**PROXY STATEMENT**

**Annual Meeting of Shareholders, April 26, 2007**

This proxy statement is furnished to shareholders of Diebold, Incorporated in connection with the solicitation by the Board of Directors of proxies that will be used at the 2007 Annual Meeting of Shareholders to be held on April 26, 2007, at 10:00 a.m. EST, or any adjournments thereof, for the purpose of considering and acting upon the matters referred to in the preceding Notice of Annual Meeting and more fully discussed below.

**Record Date and Share Ownership**

On March 12, 2007, the record date for the meeting, the outstanding voting securities of the Corporation consisted of **xx,xxx,xxx** Common Shares, \$1.25 par value per share, all of one class. Each shareholder of record as of the close of business on March 12, 2007 will be entitled to one vote for each Common Share held on that date.

**Submitting and Revoking Your Proxy**

This proxy statement and accompanying form of proxy were first mailed to shareholders on or about March 16, 2007. If you complete and submit your proxy, the persons named as proxies on your proxy card, which we refer to as the Proxy Committee, will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the Proxy Committee will vote the shares represented by your proxy as follows:

**FOR** the election of the director-nominees set forth in Proposal No. 1: Election of Directors.

**FOR** ratification of the appointment of the independent auditors set forth in Proposal No. 2: Ratification of Appointment of Independent Auditors.

**FOR** approval of amendments to the Amended Code of Regulations of Diebold, Incorporated as set forth in Proposal No. 3: Approval of Amendments to the Amended Code of Regulations.

In addition, if other matters are properly presented for voting at the Annual Meeting, the Proxy Committee will vote on such matters in accordance with their best judgment. We have not received notice of other matters that may properly be presented for voting at the Annual Meeting.

Shareholders may revoke the authority granted by their proxies at any time before the exercise of the powers conferred thereby by: notice in writing delivered to the Secretary of the Corporation; submitting a subsequently dated proxy; or attending the Annual Meeting, withdrawing the proxy and voting in person.

**Cumulative Voting**

If a shareholder gives written notice to the President, any Vice President or Secretary at least forty-eight hours prior to the time fixed for holding the Annual Meeting that the shareholder desires that the voting for the election of directors shall be cumulative, and if an announcement of the giving of such notice is made upon convening of the Annual Meeting by the Chairman or Secretary or by or on behalf of the shareholder giving such notice, each shareholder will

have cumulative voting rights. In cumulative voting, each shareholder may cast a number of votes equal to the number of shares owned multiplied by the number of directors to be elected, and the votes may be cast for one nominee only or distributed among the nominees. In the event that voting at the Annual Meeting is to be cumulative, unless contrary instructions are received on the enclosed proxy, it is presently intended that all votes represented by properly executed proxies will be divided evenly among the candidates nominated by the Board. However, if voting in such manner would not be effective to elect all such nominees, such votes will be cumulated at the discretion of the Proxy Committee so as to maximize the number of such nominees elected.

**Votes Required to Adopt Proposals**

The results of shareholder voting at the Annual Meeting will be tabulated by the inspectors of elections appointed for the Annual Meeting. The Corporation intends to treat properly executed proxies that are marked abstain as present for purposes of determining whether a

**Table of Contents**

quorum has been achieved at the Annual Meeting, but will not count any broker non-votes for such purpose. The director-nominees receiving the greatest number of votes will be elected. Votes withheld with respect to the election of directors will not be counted in determining the outcome of that vote. The proposals to amend the Amended Code of Regulation require, for approval, the affirmative vote of at least a majority of the Common Shares outstanding. Accordingly, any abstentions and broker non-votes will have the effect of a vote against the proposals to amend the Amended Code of Regulations. All other matters to be considered at the Annual Meeting require, for approval, the affirmative vote of a majority of Common Shares voted at the meeting in person or by proxy. Abstentions with respect to the proposal to ratify the appointment of the independent auditors will not be counted for determining the outcome of that proposal. The Corporation does not anticipate receiving any broker non-votes at the Annual Meeting in light of the nature of the matters to be acted upon thereat; however, any broker non-votes received in respect of the ratification of the appointment of the independent auditors will not affect the voting on such proposals.

**DIRECTOR INDEPENDENCE**

The Board has determined that each of Louis V. Bockius III, Phillip R. Cox, Richard L. Crandall, Gale S. Fitzgerald, Phillip B. Lassiter, John N. Lauer, William F. Massy, Eric J. Roorda, Henry D. G. Wallace and Alan J. Weber, which includes each of the current members of the Audit Committee, the Board Governance Committee and the Compensation Committee, has no material relationship with the Corporation (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Corporation) and is independent within the Corporation's director independence standards, which reflect the New York Stock Exchange director independence standards as currently in effect and as they may be changed from time to time. Accordingly, under the Corporation's director independence standards a director will be determined not to be independent under the following circumstances:

The director is, or has been within the last three years, an employee of the Corporation, or an immediate family member is, or has been within the last three years, an executive officer, of the Corporation;

The director has received, or has an immediate family member who has received, during any 12-month period within the last three years, more than \$100,000 in direct compensation from the Corporation, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

(a) The director or an immediate family member is a current partner of a firm that is the Corporation's internal or external auditor; (b) the director is a current employee of such a firm; (c) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (d) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Corporation's audit within that time;

The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Corporation's present executive officers at the same time serves or served on that company's compensation committee;

The director or an immediate family member is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Corporation for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1,000,000, or two percent of such other company's consolidated gross revenues;

Edgar Filing: DIEBOLD INC - Form PRE 14A

The director has not engaged in a transaction with the Corporation for which the Corporation has been or will be required to make a disclosure under Item 404(a) of Regulation S-K promulgated by the SEC; or

The director has no other material relationship with the Corporation, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Corporation.

Thomas W. Swidarski does not meet the aforementioned independence standards because he is the President and Chief Executive Officer, and is an employee of, the Corporation. The Corporation's director independence standards are available on the Corporation's web site at <http://www.diebold.com> or by written request to the Corporate Secretary.

The Board has approved a process for handling communications received by the Corporation and addressed to non-management members of the Board. Under that process, the Corporate Secretary will review all such communications and determine whether such communications require immediate attention. The Corporate Secretary will forward such communications, or a summary of such communications, to the appropriate director or directors. A majority of the independent directors of the Board approved the above-described process for determining which communications are forwarded to various members of the Board.

**BUSINESS ETHICS POLICY**

All of the directors, executive officers and employees of the Corporation are required to comply with certain policies and protocols concerning business ethics and conduct, which we refer to as our Business Ethics Policy. The Business Ethics Policy applies not only to the Corporation, but also to all of those domestic and international companies in which the Corporation owns or controls a majority interest. The Business Ethics Policy describes certain responsibilities that the directors, executive officers and employees have to the Corporation, to each other and to the Corporation's global partners and communities including, but not limited to, compliance with laws, conflicts of interest, intellectual property and the protection of confidential information. The Business Ethics Policy is available on the Corporation's web site at <http://www.diebold.com> or by written request to the Corporate Secretary.

## **2006 COMPENSATION OF NON-EMPLOYEE DIRECTORS [TO BE PROVIDED.] CONSIDERATION OF DIRECTOR NOMINEES**

### **Shareholder Nominees**

The policy of the Board Governance Committee is to consider properly submitted shareholder nominations for candidates for membership on the Board as described below under "Identifying and Evaluating Nominees for Directors." In evaluating such nominations, the Board Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth below under "Director Qualifications." Any shareholder nominations proposed for consideration by the Board Governance

Committee should include (1) complete information as to the identity and qualifications of the proposed nominee, including name, address, present and prior business and/or professional affiliations, education and experience, and particular fields of expertise, (2) an indication of the nominee's consent to serve as a director of the Corporation if elected, and (3) the reasons why, in the opinion of the recommending shareholder, the proposed nominee is qualified and suited to be a director of the Corporation, and should be addressed to Diebold, Incorporated, 5995 Mayfair Road, P.O. Box 3077, North Canton, Ohio 44720-8077, Attention: Corporate Secretary. See also Proposals of Shareholders on page [30] of this Proxy Statement.

### **Director Qualifications**

In evaluating director-nominees, the Board Governance Committee considers such factors as it deems

## **Table of Contents**

appropriate, consistent with the Corporation's Corporate Governance Guidelines and other criteria established by the Board. The Board Governance Committee's goal in selecting directors for nomination to the Board is generally to seek to create a well-balanced team that combines diverse experience, skill and intellect of seasoned directors in order to enable the Corporation to pursue its strategic objectives. The Board Governance Committee has not reduced the qualifications for service on the Corporation's Board to a checklist of specific standards or specific, minimum qualifications, skills or qualities. Rather, the Corporation seeks, consistent with the vacancies existing on the Corporation's Board at any particular time and the interplay of a particular candidate's experience with the experience of other directors, to select individuals whose business experience, knowledge, skills, diversity, integrity, and global experience would be considered a desirable addition to the Board and any committees thereof. In addition, the Board Governance Committee annually conducts a review of incumbent directors using the same criteria as outlined above, in order to determine whether a director should be nominated for re-election to the Board.

The Board Governance Committee makes determinations as to director selection based upon the facts and circumstances at the time of the receipt of the director candidate recommendation. Applicable considerations include (1) whether the Board Governance Committee is currently looking to fill a new position created by an expansion of the number of directors, or a vacancy that may exist on the Board, (2) whether the current composition of the Board is consistent with the criteria described in the Corporation's Corporate Governance Guidelines, (3) whether the candidate submitted possesses the qualifications that are generally the basis for selection for candidates to the Board, and (4) whether the candidate would be considered independent under the rules of the NYSE and the Corporation's standards with respect to director independence. Final approval of any candidate will be determined by the full Board. A copy of the Corporation's Corporate Governance Guidelines is available on the Corporation's web site at <http://www.diebold.com> or by written request to the Corporate Secretary.

## **Identifying and Evaluating Nominees for Directors**

The Board Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Board Governance Committee regularly reviews the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Board Governance Committee through current Board members, professional search firms, shareholders or other persons. As described above, the Board Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the recommending shareholder's status, recommendations are considered by the Board Governance Committee at a regularly scheduled meeting.

## **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

The members of the Compensation Committee during the year ended December 31, 2006 were Phillip B. Lassiter, Chair, Phillip R. Cox, Gale S. Fitzgerald and John N. Lauer. In addition, prior to his decision not to stand for re-election at the Corporation's 2006 Annual Meeting, Christopher M. Connor was also a member of the Compensation Committee. No officer or employee of the Corporation served on the Compensation Committee during such period.

## **PROPOSAL NO. 1: ELECTION OF DIRECTORS**

The Board recommends that its ten nominees for director be elected at the Annual Meeting, each to hold office for a term of one year from the date of the Annual Meeting and until the election and qualification of a successor. In the absence of contrary instruction, the Proxy Committee will vote the proxies for the election of the ten nominees. All director-nominees are presently members of the Board. A substantial majority of the director-nominees are independent as required by the corporate governance standards of the NYSE. In addition, it is expected that all director-nominees attend the Annual Meeting unless there are extenuating circumstances for nonattendance. All ten

directors standing for re-election attended the 2006 Annual Meeting.

If for any reason any director-nominees are not available for election when the election occurs, the designated proxies, at their option, may vote for substitute nominees recommended by the Board. Alternatively, the Board may reduce the number of director-nominees. The Board has no reason to believe that any director-nominee will be unavailable for election when the election occurs.

The Audit Committee has reviewed and discussed with the Corporation's management and KPMG LLP, the Corporation's independent auditors, the audited financial statements of the Corporation contained in the Corporation's Annual Report to Shareholders for the year ended December 31, 2006. The Audit Committee has also discussed with the Corporation's independent auditors the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, *Communication with Audit Committees*), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (titled, *Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and has discussed with KPMG LLP its independence. The Audit Committee has also considered whether the provision of information technology services and other non-audit services to the Corporation by KPMG LLP is compatible with maintaining its independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 filed with the SEC.

The foregoing report was submitted by the Audit Committee of the Board and shall not be deemed to be soliciting material or to be filed with the Commission or subject to Regulation 14A promulgated by the Commission or Section 18 of the Securities Exchange Act of 1934.

**PROPOSAL NO. 2:  
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

KPMG LLP acted as the Corporation's independent auditors during the past fiscal year, and has so acted since 1965.

The Audit Committee has again appointed KPMG LLP to examine the accounts and other records of the Corporation for the fiscal year ending December 31, 2007. The Board will present at the Annual Meeting a proposal that such appointment be ratified. Should the shareholders fail to ratify the appointment, the Audit Committee will reconsider its selection.

KPMG LLP has no financial interest, direct or indirect, in the Corporation or any subsidiary.

A representative of KPMG LLP is expected to be present at the annual meeting to make a statement if he or she desires to do so and to respond to appropriate questions.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors**

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the Corporation's independent auditors. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and non-audit services provided by the independent auditors.

These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to Henry D. G. Wallace, Chair of the Audit Committee, when expedition of services is necessary, provided that Mr. Wallace must report any decisions to pre-approve to the full Audit Committee at its next scheduled meeting. None of the services rendered by the independent auditors under the categories Audit Related Fees, Tax Fees and All Other Fees described above were approved by the Audit Committee after services were rendered pursuant to the de minimis exception established by the Commission.

**THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF  
THE APPOINTMENT OF AUDITORS.**

**PROPOSAL NO. 3:  
APPROVAL OF AMENDMENTS TO THE AMENDED CODE OF REGULATIONS**

The Board of Directors unanimously recommends that the shareholders approve amendments to the Corporation's Amended Code of Regulations described below. The proposed amendments are separated below into four subproposals to allow shareholders to focus and vote on each significant change. Each subproposal will be voted on separately, and the adoption or rejection of one subproposal will not affect the adoption or rejection of another subproposal. The proposed amendments are incorporated in the Amended and Restated Code of Regulations, a copy of which is attached as Appendix A and marked to show the proposed changes. These changes include:

**(a) Modernization and Clarification of Existing Code**

*Allowing the Board to determine that the annual meeting and any special meetings of shareholders (including any adjournments thereof) may be held at any time and place designated by the Board, and may be held by means of communications equipment (for example, over the internet).* The existing Code contemplates that meetings of shareholders will occur at the principal office of the Corporation or at such other place as may be order by the Board, and shall generally be held on the first Monday in April.

*Providing that, in determining whether a quorum is present for a meeting of shareholders, shareholders may be present in person, by proxy or through the use of electronic communications equipment (for example, internet webcast, etc.).* The existing Code, in determining whether a quorum is present, does not provide for presence through the use of electronic communications equipment.

*Permitting shareholders to appoint a proxy using any form of modern verifiable communications (for example, electronic mail or telephonic transmission).* The existing Code requires that a proxy be written.

*Providing that the presiding officer (typically the Chairman) will determine the order of business.* The existing Code has a section prescribing the order of business.

*Allowing notice of special meetings of the Board to be given upon one twenty-four hours notice and given by personal notice, mail, telegram, telephone, telex, facsimile, electronic mail or similar medium of communication.* The existing Code does not allow for notice of

**Table of Contents**

a special meeting to be given by fax or e-mail and provides for lengthier notice requirements depending upon the medium of communication.

*Allowing participation in meetings of the Board or any committees thereof through the use of any communications equipment.* The existing Code does not address the participation in meetings of the Board through the use of communications equipment.

*Providing that compensation of the officers of the Corporation is to be fixed by the Compensation Committee.* The existing Code provides that compensation of the officers of the Corporation is to be fixed by the Executive Committee.

*Providing that the Board may from time to time create committees (other than only the Executive Committee).* The existing Code only provides for the appointment of an Executive Committee.

*Clarifying the requirement that a Director be a shareholder of the Corporation, allowing a Director to become a shareholder promptly following appointment or election.* The existing Code requires each Director to be a shareholder.

*Expanding the time to 60 days within which the Board may set a record date and within which notice of the annual meeting or any special meeting of shareholders must be given. The minimum notice period is also shortened to seven days.* The existing Code provided for a record date not more than 45 days before the applicable meeting date, and required notice of a special meeting of shareholders be given not more than 45 days nor less than 10 days before such meeting.

*Providing for the existence of a Chief Executive Officer and Chief Financial Officer.* The existing Code did not specifically provide for a Chief Executive Officer or Chief Financial Officer.

*Allowing for the Chairman of the Board or the Chief Executive Officer to call a special meeting of shareholders.* The existing Code only allowed a special meeting to be called by the President, a majority of the Board of Directors, the Executive Committee or when requested by the holders of a majority of the shares of the corporation.

*Making minor non-substantive changes to the existing Code.* These changes would correct typographical errors, eliminate masculine pronouns and conform certain words and phrases with the words and phrases used elsewhere in the amended Code.

**(b) A New NYSE Requirement Regarding Uncertificated Shares**

*Clarifying that the Corporation may issue uncertificated shares (beginning January 1, 2008, NYSE will require all listed companies to allow for uncertificated shares).* The existing Code does not specifically provide for uncertificated shares.

**(c) Indemnification of Officers and Directors**

*Providing for the advancement of expenses in connection with claims and suits brought against officers and Directors and requiring the indemnification of any such officers and Directors to the fullest extent allowed by law.* The existing Code does not provide for advancement of expenses or indemnification to the fullest extent allowed by law.

**(d) Notice of Shareholder Proposals**

*Setting forth the period in which a shareholder must provide notice to the Corporation in order to submit a proposal for consideration at a meeting or in order to nominate Directors for election to the Board. The existing Code contains no time limitations on a shareholder's ability to bring business before a meeting or to nominate Directors*

**(e) Permitting the Board to Amend the Code to the Extent Permitted by Law**

*Allowing the Board to amend the Code to the extent permitted by Ohio law. The existing Code provides for amendments only by the affirmative vote of two-thirds of the Common Shares. The proposed change would allow the Board to amend the Code if it does not impair shareholder rights.*

**THE BOARD RECOMMENDS A VOTE FOR THE APPROVAL OF  
AMENDMENTS TO THE AMENDED CODE OF REGULATIONS.**

**EXPENSES OF SOLICITATION**

The cost of soliciting the proxies will be paid by the Corporation. In addition to solicitation by mail, some of the Corporation's directors, officers and employees, without extra compensation, may conduct additional solicitations by telephone, facsimile and personal interviews. The Corporation will also enlist, at its own cost, the assistance of banks, bankers and brokerage houses in additional solicitations of proxies and proxy authorizations, particularly from those of their clients or customers whose shares are not registered in the clients' or customers'

**Table of Contents**

own names. Brokers, bankers, etc., will be reimbursed for out-of-pocket and reasonable clerical expenses incurred in obtaining instructions from beneficial owners of the Common Shares. It is estimated that the expense of such special solicitation will be nominal. In addition, Georgeson Shareholder Communications Inc., New York, New York, has been retained to assist in the solicitation of proxies for an estimated fee of \$7,000.

**PROPOSALS OF SHAREHOLDERS**

The Corporation must receive by November 17, 2007, any proposal of a shareholder intended to be presented at the 2007 Annual Meeting of Shareholders of the Corporation (the 2007 Meeting ) and to be included in the Corporation s proxy, notice of meeting and proxy statement related to the 2007 Meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 (the Exchange Act ). Such proposals should be submitted to the Secretary of the Corporation by certified mail, return receipt requested. Proposals of shareholders submitted outside the processes of Rule 14a-8 of the Exchange Act in connection with the 2007 Meeting ( non-Rule 14a-8 Proposals ) must be received by the Corporation by January 31, 2008 or such proposals will be considered untimely under Rule 14a-4(c) of the Exchange Act. The Corporation s proxy related to the 2007 Meeting will give discretionary authority to the Proxy Committee to vote with respect to all non-Rule 14a-8 Proposals received by the Corporation after January 31, 2008.

**OTHER MATTERS**

The Corporation is not aware of any matters to be presented at the Annual Meeting other than the matters set forth herein. Should any other matters be presented for a vote of the shareholders, the proxy in the enclosed form confers discretionary voting authority upon the Proxy Committee. In accordance with the provisions of the General Corporation Law of the State of Ohio, the Board has appointed inspectors of elections to act at the Annual Meeting.

### **Voting**

~~A shareholder may, by written proxy or power of attorney, authorize another person or persons to vote for him at any or all meetings of shareholders. Such proxy, if so expressed therein, may continue *in* force, unless sooner revoked by written notice given by the shareholder executing the same for such period as shall be specified in such proxy, but unless such period for the continuance of the same in force be so expressed, any such proxy shall be valid only at the meeting for which the same is given and all adjournments thereof. If such instrument of proxy shall designate two or more persons to act as proxies, a majority of such persons present at any meeting at which their powers thereunder are to be exercised, shall have and may exercise all the powers thereby conferred, or if only one be present, then such powers may be exercised by that one.~~

Except as otherwise expressly required by law, the Articles of Incorporation or this Amended and Restated Code of Regulations, at any meeting of shareholders at which a quorum is present, a majority of the votes cast, whether in person or by proxy, on any matter properly brought before such meeting in accordance with Article II Section 6 will be the act of the shareholders. An abstention shall not represent a vote cast. Every proxy must be in a form permitted by chapter 1701 of the Ohio Revised Code. A shareholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person or by delivering to the corporation of a verifiable notification of revocation or a later appointment. The presence at a meeting of the person appointing a proxy does not revoke the appointment. The

vote upon any question brought before a meeting of the shareholders may be by voice vote, unless otherwise required by law, the Articles of Incorporation or this Amended and Restated Code of Regulations or unless the presiding officer otherwise determines. Every vote taken by written ballot will be counted by the inspectors of election, if inspectors of election are appointed.

**Section 6 Order of Business**

(a) Order of Business. The Chairman, or such other officer of the corporation designated by a majority of the total number of Directors that the corporation would have if there were no vacancies on the Board of Directors (such number being referred to as the Whole Board ), will call meetings of shareholders to order and will act as presiding officer thereof. Unless otherwise determined by the Board of Directors prior to the meeting, the presiding officer of the meeting of shareholders will also determine the order of business and have the authority in his sole discretion to regulate the conduct of any such meeting including, without limitation, by imposing restrictions on the persons (other than shareholders of the corporation or their duly appointed proxies) who may attend any such shareholders meeting, by ascertaining whether any shareholder or his proxy may be excluded from any meeting of shareholders based upon any determination by the presiding officer, in his sole discretion, that any such person has unduly disrupted or is likely to disrupt the proceedings of the meeting, and by determining the circumstances in which any person may make a statement or ask questions at any meeting of shareholders.

(b) At an annual meeting of the shareholders, only such business will be conducted or considered as is properly brought before the meeting. To be properly brought before an annual meeting, business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Chairman of the Board, the Chief Executive Officer, the President, a Vice President, the Secretary or an Assistant Secretary in accordance with Article II Section 3, (ii) otherwise properly brought before the meeting by the presiding officer or by or at the direction of a majority of the Whole Board, or (iii) otherwise properly requested to be brought before the meeting by a shareholder of the corporation in accordance with Article II Section 6(c).

(c) For business to be properly requested by a shareholder to be brought before an annual meeting, (i) the shareholder must be a shareholder of the corporation of record at the time of the giving of the notice for such annual meeting provided for in this Amended and Restated Code of Regulations, (ii) the shareholder must be entitled to vote at such meeting, (iii) the shareholder must have given timely notice thereof in writing to the Secretary, and (iv) if the shareholder, or the beneficial owner on whose behalf any business is brought before the meeting, has provided the corporation with a Proposal Solicitation Notice, as that term is defined in this Article II Section 6(c) below, such shareholder or beneficial owner must have delivered a proxy statement and form of proxy to the holders of at least the percentage of shares of the corporation entitled to vote required to approve such business that the shareholder proposes to bring before the annual meeting and included in such materials the Proposal Solicitation Notice. To be timely, a shareholder's notice must be delivered to or mailed and received at the principal executive offices of the corporation not less than 60 nor more than 90 calendar days prior to the first anniversary of the date on which the corporation first mailed its proxy materials for the preceding year's annual meeting of shareholders; provided, however, that if the date of the annual meeting is advanced more than 30 calendar days prior to or delayed by more than 30 calendar days after the anniversary of the preceding year's annual meeting, notice by the shareholder to be timely must be so delivered not later than the close of business on the later of the 90th calendar day prior to such annual meeting or the 10th calendar day following the day on which public announcement of the date of such meeting is first made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a shareholder's notice as described above. A shareholder's notice to the Secretary must set

forth as to each matter the shareholder proposes to bring before the annual meeting (A) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (B) the name and address, as they appear on the corporation's books, of the shareholder proposing such business and of the beneficial owner, if any, on whose behalf the proposal is made, (C) the class and number of shares of the corporation that are owned beneficially and of record by the shareholder proposing such business and by the beneficial owner, if any, on whose behalf the proposal is made, (D) any material interest of such shareholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made in such business, and (E) whether either such shareholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of shares of the corporation entitled to vote required to approve the proposal (an affirmative statement of such intent, a Proposal Solicitation Notice ).

Notwithstanding the foregoing provisions of this Amended and Restated Code of Regulations, a shareholder must also comply with all applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder with respect to the matters set forth in this Article II Section 6(c). For purposes of this Section 6(c) and Article III Section 5, public announcement means disclosure in a press release reported by the Dow Jones News Service, Associated Press, or comparable national news service or in a document publicly filed by the corporation with the Securities and Exchange Commission pursuant to Sections 13, 14, or 15(d) of the Securities Exchange Act of 1934, as amended, or publicly filed by the corporation with any national securities exchange or quotation service through which the corporation's stock is listed or traded, or furnished by the corporation to its shareholders. Nothing in this Article II Section 6(c) will be deemed to affect any rights of shareholders to request inclusion of proposals in the corporation's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

(d) At a special meeting of shareholders, only such business may be conducted or considered as is properly brought before the meeting. To be properly brought before a special meeting, business must be (i) specified in the notice of the meeting (or any supplement thereto) given by or at the direction of the Chairman of the Board, the Chief Executive Officer, the President, a Vice President, the Secretary or an Assistant Secretary (or in case of their failure to give any required notice, the other persons entitled to give notice) in accordance with Article II Section 3 or (ii) otherwise brought before the meeting by the presiding officer or by or at the direction of a majority of the Whole Board.

(e) The determination of whether any business sought to be brought before any annual or special meeting of the shareholders is properly brought before such meeting in accordance with this Section 6 will be made by the presiding officer of such meeting. If the presiding officer determines that any business is not properly brought before such meeting, he will so declare to the meeting and any such business will not be conducted or considered.

The Directors may increase the number to not more than twelve (12) persons and may decrease the number to not less than five (5) persons. Any Director's office created by the Directors by reason of an increase in their number may be filled by action of a majority of the Directors in office.

At the request of the Board of Directors, any person nominated by the Board of Directors for election as a Director must furnish to the Secretary that information required to be set forth in a shareholder's notice of nomination which pertains to the nominee. The presiding officer of any annual meeting will, if the facts warrant, determine that a nomination was not made in accordance with the procedures prescribed by this Article III Section 4, and if he should so determine, he will so declare to the meeting, and the defective nomination will be disregarded.

Notwithstanding the foregoing provisions of this Article III Section 4, a shareholder must also comply with all applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder with respect to the matters set forth in this Article III Section 4.
