Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 15, 2010, our Board of Directors elected Steven E. Snyder to serve as the company's Senior Vice President, Chief Financial Officer and Treasurer, effective upon his commencement of employment, which is expected to be November 30, 2010.

Mr. Snyder, age 54, most recently served as chief financial officer at Gearworks, Inc. from November 2008 to September 2009. In August 2009, Gearworks, Inc. merged with Xora, Inc. From October 2007 to June 2008, he was a general manager of the storage solutions group at Xiotech Corporation, a privately held data storage company. From January 2003 to October 2007, he served as chief financial officer and vice president manufacturing and administration at Xiotech Corporation. Prior to that, Mr. Snyder served as chief financial officer at several companies, including Ancor Communications, Inc., then a publicly traded developer and manufacturer of fibre channel switching products for data center networks. Mr. Snyder also spent ten years at Cray Research, Inc. in progressively responsible financial roles. Earlier roles include seven years in various financial positions at Control Data Corporation and two years with KPMG Peat Marwick.

As Chief Financial Officer of our company, Mr. Snyder will succeed Brenda L. Mueller who has been serving as Acting Principal Financial Officer and Acting Principal Accounting Officer since May 2010. Ms. Mueller will retain her existing role as Corporate Controller.

A press release announcing Mr. Snyder's election is attached hereto as Exhibit 99.1.

Also on November 15, 2010, our Board of Directors approved a compensatory arrangement for Mr. Snyder to be effective upon his joining Digi. Mr. Snyder will receive an annual base salary equal to \$275,000 with an annual incentive target of \$150,000. Payment of the incentive target will be pro-rated based on length of his service in the applicable quarter or fiscal year. Forty percent (40%) of the annual incentive target will be based on achievement of quarterly revenue and profitability targets and sixty percent (60%) of the annual incentive target will be based on achievement of annual revenue and profitability targets.

We have agreed to recommend to our Board for approval an initial grant of options to purchase up to 150,000 shares of Digi common stock at an exercise price equal to the market price of our common stock as of the day of grant. The options, if approved, will expire after ten years and will vest 25% after one year, and will vest in equal proportions each month thereafter for three years, resulting in a total vesting period of four years.

If the company terminates Mr. Snyder's employment for reasons other than cause (as defined in the Offer Letter) and he agrees to execute a release of claims, he will be entitled to receive (i) twelve months of base salary in effect at the time of termination, payable in a lump sum, and (ii) a pro-rata bonus based on the number of months worked in the fiscal year prior to termination and the company's actual performance.

Mr. Snyder will also be eligible to participate in other compensation and benefit programs generally available to our executive officers.

A copy of the Offer Letter is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
