PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished to stockholders of Sterling Construction Company, Inc., a Delaware corporation ("Sterling" or the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") for use at the Annual Meeting of Stockholders to be held at 10:30 a.m. local time on December 29, 2003, at the Sheraton Hotel, 37 Forbes Road, Braintree, MA 02184 or at any adjournment thereof (the "Annual Meeting"). Proxies in the form enclosed will be voted at the Annual Meeting if they are properly executed, returned to the Company prior to the Annual Meeting and not revoked prior to the voting.

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2002, as well as the Quarterly Report on Form 10-Q for the third fiscal quarter ended September 30, 2003, which contains financial statements and other information of interest to stockholders and accompanies the Notice of Annual Meeting and this Proxy Statement, is being mailed to stockholders on or about December 8, 2003.

VOTES REQUIRED AND VOTING PROCEDURE

Quorum. The holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the Annual Meeting constitute a quorum for the transaction of business at the Annual Meeting. Holders of shares of common stock present in person or represented by proxy (including holders of shares who abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether there is a quorum at the Annual Meeting.

Proxies. All proxies will be voted in accordance with the instructions of the stockholder. If no choice is specified, the proxies will be voted FOR the

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

election of the directors listed on the proxy and in the discretion of management as to any other matters to come before the Annual Meeting. Any proxy may be revoked by a stockholder at any time before its exercise by delivering to the Secretary of the Company a written revocation, by submitting a subsequently dated proxy, or by voting in person at the meeting. Attendance at the Annual Meeting will not itself be deemed to revoke a proxy unless the stockholder gives affirmative notice at the Annual Meeting that the stockholder intends to revoke the proxy and vote in person.

Record Date. On December 3, 2003, the date for the determination of stockholders of record entitled to vote at the Annual Meeting, there were an aggregate of 5,079,016 shares of common stock, \$.01 par value per share, outstanding and entitled to vote at the Annual Meeting. Each share of common stock entitles the record holder to one vote on each of the matters to be voted upon at the Annual Meeting.

Vote Required. Of the holders of shares who are entitled to vote and who are present or represented by proxy at the Annual Meeting, the affirmative vote of the holders of a plurality of the shares voted is required for the election of the directors. This means that the two director nominees with the most votes will be elected.

Voting Procedure. The shares of holders who abstain from voting as to a particular matter, and shares held in "street" name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of a matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect in the voting on the election of the directors.

3

PROXY SOLICITATION AND EXPENSES

The accompanying proxy is being solicited on behalf of the Board of Directors. The expense of preparing, printing and mailing the form of proxy and the solicitation materials will be borne by the Company. In addition to the use of the mails, proxies may be solicited by directors, officers and employees of the Company, and if deemed necessary, through a third party solicitation agent by means of personal interview, telephone, facsimile or e-mail. The Company will request banks, brokerage houses and other custodians, nominees and fiduciaries to solicit their customers who are beneficial owners of common stock and to forward solicitation materials to such beneficial owners. The Company will reimburse them for their reasonable out-of-pocket expenses incurred in such solicitation.

PROPOSAL I - ELECTION OF DIRECTORS

The By-laws of the Company provide for such number of directors as is determined from time to time by the Board of Directors. Section 2 of Article SEVENTH of the Amended and Restated Certificate of Incorporation of the Company provides that directors shall be divided into three classes, as nearly equal in number as reasonably possible; with each class having a full term of three years. The Company currently has a seven member Board of Directors. All directors hold office until the expiration of their terms and until their successors are duly elected and qualified, except in the case of death, resignation or removal of a director.

Two directors of the Company are to be elected as Class II directors for a

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

three-year term. The nominees are John D. Abernathy and Robert W. Frickel. Mr. Frickel was elected to the Board in July 2001, and serves as a member of the Audit Committee and Chairman of the Compensation Committee. Certain information with respect to their ages and background is set forth below.

The persons named in the enclosed proxy will vote to elect each of the nominees named above unless the proxy is marked otherwise. Each of the nominees has indicated his willingness to serve, if elected; however, if either nominee should be unable to serve, the proxy holder may vote the proxy for a substitute nominee. The Board of Directors has no reason to believe that either of the nominees will be unable to serve if elected. The enclosed proxy cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE

Mr. Joseph P. Harper Sr. Mr. Harper is President of the Company. TSC employs Mr. Harper under a three-year employment agreement dated July 18, 2001. The agreement provides for a base annual salary of \$200,000 for the first two years and \$170,000 for the third year. Mr. Harper is entitled to receive an annual bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of approved budgeted EBITDA for such fiscal year, so long as budgeted EBITDA is at least equal to actual EBITDA achieved in the prior year. An additional incentive bonus is payable if actual performance exceeds budget. The agreement also provides that Mr. Harper shall be subject to a non-compete provision for two years after employment with SHH ceases, payment for which shall be \$1,000 per month for the twenty-four month period.

Mr. Maarten D. Hemsley. Mr. Hemsley was employed by and was a director of the Company or SCPI for several years prior to 1995. In 1995, he resigned his positions with the Company and entered into a consulting agreement with the Company through his wholly-owned company, Bryanston Management, Ltd. In December 1998, Mr. Hemsley was elected to the Board of Directors and was appointed President, Chief Operating Officer and Chief

10

Financial Officer of the Company subject to an employment agreement at the same rate of compensation as the Bryanston consulting agreement of \$85,000 per year (of which 10% was later deferred under a voluntary salary reduction, which deferral amount was converted into a subordinated note in July 2001). In December 1998, Mr. Hemsley also entered into a two-year employment agreement with a subsidiary of the Company, Oakhurst Technology, Inc. ("OTI"), which provided for an annual base salary of \$40,000, plus a car allowance. Both the Sterling and OTI employment agreements expired on February 28, 2001. The Sterling employment agreement continued on a month-to-month basis until July 2001, when, in connection with the closing of the Sterling Transaction the agreement was amended to extend the employment period for one year at an annual base salary of \$76,500. In July 2002, Mr. Hemsley's employment agreement was extended for three years and his salary was increased to \$85,000 per year.

Mr. Terrance W. Allan. SCPI has an employment agreement with Mr. Allan that commenced May 1, 2000 that provides for a base salary of \$133,000 with annual salary increases. Payment of the increase due September 2001 and part of his regular salary was voluntarily deferred by Mr. Allan in light of the Chapter 11 filing of Ames Department Stores, one of SCPI's largest customers. The deferral was reflected as an accrued liability of the Company. In January 2002, salary payments to Mr. Allan resumed at the contracted level and he began receiving payment of previously-deferred amounts. In January 2002, the bonus provisions of Mr. Allan's employment agreement were modified to reflect his participation in a new bonus plan for all members of SCPI's management. Pursuant to the new bonus program, Mr. Allan is entitled to a profit-based bonus reflecting achievement of budgeted EBITDA, ranging from 8% of his base salary if 75% of the budgeted level is achieved, to 51% of base salary if EBITDA equals twice the budgeted level. In addition, the new bonus program entitles all eligible employees of SCPI to a discretionary bonus of up to one-third of the profit-based bonus paid. The initial term of Mr. Allan's agreement expired on September 30, 2003, and has

been extended.

COMPENSATION OF DIRECTORS

Each director who is not an employee of the Company receives an annual fee of \$12,500. Commencing April 1, 2003, the Chairman of the Audit Committee receives an additional \$7,500 per year. Directors receive no meeting fees, but are entitled to reimbursement for out-of-pocket expenses incurred in attending meetings.

REPORT OF THE AUDIT COMMITTEE FOR THE FISCAL YEAR ENDED DECEMBER 31, 2002

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Three independent directors, Messrs. Abernathy, Frickel and Mills are members of the Audit Committee. The Committee operates under a written charter adopted by the Board of Directors in June 2000. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's financial statements with generally accepted accounting principles and whether the Company's financial statements present fairly, in all material respects, the financial position and results of operations of the Company.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Accounting Standards No. 61 ("Communication with Audit Committees"). In addition, the Audit Committee has received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") and discussed with them their independence from the Company and its management.

In September 2001, the Company elected to change its independent auditors from Deloitte & Touche LLP to Grant Thornton LLP. The decision to change auditors arose after consummation of the Sterling Transaction in July 2001. As a result of the Sterling Transaction, the majority of the Company's operations consist of the operations of SHH, whose auditors were Grant Thornton.

The following table sets forth the aggregate fees billed to the Company for the year ended December 31, 2002 by its current independent auditors, Grant Thornton LLP:

Audit fees	\$ 171,000
Financial information systems design and implementation	--
All other fees	\$ 5,000

Audit fees include the fees for the separate audits of SCPI and SHH as well as the consolidated audit of the Company and resolution of issues that arose during the audit process.

Items included in the "All other fees" category include services related to an audit of SHH as of September 30, 2001, acquisition issues and other matters. The Audit Committee determined that services provided in the "All other fees"

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

category did not impair the independence of Grant Thornton, LLP.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION FOR FISCAL YEAR 2002

This report has been prepared by the Compensation Committee of the Board of Directors and addresses the Company's compensation policies with respect to the Chief Executive Officer and executive officers of the Company in general for the fiscal year ended December 31, 2002. All members of the Committee are non-employee directors. During fiscal 2002 the Company had no operating business of its own, but was a holding company of other operating businesses. The Company has elected to include in the Summary Compensation Table certain information concerning an executive officer of SCPI, Mr. Allan, who is not, however, an executive officer of the Company and accordingly, a discussion of his compensation is included here. Reference is made generally to the information under the heading "Employment Contracts and Termination of Employment and Change-in-Control Arrangements".

Compensation Policy. The overall intent for executive compensation is to establish levels of compensation that (i) provide appropriate incentives in order to command high levels of individual performance and thereby increase the value of the Company to its stockholders and (ii) are sufficiently competitive to attract and retain the skills required for the success and profitability of the Company. The principal components of executive compensation are salary, bonus and stock options.

Chief Executive Officer's Compensation. The compensation Mr. Manning received after July 2001 was determined to be appropriate by the members of the Committee serving at the time based on the nature of the position; the expertise and responsibility that the position requires; the Chief Executive Officer's experience in former employment; and the subjective judgment of the members of the Committee of a reasonable level of compensation.

Other Executive Officers. Mr. Allan is included in the Company's disclosures relating to executive compensation because of his importance to the success of the Company on a consolidated basis. Mr. Allan's employment agreement was reviewed and approved by the Company's Compensation Committee and by the SCPI Compensation Committee.

Salary. Since all of the executive officers named in the Summary Compensation Table are long-term employees of the Company and/or SCPI and SHH, their salaries in fiscal 2002 were based on the level of their prior salaries and the subjective judgment of the members of the Company's and SCPI's Compensation Committees as to the value of the executive's past contribution and potential future contribution to the business.

Bonuses. Mr. Manning and Mr. Harper are entitled to receive an incentive bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of its approved budgeted EBITDA for such fiscal year, provided that budgeted EBITDA is equal to 100% of actual EBITDA for the preceding fiscal year. Additional incentive bonuses may be earned up to 100% of base salary if EBITDA exceeds budgeted EBITDA by 10% to more than 30%. In fiscal 2002, those

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

objectives were met, and accordingly, the maximum bonus payable was accrued, and paid following approval by the Company's Compensation Committee.

Until January 2002, the bonus payable to Mr. Allan under his employment agreement consisted of an Annual Management Bonus and an additional Annual Executive Bonus. The Annual Management Bonus was paid

12

from a pool of funds equal to 8% of SCPI's EBITDA. The Annual Executive Bonus was based on achievement of certain defined profit levels, which were not met in fiscal 2001. In 2002, Mr. Allan's employment agreement was amended to provide for Mr. Allan's participation in a new bonus plan for all members of SCPI's management. Pursuant to the new bonus program, Mr. Allan is entitled to a profit-based bonus reflecting achievement of budgeted EBITDA, ranging from 8% of his base salary if 75% of the budgeted level is achieved, to 51% of base salary if EBITDA equals twice the budgeted level. In addition, the new bonus program entitles all eligible employees of SCPI to a discretionary bonus of up to one-third of the profit-based bonus paid.

Stock Options. The Committee believes that stock ownership by executive officers is important in aligning management's and stockholders' interests in the enhancement of stockholder value over the long term. The exercise price of all outstanding stock option grants is equal to the market price of the common stock on the date of grant. In fiscal 2002, options were granted to certain executives in recognition of their performance.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1 million paid to its chief executive officer and its four other most highly compensated executives. The Company's compensation payable to any one executive officer (including potential income from outstanding stock options) is currently and for the foreseeable future unlikely to reach that threshold. In addition, because of the Company's significant net operating loss carryforwards, the tax-deductibility of compensation payments is not currently an issue. However, should circumstances change, the Compensation Committee will study the matter and make recommendations to the Board of Directors.

The Compensation Committee: Robert W. Frickel, Chairman
 John D. Abernathy
 Christopher H.B. Mills

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Beginning in July 2001, Messrs. Abernathy, Frickel and Mills became the members of the Compensation Committee of the Company. Mr. Abernathy serves on the Compensation Committee of SCPI. Prior to July 2001 Mr. Davies was an executive officer of the Company, but none of the Company's executive officers served as a director or member of the Compensation Committee (or any other committee serving an equivalent function) of any other entity, whose executive officers served as a director or member of the Company's Compensation Committee.

The Board of Directors intends that any transactions with officers, directors and affiliates will be entered into on terms no less favorable to the Company than could be obtained from unrelated third parties and that they will be approved by a majority of the Board of Directors who are independent and disinterested with respect to the proposed transaction.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In October 1999, certain shareholders of SHH exercised their right to sell a second tranche of equity securities to OTI thereby increasing the Company's consolidated equity ownership of SHH from 7% to 12%. The equity purchase was financed through the issuance of two notes. One of these notes in the amount of \$559,000 was issued to Mr. Davies (the "First Note") in which Mr. Hemsley had a participation of \$116,000. The second note in the amount of \$800,000 (the "Manning Note") was issued to James D. Manning, the brother of Patrick T. Manning and one of the SHH shareholders who sold SHH equity securities to OTI. The First Note provided for interest at 14% payable quarterly and was due in October 2000, but in fact, no interest payments were made and the First Note was not repaid in October 2000. In connection with the Sterling Transaction, accrued unpaid interest on the First Note of \$134,000 was added to the principal of the First Note, the maturity date of the First Note was extended to July 2005, and the interest rate was reduced to 12%. In connection with the Sterling Transaction, the Company also issued an additional four-year 12% promissory note to each of Messrs. Hemsley (\$136,421) and Davies (\$250,623) (the "Second Notes") to repay certain amounts due to them by the Company or OTI, including deferred compensation, the fee (and related interest) owed to them in connection with the acquisition of the second tranche of SHH equity in

13

October 1999, the fee due in July 2001 to them in connection with the Sterling Transaction and a fee for the extension of the First Note.

In connection with the Sterling Transaction, the maturity date of the Manning Note also was extended to July 2005 and the interest rate was reduced from 14% to 12%. In consideration for the extension of the maturity date and interest rate reduction, Mr. James D. Manning received a zero coupon promissory note payable July 2005 with principal and interest payable at maturity in the aggregate amount of \$187,000. Interest and principal on the First Note, the Second Notes and the Manning Note are payable prior to maturity only to the extent of cash available to Sterling for these payments and as permitted by lenders to Sterling or its subsidiaries.

After the Sterling Transaction, Mr. Harper and another executive of TSC purchased \$300,000 and \$100,000, respectively, of the Manning Note from Mr. James D. Manning. As a result, Mr. Harper now holds a separate note in the principal amount of \$300,000, an executive of TSC holds a separate note in the principal amount of \$100,000, and Mr. James D. Manning holds a note in the principal amount of \$400,000, in each case, on the same terms and conditions as the Manning Note.

In September 2003, the First Note, the Manning Note and the Second Notes were amended to provide for a maturity date that is the date the Company is required to purchase the remaining shares of SHH if the holders of those shares exercise their rights to sell such shares to the Company, and to provide for payment of those notes with a combination of cash and five-year notes of the Company.

Mr. James D. Manning is employed by an operating subsidiary of SHH under a three-year employment agreement commencing January 1999 pursuant to which he receives an annual salary of \$75,000 plus \$75.00 per hour for each hour worked in excess of 1,000 hours during any calendar year. In addition, Mr. Manning is entitled to receive incentive compensation in the amount of \$50,000 if certain

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

financial goals are met. The employment agreement limits the ability of Mr. Manning to compete for a period of two years after he ceases to be an employee if he terminated his employment without good cause or the company terminated his employment for good cause, and for a period of one year after he ceases to be an employee if he terminated his employment for good reason or the company terminated his employment without good cause; provided that these non-competition obligations may be avoided by Mr. Manning if the Company terminates the employment agreement other than for good cause.

In 1996, Mr. Patrick Manning, Mr. Harper and Mr. James D. Manning loaned \$864,000 to SHH pursuant to notes bearing interest at the prime rate plus 2%. The final principal installments on these loans were paid in October 2001 to (i) Mr. James D. Manning in the amount of \$240,000 plus accrued interest and (ii) each of Mr. Patrick Manning and Mr. Harper in the amount of \$24,000 plus accrued interest.

Since March 2001 Mr. Hemsley has provided consulting services to (and since May 2002 has been an employee of) JOHCM as a manager of Leisure & Media Venture Capital Trust plc, a fund that was not an investor in the Sterling Transaction.

In December 2001, in order to strengthen SCPI's working capital position, Sterling obtained funding in the amount of \$500,000 from members of management and directors, including Messrs. Frickel, Harper and Hemsley, who loaned \$155,000, \$100,000 and \$25,000, respectively. These notes are convertible into shares of common stock of the Company at a conversion price of \$2.50 per share at any time prior to the maturity date of December 2004. The notes, which rank senior to debt incurred in the Sterling Transaction, bear interest at 12% which is payable monthly.

In July 2001, Mr. Robert Frickel was elected to the Board of Directors. Mr. Frickel serves as President of R.W. Frickel Company, P.C., an accounting firm based in Michigan. R.W. Frickel Company has performed certain accounting and tax services for SHH in the past. Fees paid or accrued to R.W. Frickel Company for fiscal 2002 were approximately \$92,000.

PERFORMANCE GRAPH

The following graph compares the percentage change in the Company's cumulative total stockholder return on Common Stock for the last five years with (i) the Dow Jones Total Return Index, a broad market index, and (ii) the Dow Jones Heavy Construction Index, a group of companies whose marketing strategy is focused on a limited product line, such as civil construction, over the same period. Both indices are published in The Wall Street Journal.

Edgar Filing: STERLING CONSTRUCTION CO INC - Form DEF 14A

The returns are calculated assuming the value of an investment in the Company's common stock and each index of \$100 on the Company's February 28, 1997 fiscal year end and that all dividends were reinvested into additional shares of common stock; however, the Company paid no dividends during the periods shown. The graph lines merely connect the beginning and end of the periodic measuring dates and do not reflect fluctuations between those dates. The historical stock performance shown on the graph is not intended to, and may not be indicative of, future stock performance.
