Item 8.01 Other Events.

On November 4, 2010, the Corporation issued a press release announcing that it has launched a private offering of \$300 million aggregate principal amount of senior notes. The notes will be the unsecured obligations of the Corporation. The Corporation's obligations under the notes will be guaranteed on a senior unsecured basis by certain of its domestic subsidiaries. The notes will be offered and sold only to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and to non-U.S. persons in accordance with Regulation S under the Securities Act.

The Corporation intends to use the net proceeds from the sale of the notes for general corporate purposes, which may include the repayment of indebtedness, working capital, capital expenditures and acquisitions.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

In addition, in connection with the offering, the Corporation disclosed certain supplemental information relating to the Corporation in a private offering memorandum dated November 4, 2010. Such supplemental information is as follows:

We are currently in discussions regarding a potential amendment and restatement or replacement of our existing senior secured credit facility that, among other things, would extend the maturity date of up to \$400 million of the loan commitments thereunder to five years after the effective date of the amendment and restatement or replacement (with the remaining commitments either being terminated or continuing to mature on the original commitment termination date of August 2, 2012). We expect that the extended or replacement senior secured credit facility would be otherwise on terms substantially similar to our current senior secured credit facility, including the ability to increase the commitment thereunder with the consent of any lender that agrees to provide such incremental financing. There can be no assurance, however, that we will amend and restate or replace the existing senior secured credit facility or that any such amendment would be on terms substantially similar to those described above.
