WINLAND ELECTRONICS, INC.

**PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS**

**to be held
May 9, 2006**

The accompanying Proxy is solicited by the Board of Directors of Winland Electronics, Inc. (Winland or Company) for use at the 2006 Annual Meeting of Shareholders of the Company to be held on Tuesday, May 9, 2006, at the location and for the purposes set forth in the Notice of Annual Meeting, and at any adjournment thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to the beneficial owners of stock, will be borne by the Company. Directors, officers and employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

You may vote your shares by mail as follows:

§ Sign and date the enclosed proxy card.

§ Mail the proxy card in the enclosed postage-paid envelope.

Any shareholder giving a Proxy may revoke it any time prior to its use at the 2006 Annual Meeting by giving written notice of such revocation to the Secretary or any other officer of the Company or by filing a later dated written Proxy with an officer of the Company. Personal attendance at the 2006 Annual Meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a later dated Proxy is delivered to an officer before the revoked or superseded Proxy is used at the 2006 Annual Meeting. Proxies will be voted as directed therein. Proxies which are signed by shareholders but which lack specific instruction with respect to any proposal will be voted in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a non-vote proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

The mailing address of the principal executive office of the Company is 1950 Excel Drive, Mankato, Minnesota 56001. The Company expects that this Proxy Statement, the related Proxy and Notice of Meeting will first be mailed to shareholders on or about April 3, 2006.

CORPORATE GOVERNANCE

Our business affairs are conducted under the direction of the Board of Directors in accordance with the Minnesota Business Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board of Directors are

informed of our business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. The corporate governance practices that we follow are summarized below.

Independence

The Board has determined that a majority of its members are independent as defined by the listing standards of the American Stock Exchange. Our independent directors are S. Robert Dessalet, Thomas J. de Petra, James L. Reissner and Richard T. Speckmann.

Code of Ethics and Business Conduct

The Board has approved a Code of Ethics and Business Conduct that applies to all of our employees, directors and officers, including our principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics and Business Conduct addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Code of Ethics and Business Conduct is available free of charge to any shareholder who sends a request for a copy to Winland Electronics, Inc., Attn. Chief Financial Officer, 1950 Excel Drive, Mankato, Minnesota 56001, and it is also available on the Company's website at www.winland.com. Winland intends to disclose on its website any amendment to, or waiver from, a provision of its Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and controller relating to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-B. Late in 2003, Winland contracted with an independent professional organization to provide anonymous hotline services that permit employees of the Company to communicate any concerns about behavior or practices of Winland, its employees, officers or directors. This service began January 1, 2004 and was established to assist the Board of Directors in effective internal control.

Table of Contents

Meeting Attendance

Board and Committee Meetings. Directors are required to attend a minimum of 75% of Board and committee meetings. During fiscal 2005, the Board held seven (7) meetings. Each director attended 100% of the meetings of the Board and the committees on which such director served.

Annual Meeting of Shareholders. Directors are encouraged to attend our annual meetings of shareholders; however, there is no formal policy regarding attendance at annual meetings. All five of our directors attended Winland's 2005 annual meeting of shareholders.

Executive Sessions of the Board

An executive session of non-management directors is held at least once a year. In 2005, an executive session was held once.

Committees of the Board

Our Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating/Governance Committee. Each of the current members of these committees is a non-employee independent director.

Audit Committee. The Audit Committee is comprised of S. Robert Dessalet (Chairman), Thomas J. de Petra, James L. Reissner and Richard T. Speckmann. Mr. Dessalet has been named as the audit committee financial expert as defined by Item 401(e) of Regulation S-B under the Securities Act of 1933. Mr. Dessalet is an inactive certified public accountant, whose experience includes positions as Vice President of Finance and Administration, Chief Financial Officer and business and management consultant. The Company acknowledges that the designation of Mr. Dessalet as the audit committee financial expert does not impose on Mr. Dessalet any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Mr. Dessalet as a member of the audit committee and the Board of Directors in the absence of such designation or identification. The Audit Committee reviews the selection and work of the Company's independent auditors and the adequacy of internal controls for compliance with corporate policies and directives. The Audit Committee's Report is included on page 11. During 2005, the Audit Committee met four (4) times.

Compensation Committee. The Compensation Committee is comprised of Richard T. Speckmann (Chairman), S. Robert Dessalet, Thomas J. de Petra and James L. Reissner. This committee determines the compensation of the Chief Executive Officer; and, taking into consideration any recommendations by the Chief Executive Officer, it also determines the compensation for the other executive officers of the Company. The committee makes recommendations to the Board of Directors with respect to incentive compensation plans. This committee is vested with the same authority as the Board of Directors with respect to the administration of the Company's equity plans. During 2005, the Compensation Committee met twice.

Nominating/Governance Committee. The Nominating/Governance Committee is comprised of Thomas J. de Petra (Chairman), S. Robert Dessalet, James L. Reissner and Richard T. Speckmann. This committee recommends to the Board of Directors nominees for vacant positions on the Board, sets goals for the Board and monitors the achievement of such goals. This committee will consider a candidate for director proposed by a shareholder. Candidates must have broad training and experience in their chosen fields and must have achieved distinction in their activities. The committee considers the particular expertise of each nominee and strives to achieve an appropriate breadth of skills among the Board members. A shareholder who wants to propose a candidate must comply with the provisions of the Company's Bylaws regarding nominations for the election of directors. The policies of the committee are described more fully in the Nominating/Governance Committee's Report on page 6. The Nominating/Governance Committee met twice during 2005.

NOMINATING/GOVERNANCE COMMITTEE REPORT

The Nominating/Governance Committee is comprised of independent directors. In accordance with its written charter, the Nominating/Governance Committee assists the Board of Directors with fulfilling its responsibility regarding any matters relating to corporate governance including selection of candidates for our Board of Directors. Its duties shall include oversight of the principles of corporate governance by which Winland and the Board shall be governed; the codes of ethical conduct and legal compliance by which Winland and its directors, executive officers, employees and agents will be governed; policies for evaluation of the Board and the chairperson; policies for election and reelection of Board members; and policies for succession planning for the Chief Executive Officer, Board chairperson and other Board leaders. In addition, the Committee is responsible for annually reviewing the composition of the Board, focusing on the governance and business needs and requirements of Winland, nominating and screening of Board member candidates, evaluating the performance of Board members and recommending the reelection of Board members who are performing effectively and who continue to provide a competency needed on the Board. When a director's principal occupation or business association changes substantially, such director shall tender a letter of resignation to the Board through the Nominating/Governance Committee, which resignation will be considered and acted upon in a manner that is best for the Board and Winland.

The Nominating/Governance Committee will consider candidates for nomination as a director recommended by shareholders. In evaluating director nominees, the Nominating/Governance Committee requires certain minimum qualifications, including high moral character and mature judgment and the ability to work collegially with others. In addition, factors such as the following shall be considered:

appropriate size and diversity of the Board;

needs of the Board with respect to particular talent and experience;

knowledge, skills and experience of nominee;

familiarity with our business and industry;

appreciation of the relationship of our business to the changing needs of society; and

desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

Shareholders who wish to recommend one or more candidates for director to the Nominating/Governance Committee must provide written recommendation to the Chief Financial Officer of Winland. Notice of a recommendation must include the shareholder's name, address and the number of Winland shares owned, along with information with respect to the person being recommended, i.e. name, age, business address, residence address, current principal occupation, five-year employment history with employer names and a description of the employer's business, the number of shares beneficially owned by the prospective nominee, whether such person can read and understand basic financial statements and other board memberships, if any. The recommendation must be accompanied by a written consent of the prospective nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. Winland may require any nominee to furnish additional information that may be needed to determine the eligibility of the nominee. In addition, Winland's Bylaws permit shareholders to nominate directors for consideration at a meeting of shareholders at which one or more directors are to be elected. For a description of the process for nominating directors in accordance with Winland's Bylaws, see Shareholder Proposals and Nominations of Director Candidates on page 12.

Table of Contents**ELECTION OF DIRECTORS**

(Proposals #1 and #2)

The Bylaws of the Company provide that the number of directors shall be the number set by the shareholders, which shall be not less than one. The Nominating/Governance Committee recommended to the Board of Directors that the number of directors be set at five and that the persons currently serving on the Board be nominated for election. The Board of Directors unanimously recommends that the number of directors be set at five and that the five persons nominated be elected. Unless otherwise instructed, the Proxies will be so voted.

Under applicable Minnesota law, approval of the proposal to set the number of directors at five requires the affirmative vote of the holders of the greater of a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter, and the election of directors requires the affirmative vote of the holders of a plurality of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter.

In the absence of other instruction, the Proxies will be voted for setting the number of directors at five and for each of the individuals listed below. If elected, such individuals shall serve until the next annual meeting of shareholders and until their successors shall be duly elected and shall qualify. All of the nominees are members of the present Board of Directors. If, prior to the 2006 Annual Meeting of Shareholders, it should become known that any one of the following individuals will be unable to serve as a director after the 2006 Annual Meeting by reason of death, incapacity or other unexpected occurrence, the Proxies will be voted for such substitute nominee(s) as is selected by the Nominating/Governance Committee. Alternatively, the Proxies may, at the Board's discretion, be voted for such fewer number of nominees as results from such death, incapacity or other unexpected occurrence. The Board of Directors has no reason to believe that any of the following nominees will be unable to serve.
