outstanding indebtedness for \$110.5 million in cash. Of this amount, approximately \$31 million principal amount of 8% debentures will remain outstanding for approximately 30 days at which time Armor will repay these debentures, plus accrued interest, in their entirety. After payment of 100% of the outstanding indebtedness and transaction expenses, the merger consideration payable to Simula shareholders at closing pursuant to the merger agreement was approximately \$43.5 million or approximately \$3.21 per share. The source of the funds used in the merger was Armor's working capital, which was derived from proceeds received from its private placement of \$150 million aggregate principal amount of 8.25% Senior Subordinated Notes due 2013. Comprehensive information on the merger is set out in Simula's proxy statement dated November 10, 2003, filed with the Securities and Exchange Commission. A copy of the press release announcing the consummation of the merger is attached hereto as Exhibit 99.1.
