Proxy Statement
Annual Meeting of Shareholders
May 3, 2007**

The Board of Directors of Horizon Bancorp, an Indiana corporation, is soliciting proxies to be voted at the Annual Meeting of Shareholders to be held on Thursday, May 3, 2007, at 6:00 p.m. (local time). The meeting will be held at the Holiday Inn, 5820 South Franklin Street, Michigan City, Indiana. We expect to mail this Proxy Statement to our shareholders on or about March 23, 2007.

Items of Business

What will the shareholders vote on at the Annual Meeting?

Shareholders will vote on the following two proposals:

The election of four directors to serve three-year terms; and

The ratification of the appointment of BKD, LLP, as independent auditors for 2007.

Will there be any other items of business to vote on?

Management is not aware of any other matters to be presented at the meeting other than those mentioned above and has not received notice from any shareholders requesting that other matters be considered.

Voting Information

Who can vote at the Annual Meeting?

Shareholders of record of Horizon Common Shares as of the close of business on March 2, 2007, the record date, may vote at the Annual Meeting. On the record date, 3,238,682 Common Shares were issued and outstanding and Horizon had no other class of equity securities outstanding. Each Common Share is entitled to one vote on each matter to be voted on at the Annual Meeting.

How do I vote my shares?

If you are a shareholder of record, you can vote by mailing the enclosed proxy card. The proxy, if properly signed and returned to Horizon and not revoked prior to its use, will be voted in accordance with the instructions contained in the proxy. If you return your signed proxy card but do not indicate your voting preferences, the proxies named in the proxy card will vote on your behalf for each matter described below and, upon the transaction of other business as may properly come before the meeting, in accordance with their best judgment.

If you have shares held by a broker or other nominee, you may instruct the broker or other nominee to vote your shares by following the instructions the broker or other nominee provides to you.

Proxies solicited by this Proxy Statement may be exercised only at the Annual Meeting and any adjournment and will not be used for any other meeting.

Can I change my vote after I have mailed my proxy card?

You may revoke your proxy at any time before it is exercised by notifying Horizon's Secretary (Lawrence J. Mazur, 515 Franklin Square, Michigan City, Indiana 46360) in writing, delivering a later-dated proxy, or, if you are a shareholder of record, voting in person at the Annual Meeting.

Table of Contents

Can I vote my shares in person at the meeting?

If you are a shareholder of record, you may vote your shares in person at the meeting. However, we encourage you to vote by proxy card even if you plan to attend the meeting.

If your shares are held by a broker or other nominee, you must obtain a proxy from the broker or nominee giving you the right to vote the shares at the meeting.

What constitutes a quorum?

A majority of the outstanding Common Shares, present or represented by proxy, constitutes a quorum for the Annual Meeting. As of March 2, 2007, the record date, 3,238,682 Common Shares were issued and outstanding.

How many votes are required for the election of directors and the other proposals?

The following votes will be required to approve the proposals:

Directors will be elected by a plurality of the votes cast (Proposal 1).

The ratification of the independent auditors requires that more votes be cast in favor of the proposal than against the proposal (Proposal 2).

Abstentions and broker non-votes (described below) are counted for purposes of determining the presence or absence of a quorum but are not considered votes cast. Abstentions and instructions to withhold authority will result in a nominee for director in Proposal 1 (Election of Directors) receiving fewer votes but will not count as votes against the nominee. Neither abstentions nor broker non-votes will affect whether more votes have been cast for than against Proposal 2 (Ratification of Independent Auditors).

What is a broker non-vote ?

A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because the broker has not received instructions from the beneficial owners on how to vote on such proposal and the broker does not have discretionary authority to vote in the absence of instructions. Brokers generally have the authority to vote, even though they have not received instructions, on matters that are considered routine, such as the election of directors and the ratification of auditors.

Who pays the cost of this proxy solicitation?

Horizon pays the cost of soliciting proxies. Upon request, Horizon will reimburse brokers, dealers, banks, trustees and other fiduciaries for the reasonable expenses they incur in forwarding proxy materials to beneficial owners of the Common Shares. In addition to sending the proxy statement by mail, proxies also may be solicited personally or by telephone or facsimile or electronic mail, by certain directors, officers and employees of Horizon, the Bank and the Bank's subsidiaries, who will not be specially compensated for such solicitation.

Proposal 1

If a substitute nominee is designated, Common Shares represented by proxy will be voted for the substituted nominee.

Corporate Governance**Director Independence**

Annually Horizon's Board of Directors considers the independence of each of the directors under the Listing Standards of the NASDAQ Stock Exchange. In determining independence, the Board considers, among other things, current or previous employment relationships as well as material transactions and relationships between Horizon or the Bank and the directors, members of their immediate family and entities in which the directors have a significant interest. The purpose of this review is to determine whether any relationships or transactions exist or have occurred that are inconsistent with a determination that the director is independent.

The Board of Directors has determined that ten of the twelve members of the Board, including the four nominees, qualify as independent directors under the rules of the Securities and Exchange Commission and the NASDAQ Listing Standards. The independent directors are Susan D. Aaron, James B. Dworkin, Charley E. Gillispie, Daniel F. Hopp, Dr. Robert E. McBride, Larry N. Middleton, Peter L. Pairitz, Bruce E. Rampage, Robert E. Swinehart and Spero W. Valavanis.

Members of the Audit, Compensation and Nominating Committee must meet all applicable independence tests of the NASDAQ Stock Exchange and Securities and Exchange Commission.

Advisor Code of Conduct and Ethics applicable to all employees, including officers. Director Nomination Procedures

Horizon's Bylaws provide that any of the following may nominate director candidates: the Board of Directors, a nominating committee of the Board, any person appointed and authorized by the Board to make nominations, or any shareholder entitled to vote for the election of directors who has complied with the notice procedures specified in the Bylaws.

Horizon's Bylaws provide that nominations by shareholders must be made in writing and must be received at Horizon's principal executive office not fewer than 120 days in advance of the date the Proxy Statement was released to shareholders in connection with the previous year's Annual Meeting. Shareholder nominations must include the detailed information about the nominee required by the Bylaws and also must comply with the other requirements set forth in the Bylaws. The Nominating Committee does not have a separate policy for considering director candidates recommended by shareholders because the director nomination procedures are set forth in Horizon's Bylaws.

Horizon's Bylaws provide that the chair of the Annual Meeting may, in his or her discretion, disregard nominations that are not made in accordance with the Bylaws and may instruct the tellers to disregard all votes cast for any such nominee. A complete copy of the applicable provisions of Horizon's Bylaws is available to shareholders without charge upon request to the Secretary.

Meetings of the Board of Directors and Committees

Horizon's Board of Directors held twelve meetings during 2006. Each director attended 75% or more of the total number of meetings of the Board and the committees upon which he or she served. Horizon and its subsidiaries have joint standing committees. These committees include the Audit Committee, the Compensation Committee and the Nominating Committee. Executive sessions of the independent directors are held at least four times a year.

Table of Contents

Although Horizon does not have a policy regarding the attendance of directors at the Annual Meeting of Shareholders, Horizon encourages directors to attend the Annual Meeting. Ten of the twelve members of the Board of Directors attended the 2006 Annual Meeting.

Nominating Committee

The members of the Nominating Committee are appointed by the Board of Directors in May of each year. The members of the Nominating Committee for 2006/2007 are Mr. Swinehart, who serves as Chairperson, and Mr. Hopp, Dr. McBride and Mr. Pairitz. All of the members of the Nominating Committee qualify as independent directors under the rules applicable to NASDAQ-listed companies. The Nominating Committee met four times during 2006. The responsibilities of the Nominating Committee of the Board of Directors include selecting the individuals to be nominated for membership on the Board of Directors and overseeing the annual self-evaluations by the Board and its committees.

The Nominating Committee selects a slate of nominees and then recommends those nominees to the Board of Directors. The entire Board of Directors determines who the nominees will be. The Nominating Committee and the Board select nominees who meet the qualifications set forth in Horizon's Amended and Restated Bylaws and the applicable independence requirements under the SEC and NASDAQ rules. In addition to the nomination procedures in Horizon's Bylaws, the Board has adopted by resolution other procedures to be followed in selecting director nominees. The Nominating Committee Charter is posted on our website at www.accesshorizon.com in the section headed "Investor Relations" under the caption "Corporate Governance."

The Audit Committee

Audit Committee members serve one-year terms and are appointed at the Annual Meeting of Directors in May of each year. The Audit Committee members for 2006/2007 are Mr. Gillispie, who serves as Chairperson, Mr. Dworkin, Dr. McBride and Mr. Pairitz. The Audit Committee met four times in 2006. The purpose of the Audit Committee is to assist the Boards of Directors of Horizon and the Bank in fulfilling their statutory and fiduciary responsibilities with respect to examinations of Horizon, the Bank and their affiliates and the monitoring of accounting, auditing and financial reporting practices. The Audit Committee reviews the internal audit procedure of Horizon and the Bank and recommends to the Boards of Directors the engagement of outside and internal auditing firms.

Horizon's Board of Directors has determined that Charley E. Gillispie and Peter L. Pairitz qualify as audit committee financial experts as defined by the SEC rules. Mr. Gillispie has a Bachelor of Arts degree in Business Administration and an M.B.A. in accounting, and is a registered certified public accountant. He has seventeen years of public accounting experience. Mr. Pairitz has a Bachelor of Science degree in accounting from Ball State University. He passed the certified public accountant examination and had eleven years of experience with a public accounting firm. All of the members of the Audit Committee, including Mr. Gillispie and Mr. Pairitz, qualify as independent directors as defined by the SEC rules and NASDAQ listing standards.

The Board of Directors adopted a written charter for the Audit Committee in 2001. The charter was revised in 2006. The revised Audit Committee Charter is posted on our website at www.accesshorizon.com in the section headed "Investor Relations" under the caption "Corporate Governance."

Compensation Committee

Compensation Committee members serve one-year terms and are appointed at the Annual Meeting of Directors in May of each year. The members of the Compensation Committee for 2006/2007 are Mr. Swinehart, who serves as Chairperson, and Mr. Hopp, Dr. McBride and Mr. Pairitz. All of the members of the Compensation Committee qualify as independent directors under the rules applicable to NASDAQ-

Table of Contents

listed companies. The Compensation Committee met six times in 2006. The Committee reviews all salary and employee benefit issues relating to employees and directors of Horizon, the Bank and their affiliates.

Compensation Committee Interlocks and Insider Participation

All of the members of the Compensation Committee are independent and no member of the Compensation Committee has served as an officer or employee of Horizon, the Bank or any of our other subsidiaries. None of the members of the Compensation Committee serves as an executive officer of another entity at which one of our executive officers serves as a member of the Board of Directors. No member of the Compensation Committee has had any relationship with Horizon requiring disclosure under Item 404 of SEC Regulation S-K, which requires the disclosure of certain related person transactions.

Compensation Consultants

During 2006 the Compensation Committee engaged Frederic W. Cook & Co., Inc. (**Cook & Co.**) to assist in the review of the reasonableness of the Chief Executive Officer's employment agreement.

In 2005, 2003 and 2002, the Compensation Committee engaged Cook & Co. to conduct a peer review of executive compensation. The Cook & Co. reviews are conducted at least every three years and are used to augment other data obtained annually in determining the reasonableness of executive compensation. The Cook & Co. reviews are more extensive and include peer comparison of cash, short- term and long-term compensation.

Performance Reviews

The Compensation Committee conducts an annual review of the performance of Horizon's President, who also serves as the Chief Executive Officer. In addition, the Compensation Committee, with input from the Chief Executive Officer, reviews the performance of Horizon's other executive officers.

In conducting its review, the Compensation Committee considers a variety of performance factors in analyzing the compensation of each of these executive officers. These factors generally include traditional financial results, positioning Horizon for future success and compliance issues.

The financial services business is complex and is undergoing changes that generate uncertainties about future events. The Chief Executive Officer must provide guidance and leadership in nearly all aspects of this dynamic enterprise. In the process, however, he is not expected to work alone. The performance evaluation recognizes that programs initiated at the top level of an organization are not, and should not be expected to be, quick fixes. These programs are generally long-term in nature, bringing benefits to Horizon over many years. For those reasons, the Compensation Committee also focuses on the following issues in determining performance levels for the Chief Executive Officer: strategic leadership, enterprise guardianship, board relationship and financial results. Strategic leadership entails development of appropriate strategies for Horizon and the ability to gain support for those strategies. Enterprise guardianship requires the Chief Executive Officer to set the tone in such matters as Horizon's reputation, ethics, legal compliance, customer relations, employee relations and ensuring results. Board relationship requires the Chief Executive Officer to work collaboratively with Board members and committees, communicate information in a timely manner to ensure full and informed consent about matters of corporate governance and provide complete transparency to the Board. Financial results focus on the overall financial health of Horizon and ability to achieve financial goals.

In conducting the Chief Executive Officer's performance review for 2006, the Compensation Committee obtained input from all members of the Board. All management compensation, including that of the President and the other executive officers, is performance related.

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee of the Board of Directors sets the compensation of all executive officers of Horizon, including that of the Chief Executive Officer. Compensation is composed of several segments, including base salary, short-term incentives and long-term incentives. The Compensation Committee compares all executive compensation, including that of the Chief Executive Officer, to the compensation paid to persons holding the same position in similar financial institutions.

During 2006, the Compensation Committee utilized compensation surveys from three independent sources to review and compare Horizon's top officer compensation. The independent providers of this data were Crowe Chizek and Company, LLC, The Delves Group and SNL Financial. This review included a study of base pay, bonus and long-term compensation. In 2005 the Cook & Co. survey made competitive comparisons against the following comparison group of 17 Midwest regional banks with assets in the range of \$750 million to \$1.5 billion, which were selected by Cook & Co. with input from management:

Citizens & Northern (Wellsboro, PA)

EFC Bancorp (Elgin, IL)

Enterprise Financial Services (Clayton, MO)

Exchange National Bancshares (Jefferson City, MO)

Firstbank (Alma, MI)

Home Federal Bancorp (Columbus, IN)

Lakeland Financial (Warsaw, IN)

Leesport Financial (Wyomissing, PA)

Lincoln Bancorp (Plainfield, IN)

Mainsource Financial (Greensburg, IN)

Mercantile Bancorp (Quincy, IL)

MutualFirst Financial (Muncie, IN)

Oak Hill Financial (Jackson, OH)

Peoples Community Bancorp (West Chester, OH)

PVF Capital (Solon, OH)

QCR Holdings (Moline, IL)

West Bancorporation (West Des Moines, IA)

The Compensation Committee intends to employ an independent third party consultant to review executive compensation, including long-term benefits, at least every three years. As mentioned above, in recent years the Compensation Committee has employed Cook & Co.

The following discussion of compensation focuses on the compensation of the five executive officers who are named in the Summary Compensation Table below because of their positions and levels of compensation. The five named executive officers and their positions with Horizon are as follows:

Craig M. Dwight, President and Chief Executive Officer of Horizon

Table of Contents

James H. Foglesong, Chief Financial Officer of Horizon

Thomas H. Edwards, Executive Vice President of Horizon

James D. Neff, Executive Vice President Mortgage Banking of Horizon Bank

Lawrence J. Mazur, who served until October 2, 2006, as President and Chief Executive Officer of Horizon Trust & Investment Management, N.A., a subsidiary of Horizon Bank

Elements of Compensation

Our compensation plan for the Chief Executive Officer and other named executive officers includes the following elements:

Salary

Annual performance-based incentive compensation

Long-term equity incentive compensation

Stock bonuses

Retirement and other benefits

Perquisites and other personal benefits

The Compensation Committee reviews tally sheets showing the amounts for each element when setting the total compensation for each named executive officer.

Salary

Salaries of all executive officers, including the Chief Executive Officer, are governed by Horizon's formal salary administration program, which is updated each year. The salary administration program involves consideration of an executive officer's position and responsibility and performance as determined in the detailed annual performance reviews discussed above.

The salary of each executive officer is compared to those salaries being paid to executive officers in positions in organizations of comparable size in the Midwest. Salary ranges are then computed from that data for each Horizon executive officer position. In general, the highest salary that would be allowable under the salary administration program is below the highest cash compensation for that position as reported in the SNL Financial Executive Compensation report. In 2006, the highest cash compensation allowable for Mr. Dwight was \$689,456. For his services in 2006 as Chief Executive Officer and President, Mr. Dwight was paid a salary of \$280,000, which represented a 3.7% increase over his 2005 salary of \$270,000.

On December 1, 2006, Horizon and the Bank, entered into an Employment Agreement with Mr. Dwight. The agreement provides that Mr. Dwight will continue to receive an annual base salary equal to the amount being paid to him on the date of the agreement, subject to adjustment based on the annual review of Horizon's Board of Directors or the Compensation Committee of the Board of Directors, but the adjusted base salary amount may not be less than Mr. Dwight's base salary on the date of the agreement, which was \$280,000. The Employment Agreement replaces the change-of-control agreement, dated October 7, 1999, between the Bank and Mr. Dwight. Other provisions of the Employment Agreement are discussed below following the Summary Compensation Table and in the discussion of Potential Payments Upon Termination or Change in Control.

The 2006 salary increases for three of the other named executive officers ranged from 3.8% to 7.7%. Mr. Foglesong's salary was increased to \$140,000 from \$130,000 (7.7%); Mr. Edwards' salary was increased to \$174,000 from \$167,000 (4.2%); and Mr. Neff's salary was increased to \$138,000 from \$133,000 (3.8%). Mr. Mazur's salary remained at \$158,000.

Table of Contents**Performance-Based Incentive Compensation**

After consultations with compensation consultant Cook & Co. in 2003, the Compensation Committee of the Board of Directors of Horizon adopted an Executive Officer Bonus Plan. The Bonus Plan permits executive officers to earn, as a cash bonus, a percentage of their salary based on the achievement of corporate and individual goals in the relevant year. Four of the named executive officers, Messrs. Dwight, Foglesong, Edwards and Mazur, currently participate in the Bonus Plan. Participants in the Bonus Plan are not eligible to participate in Horizon's annual discretionary or holiday bonus plans (Mr. Mazur, after October 2, 2006, was no longer an executive officer, and, therefore, received a holiday bonus.).

To receive a bonus under the Bonus Plan, the executive officer must be employed by Horizon or one of its subsidiaries on the date the annual bonus payment is made and must be in good standing with Horizon. The Compensation Committee may adjust or amend the Plan at any time in its sole discretion. All executive officers' bonuses are subject to final approval by the Compensation Committee. Mr. Dwight's bonus is paid out in accordance with his Employment Agreement.

As approved by the Compensation Committee, the Company's bonus matrices for executive officers place heavier weight on financial outcome in order to align bonus payouts with shareholders' interests. Other bonus factors are aligned with critical strategic issues that position the Company for future success and maintain regulatory compliance.

Financial Outcome of the Company	30%
Financial Outcomes for Areas of Direct Responsibility	70%

Bonus calculations for financial outcomes are based on quantifiable targets and for non-financial targets on observations by the CEO and Board of Directors in comparison to the Company's strategic plan.

The Compensation Committee established a minimum earnings target for Horizon to achieve before any bonuses would be paid out under the Plan. The Compensation Committee also approved a target bonus matrix for each executive officer to be used to calculate the executive officer's bonus (if any) for the year (assuming that the minimum earnings target has been met). The matrix for each executive officer specified the performance measures applicable to the executive officer, the targets for each performance measure and the weight to be assigned to each performance measure in calculating the bonus if the specified target levels are achieved.

For 2006, Mr. Dwight could have earned a maximum bonus under the Plan of up to 54% of his base salary and Mr. Foglesong and Mr. Edwards could have each earned a maximum bonus of 48% of their

Table of Contents

base salary. Each named executive officer had as a performance goal the achievement of a specified level of corporate net income for the year, with the weighting of such goal for 2006 being 40% for Mr. Dwight, 20% for Messrs. Foglesong and Edwards and 10% for Mr. Mazur. The matrix for each of the executive officers also specifies from three to five other performance measures, each of which is dependent upon the executive officer's areas of responsibilities and varies from year to year to reflect changes in the primary responsibilities of the office that the executive officer holds.

The other measurements include the following: compliance with rules, regulations and internal controls; positioning the company for long-term growth, organizational development, retention and attraction of good talent, efficiency ratio and project management. The weightings for each measurement vary dependent upon the overall responsibilities and primary goals of each executive officer.

In considering Mr. Dwight's bonus, the Compensation Committee used established goals for 2006 and compared actual results with goals. The goals compared Horizon's net income compared to plan; compliance with all rules, laws, regulations and audit standards; reputation of Horizon; positioning Horizon for future growth and expansion; and organizational development including retention and attraction of good talent, efficiency improvement and continuous learning. The amounts of the bonuses paid each year under the Plan are reported in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table included in this Proxy Statement.

Executive officers did not meet the minimum earnings targets as outlined in their respective bonus matrices and, therefore, no bonuses were paid to any executive officer for 2006.

Mr. Neff is eligible to receive an incentive bonus from the Bank as part of his change-in-control agreement, which is discussed in more detail below under Potential Payments Upon Termination or Change in Control. The agreement provides that the Bank will pay Mr. Neff a percentage of his salary as an incentive bonus within ninety days following each calendar year if the Mortgage Warehousing Division of the Bank meets or exceeds certain Return on Equity (ROE) goals for the year, subject to a maximum of \$250,000 in incentive compensation per year. The ROE goals and bonus percentage amounts are as follows: 12% ROE: 25%; 15% ROE: 40%; and 20% ROE or above: 50%. If the Mortgage Warehousing Division ROE exceeds the 20% ROE target for a year, Mr. Neff receives an additional bonus equal to 15% of the dollar amount of the net income that exceeds the amount necessary to reach the 20% ROE target.

Long-Term Incentive Program

In 2002 Horizon engaged compensation consultant Cook & Co. to review Horizon's compensation of top officers and outside directors. Cook & Co. recommended that Horizon adopt an omnibus stock plan for the purpose of attracting and retaining key employees. Horizon's Board of Directors unanimously adopted the 2003 Omnibus Equity Incentive Plan on January 21, 2003, and the shareholders approved the Omnibus Plan at the annual meeting held on May 8, 2003.

The Omnibus Plan was designed to satisfy the requirements of Section 162(m) of the Internal Revenue Code of 1986, which generally denies a corporate-level income tax deduction for annual compensation in excess of \$1,000,000 paid to the chief executive officer and the four other most highly compensated officers of a public company. Certain types of compensation, including performance-based compensation, which meet the requirements of Internal Revenue Code Section 162(m), are generally excluded from this deduction limit.

The Compensation Committee administers the Omnibus Plan and may grant the following types of awards:

Incentive stock options

Nonqualified stock options

Table of Contents

Stock appreciation rights

Restricted stock

Any combination of the above

Horizon's long-term incentive program is based on the grant of stock options and restricted stock. Stock options and restricted stock are granted to encourage and facilitate personal stock ownership by executive officers and thus strengthen their personal commitment to Horizon and to provide them with a longer-term perspective in their managerial responsibilities. This component of an executive officer's compensation directly aligns the officer's interests with those of Horizon's shareholders. Horizon also recognizes that stock options are a necessary element of a competitive compensation program. The program utilizes vesting periods to encourage key employees to continue in the employ of Horizon and thereby acts as a retention device for key employees.

In determining a reasonable level of long-term compensation to be granted executive officers, the Compensation Committee takes into consideration independent reports prepared in 2003 and 2005 by Cook & Co. and other peer data. In general, the 2005 Cook & Co. study found that Horizon's executive compensation was appropriately balanced between cash and long-term incentives as compared with peer data. Cook & Co.'s peer group consisted of publicly traded financial institutions located in the Midwestern United States with assets in the range of \$750 million and \$1.5 billion. Please refer to the list of peer group banks used in the Cook & Co. survey, which is included above under Overview of Compensation Program.

Based on its review of option and restricted stock awards made under the Omnibus Plan and earlier plans and its consideration of the sources mentioned above, the Compensation Committee determined not to make any additional grants of options or restricted stock to the named executive officers for 2006.

Stock Ownership Guidelines

Horizon does not have a stock ownership guideline for executive officers. Members of the Board of Directors, in accordance with banking regulations, are required to maintain at least a \$1,000 ownership interest in Horizon Common Stock while they serve on the Board. It is also the objective of the Board that directors will accumulate and hold shares while they serve as directors.

Stock Bonuses

Horizon has maintained an Employee Stock Bonus Plan that covers substantially all employees. The Bonus Plan has afforded employees the opportunity to share in the growth and prosperity of Horizon, to accumulate capital for their future economic security and to provide security for participants who become totally and permanently disabled. Shares of Horizon Common Stock have been allocated to participating employees' plan accounts. The Bonus Plan permits Horizon to make contributions to the Plan either in Common Stock or in cash. If cash is contributed, it may be used by the plan trustee to purchase Common Stock directly from Horizon or on the open market. The Bonus Plan has enabled participating employees to acquire beneficial stock ownership interests in Horizon without requiring any cash outlay or surrendering any rights. Contributions to and earnings in the Bonus Plan are not subject to federal and state taxes until distributed under the rules of the Bonus Plan.

Effective January 1, 2007, the Employee Stock Bonus Plan was restructured as an Employee Stock Ownership Plan (or ESOP). The restructuring will provide participants with several additional benefits. New benefits will include the addition of a dividend election program and all dividends paid on shares of Horizon Bancorp stock in the ESOP will be 100% vested. The Matching Contribution Account in the

Table of Contents

Stock Bonus Plan will be transferred to the Horizon Bancorp Employee Thrift Plan and the remainder of the Stock Bonus Plan, which is made up of the Discretionary Contributions Account and the Prior ESOP Account, will be converted to the ESOP. Matching Contributions will now be contributed to the Matching Contributions Account that has been transferred to the Employee Thrift Plan from the Stock Bonus Plan.

Post-Termination Compensation and Benefits

Mr. Dwight's Employment Agreement provides for the payment of compensation upon a change in control. Three of Horizon's other executive officers, Messrs. Edwards, Foglesong and Neff, are also parties to change-in-control agreements with the Bank. Mr. Dwight's Employment Agreement and the agreements with Messrs. Edwards, Foglesong and Neff are discussed in more detail below in the discussion of Potential Payments Upon Termination or Change in Control.

The Employee Thrift Plan is a 401(k) plan in which all employees with the requisite hours of service are eligible to participate. The Thrift Plan permits voluntary employee contributions and Horizon may make discretionary matching and profit sharing contributions. Each eligible employee is vested according to a schedule based upon years of service. Voluntary employee contributions are vested at all times, and Horizon's discretionary contributions vest over a six-year period. Participants are eligible to receive matching contributions once they have attained age 21 and completed one year of service. The Company, at its discretion, provides for matching contributions as follows: 100% for the first 2% of a participant's deferral contribution and 50% for each additional percentage deferred up to a total deferral of 6% (a maximum of 4% matching contribution).

The Horizon Bancorp Supplemental Executive Retirement Plan (or Frozen SERP) was originally effective January 1, 1993 and was frozen effective December 31, 2004. The Frozen SERP provides certain management or highly compensated employees of Horizon Bancorp and its affiliates with supplemental retirement benefits to help recompense those employees for benefits reduced under the Employee Thrift Plan due to benefit limits imposed by the Internal Revenue Code and to permit the deferral of additional compensation. The Frozen SERP is an unfunded arrangement designed and administered to comply with Title I of the Employee Retirement Income Security Act of 1974 and Internal Revenue Code Section 409A. The Frozen SERP is administered by the Compensation Committee. Prior to January 1, 2005, a participant in the Frozen SERP could elect each year to defer a percentage of the participant's total cash compensation. Each year, the Compensation Committee, in its discretion, could elect to have Horizon match the amounts deferred by each participant under the Frozen SERP up to a maximum match of \$25,000. The Compensation Committee could also make supplemental contributions in any amount determined by the Committee in its discretion.

Interest is credited on a participant's deferred account balance in the Frozen SERP at the five-year U.S. Treasury Bond rate published in the *Wall Street Journal* and in effect as of the first business day of each calendar month, plus 200 basis points, but not to exceed 120% of the Applicable Federal Long-Term Rate for monthly compounding. Amounts deferred by participants vest immediately. The Compensation Committee can require forfeiture of matching and supplemental contributions if the participant has not completed the number of years of service specified by the Compensation Committee, except when the participant dies while still employed, is determined to be disabled or retires after reaching age sixty-five. Participants or their designated beneficiaries will begin to receive payment under the Frozen SERP within thirty days after the participant's separation from service. Participants may elect lump sum or installment payments, or a combination of the two, subject to the provisions of the Frozen SERP. No additional amounts, except earnings, accrued to the interest of the named executive officers under the Frozen SERP for 2006. Horizon adopted the Horizon Bancorp 2005 Supplemental Executive Retirement Plan (or 2005 SERP) to replace the Frozen SERP effective January 1, 2005. As with its predecessor, the 2005 SERP provides certain management or highly compensated employees of Horizon Bancorp and its affiliates with supplemental retirement benefits to help recompense those employees for benefits reduced under the

Table of Contents

Employee Thrift Plan due to benefit limits imposed by the Internal Revenue Code and to permit the deferral of additional compensation. The 2005 SERP also is an unfunded arrangement designed and administered to comply with Title I of the Employee Retirement Income Security Act of 1974 and Internal Revenue Code Section 409A and the 2005 SERP is administered by the Compensation Committee. A participant in the 2005 SERP may elect to defer a percentage of the participant's total cash compensation each year. For 2006, a participant could elect to defer a combined amount to the Employee Thrift Plan and the 2005 SERP of up to 75% of the participant's total cash compensation, but beginning January 1, 2007, the deferrals to the Employee Thrift Plan are limited separately and the 2005 SERP maximum deferral percentage is limited to 25%.

Each year, the Compensation Committee, in its discretion, may elect to have Horizon match the amounts deferred by each participant under the 2005 SERP up to a maximum match of \$25,000. The Compensation Committee may change the match limit prior to the beginning of any year. The Compensation Committee may also make supplemental contributions in any amount it determines in its discretion.

Interest is credited on a participant's deferred account balance in the 2005 SERP at the five-year U.S. Treasury Bond rate published in the *Wall Street Journal* and in effect as of the first business day of each calendar month, plus 200 basis points, but not to exceed 120% of the Applicable Federal Long-Term Rate for monthly compounding. Amounts deferred by participants vest immediately. The Compensation Committee may require forfeiture of matching and supplemental contributions if the participant has not completed the number of years of service specified by the Compensation Committee, except when the participant dies while still employed, is determined to be disabled or retires after reaching age sixty-five. Participants may specify the date or event upon which they or their designated beneficiaries will begin to receive payment under the 2005 SERP and may elect lump sum or installment payments, or a combination of the two, subject to the provisions of the 2005 SERP.

The amounts allocated to the named executive officers under the 2005 SERP for 2006 are included in the All Other Compensation column of the Summary Compensation Table.

Perquisites and Other Personal Benefits

Horizon provides minimal perquisites and other personal benefits to its executive officers. Messrs. Dwight and Edwards are provided country club memberships. The cost of these memberships is less than \$10,000 per executive officer. No other perquisites or personal benefits are provided to executive officers.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis included above. Based on that review and discussion, the Compensation Committee has recommended to Horizon's Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into Horizon's 2006 Annual Report on Form 10-K.

As discussed above in the Compensation Discussion and Analysis, Horizon and the Bank entered into an employment agreement with Mr. Dwight on December 1, 2006. The agreement provides that Mr. Dwight will continue to serve as Horizon's President and Chief Executive Officer and the Bank's Chairman and Chief Executive Officer for a term of three years. The term of the agreement will be extended for an additional one-year period beyond the then-effective expiration date on each annual anniversary of the date of the agreement until the year in which Mr. Dwight reaches the age of sixty-three, unless Horizon delivers notice to Mr. Dwight within sixty days prior to the expiration of any one-year period that the term will not be extended.

The agreement also provides that Mr. Dwight will continue to receive an annual base salary equal to the amount being paid to him on the date of the agreement, subject to adjustment. Horizon may terminate Mr. Dwight's employment

immediately for cause as defined in the agreement and also may terminate his employment without cause upon not less than thirty days prior notice. Mr. Dwight may terminate his employment for good reason as defined in the agreement or upon not less than thirty days prior notice without good reason. If Horizon terminates Mr. Dwight's employment without cause, if Mr. Dwight terminates his employment with good reason, or if Mr. Dwight's employment is terminated upon a change in control of Horizon, the agreement provides for Horizon to pay Mr. Dwight an amount equal to two times his then-current annual base salary plus his bonus for the previous two calendar years and for Mr. Dwight to receive health and certain other benefits for a two-year period. The agreement also includes provisions that limit the aggregate amount of the payment to an amount that is otherwise deductible by Horizon for federal income tax purposes after application of Internal Revenue Code Section 280G and that protect Horizon's and the Bank's confidential business information and prohibit competition by Mr. Dwight for a two-year period following the date of his termination.

Grants of Plan-Based Awards

Four of the named executive officers had the opportunity to earn cash bonuses under the Executive Officer Bonus Plan if Horizon met the earnings targets the Compensation Committee had established for 2006. The minimum earnings targets were not met for 2006 and, therefore, none of the four named executive officers received bonuses for 2006. A detailed description of the Executive Officer Bonus Plan is provided above in the Compensation Discussion and Analysis.

The following table presents the estimated payouts the named executive officers had the opportunity to receive if the earnings targets for 2006 had been met.

Potential Payments Upon Termination or Change in Control

Horizon and the Bank have agreements with the named executive officers and plans in which the named executive officers participate that provide for benefits upon the resignation, severance, retirement or other termination of the named executive officers.

Employment and Change-in-Control Agreements

The Employment Agreement with Mr. Dwight discussed above provides that if Horizon terminates Mr. Dwight's employment without cause, if Mr. Dwight terminates his employment with good reason, or if Mr. Dwight's employment is terminated upon a change in control of Horizon, Horizon will pay Mr. Dwight an amount equal to two times his then-current annual base salary plus his bonus for the previous two calendar years and for Mr. Dwight to receive health and life insurance benefits for a two-year period, as well as reimbursement of up to \$30,000 for expenses in searching for a new position.

Mr. Dwight's Employment Agreement provides that a change in control will be deemed to have occurred if any of the following conditions or events occurs: (1) any merger, consolidation or similar transaction which involves the Bank or Horizon and in which persons who are the shareholders of the Bank or Horizon immediately prior to the transaction own, immediately after the transaction, shares of the surviving or combined entity which possess voting rights equal to or less than 50% of the voting rights of all shareholders of such entity, determined on a fully diluted basis; (2) any sale, lease, exchange, transfer or other disposition of all or any substantial part of the consolidated assets of the Bank or Horizon; (3) any tender, exchange, sale or other disposition (other than disposition of the stock of Horizon or the

Bank in connection with bankruptcy, insolvency, foreclosure, receivership or other similar transactions) or purchase (other than purchases by Horizon or any Horizon or Bank sponsored employee benefit plan, or purchases by members of the Board of Directors of Horizon or the Bank) of shares which represent more than 25% of the voting power of Horizon or the Bank; or (4) during any period of two consecutive years individuals who at the date of this Agreement constitute the Board cease for any reason to constitute at least a majority of the Board, unless the election of each director at the beginning of the period has been approved by directors representing at least a majority of the directors then in office.

The Employment Agreement provides, however, that a change in control will not be deemed to have occurred (1) as a result of the issuance of stock by Horizon in connection with any public offering of its stock; (2) with respect to any transaction unless such transaction has been approved or shares have been tendered by a majority of the shareholders who are not persons subject to liability under Section 16(b) of the Exchange Act; or (3) due to stock ownership by the Horizon Bancorp Employees Stock Bonus Plan Trust, which forms a part of the Horizon Bancorp Employees Stock Bonus Plan or any other employee benefit plan.

Table of Contents

If Mr. Dwight's employment had terminated in connection with a change in control as of December 31, 2006, he would have been entitled to a severance amount and other benefits under the Employment Agreement in the amount of \$667,459.

Mr. Mazur served as an executive officer of Horizon until October 2, 2006. On July 19, 2006, Horizon had entered into an employment agreement with Mr. Mazur with respect to his new position as the Chief Financial and Estate Planning Advisor of the Horizon Trust and Investment Management, N.A., a wholly owned subsidiary of the Bank. The employment agreement has a five-year term and provides that if, during the term of the agreement, Horizon terminates Mr. Mazur's employment without cause and not following a change in control, Horizon will pay Mr. Mazur an amount equal to his base salary for six months and 50% of the commissions he earned in the prior four calendar quarters. The severance payment will be paid in six substantially equal monthly installments. If, however, Horizon terminates Mr. Mazur's employment, during the term of the agreement, without cause following a change in control, or if Mr. Mazur terminates his employment for good reason, Horizon will pay Mr. Mazur an amount equal to the amount of his base salary and his commission for the prior two years, paid in a single sum within 30 days of his termination of employment. The employment agreement includes provisions that (1) limit the aggregate amount of the payment to an amount that is otherwise deductible by Horizon for federal income tax purposes after application of Internal Revenue Code Section 280G; (2) protect Horizon's and the Bank's confidential business information and (3) prohibit competition by Mr. Mazur for a one-year period following the date of his termination. Mr. Mazur's employment agreement has the same definition of "change in control" as in Mr. Dwight's employment agreement.

If Mr. Mazur's employment had terminated without cause and not following a change in control, as of December 31, 2006, he would have been entitled to a severance amount and other benefits under the Employment Agreement in the amount of \$79,000. If Mr. Mazur's employment had terminated without cause following a change in control or if he had resigned for good reason, as of December 31, 2006, he would have been entitled to a severance amount and other benefits under the Employment Agreement in the amount of \$316,000.

Three other named executive officers, Messrs. Edwards, Foglesong and Neff, are parties to change of control agreements with the Bank. These agreements provide that upon a change of control, a new two-year term of employment will commence for each of the officers at the same base salary that the officer was receiving at the time of the change of control and such salary may not be reduced during the two-year term. The agreements define a change of control as a merger, tender offer, asset sale or other transaction that result in (1) a majority of Horizon shareholders prior to the transaction holding less than 50% of the voting securities of Horizon after the transaction, (2) persons who held less than 20% of the voting securities of Horizon prior to the transaction owning more than 50% of such securities after the transaction; or (3) a majority of the members of the Horizon Board of Directors being persons who were not directors of Horizon at least twenty-four months prior to the transaction.

The agreements of Messrs. Edwards and Foglesong also provide that, in lieu of continuing his employment, each officer can elect to terminate his employment upon the occurrence of a change of control and receive a lump sum severance payment equal to two times his then-current base salary, and that if the officer's employment is terminated at any time during the two-year period after the change of control by the Bank without cause or by the officer for cause, the officer is entitled to a lump sum severance payment equal to two times his then-current base salary.

These agreements define "change in control" as a change of control of Horizon that would be required to be reported in response to Item 5(f) of Schedule 14A promulgated under the Exchange Act, or any merger, tender offer, consolidation or sale of substantially all of the assets of Horizon, or related series of such events, as a result of which: (1) the majority shareholders of Horizon immediately prior to such event hold less than 50% of the outstanding voting securities of Horizon or its survivor or successor immediately after such event; or (2) persons holding less than 20% of such securities before such event

Table of Contents

own more than 50% of such securities after such event; or (3) persons constituting a majority of the Board of Directors of Horizon were not directors of Horizon for at least twenty-four months preceding the event. If Mr. Edwards or Mr. Foglesong's employment had terminated in connection with a change in control as of December 31, 2006, the severance amounts and other benefits that would have been paid under their agreements would have been \$348,000.00 for Mr. Edwards and \$280,000.00 for Mr. Foglesong.

If any of Messrs. Dwight, Foglesong, Edwards, Neff or Mazur qualifies as a key employee under Internal Revenue Code Section 409A at the time of their separation from service, Horizon may not make certain payments to them earlier than six months following the date of their separation from service (or, if earlier, the date of their death). Each of Messrs. Dwight, Foglesong, Edwards, Neff and Mazur currently is considered to be a key employee.

Other Benefits Upon Termination or Change in Control

In the event of a change in control of the Company, the recipient of stock options and shares of restricted stock granted to executive officers under the Omnibus Plan that then are outstanding and that either are not then exercisable or are subject to any restrictions will become immediately exercisable, and all restrictions will be removed, as of the first date that the change in control has been deemed to have occurred. In addition, stock options granted to executive officers will be vested and fully exercisable as of the date of death, disability or retirement of the executive officer. In addition, the shares of restricted stock awarded to Mr. Mazur will be vested, if his employment is terminated without

Cause as defined in his employment agreement, under a vesting schedule which vests 20% of the shares on August 2, 2005 and an additional 20% each year. If Mr. Mazur had been terminated without cause as of December 31, 2006, he would have been vested in 40% of his restricted stock or 2,400 shares, with a fair market value as of that date of \$65,400.

The Omnibus Plan provides that a change in control will be deemed to have occurred if any of the following conditions or events occurs: (1) any merger, consolidation or similar transaction which involves Horizon and in which persons who are the shareholders of Horizon immediately prior to the transaction own, immediately after the transaction, shares of the surviving or combined entity which possess voting rights equal to or less than 50% of the voting rights of all shareholders of such entity, determined on a fully diluted basis; (2) any sale, lease, exchange, transfer or other disposition of all or any substantial part of the consolidated assets of Horizon; (3) any tender, exchange, sale or other disposition (other than disposition of the stock of Horizon or the Bank in connection with bankruptcy, insolvency, foreclosure, receivership or other similar transactions) or purchase (other than purchases by Horizon or any Horizon sponsored employee benefit plan, or purchases by members of the Board of Directors of Horizon or any subsidiary) of shares which represent more than 25% of the voting power of Horizon or the Bank; or (4) during any period of two consecutive years individuals who at the date of this Agreement constitute the Board cease for any reason to constitute at least a majority of the Board, unless the election of each director at the beginning of the period has been approved by directors representing at least a majority of the directors then in office.

The Omnibus Plan provides, however, that a change in control will not be deemed to have occurred (1) as a result of the issuance of stock by Horizon in connection with any public offering of its stock; (2) with respect to any transaction unless such transaction has been approved or shares have been tendered by a majority of the shareholders who are not persons subject to liability under Section 16(b) of the Exchange Act; or (3) due to stock ownership by the Horizon Bancorp Employees Stock Bonus Plan Trust, which forms a part of the Horizon Bancorp Employees Stock Bonus Plan or any other employee benefit plan.

If a change in control had occurred as of December 31, 2006, the stock options and restricted stock granted to executive officers that were not previously vested would have become fully vested as of that date. The fair market value of the shares of restricted stock for each executive officer as of December 31, 2006 was as follows: Mr. Dwight, \$218,000; Mr. Foglesong, \$136,250; Mr. Edwards, \$190,750; Mr.

Table of Contents

Neff, \$163,500; and Mr. Mazur, \$163,500. If a change in control had occurred, or if the executive officers had terminated their employment due to death, disability or retirement as of December 31, 2006, the value realized upon exercise of stock options, for each executive officer, would have been as follows: Mr. Foglesong, \$60,705; Mr. Edwards, \$272,375; and Mr. Neff, \$16,776. The outstanding stock option and restricted stock awards to the executive officers are discussed in more detail in the above table and in the discussion of Outstanding Equity Awards at Fiscal Year-End for 2006. The Omnibus Plan is discussed in more detail above in the Compensation Discussion and Analysis.

Compensation of Directors

The following table presents information about our compensation of members of the Board of Directors. Information on the compensation received by Mr. Dwight, who is a named executive officer, is included in the Summary Compensation Table above. ¹ Mr. Dabagia receives a salary of \$60,000 for his services to Horizon and receives no director fees.

Horizon paid each of its non-employee directors a cash retainer of \$13,001 and a bonus in Common Shares equal in value to \$4,999 for their services in 2006. Active employees of Horizon and/or the Bank receive no separate compensation for their services as directors. The Chairpersons of the Compensation Committee and Loan Committee receive an additional cash amount of \$4,000, and the Chairperson of the Audit Committee receives an additional \$6,000. Directors do not receive additional compensation for attending meetings of committees of the Board or for special assignments or meetings.

Horizon sponsors a Directors' Deferred Compensation Plan, which allows non-employee directors of Horizon and the Bank to elect to defer the receipt of fees for their services. Earnings on fees deferred under the plan are based on the five-year treasury rate plus 200 basis points but not to exceed 120% of the Applicable Federal Long-Term Rate for monthly compounding. Payments of deferred fees are made to participants or their beneficiaries in a lump sum or monthly installments upon death or disability of the participants or as designated by participants. Participants have no rights to amounts deferred other than rights as general creditors of Horizon.

Report of the Audit Committee

This report is being provided to inform shareholders of the Audit Committee's oversight with respect to Horizon's financial reporting.

Table of Contents**Review with Management and Independent Auditors**

The Audit Committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2006. In addition, the Audit Committee discussed with BKD, LLP all communications required by generally accepted auditing standards, including those described in Statement of Auditing Standards No. 61, Communications with Audit Committees.

The Audit Committee received the written disclosures and the letter from BKD, LLP required by the Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with BKD, LLP their independence.

Conclusion

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2006, to be filed with the Securities and Exchange Commission.

Stock Ownership of Certain Beneficial Owners

To the best of Horizon's knowledge, as of December 31, 2006, the only shareholder or group of shareholders beneficially owning more than 5% of the outstanding Common Shares were the group consisting of Jeffrey L. Gendell, Tontine Financial Partners, L.P., Tontine Management, L.L.C. and Tontine Overseas Associates, L.L.C., who reported in Amendment No. 3 to the Schedule 13G filed with the SEC on February 13, 2007, beneficial ownership of 287,716 Common Shares, representing 8.88% of the Common Shares, and Wellington Management Company, LLP who reported in a Schedule 13G filed on February 14, 2007, beneficial ownership of 162,400 shares, representing 5.01% of the Common Shares.

Table of Contents

Darhap & Co., the nominee for Horizon Trust & Investment Management, N.A., a subsidiary of the Bank, held 770,263 Common Shares as of December 31, 2007. Darhap & Co. exercises voting or investment authority with respect to only 50,015 of those shares (representing 1.5% of the outstanding shares).

Certain Business Relationships and Transactions

In accordance with our Audit Committee Charter and NASDAQ requirements, the Audit Committee is responsible for reviewing and approving the terms and conditions of all related person transactions. Horizon's Amended and Restated Articles of Incorporation provided the procedures for the Board to follow in approving or ratifying transactions with Horizon in which a director has a direct or indirect interest. The Articles provide that such transactions will be approved or ratified upon the affirmative vote of a majority of the directors on the Board or a Board committee who do not have a direct or indirect interest in the transaction or by a vote of the shareholders. Horizon's Code of Ethics for Executive Officers and Directors and the Advisor Code of Conduct for Horizon and the Bank provide the policies and procedures for the review and approval or ratification of conflict of interest transactions. Any situations involving potential conflicts of interest involving an executive officer, director or member of his or her family, if material, are to be reported and discussed with the Code of Ethics contact person. For executive officers, the contact person is the Chief Executive Officer, or if the executive officer believes it more appropriate, the Chairman of the Audit Committee. For directors, the contact person is the Chairman of the Audit Committee.

Directors and executive officers of Horizon and their associates were customers of, and had transactions with, the Bank in the ordinary course of business during 2006. The Bank expects that comparable transactions will occur in the future. These transactions were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with unrelated third parties. In the opinion of Horizon's management, these transactions did not involve more than normal risk of collectibility or present other unfavorable features. Loans made to directors and executive officers are in compliance with federal banking regulations and are thereby exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

Proposal 2

Ratification of Appointment of Independent Auditors

BKD, LLP served as Horizon's independent auditors for 2006. Upon the recommendation of the Audit Committee, the Board of Directors has selected BKD, LLP as Horizon's independent auditors for 2007. BKD, LLP has served as Horizon's independent auditors since 1998. Shareholder ratification of the appointment of the independent auditors is not required by law, but the Audit Committee has proposed and recommended the submission of the appointment of BKD, LLP to the shareholders to give the shareholders input into the designation of the auditors.

Ratification of the appointment of Horizon's independent auditor requires that more shares be voted in favor of the proposal than against the proposal. If the shareholders do not approve the selection of BKD, LLP, the Audit Committee may reconsider its selection of BKD, LLP as independent auditors. Even if this proposal to ratify the auditors is approved, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Horizon and its shareholders.

Representatives of BKD, LLP are expected to be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

Table of Contents

The Audit Committee of the Board of Directors recommends that shareholders vote For the ratification of the appointment of BKD, LLP as Horizon's independent auditors for 2007 (Item 2 on the Proxy Card).

Auditor Fees and Services

BKD, LLP served as Horizon's independent auditors for 2006 and 2005. The services performed by BKD, LLP in this capacity included conducting an examination in accordance with generally accepted auditing standards of, and expressing an opinion on, Horizon's consolidated financial statements. The Board of Directors has selected BKD, LLP as the independent public accountants for 2006, subject to shareholder ratification at the Annual Meeting.

Audit Fees

BKD, LLP's fees for professional services rendered in connection with the audit and review of Forms 10-Q and all other SEC regulatory filings were \$108,780 for 2006 and \$113,980 for 2005. Horizon has paid and is current on all billed fees.

Audit-Related Fees

BKD, LLP's fees for audit-related services rendered in connection with consultation on financial accounting and reporting issues were \$5,000 for 2006 and \$3,685 for 2005. All of such fees have been paid.

Tax Fees

BKD, LLP's fees for tax services were \$16,750 for 2006 and \$20,050 for 2005. All such fees have been paid.

All Other Fees

There were no other fees for 2006 or 2005.

Board of Directors Pre-Approval

Horizon's Audit Committee formally adopted resolutions pre-approving the engagement of BKD to act as our independent auditor for the two fiscal years ended December 31, 2006. The Audit Committee has not adopted pre-approval policies and procedures in accordance with paragraph (c)(7)(i) of Rule 2-01 of Regulation S-X, because it anticipates that in the future the engagement of BKD will be pre-approved by the Audit Committee. All audit-related fees and fees for tax services for 2006 and 2005 were pre-approved by the Audit Committee. Horizon's independent auditors performed all work described above with their respective full-time, permanent employees.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers and directors of Horizon and owners of more than 10% of the Common Shares are required to file reports of their ownership and changes in their ownership of Common Shares with the Securities and Exchange Commission. Copies of these reports also must be furnished to Horizon. Based solely upon a review of copies furnished to Horizon through the date of this Proxy Statement or written representations that no reports were required, Horizon believes that its executive officers, directors and 10% shareholders complied with the 2006 filing requirements.

Shareholder Proposals for 2008 Annual Meeting

Any shareholder who wishes to have a proposal considered for inclusion in Horizon's Proxy Statement for the 2008 Annual Meeting of Shareholders must submit the proposal in writing so that Horizon receives it by November 23, 2007. Proposals should be addressed to Horizon's Secretary, 515 Franklin Square, Michigan City, Indiana 46360.

Table of Contents

Horizon's Amended and Restated Bylaws also provide that a shareholder wishing to nominate a candidate for election as a director or to have any other matter considered by the shareholders at the Annual Meeting must give Horizon written notice of the nomination not fewer than 120 days in advance of the date that Horizon's Proxy Statement was released to shareholders in connection with the previous year's Annual Meeting, which release date for the 2007 Annual Meeting is expected to be on or about March 23, 2007. Shareholder nominations must include the detailed information about the nominee required by the Bylaws and also must comply with the other requirements set forth in the Bylaws. Proposals to bring other matters before the shareholders must include a brief description of the proposal and the other information required by the Bylaws.

Shareholders who wish to nominate candidates or to bring other proposals before the Annual Meeting must submit the proposals in writing to Horizon's Secretary no later than November 23, 2007. Copies of the Bylaws are available to shareholders from Horizon's Secretary free of charge upon request.

The enclosed proxy confers discretionary authority on the proxies to vote on any other business that may properly come before the Annual Meeting. It is the intention of the persons named in the proxy to vote in their discretion on any such matter.

To the extent information in this Proxy Statement rests peculiarly within the knowledge of persons other than Horizon, Horizon has relied upon information furnished by others for the accuracy and completeness of the information.
