Item 1.01. Entry Into a Material Definitive Agreement.

Compensation of Non-Management Directors.

On May 25, 2006, the Board of Directors (the Board) of HCA Inc. (the Company) approved the compensation that would be paid to each non-management director of the Company during their term commencing on May 25, 2006 (the 2007 Directors Fees/Compensation Policy). A summary of the 2007 Directors Fees/Compensation Policy is set forth below.

Each non-management director will receive an annual retainer of \$55,000 for service on the Board. Each committee chairperson and the presiding director will receive an annual retainer of \$10,000 for his or her service in that capacity, except that the Audit Committee chairperson will receive a retainer of \$20,000. The annual retainer for service by a non-management director on a committee other than as a committee chairperson will be \$3,000. All retainers are payable in one or more of cash, restricted stock, or restricted share units pursuant to an election previously made by the director. To the extent that a director elected to receive any such amounts in restricted stock and/or restricted share units, the director will receive a 25% premium on all such amounts.

Each non-management director will be paid meeting fees of \$2,000 for each meeting of the Board attended by such director in person or by telephone, and will be paid meeting fees of \$1,500 for each committee meeting attended by such director in person or by telephone. All meeting fees will be paid in cash. In addition, non-management directors will be reimbursed for all travel-related expenses. A director will also receive a fee equal to the Board meeting fee if he or she attends a business-related meeting on behalf of the Company or if the director attends a meeting that the Company believes will further his or her education as a director of a public company.

As a long term incentive, each non-management director will receive an award of options to purchase shares of the Company s common stock having a value equal to \$50,000 based upon a Black-Scholes valuation on the date of grant, and an award of restricted share units having a value equal to \$50,000 based on the closing price of HCA common shares on the date of grant. One-fifth of the number of shares covered by the option award will vest on the date of grant, with additional installments of one-fifth of the number of shares covered by the option award becoming exercisable on the first, second, third and fourth anniversaries of the date of grant. The restricted share units awarded as long term incentive compensation will vest on the second anniversary of the date of grant.

The foregoing summary is qualified by reference to the Company s 2007 Directors Fees/Compensation Policy which is attached hereto as Exhibit 10.1. All stock options, restricted stock and restricted share units issued to non-management directors in connection with their 2006-2007 compensation will be issued under the HCA 2005 Equity Incentive Plan and pursuant to the forms of agreement attached hereto as Exhibits 10.2, 10.3 and 10.4, respectively.

The Directors Matching Gift Program is part of the Company s overall program of charitable contributions in which all current directors participate. Under the program, the HCA Foundation will match charitable contributions made by a director up to an aggregate maximum of \$15,000 annually.
