QUESTIONS AND ANSWERS

Q: Why am I receiving this proxy statement?

A: You are receiving this proxy statement because you own shares of Ryder common stock that entitle you to vote at the 2004 Annual Meeting of Shareholders. The Board of Directors is soliciting proxies from shareholders who wish to vote at the meeting. By use of a proxy, you can vote even if you do not attend the meeting. The proxy statement describes the matters on which you may vote and provides information on those matters so that you can make an informed decision. This notice of annual meeting, proxy statement and proxy are being mailed to shareholders on or about March 26, 2004.

Q: When and where is the annual meeting?

A: We will hold the annual meeting on Friday, May 7, 2004, at 11:00 a.m. Eastern Daylight Time at Hilton Miami Airport and Towers, 5101 Blue Lagoon Drive, Miami, Florida 33126. A map with directions to the meeting can be found on the enclosed proxy card.

Q: What am I voting on?

A: You are voting on two proposals:

1. Election of four directors for a term of three years: David I. Fuente, Eugene A. Renna, Abbie J. Smith and Christine A. Varney.

Election of one director for a term of two years: John M. Berra.

2. Ratification of the appointment of KPMG LLP as the Company's auditors.

Q: What are the voting recommendations of the Board of Directors?

A: The Board recommends the following votes:

FOR each of the nominees for director

FOR ratification of the appointment of KPMG LLP as the Company's auditors

Q: Who can vote?

A: Those persons named on the Company's records as owners of Ryder common stock at the close of business on March 12, 2004 are considered shareholders of record and are entitled to one vote per share.

Q: What shares are reflected on my proxy?

A: Your proxy reflects all shares owned by you at the close of business on March 12, 2004. For participants in Ryder's 401(k) Plan, shares held in your account as of that date are included.

Q: How many shares are entitled to vote?

Edgar Filing: RYDER SYSTEM INC - Form DEF 14A

A: As of March 12, 2004, the record date for the annual meeting, there were 65,454,663 shares of common stock outstanding and entitled to vote. Each share is entitled to one vote.

Q: How many votes are needed for the proposals to pass?

A: The affirmative vote of the holders of a majority of the total number of shares outstanding and entitled to vote, or 32,727,332 shares, is required for the election of each director and for approval of each proposal to be presented at the meeting.

Q: What is a quorum?

A: A quorum is the minimum number of shares required to hold a meeting. Under Ryder's By-Laws, the holders of a majority of the total number of shares outstanding and entitled to vote at the meeting, or 32,727,332 shares, must be present in person or represented by proxy for a quorum.

Q: Who can attend the annual meeting?

A: Only shareholders and their guests are invited to attend the meeting. To gain admittance, you must bring a form of personal identification to the meeting, where your name will be verified against our shareholder list. If a broker or other nominee holds your shares and you plan to attend the meeting, you should bring a recent brokerage statement showing your ownership of the shares and a form of personal identification.

Q: If I plan to attend the annual meeting, should I still vote by proxy?

A: Yes. Casting your vote in advance does not affect your right to attend the meeting. Written ballots will be available at the annual meeting for shareholders of record. If you send in your proxy card and also attend the meeting, you do not need to vote again at the meeting unless you want to change your vote.

Beneficial shareholders who wish to vote in person must request a proxy from the nominee and bring that proxy to the meeting.

Q: Who pays the cost of this proxy solicitation?

A: The Company pays the cost of soliciting your proxy and reimburses brokerage firms and others for forwarding proxy material to you. We have hired D.F. King & Co., Inc., a proxy solicitation firm, to assist with the distribution of proxy materials and the solicitation of votes at an estimated cost of \$18,000, plus out-of-pocket expenses. In addition to solicitation by mail, solicitations may also be made by personal interview, letter, fax and telephone.

Q: What is Householding?

A: The Securities and Exchange Commission (SEC) has approved a Householding rule which affects the delivery of the Company's annual disclosure documents (such as annual reports, proxy statements and other information statements) to shareholders. Under this rule, the Company is allowed to deliver a single set of the Company's annual report and proxy statement to multiple shareholders at a shared address or household, unless a shareholder at that shared address delivers contrary instructions to the Company through its transfer agent, Equiserve Trust Company, N.A. Each shareholder will continue to receive a separate proxy card or voting instruction card even when a single set of materials is sent to a shared address under the Householding program. The Householding program is designed to reduce the expense to the Company of sending multiple disclosure documents to the same address.

If you are a registered shareholder and you want to request a separate copy of this proxy statement or accompanying annual report, you may contact the Company's Investor Relations Department by calling (305) 500-4053, in writing at Ryder System, Inc., Investor Relations Department, 3600 N.W. 82nd Avenue,

Miami, Florida 33166, or by e-mail to *RyderforInvestors@ryder.com*, and a copy will be sent to you promptly. If you wish to receive separate documents in future mailings, please contact Equiserve by calling (800) 730-4001, in writing at Equiserve, P.O. Box 43010, Providence, Rhode Island 02940-3010, or by e-mail at *shareholder-equiserve@equiserve.com*. The Company's 2003 annual report and this proxy statement are also available through the Company's website at *www.ryder.com*.

Two or more shareholders sharing an address can request delivery of a single copy of annual disclosure documents if they are receiving multiple copies by contacting Equiserve in the manner set forth above.

If a broker or other nominee holds your shares, please contact such holder directly to inquire about the possibility of Householding.

Q: How do I vote?

A: If you are a shareholder of record, you may vote on the Internet, by telephone or by signing, dating and mailing your proxy card. Detailed instructions for Internet and telephone voting are attached to your proxy card.

If your shares are held in Ryder's 401(k) Plan, the enclosed proxy will serve as a voting instruction for the trustee of Ryder's 401(k) Plan who will vote your shares as you instruct. To allow sufficient time for the trustee to vote, your voting instructions must be received by May 4, 2004. If the trustee does not receive your instructions by that date, the trustee will vote the shares you hold in the Ryder 401(k) Plan in the same proportion as those shares in the Ryder 401(k) Plan for which voting instructions were received.

If you are a beneficial shareholder, you must follow the voting procedures of your broker, bank or trustee included with your proxy materials.

Q: Who tabulates the votes?

A: Representatives of Equiserve Trust Company, N.A. will count the votes. The Board has appointed Equiserve as the independent Inspector of Election.

Q: Is my vote confidential?

A: Yes. The voting instructions of shareholders of record will only be available to the Inspector of Election (Equiserve) and proxy solicitor (D.F. King). Voting instructions for employee benefit plans will only be available to the plans' trustees and the Inspector of Election. The voting instructions of beneficial shareholders will only be available to the shareholder's bank, broker or trustee. Your voting records will not be disclosed to the Company unless required by a future legal order, requested by you or cast in a contested election.

Q: What is a shareholder of record?

A: You are a shareholder of record if you are registered as a shareholder with the Company's transfer agent, Equiserve Trust Company, N.A.

Q: What if I am a shareholder of record and I abstain or withhold authority to vote on a proposal?

A: If you sign and return your proxy card marked "abstain" or "withhold" on any proposal, your shares will not be voted on that proposal and will not be counted as votes cast in the final tally of votes with regard to that proposal. However, your shares will be counted for purposes of determining whether a quorum is present.

Q: What does discretionary authority mean for shareholders of record?

A: If you sign and return your proxy card without making any selections, the proxy committee named on the proxy card will vote your shares for proposals 1 and 2. If other matters come before the meeting (such matters having been presented to the Company at least 45 days before the date of this proxy statement), the proxy committee will have the authority to vote on those matters for you at their discretion. At this time, we are not aware of any matters that will come before the meeting other than those disclosed in this proxy statement.

Q: What is a beneficial shareholder?

A: You are a beneficial shareholder if a brokerage firm, bank, trustee or other agent (the nominee) holds your shares. This is often called ownership in street name, since your name does not appear anywhere in the Company's records.

Q: What if I am a beneficial shareholder and I abstain or withhold authority to vote or don't give the nominee voting instructions?

A: Under the rules of the New York Stock Exchange (NYSE), if your shares are held by a nominee, you must give specific voting instructions to the nominee on how you wish to vote with regard to the election of directors, or the nominee may vote your shares at his or her discretion.

If you sign and return a proxy card marked abstain or withhold on a proposal, your shares will not be voted on the proposal and will not be counted as votes cast in the final tally of votes with regard to that proposal.

Q: What does discretionary authority mean for beneficial shareholders?

A: If you sign and return your proxy card without making any selections, the shares may be voted by the nominee for you on proposals 1 and 2. If other matters come before the meeting, the nominee may vote on those matters for you, subject to the NYSE's rules on the exercise of discretionary authority.

Q: How do I change my vote?

A: A shareholder of record may revoke a proxy by giving written notice to the Company's Corporate Secretary before the meeting, by delivering a later-dated proxy (either in writing, by telephone or over the Internet), or by voting in person at the meeting.

If you are a beneficial shareholder, you may change your vote by following the nominee's procedures on revoking or changing your proxy.

Q: When are shareholder proposals for next year's annual meeting due?

A: To be considered for inclusion in next year's proxy statement, shareholder proposals must be delivered in writing to the Company at 3600 N.W. 82nd Avenue, Miami, Florida 33166, Attention: Corporate Secretary, no later than November 21, 2004.

There are additional requirements under the Company's By-Laws and the proxy rules to present a proposal, such as continuing to own a minimum number of Ryder shares until the annual meeting and appearing in person at the meeting to explain your proposal. A copy of the By-Laws can be obtained from the Company's Corporate Secretary. The By-Laws are also included in the Company's filings with the SEC which are available on the SEC's website at www.sec.gov.

ELECTION OF DIRECTORS

(Proposal 1)

In addition, John M. Berra and Abbie J. Smith were elected to the Board of Directors during the past year and, in accordance with the Company's By-Laws, are being nominated for election at the 2004 Annual Meeting. Both the Corporate Governance Guidelines and the Principles of Business Conduct (including the supplemental Code of Ethics) are available on the Company's website at www.ryder.com. Any changes to these documents and any waivers granted by the Company with respect to its Code of Ethics will be posted on the Company's website.

BOARD OF DIRECTORS AND BOARD COMMITTEES

Board Independence

It is the Company's policy that a substantial majority of the members of its Board of Directors and all of the members of the Company's Audit Committee, Compensation Committee, Corporate Governance and Nominating Committee and Finance Committee qualify as independent. The Company's Corporate Governance Guidelines require the Board of Directors to make an annual determination regarding the independence of each of the Company's directors and provide standards for making these determinations, which standards are consistent with applicable NYSE listing standards.

Pursuant to the Guidelines, the Company undertook a review of any transactions and relationships between each director and any member of his or her immediate family and the Company or members of the Company's senior management. Based on this review, the Board has determined that each of the following directors (which together constitute all of the members of the Board, other than Mr. Swinton, the Company's Chief Executive Officer) is independent: John M. Berra, Joseph L. Dionne, David I. Fuente, Lynn M. Martin, Daniel H. Mudd, Eugene A. Renna, Abbie J. Smith, Hansel E. Tookes II and Christine A. Varney.

Communications with Independent Directors

Shareholders and other interested parties can communicate with the Company's independent directors as a group through the Company's website at www.ryder.com or by mailing their communication to Independent Directors, c/o Corporate Secretary, Ryder System, Inc., 3600 N.W. 82nd Avenue, Miami, Florida 33166. Any communications received from interested parties in the manner described above will be collected and organized by the Company's Corporate Secretary and will be periodically, but in any event prior to each regularly-scheduled Board meeting, reported and/or delivered to the Company's independent directors. The procedures for communicating with the Company's independent directors as a group are available on the Company's website at www.ryder.com

Meetings and Responsibilities

The Board of Directors held ten meetings in 2003. Each of the directors attended 75% or more of the aggregate number of meetings of the Board and Committees on which the director served in 2003. The Company's independent directors meet in executive session without management present as part of each regularly scheduled meeting of the Board of Directors. The Chair of the Company's Corporate Governance and Nominating Committee presides over these executive Board sessions.

The Company expects each of its directors to attend the Company's annual meeting of shareholders. Because the Board of Directors holds one of its regular meetings in conjunction with the Company's annual meeting of shareholders, unless one or more members of the Board are unable to attend, all of the members of the Board are present for the annual meeting. All of the members of the Board at the time of the Company's 2003 annual meeting of shareholders attended the annual meeting.

Edgar Filing: RYDER SYSTEM INC - Form DEF 14A

The Board has four standing committees – Audit, Compensation, Finance and Corporate Governance and Nominating (formerly called the Committee on Directors and Public Responsibility). Audit Committee Independence and Expertise

In addition to the independence standards applicable to all Board members, rules issued by the SEC pursuant to the Sarbanes-Oxley Act of 2002 require that all members of the Company's Audit Committee meet additional independence standards. The Board undertook a review of the independence of Audit Committee members and based on this review, the Board determined that each of the members of the Audit Committee meets the enhanced independence standards for audit committee members required by the SEC.

The Board has also determined that at least one member of the Audit Committee, Joseph L. Dionne, qualifies as an audit committee financial expert under SEC rules.

Committee Charters

The Company has adopted written charters for the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee that comply with the NYSE listing standards and applicable provisions of the Sarbanes-Oxley Act and SEC rules. The charters set forth each committee's responsibilities and provide for a periodic review of the charter and an annual evaluation of the committee's performance. Pursuant to the charters, each committee has the authority to obtain the advice and assistance of, and receive appropriate funding from the Company for, outside legal, accounting or other advisors as the committee deems necessary to fulfill its obligations. The charters are available on the Company's website at www.ryder.com. In addition, the Audit Committee Charter is attached as Appendix A to this proxy statement.

Nomination of Directors

The Corporate Governance and Nominating Committee is responsible for identifying qualified individuals to serve as directors, reviewing the qualifications of director candidates, including those recommended by the Company's shareholders pursuant to its By-Laws, and recommending to the Board the nominees to be proposed by the Board for election as directors at the Company's annual meeting of shareholders.

In identifying individuals to nominate for election to the Company's Board, the Committee seeks candidates that:

have a high level of personal integrity and exercise sound business judgment;

are highly accomplished in his or her field, with superior credentials and recognition and have a reputation, both personal and professional, consistent with the image and reputation of the Company;

have relevant expertise and experience, and are able to offer advice and guidance to the Company's senior management;

have an understanding of, and concern for, the interests of the Company's shareholders; and

have sufficient time to devote to fulfilling his or her obligations as a director.

The Committee will seek to identify individuals that would qualify as independent under the applicable NYSE listing standards and in addition, be independent of any particular constituency. The Committee may, based on the composition of the Board, seek individuals that have specialized skills or expertise, experience as a leader of another public company or major complex organization, or relevant industry experience. In addition, the Committee will attempt to select candidates that will assist in making the Board a diverse body in terms of age, gender, ethnic background and professional experience.

Generally, the Committee identifies individuals for service on the Company's Board through experienced director search firms that are paid to use their extensive resources and networks to find qualified individuals that meet the minimum qualifications established by the Board. These search firms create a comprehensive record of a candidate's background, business and professional experience and other information that would be relevant to the Committee in determining a candidate's capabilities and suitability. The Committee will also consider qualified candidates that are proposed by other members of the Board, the Company's senior management and, to the extent submitted in accordance with the procedures described below, the Company's shareholders. The Committee will not consider a director candidate unless it has received a document evidencing the candidate's willingness to serve on the Board if elected and sufficient information relating to the candidate to determine whether he or she meets the minimum qualifications established by the Board.

If a shareholder would like to recommend a director candidate to the Committee, they should deliver to the Committee the same information and statement of willingness to serve described above. In addition, the recommending shareholder must deliver to the Committee a representation that the shareholder owns shares in the Company and intends to continue holding those shares until the relevant annual meeting of shareholders as well as a representation regarding the shareholder's direct and indirect relationship to the suggested candidate. This information should be delivered to the Company at 3600 N.W. 82nd Avenue, Miami, Florida 33166, Attention: Corporate Secretary, for delivery to the Committee on or before the date on which shareholder proposals are required to be delivered to the Company in order to be included in the proxy statement for the next annual meeting of the Company's shareholders. Any candidates properly recommended by a shareholder will be considered and evaluated in the same way as any other candidate submitted to the Committee.

Upon receipt of this information, the Committee will evaluate and discuss the candidate's qualifications, skills and characteristics in light of the current composition of the Board. The Committee may request additional information from the recommending party or the candidate in order to complete its initial evaluation. If the Committee determines that the individual would be a suitable candidate to serve as a director of the Company, the candidate will be asked to meet with members of the Committee, members of the Board and/or members of senior management, including in each case, the Company's CEO, to discuss the candidate's qualifications and ability to serve on the Board. Based on the Committee's discussions and the results of these meetings, the Committee will recommend a nominee or nominees for election to the Board either by the Company's shareholders at its annual meeting of shareholders or by the Board to fill vacancies on the Board between annual meetings. The Board will, after consideration of the Committee's recommendations, nominate a slate of directors for election by the Company's shareholders, or with regards to filling vacancies, elect a nominee to the Board.

The Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting and auditing matters. Upon a change of control of the Company, however, all deferred amounts will be paid immediately in a lump sum.

Approval Policy

All services rendered by KPMG are pre-approved by the Audit Committee in accordance with the Company's Approval Policy for Independent Auditor Services and are monitored both as to spending level and work content by the Audit Committee to maintain the appropriate objectivity and independence of KPMG's core service, which is the audit of the Company's consolidated financial statements. Under the policy, the terms and fees of annual audit services, and any changes thereto, must be approved by the Audit Committee. The policy also sets forth detailed pre-approved categories of other audit, audit-related, tax and other non-audit services that may be performed by the Company's independent auditors during the fiscal year, subject to the dollar limitations set by the Committee. The Audit Committee may, in accordance with the policy, delegate to any member of the Audit Committee the authority to approve audit and non-audit services to be performed by the independent auditors. Any Audit Committee member who exercises this delegated authority must report any approval decisions to the Audit Committee at its next scheduled meeting. All of the services described above were approved by the Audit Committee in accordance with its Approval Policy.

The Board of Directors recommends a vote FOR ratification of the appointment of KPMG LLP as auditors.

AUDIT COMMITTEE REPORT

The following report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC nor shall this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, except to the extent that Ryder System, Inc. specifically incorporates it by reference into a filing.

The Audit Committee is comprised of five outside directors, all of whom are independent under the rules of the New York Stock Exchange. The members are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditor. The Audit Committee serves as a board-level oversight role in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Company's independent auditors, KPMG LLP, are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those statements with accounting principles generally accepted in the United States of America.

The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2003 with management and with the Company's independent auditors. The committee has also discussed with KPMG LLP those matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures from and discussed with the independent auditors those items required by Independence Standards Board Standard No. 1. The Audit Committee discussed with KPMG LLP their independence, including the non-audit services listed in their written disclosures and presented in Proposal 2 of this proxy.

The Audit Committee discusses with the internal auditors and the independent auditors the overall scope and plans for their respective audits. The committee meets periodically with the internal auditors and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of internal controls and the overall quality of financial reporting. The Audit Committee held thirteen meetings during the calendar year 2003.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the SEC.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Company's Board of Directors consists of four independent directors. None of the directors on the Compensation Committee is an officer or employee of the Company or any of its subsidiaries. No executive officer of the Company serves on the compensation committee or board of directors of another company that has an executive officer on the Company's Compensation Committee or Board of Directors. The Compensation Committee administers all of the Company's executive compensation policies and programs and regularly reports to the Board of Directors.

The Company's goal is to attract, retain, motivate and reward executive management through competitive compensation policies that align executive management interests with shareholder interests.

Evaluation of Executive Performance

The Committee believes that variable, at-risk and goal-oriented compensation, both annual and long-term, should comprise a significant portion of executive compensation. In 2003, a substantial portion of executive compensation, including that of Mr. Swienton, was at risk.

The Committee retains an independent compensation consultant to evaluate the effectiveness of the Company's executive compensation programs while ensuring that such programs are externally competitive. The Committee evaluates each element of the executive compensation program based upon the compensation practices and financial performance of a comparable group of similar companies. Management and the Committee's independent compensation consultants analyze compensation survey data on behalf of the Company to provide comparisons to the Committee. The Committee considers the compensation survey analysis when establishing total compensation for the Company's executive officers.

Stock Ownership Guidelines

To demonstrate the importance of linking executive management and shareholder interests, the Company maintains formal stock ownership guidelines for all executive officers of the Company. The Chief Executive Officer of the Company must own a minimum amount of two times his annual base salary in Company stock, and executive officers of the Company must own a minimum amount equal to their base salary in Company stock. Each executive officer must meet the Company stock ownership requirement over a five-year period beginning on the officer's date of hire or promotion. Executive officers that do not meet the ownership guidelines may not exercise vested stock options for cash until such guidelines are satisfied. The Committee periodically reviews compliance with the stock ownership requirements by the executive officers, all of whom are currently in compliance.

Components of Executive Compensation

In 2003 the Company's executive compensation program consisted of three components: (1) base salary; (2) annual cash incentive awards; and (3) long-term incentive awards comprised of stock options and cash-based awards for certain executive officers. Executive officers also receive employee benefits generally available to all employees of the Company and certain other executive perquisites that the Committee believes are consistent with competitive practices. The Committee considers each element of the total executive compensation and benefits package in evaluating the executive compensation program and making individual compensation decisions. Based upon its evaluation of the executive compensation program, the Committee believes that the program is both attractive for executive management and competitive with those of comparable companies.

Base Salary

The Committee sets executive officer base salaries considering the responsibilities and importance of those positions to the operations of the Company. When reviewing individual executive salary levels, the Committee considers four factors: (1) Company performance; (2) the executive officer's individual performance; (3) the executive officer's current salary; and (4) comparative data provided by the Company's outside compensation consultants. In order to assist in the evaluation of these factors, the Company established a common annual merit increase date for executives which has enabled the Committee to compare Company performance more accurately to individual executive performance.

In 2003, the base salaries for the executive officers were set in accordance with the responsibilities and importance of the officer's position and based upon Mr. Swinton's recommendations. One executive officer received an equity-based salary increase in 2003. All other executive officers, including Mr. Swinton, received merit-based salary increases equal to the percentage increase given to all of the Company's exempt employees.

Annual Incentive Awards

Since 1997, the Company's annual management incentive plan has been based on the principles of Economic Value Added, also known as EVA. EVA is a formula that determines whether a business is earning more than its cost of capital. In 2003, the Company introduced revenue growth as an additional performance measure under the plan. Under the annual incentive plan, executive compensation reflects the Company's performance for both business strategy implementation and shareholder return.

Under the 2003 annual incentive plan, EVA and revenue growth were the measures used to evaluate the Chief Executive Officer and all other executive officers of the Company. Based upon Company performance in 2003, pursuant to the terms of the plan, Management recommended and the Committee approved executive compensation awards.

Long-Term Incentive Awards

The Company has established programs that it uses to provide long-term incentives to its executive officers, such as Company stock options and a cash-based long-term incentive plan.

Under the Company's 1995 Stock Incentive Plan, the Committee may award annual stock options to executive officers and discretionary awards to newly hired executives. Each individual stock option award reflects the executive officer's responsibilities and position within the Company, current individual performance, potential for promotion and the officer's impact on Company performance, while considering awards for comparable positions at peer companies. The existing value or amount of an executive's existing stock options does not influence the size of the stock option award given to that executive. Company stock option grants reflect awards for comparable positions at peer companies. In 2003, the Committee awarded stock options to certain executive officers of the Company.

In 2002, the Company introduced a long-term incentive plan, also known as LTIP, which provides the cash-based component of long-term compensation for certain executive officers. The LTIP rewards eligible executive officers with additional compensation contingent upon attaining critical business objectives during a three-year period. The Committee establishes a three-year cycle for eligible executives with performance measurements and goals for the executives for each year of the plan cycle. The Company funds this component annually by depositing earned amounts into a trust account for the benefit of each LTIP participant. The amounts earned under the LTIP vest upon the six and eighteen month anniversaries of the end of the plan's three-year cycle. During 2003, the Committee established target EVA goals for each year of the three-year plan cycle commencing in 2003.

Deductibility of Executive Compensation

The Committee has reviewed all components of the Company's executive compensation program based upon the requirements of Section 162(m) of the Internal Revenue Code relating to the deductibility of executive compensation in excess of \$1 million. The Committee believes that preserving its flexibility in awarding compensation is in the best interest of the Company and its shareholders and it will continue to consider the deductibility of its executive compensation under the requirements of Section 162(m).

1 Stock options and Limited SAR grants generally vest in annual installments over three years commencing with the first anniversary of the date of the grant. Each named executive officer who received a grant of stock options received Limited SARs equal to the number of shares subject to such stock option. The numbers given reflect an option with a tandem Limited SAR as a single unit. Grants to each of the named executives were made under the 1995 Stock Incentive Plan.

2 Represents fair market value as of the date of the grant.

3 Seven (7) years from grant date of February 13, 2003 and September 30, 2003.

4 If the 5% or 10% annual compound appreciation shown in the table were to occur:

	5%	10%
The price of the Company's common stock on February 13, 2010 would be	\$ 31.10	\$ 43.07
The price of the Company's common stock on September 30, 2010 would be	\$ 41.00	\$ 56.79

Edgar Filing: RYDER SYSTEM INC - Form DEF 14A

<i>Appreciation in value of Company's common stock from the date of the February 13, 2003 grant would be</i>	<i>\$580,188,710</i>	<i>\$1,352,086,414</i>
<i>Appreciation in value of Company's common stock from the date of the September 30, 2003 grant would be</i>	<i>\$765,009,005</i>	<i>\$1,782,796,294</i>

The appreciation during this period realized by the five named executive officers from these stock options would be 0.28% and 0.02% of the gain to all shareholders for the options granted on February 13, 2003 and September 30, 2003, respectively. The use of the 5% and 10% rates as required by the SEC is not intended by the Company to forecast possible future appreciation of the Company's common stock.

AGGREGATED OPTION EXERCISES IN 2003 AND YEAR-END OPTION VALUES

The following table provides information, with respect to the named executive officers, regarding the exercise of options during 2003:

¹ Amounts reflecting gains on outstanding stock options based on a fair market value of \$34.12 for the common stock, as determined by using the average of the high and low price on December 31, 2003. As no change in control of the Company has occurred the tandem Limited SARs had no calculable value on such date.

¹ Amounts earned vest on June 30, 2006 (50%) and June 30, 2007 (balance), the sixth and eighteenth month anniversaries of the end of the three-year LTIP cycle.

² Amounts represent a range of potential payouts over the three-year LTIP cycle. Each LTIP cycle is comprised of three consecutive years with a performance measure and range of potential payouts for each year. Amounts earned under the LTIP in each plan year are deposited into an account for each named executive officer annually. Achievement of the performance target or failure to achieve the performance target in one plan year will not affect compensation in any other plan year.

PENSION BENEFITS

The Company maintains the Ryder System, Inc. Retirement Plan (the Retirement Plan) for regular full-time employees other than those who are covered by plans administered by labor unions and certain other non-exempt employees. Benefits payable under the Retirement Plan are based on an employee's career earnings with the Company and its subsidiaries. At customary retirement age of sixty-five (65), a participant is entitled to a monthly pension benefit payable for life. The annual pension benefit, when paid in the form of a life annuity with no survivor's benefits, is generally equal to the sum of 1.45 percent of the first \$15,600 of total compensation received during the calendar year, plus 1.85 percent of the portion of such total compensation received during the calendar year in excess of \$15,600, during each such year while a Retirement Plan member. Accrued benefits under the Retirement Plan have been improved from time to time.

Retirement Plan benefits vest at the earlier of the completion of five (5) years of credited service or upon reaching age sixty-five (65), provided, however, that in the event of a change of control of the Company, all participants will be fully vested and the term accrued benefit will include

Edgar Filing: RYDER SYSTEM INC - Form DEF 14A

the value of early retirement benefits for any participant age forty-five (45) or older or with ten (10) or more years of service. These benefits are not subject to any reduction for Social Security benefits or other offset amounts. An employee's pension benefits may be paid in certain alternative forms having actuarially equivalent values.

The maximum annual benefit under a qualified pension plan is currently \$160,000 beginning at the Social Security retirement age. The maximum compensation and bonus that may be taken into account in determining annual retirement accruals is currently \$200,000. The Company also maintains a non-qualified, unfunded benefit plan, called the Benefit Restoration Plan (the Restoration Plan), which covers those participants of the Retirement Plan whose benefits are reduced by the Internal Revenue Code or other United States laws. A participant in the Restoration Plan is entitled to a benefit equaling the difference between the amount of benefits the participant is entitled to without reduction and the amount of benefits the participant is entitled to after the reductions.

The following table sets forth annual pension benefit projections assuming each named executive officer remains continuously employed by the Company at current compensation levels until retirement at the normal retirement date or age.

Estimated Annual Benefits at Retirement¹

(in the form of a single life annuity)

Gregory T. Swinton	\$345,980
Tracy A. Leinbach	\$391,047
Challis M. Lowe	\$119,978
Vicki A. O Meara	\$337,607
Anthony G. Tegnelia	\$229,600

¹ *These amounts include benefits under the Retirement Plan and the Restoration Plan combined.*

Until December 31, 2003, the Company maintained a Split Dollar Life Insurance Plan for the benefit of certain named executive officers. The Plan provided participants with additional life insurance. The Company paid all costs equal to the premiums on the life insurance acquired prior to retirement. The Company analyzed the impact of certain provisions of the Sarbanes-Oxley Act on its Split Dollar Life Insurance Plan and, as a result, terminated the Plan effective December 31, 2003. No premium payments were made under the Plan with respect to the named executive officers during fiscal year 2003.

PERFORMANCE GRAPH

The following graph compares the performance of the Company's common stock with the performance of the Standard & Poor's 500 Composite Stock Index and the Dow Jones Transportation Index for a five year period, by measuring the changes in common stock prices from December 31, 1998.

	<u>1998</u>	<u>1999</u>	<u>2000</u>	<u>2001</u>	<u>2002</u>	<u>2003</u>
Ryder System, Inc.	\$ 100.00	\$ 96.35	\$ 67.68	\$95.26	\$98.52	\$ 151.59
S&P 500 Index	\$ 100.00	\$ 121.04	\$ 110.03	\$99.75	\$77.25	\$ 96.20
Dow Jones Transportation 20 Index	\$ 100.00	\$ 95.47	\$ 95.83	\$89.12	\$79.50	\$ 102.04

The performance graph assumes that \$100 was invested on December 31, 1998, in each of the Company's common stock, the Standard & Poor's 500 Composite Stock Price Index and the Dow Jones Transportation Index, and that all dividends were reinvested. Past performance is not necessarily an indicator of future results.

The Board of Directors shall determine, in its business judgment and upon the recommendation of the Corporate Governance and Nominating Committee, whether a member is financially literate and whether at least one member has the requisite accounting or financial management expertise and meets the financial expert criteria of Section 407 of the Sarbanes-Oxley Act and any rules promulgated thereunder by the SEC. The designation or identification of a person as an audit committee financial expert shall not (a) impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and the Board of Directors in the absence of such designation or identification, or (b) affect the duties, obligations or liability of any other member of the Committee or the Board of Directors.

3) Each Committee member shall receive as compensation from the Company only those forms of compensation as are not prohibited by Section 301 of the Sarbanes-Oxley Act and the rules and listing requirements promulgated thereunder by the SEC and the NYSE.
