes related to post-closing payments to or from CAPIC, the adjusted principal balance of these notes will be amortized over the remaining term of the notes in accordance with the foregoing payment terms. To comply with this provision, the principal of the notes was reduced by \$247,073 as of September 30, 2007. The notes further provided that recovery of any net proceeds of BMS Insurance Agency, L.L.C. attributable to pre-closing periods would inure on a pro-rata basis to the benefit of the BMS Shareholders. As a result of the settlement agreement completed on March 13, 2008 with CAPIC, BMS Insurance Agency, L.L.C. received proceeds of \$34,280 that resulted in a pro rata increase in the aggregate principal amounts of the notes.

Pursuant to discussions between the BMS Shareholders (as the holders of the notes) and our disinterested directors (and their approval), on January 10, 2008 the original notes were cancelled and replaced by new notes reflecting the unpaid principal balance, but modifying the measurement periods to defer by one year to the fiscal years ending September 30, 2008, September 30, 2009 and converted to quarterly reviews thereafter. Our disinterested directors concluded that these deferred periods more appropriately tie the payment obligations to our performance because the initial period did not reflect an entire 12-month period and also included several merger related one-time expenses.

Several additional provisions were added to allow for adjustments of the principal amounts of the notes, if necessary. The new notes were issued in the aggregate principal amount of \$5,113,177 representing the unpaid principal balances on the original notes on that date before the above described note adjustments.

Principal and interest payments made on these notes were \$2,315,360 and \$2,358,265, respectively for the years ended September 30, 2009 and 2008.

Pursuant to discussions between the note holders and our independent directors, on November 18, 2009 the disinterested directors accepted a proposal by the note holders for the notes to be paid off early at a 10% discount. Principal payments of \$1,030,348 were made to the note holders on January 6, 2010 and the notes were deemed fully paid.
