Activision entered into an agreement and plan of merger (the "Merger Agreement") with Activision Publishing Inc., Treyarch Invention LLC ("Treyarch"), Don Likeness, Peter Akemann, Eric Steinmann, Shawn Capistrano and Eric Steinmann, as representative of the persons listed on Schedule 1 thereto (the "Members"). The transaction contemplated by the Merger Agreement was consummated on October 1, 2001.

Pursuant to a warranty escrow agreement an aggregate of 230,988 shares of Common Stock, or twenty-two percent (22%) of the total number of shares of Common Stock issued, have been deposited in an escrow account in connection with the transaction (the "Escrow Shares"). The Escrow Shares have been deposited in order to ensure that the representations, warranties and covenants made by the former Treyarch Members under the Merger Agreement are not breached and in order to provide a source of indemnification to Activision pursuant to the Merger Agreement. The Escrow Shares are also subject to release from escrow upon fulfillment of certain software program delivery and ranking requirements and certain revenue requirements, as described in the Merger Agreement. In addition, in the event certain of the software program delivery and ranking requirements are met, certain of the Selling Stockholders are entitled to receive, in addition to the Escrow Shares, an aggregate of 23,098 shares of Common Stock (the "Additional Shares").

This prospectus supplement reflects the release from escrow of 92,395 Escrow Shares and the issuance of 9,240 Additional Shares, as a result of the fulfillment of some of the conditions described above. 138,593 Escrow Shares remain in escrow, and 13,858 Additional Shares remain to be issued, pending

fulfillment of the conditions described above. We will issue a prospectus supplement to reflect any increase in the number of Escrow Shares and Additional Shares offered for sale.

Prior to the acquisition of Treyarch by Activision, Treyarch was a party to various development agreements with Activision. Other than such contracts and the fact that the Selling Stockholders are employees of Treyarch, which became a wholly owned subsidiary of Activision on October 1, 2001 pursuant to the Merger Agreement, none of the Selling Stockholders has had a material relationship with Activision within the past three years.
