**Adoption of Annual Incentive Program Performance Goals for Calendar Year 2009**

The Compensation Committee (the Committee) of the Board of Directors of the Company (the Board) established performance objectives for its calendar year 2009 annual incentive program (the 2009 AIP), a program under the Company's 2004 Executive Incentive Plan and the Company's 2007 Stock Incentive Plan, for Martin B. Anstice, Richard A. Gottscho, Abdi Hariri, and Ernest E. Maddock. A similar recommendation by the Committee with respect to Stephen G. Newberry was also approved by the independent members of the Board.

The 2009 AIP provides for the payment of performance-based compensation based on cash target amounts, which are established as a percentage of base salary. These cash target amounts will be paid out based on the achievement of specified performance factors, including metrics related to ongoing operational cash flow and to specific business unit performance. Each named executive officer (NEO) other than Mr. Newberry and Mr. Anstice has additional performance factors specifically relating to performance of his business unit or other organization. For Messrs. Newberry and Anstice, the weighting of the performance factors is: ongoing operational cash flow factor, 50%, and business unit performance factors, collectively 50%. Performance factors for the other NEOs include the ongoing operational cash flow factor and some or all of the business unit performance factors assigned to Messrs. Newberry and Anstice, which for those NEOs are collectively weighted at 50%, as well as organization-specific performance factors, which also are collectively weighted for those NEOs at 50%.

Awards under the 2009 AIP will be delivered, at the discretion of the Committee, in the form of cash, Company stock, or a combination thereof. The determination of the form of payment will be made in early 2010. The stock portion, if any, of each award will be determined by dividing the cash value of such portion of the award by the closing price of the Company's stock on a date selected by the Committee when making the determination to pay some or all of any payment in stock. The maximum amounts payable under the AIP, as a percentage of the participant's 2009 base salary, are: Mr. Newberry, 125%; Mr. Anstice, 85%; Mr. Maddock, 80%; Dr. Gottscho, 75%; and Mr. Hariri, 70%.
