CENTURY BUSINESS SERVICES, INC.

PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Century Business Services, Inc. ("Century," "CBIZ" or "the Company") of proxies to be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, May 12, 2005, and any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The mailing of this proxy statement and accompanying form of proxy to stockholders will commence on or about March 25, 2005.

VOTING RIGHTS AND SOLICITATION

Shares represented by properly executed proxies received on behalf of Century will be voted at the meeting in the manner specified therein. If no instructions are specified in a proxy returned to Century, the shares represented thereby will be voted in favor of the election of the directors listed in the enclosed proxy, and in favor of the change of the Company's name from Century Business Services, Inc. to CBIZ, Inc. Any proxy may be revoked by the person giving it at any time prior to being voted by attendance at the meeting or submitting a subsequently signed and dated proxy.

Mr. Rick L. Burdick and Mr. Harve A. Ferrill are designated as proxy holders in the proxy card. They will vote for the election as directors of Messrs. Joseph S. DiMartino, Richard C. Rochon, and Donald V. Weir, who have been nominated by the Board of Directors; and for the change of the corporate name from Century Business Services, Inc. to CBIZ, Inc. If any other matters are properly presented at the Annual Meeting for consideration, the proxy holders will have discretion to vote on such matters in accordance with their best judgment. The Board of Directors knows of no other matters to be presented at the meeting.

The Board of Directors established March 25, 2005 as the record date for determining stockholders entitled to notice of and to vote at the Annual

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

Meeting. On the record date, Century had 75,924,991 shares of voting common stock issued and outstanding. The common stock is the only class of capital stock Century has outstanding. Only stockholders of record at the close of business on the record date will be entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote on each matter presented. The holders of a majority of the total shares issued and outstanding, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present for the transaction of business. Abstentions are counted in tabulations, but not as an affirmative vote, of the votes cast on proposals presented to stockholders. Broker non-votes, on the other hand, are not counted for purposes of determining whether a proposal has been approved. The affirmative vote of the holders of a majority of the votes cast at the meeting is necessary for the election of directors and for approval of the certificate of amendment of the Company's amended and restated certificate of incorporation changing the Company's name to CBIZ, Inc.

ELECTION OF DIRECTORS
PROPOSAL NO. 1 (ITEM 1 ON PROXY CARD)

All other directors will continue as such for the term to which they were elected. Although the Board of Directors does not contemplate that any of the nominees will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed proxy will vote for the election of another person as may be nominated by the Board of Directors.

NAME CHANGE AND AMENDMENT TO CERTIFICATE OF INCORPORATION PROPOSAL NO. 2 (ITEM 2 ON PROXY CARD)

On May 12, 2005 our board of directors will adopt, subject to stockholder approval at the Annual Meeting, a resolution approving an amendment to our Amended and Restated Certificate of Incorporation to change the name of the Company from "Century Business Services, Inc." to "CBIZ, Inc." The name change will become effective when the Certificate of Amendment to our Amended and Restated Certificate of Incorporation is filed with the Secretary of State of the State of Delaware. If our stockholders approve the name change, we will file the Certificate of Amendment promptly after the Annual Meeting. A copy of the Certificate of Amendment is attached to this proxy statement as Appendix A.

We believe the change of the Company's name to CBIZ, Inc. is consistent

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

with our comprehensive, integrated branding and advertising campaign to enhance the Company's unified image as the premier source of a wide range of business services for corporate America and will enable the Company to foster greater name recognition in the marketplace. We believe the name change will also enable the Company to take better advantage of its federal trademark, "CBIZ", in marketing of the services provided by the Company's operating units.

Stockholders will not be required to submit their stock certificates for exchange following the name change. Stock certificates bearing the "Century Business Services, Inc." or "International Alliance Services, Inc." names will continue to be valid certificates and will evidence ownership of the same number of shares of our common stock after the name change. Following the effective date of the Amendment, all new stock certificates issued by the Company will be printed using the new name, CBIZ, Inc.

The affirmative vote of a majority of our issued and outstanding common stock is required to approve the change of the Company's name to "CBIZ, Inc." Abstentions and broker non-votes will be counted as present for purposes of determining if a quorum is present but will have the same effect as a negative vote on the proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors recommends a vote FOR the name change and further amendment of our Amended and Restated Certificate of Incorporation.

DIRECTORS' MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors conducted four regular meetings and one telephonic meeting during 2004. In addition, there were two unanimous written consents in lieu of a meeting of the Board of Directors, dated March 10, and April 12, 2004. Each director attended in person at least 75% of the aggregate of all meetings of the Board and Committees of the Board, in accordance with the Company's expectations. The Company does not have a formal policy regarding directors' attendance at annual stockholders meetings. Nevertheless, the Company strongly encourages and prefers that directors attend regular and special board meetings as well as the annual meeting of stockholders in person, although attendance by teleconference is considered adequate. The Company recognizes that attendance of the Board members at all meetings may not be possible, and excuses absences for good cause.

Communication with the Board of Directors. Security holders are permitted to communicate with the members of the Board by forwarding written communications to the CBIZ Corporate Secretary at the company's headquarters in Cleveland. The Corporate Secretary will present all communications, as received and without screening, to the Board at its next regularly scheduled meeting.

Committees of the Board of Directors. The Board of Directors has an Audit Committee, a Compensation Committee, a Nominating and Governance Committee, and

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

an Executive Management Committee, all of which were active during 2004. The Board of Directors has determined that all members of the Audit Committee, Compensation Committee and Nominating and Governance Committee meet the definition of "independence" set forth in Rule 4200(a)(15) of the NASDAQ Stock Market listing standards. The following is a description of the committees of the Board of Directors:

The members of the Audit Committee are Messrs. Ferrill (Chairman), Rochon, and Weir. Century's Board of Directors has determined that the Audit Committee members meet the independence standards set forth in Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended. In addition, the Board has determined that Mr. Rochon and Mr. Weir are "audit committee financial experts," as that term is defined by the rules and regulations of the Securities and Exchange Commission (the "SEC"), and meet the financial sophistication requirements of the NASDAQ Stock Market. The Audit Committee conducted four regular meetings and nine special telephonic meetings during 2004. In addition, the Audit Committee acted through one Action in Writing in Lieu of a Meeting of the Audit Committee. The Audit Committee appoints the Company's independent registered public accounting firm ("independent accountants" or "independent auditor") and reviews issues raised by the independent accountants as to the scope of their audit and their audit report, including questions and recommendations that arise relating to Century's internal accounting and auditing control procedures. The Audit Committee operates under a written Charter adopted by the Board of Directors, a copy of which is available on the Investor Relations page of the Company's website, www.cbiz.com, or by writing to us at Attention: Investor Relations Department, 6050 Oak Tree Boulevard South, Suite 500, Cleveland, Ohio 44131.

The members of the Compensation Committee are Messrs. DiMartino (Chairman), Rochon and Slotkin. The Compensation Committee conducted three regular meetings and one special telephonic meeting during 2004. The Compensation Committee reviews and makes recommendations to the Board of Directors with respect to compensation of Century's executive officers, including salary, bonus and benefits. The Compensation Committee also administers Century's incentive-compensation plans and equity-based plans. The Charter of the Compensation Committee is available on the Investor Relations page of the Company's website, www.cbiz.com, or by writing to us at Attention: Investor Relations Department, 6050 Oak Tree Boulevard South, Suite 500, Cleveland, Ohio 44131.

The Nominating and Governance Committee was created by the Board on February 12, 2003, and its duties were established in its Charter adopted at that time. The members of the Nominating and Governance Committee are Messrs. Burdick (Chairman), DiMartino, Ferrill, Rochon, Slotkin and Weir. No candidates were recommended by beneficial owners of more than 5% of the company's voting common stock within the last year. The Committee conducted one regular meeting in 2004. The Committee was formed to propose and recommend candidates for the Board, review Board committee responsibilities and composition, review the effectiveness of the Board and of Company management, and to monitor the Company's corporate governance policies and practices. The Committee's Charter is available on the Investor Relations page of the Company's website, www.cbiz.com, or by writing to us at Attention: Investor Relations Department, 6050 Oak Tree Boulevard South, Suite 500, Cleveland, Ohio 44131.

The Committee's process for identifying and evaluating candidates to be nominated as directors consists of reviewing with the Board the desired experience, mix of skills and other qualities to assure appropriate Board composition; conducting candidate searches and inquiries; recommending to the Board, with the input of the Chief Executive Officer, qualified candidates for the Board who bring the background, knowledge, experience, skill sets and expertise that would strengthen the Board; and selecting appropriate candidates for nomination. The Nominating and Governance Committee and the Board have

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

determined that a director should have the following characteristics: (1) the ability to comprehend the strategic goals of the Company and to help guide the Company towards the accomplishment of those goals; (2) a history of conducting his/her personal and professional affairs with the utmost integrity and observing the highest standards of values, character and ethics; (3) the availability for in-person or telephonic participation in Board or Committee meetings, as well as the Annual Meeting of stockholders; (4) the willingness to demand that the Company's officers and employees insist upon honest and ethical conduct throughout the Company; (5) knowledge of, and experience with regard to at least some of: loans and securities, including any lending and financing activities related thereto, public company regulations imposed

9

by the Securities and Exchange Commission and the NASDAQ Stock Market, amongst others, portfolio and risk management, the major geographic locations within which the Company operates, sound business practices, accounting and financial reporting, and one or more of the principal lines of business in which the Company is engaged; and, (6) the ability to satisfy criteria for independence established by the Securities and Exchange Commission and the NASDAQ Stock Market, as they may be amended from time to time.

The Nominating and Governance Committee will consider any candidate recommended by a stockholder, provided that the stockholder mails a recommendation to the Corporate Secretary at the Company's Headquarters, prior to the deadline for Stockholder Proposals, that contains the following: (1) the recommending stockholder's name and contact information; (2) the candidate's name and contact information; (3) a brief description of the candidate's background and qualifications; (4) the reasons why the recommending stockholder believes the candidate would be well suited for the Board; (5) a statement by the candidate that the candidate is willing and able to serve on the Board; (6) a statement by the recommending stockholder that the candidate meets the criteria established by the Board; and, (7) a brief description of the recommending stockholder's ownership of common stock of the Company and the term during which such shares have been held. In making its discretionary determination whether to nominate a candidate who had been recommended by a stockholder, the Nominating and Governance Committee will consider, among other things, (a) the appropriateness of adding another director to the Board, or of replacing a currently sitting director, (b) the candidate's background and qualifications, and other facts and circumstances identified in the Committee's Charter.

The members of the Executive Management Committee are Messrs. Burdick, Gerard, and Grisko. The Executive Management Committee is empowered with the same authority as the full Board of Directors to take any action including the authorization of any transaction in the amount of \$10 million or less. With respect to acquisitions or divestitures, the Committee has the power to execute and deliver documents in the name and on behalf of the Company, to issue shares of Common Stock of the Company and to take all actions necessary for the purpose of effecting acquisitions or divestments, so long as all members of the Committee approve the transaction and the total consideration to be paid to or by the Company in connection with the acquisition or divestiture does not exceed \$10 million. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee during 2004 and continuing through 2005 are Messrs. DiMartino (Chairman), Rochon and Slotkin. None of Messrs. DiMartino, Rochon or Slotkin is or has been an officer or employee of Century. There are no compensation committee interlock relationships with respect to Century.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Committee was established to: (a) review and approve the Company's stated compensation philosophy, strategy and structure and assist the Board in ensuring that a proper system of long-term and short-term compensation is in place to provide performance-oriented incentives to management, and that compensation plans are appropriate and competitive and properly reflect the objectives and performance of management and the Company; (b) discharge the Board's responsibilities relating to compensation of the executive officers of the Company and its subsidiaries; (c) evaluate the Company's Chief Executive Officer and set his or her remuneration package; (d) evaluate the other executive officers of the Company and its senior management and set their remuneration packages; (e) prepare an annual report on executive compensation for inclusion in the Company's annual proxy statement; (f) make recommendations to the Board with respect to incentive-compensation plans and equity-based plans; and (g) perform such other functions as the Board may from time to time assign to the Committee. In order to document these purposes, and to keep CBIZ stockholders apprised of the Committee's goals and duties, the Compensation Committee has authorized the Company to post the Compensation Committee Charter on the investor relations portion of the Company's internet website, at www.cbiz.com.

In the past year the Committee continued its ongoing efforts to assess the compensation structure of the Company. The Committee again commissioned a compensation study, similar in scope to that completed in 2003, for the purpose of identifying compensation adjustments for the Company's officers and senior management that would further the Committee's goals to maximize stockholder value and to retain and recruit qualified management and staff. The Committee implemented additional changes in executive officer and senior management

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

compensation that were compatible with the findings of the study and consistent with the Committee's goals.

Compensation Policy Statement

The general CBIZ policy is to pay compensation that is competitive to total compensation provided at comparable financial service and professional service firms similar in size and complexity to CBIZ. Compensation paid to individual officers and senior management will be determined based on the discretionary judgment of the Compensation Committee with input from senior Company management. This means:

- Salaries will be targeted at the median based on an individual's performance, experience and unique value. Those executives and managers whose performance is exceptional, or who have long experience, considerable knowledge, or have a focused skill that would be difficult to replace may be targeted above the median. Those who demonstrate the ability to meet their job requirements, and have been in their position at least three years, may be paid approximately the median. Those who have been in their position less than three years may generally be paid below the median, absent exceptional performance or relevant career experience outside CBIZ. According to these general principles, pay may range between 80% and 120% of the median. The companies used to determine current market practices may include other financial and professional service companies of comparable size and complexity. Median ranges may be estimated by discretionary means, including adjustment to reflect CBIZ' relative revenue size. Annual increases may be kept at or below national averages and, over time, efforts will be made to limit the fixed portion of total cash compensation and increase the amount available under incentive plans.
- The Company will strive to provide annual incentive award opportunities that equal market median when financial and individual goals are achieved. Award programs will be designed to provide compensation above the median of the marketplace when company and individual performance is significantly above goals, and below the median when performance fails to meet goals. For 2004 performance, the Committee

11

granted Qualified Performance-Based Awards to a pre-defined group of senior executives--including the Chief Executive Officer--pursuant to Section 7 of the Amended and Restated Century Business Services, Inc. 2002 Stock Incentive Plan. The performance goals were based on benchmark goals tied to the Company's earnings per share from continuing operations ("EPS"). The compensation award amounts for 2004 were based on EPS targets as well. In 2005, the Committee has adjusted the EPS targets and award levels for certain senior management in charge of revenue-generating lines of business. As in 2004, however, if EPS from continuing operations equals a predetermined target level, each awardee will receive an amount equal to his or her target award. The award will be less than the target award if EPS is below the target level, and will be greater if EPS is above the target. No award will be paid if the EPS is less than a predetermined floor level of earnings per share. A maximum award will be achieved if the EPS reaches or exceeds a ceiling goal.

- Stock options and restricted stock grants may be granted by the Committee to provide a reward opportunity for those management and other key employees who have performed well in the prior year, and who can impact the profit and loss goals of the Company. In 2004, the Committee implemented a restricted stock program which the Company is permitted to

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

maintain under the Amended and Restated Century Business Services, Inc. 2002 Stock Incentive Plan. The long-term objective of CBIZ's stock-based compensation methodology is to provide stock option and restricted stock grants that offer similar opportunities for compensation that those offered at comparable financial and professional service firms that are similar in size to CBIZ.

- Total compensation will reflect an individual's performance and potential. Performance will be measured in accordance with an individual's goals and objectives as well as their contribution to CBIZ's corporate goals and initiatives. Such factors as team work, new product innovation, aggressiveness, mentoring and personal development will strongly influence the non-quantitative portion of compensation awards.

Chief Executive Officer Compensation

The Compensation of the Chief Executive Officer is largely determined by the pre-negotiated terms of his contract described in the "Executive Compensation" section stated below. This contract was renewed at continuing levels of both base and bonus compensation. Both restricted stock and options were awarded as a result of Mr. Gerard's successes in exceeding the significant list of goals established by the Committee and the Board. In 2004, a universal life policy was acquired to replace the prior term life policy.

Executive Compensation Deductibility

Century intends that amounts paid pursuant to Century's compensation plans generally will be deductible compensation expenses. The Compensation Committee does not currently anticipate that the amount of compensation paid to executive officers will exceed the amounts specified as deductible pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended.

REPORT OF THE AUDIT COMMITTEE

The Board of Directors maintains an Audit Committee comprised of three of the Company's independent directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the current rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200 (a)(14).

12

The Audit Committee closely monitors developments in corporate governance, including those arising from the adoption of the Sarbanes-Oxley Act and rules related to the Act. The Audit Committee's Charter and the Company's Code of Professional Conduct and Ethics Guide reflect those portions of the Act and attendant rules promulgated by the SEC and the NASDAQ Stock Market. The Audit Committee anticipates that additional changes to its Charter may be necessary from time to time if the SEC and the NASDAQ Stock Market adopt additional rules bearing on the duties and activities of the Committee. At the request of the Audit Committee, the Audit Committee Charter and Code of Professional Conduct and Ethics Guide have been posted on the Investor Relations portion of the

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

Company's website, at www.cbiz.com.

The membership of the Audit Committee has not changed since the 2004 Audit Committee Report. Mr. Ferrill continues as the Committee's Chairman, and both Mr. Rochon and Mr. Weir continue as "audit committee financial experts," as defined by the rules and regulations of the SEC, in light of their training, experience and expertise.

The Audit Committee oversees the Company's financial process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited consolidated financial statements with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Audit Committee received, reviewed, and adopted management's report assessing the Company's internal controls over financial reporting. The Committee was very active throughout the year in monitoring management's efforts to document and assess the Company's internal controls. It held repeated meetings dedicated solely to monitoring the Company's progress and the independent accountant's responses in this regard.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles, the effectiveness of internal controls over financial reporting, and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures and the letter received from the independent auditors required by the Independence Standards Board Standard No. 1.

The Audit Committee discussed with the both the Company's internal auditor and independent auditors the overall scope, plans and results of their audit activities. The Audit Committee meet regularly throughout 2004 with the independent auditors, and the Head of the Company's Internal Audit staff, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

The Audit Committee held thirteen meetings during fiscal 2004. The Company incurred the following fees for services performed by KPMG LLP in fiscal 2004:

Audit Fees

Fees for the fiscal year 2004 audit and the review of Forms 10-Q billed through December 31, 2004 were \$1,178,420. Fees for the fiscal year 2003 audit and the review of Forms 10-Q billed through December 31, 2003 were \$582,500. Fees for the fiscal year 2002 audit and the review of Forms 10-Q billed through December 31, 2002 were \$562,500.

Audit-Related Fees

Audit-related fees of \$17,000 were billed for the year ended December 31, 2004. Audit related fees consisted of an audit of the financial statements of the employee benefit plan. Audit-related fees of \$16,000 were billed for the year ended December 31, 2003. Audit related fees consisted of an audit of the

financial statements

13

of the employee benefit plan. Audit-related fees of \$83,500 were billed for the year ended December 31, 2002. Audit-related fees consisted primarily of an audit of the financial statements of the employee benefit plan and a SAS 70 internal control review engagement for a subsidiary.

Tax Fees

Tax fees billed for all other services rendered by KPMG LLP for the year ended December 31, 2004 were \$3,320, representing fees related to tax compliance. No other tax consulting services were incurred or billed during fiscal year 2004. Tax fees billed for all other services rendered by KPMG LLP for the year ended December 31, 2003 were \$2,169, representing fees related to tax compliance. No other tax consulting services were incurred or billed during fiscal year 2003. Tax fees billed for services rendered by the Company's auditor for the year ended December 31, 2002 were \$18,600, representing fees related to tax consultation and tax compliance.

All Other Fees

There were no fees billed for professional services by our independent auditors during fiscal year 2004 or 2003 that are not included in one of the above categories.

Pursuant to its Charter and the Sarbanes-Oxley Act of 2002, the Audit Committee is responsible for pre-approving all services performed by the Company's independent auditors, and certain services may not, under any circumstances, be performed for the Company by its independent auditors. KPMG, LLP, the Company's independent auditor, may not be engaged to perform for the Company, and is prohibited from performing for the Company, any prohibited service enumerated in the Sarbanes-Oxley Act of 2002, or in any other law or regulation. In addition, the independent auditor is not permitted to perform services for the Company, whether associated with audit or non-audit functions, unless the services to be provided have been approved prior to their performance by this Committee, except as may otherwise be provided by law or regulation.

However, certain non-prohibited services may be pre-approved by the Audit Committee Chairman personally in advance of full Audit Committee consideration and approval, provided, that each engagement total no more than Twenty Thousand Dollars in fees prior to the next regularly scheduled meeting of the Audit Committee, at which time the entire Audit Committee is required to consider and either approve or reject the engagement, provided the engagement otherwise does not appear reasonably likely to compromise KPMG LLP's independence.

The Audit Committee pre-approved all of the services described above under Audit Fees, Audit-Related Fees and Tax Fees. 100% of the services described above under Audit Fees, Audit-Related Fees and Tax Fees were approved by the Audit Committee pursuant to 17 CFR 210.2-01(c)(7)(i)(C).

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Audit Committee has appointed KPMG LLP as independent auditors of the Company for the year ending December 31, 2005.

Employment Agreements

Century is a party to employment agreements with Messrs. Gerard, Grisko and Grove. The employment agreements provide for annual base salaries of at least \$500,000, \$300,000 and \$240,000, respectively, subject to the adjustment by the Compensation Committee of the Board of Directors.

Mr. Gerard's contract, executed October 11, 2000, was for an initial term of three years, with automatic annual one-year extensions beginning on the year 2003 anniversary of the execution of the agreement in the absence of termination. Mr. Gerard's base salary may be increased by the Board, and for each of years 2001, 2002 and 2003, the agreement provided for a bonus of at least \$150,000, with bonus increases based upon

15

achievement of performance goals established by the Compensation Committee. Pursuant to the contract, Century granted Mr. Gerard a nonqualified stock option to acquire 1,000,000 shares of common stock at the fair market value of the stock at the date of granting. Those options vest in increments of 33 1/3% on each of the first, second and third anniversaries of the date of the grant; to date they are all vested. Other compensation includes an automobile allowance, participation in Century welfare, pension and incentive benefit plans, maintenance of a term life insurance policy, and reimbursement for travel and housing expenses. If the agreement is terminated by Century without cause or by Mr. Gerard for reasons such as a change of control of Century, Mr. Gerard is entitled to (1) his base salary and vacation pay through the date of termination, (2) a cash payment equal to two times the sum of his then current base salary and average bonus paid in the three year period preceding the year of termination, (3) maintenance of health and life insurance coverage, and (4) other amounts due through the date of termination. If the agreement is terminated by Century with cause or by Mr. Gerard without good reason, as defined by the contract, Mr. Gerard is entitled to (1) his base salary and vacation pay through the date of termination, and (2) other amounts due through the date of termination. The contract contains restrictive covenants that obligate Mr. Gerard to (1) maintain Century's confidential information, (2) return company information or other personal and intellectual property, and (3) avoid disparagement of the company. In 2004, the Compensation Committee of the Board replaced Mr. Gerard's term life policy with a universal life policy.

Mr. Grisko's contract, executed February 1, 2000, provides for a one-time bonus of \$50,000, and an immediately vested, nonqualified stock option to acquire at least 75,000 shares of common stock at the fair market value of the stock at the date of granting. Other compensation includes all benefits generally available to senior level executives of Century, such as an automobile allowance, and participation in Century welfare, pension and incentive benefit plans. In addition, the contract provides for the payment of severance upon termination without cause (including termination resulting from a change of control), or upon a request by the Chairman of the Board that Mr. Grisko resign. Severance would include (1) a cash payment of two times Mr. Grisko's base salary at the time of termination, (2) continued participation for two years in Century

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

health and welfare benefit plans, (3) immediate vesting of, and ability to exercise, any unvested but previously granted stock options, and (4) receipt of title to any company vehicle then in use by Mr. Grisko. The contract contains restrictive covenants that obligate Mr. Grisko to (1) maintain Century's confidential information, (2) return company information or other personal and intellectual property, (3) abide by a two-year employee, customer, and supplier nonsolicitation and noninterference term, and (4) avoid disparagement of the company.

Mr. Grove's contract, executed December 12, 2000, provides for discretionary bonuses, and a nonqualified stock option to acquire 75,000 shares of common stock at the fair market value of the stock at the date of granting. 38,000 of the shares underlying the 75,000 share option vested immediately upon grant. The remaining options vested upon the first anniversary of the date of the grant. Other compensation includes all benefits generally available to senior level executives of Century, such as an automobile allowance, and participation in Century welfare, pension and incentive benefit plans. In addition, the contract provides for the payment of severance upon termination without cause, or upon voluntary termination due to a change of control. Severance would include (1) continued payment for a period of one year of Mr. Grove's base salary at the time of termination, and (2) continued participation for one year in Century health and welfare benefit plans. The contract contains restrictive covenants that obligate Mr. Grove to (1) maintain Century's confidential information, (2) return company information or other personal and intellectual property, (3) abide by a one-year non-compete, and one-year employee, customer, and supplier nonsolicitation and noninterference term, and (4) avoid disparagement of the company.

OPTIONS GRANTED DURING 2004

The following table sets forth as to each of the named executive officers information with respect to option grants during 2004: (1) the number of shares of common stock underlying options granted, (2) the percentage that such options represent of all options granted to officers and employees during the year, (3) the exercise price, (4) the expiration date and (5) the potential realizable value of such options. It should be noted that the actual value of the options may be significantly different from the value shown in the assumptions, and the value

16

actually realized, if any, will depend upon the excess of the market value of the common stock over the option exercise price at the time of exercise. Century granted no warrants to its executive officers during 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following is a summary of certain agreements and transactions between or among CBIZ and certain related parties. It is CBIZ' policy to enter into transactions with related parties on terms that, on the whole, are no less favorable than those that would be available from unaffiliated parties. Based on CBIZ' experience and the terms of its transactions with unaffiliated parties, it is the Board of Directors' belief that the transactions described below met these standards at the time of the transactions.

A number of the businesses acquired since October 1996 are located in properties owned indirectly by and leased from persons employed by CBIZ. In the aggregate, CBIZ paid approximately \$1.3 million, \$1.4 million, and \$0.8 million for the years ended 2004, 2003 and 2002, respectively, under such leases which management believes were at market rates.

Rick L. Burdick, a director of CBIZ, is a partner of Akin Gump Strauss Hauer & Feld LLP (Akin Gump). Akin Gump performed legal work for CBIZ during 2004, 2003 and 2002 for which the firm received approximately \$0.2 million, \$0.2

Edgar Filing: CENTURY BUSINESS SERVICES INC - Form DEF 14A

million, and \$0.1 million from CBIZ, respectively.

Robert A. O'Byrne, a Senior Vice President, has an interest in a partnership that receives commissions from CBIZ that are paid to certain eligible benefits and insurance producers in accordance with a formal program to provide benefits in the event of death, disability, retirement or other termination. The program was in existence at the time CBIZ acquired the former company, of which Mr. O'Byrne was an owner.

CBIZ maintains joint-referral relationships and administrative service agreements with independent licensed CPA firms under which CBIZ provides administrative services in exchange for a fee. These firms are owned by licensed CPAs who are employed by CBIZ' subsidiaries, and provide audit and attest services to clients including CBIZ' clients. The CPA firms with which CBIZ maintains service agreements operate as limited liability corporations, limited liability partnerships or professional corporations. The firms are separate legal entities with separate governing bodies and officers. CBIZ has no ownership interest in any of these CPA firms, and neither the existence of the administrative service agreements nor the providing of services thereunder is intended to constitute control of the CPA firms by CBIZ. CBIZ and the CPA firms maintain their own respective liability and risk of loss in connection with performance of each of its respective services, and CBIZ does not believe that its arrangements with these CPA firms result in additional risk of loss.

Although the service agreements do not constitute control, CBIZ is one of the beneficiaries of the agreements and may bear certain economic risks. As such, the CPA firms with which CBIZ maintains administrative service agreements may qualify as variable interest entities under FASB Interpretation No. 46 (FIN 46), "Consolidation of Variable Interest Entities". The impact to CBIZ of this accounting pronouncement is discussed in the notes to CBIZ' consolidated financial statements included in the CBIZ Form 10-K filed for the year ended December 31, 2004.

CBIZ also acted as guarantor on three letters of credit for a CPA firm with which it has an affiliation. The letters of credit total \$1.3 million and \$0.7 million as of December 31, 2004, and December 31, 2003, respectively. In accordance with FASB Interpretation No. 45 ("FIN 45"), "Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others" and its amendments ("FIN 45-1" and "FIN 45-2"), CBIZ has recognized a liability for the fair value of the obligations undertaken in issuing these guarantees, which is recorded as other current liabilities in the accompanying consolidated financial statements. CBIZ management does not expect any material changes to result from these instruments as performance is not expected to be required.

In 2002, CBIZ executed a note receivable with a CPA firm whose partner group has since joined MHM, PC, a CPA firm with which CBIZ maintains an administrative services agreement. The balance on the note at December 31, 2004 and 2003 was approximately \$0.2 million and \$0.2 million, respectively.

CBIZ divested several operations during 2004, 2003, and 2002, in an effort to rationalize the business and sharpen the focus on non-strategic businesses. In accordance with this strategy, CBIZ has sold and may sell in the future businesses to former employees or stockholders. Management believes these transactions were priced at market rates, competitively bid, and entered into at arm's length terms and conditions.
