PROXY STATEMENT

Annual Meeting of Shareholders

May 16, 2007

INFORMATION ABOUT THE MEETING

Why have I received these materials?

We are sending this proxy statement and proxy card on behalf of the Board of Directors to solicit your vote on matters to be voted on at the annual meeting of the shareholders of Union Bankshares, Inc. (the "Company," "we" or "our") to be held at 3:00 p.m. local time on Wednesday, May 16, 2007, at the offices of our subsidiary, Union Bank at 20 Lower Main Street, Morrisville, Vermont. This proxy statement and proxy card are accompanied by the Company's Annual Report to Shareholders for the year ended December 31, 2006, which contains the Company's audited consolidated financial statements. These materials were first sent to our shareholders on or about April 13, 2007. You are cordially invited to attend the annual meeting and are asked to vote on the proposals to elect

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

directors and increase the number of authorized shares of common stock, as described in this proxy statement.

Who is entitled to vote at the annual meeting?

Only holders of record of the Company's common stock, \$2.00 par value per share, as of the close of business on March 30, 2007 (the record date for the meeting), will be entitled to vote at the annual meeting. On March 30, 2007, there were 4,530,414 shares of the Company's common stock outstanding, and each such share is entitled to one vote on each matter presented for vote at the annual meeting. At this time, the only matters we are aware of that will be presented for vote at the meeting are the election of directors and the increase in the number of authorized common shares.

How do I vote my shares at the annual meeting?

If you are a shareholder of record of the Company's common stock, you may complete and sign the accompanying proxy card and return it in the enclosed postage-paid envelope, or you may deliver it in person to the Corporate Secretary or the Assistant Corporate Secretary at the offices of Union Bank, 20 Lower Main Street, Morrisville, VT 05661. You are a shareholder of record if you hold your stock in your own name on the Company's shareholder records maintained by our transfer agent and wholly-owned subsidiary, Union Bank (the "Bank").

"Street name" shareholders of common stock, who wish to vote at the annual meeting will need to obtain a proxy form from the institution that holds their shares and follow the instructions on that

1

form. Street name shareholders are shareholders who hold their common stock indirectly, through a bank, broker or other nominee.

Can I change my vote after I return my proxy card?

Yes, after you have submitted a proxy, you may change your vote at any time before the proxy is exercised at the annual meeting.

Shareholders of record may change their vote by submitting a written notice of revocation or a proxy bearing a later date. You may file a notice of revocation or request a new proxy by contacting the Assistant Corporate Secretary, JoAnn Tallman at Union Bank, 20 Lower Main Street, Morrisville, VT 05661, or by calling her at (802) 888-6600.

"Street name" shareholders who wish to change their vote should contact the institution that holds their shares and follow the applicable procedures prescribed by the institution.

Can I vote in person at the meeting instead of voting by proxy?

Yes, a ballot will be available at the annual meeting for shareholders of record who wish to vote in person. However, we encourage you to complete and return the enclosed proxy card to be certain that your shares are represented and voted, even if you should be unable to attend the meeting in person. If you wish, you may revoke your previously given proxy at the annual meeting and vote by ballot instead.

If you hold your shares through a bank, broker or other nominee, you must obtain a legal proxy from the bank, broker or nominee in order to vote your shares in person at the meeting.

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered differently in more than one account (for example, "John Doe" and "J. Doe"). To ensure that all your shares are voted, you should complete, sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. You may do so by contacting Assistant Corporate Secretary JoAnn Tallman at Union Bank, 20 Lower Main Street, Morrisville, VT 05661, or by calling her at (802) 888-6600.

What is a broker nonvote?

Under stock exchange rules and brokerage industry practices, a broker may generally vote the shares it holds for customers on routine matters, but requires voting instructions from the customer on other, nondiscretionary matters. A broker nonvote occurs when a broker votes less than all of the shares it holds of record for any reason, including with respect to nondiscretionary matters where customer instructions have not been received. The "missing" votes in such a case are broker nonvotes.

2

Election of directors at the annual meeting and an increase in the number of authorized shares of common stock are considered to be routine matters for purposes of a broker's discretionary voting authority.

What constitutes a quorum for purposes of the annual meeting?

The presence at the annual meeting in person or by proxy of the holders of a majority of the outstanding shares of common stock entitled to vote will constitute a quorum for the transaction of business. Proxies marked as "WITHHOLD AUTHORITY" on the election of directors or "ABSTAIN" on the proposal to increase the number of common shares (including proxies containing broker nonvotes) will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast.

If a matter is considered to be routine (such as an uncontested election of directors or the proposal to increase the number of common shares), broker nonvotes are counted for determining a quorum on that matter, since the broker is entitled to vote those shares under its discretionary authority. On any matter considered to be nonroutine, broker nonvotes would not be considered shares entitled to be voted by the broker without voting instructions from the beneficial owner, and therefore would not be counted in determining a quorum.

What vote is required to approve matters at the annual meeting?

The election of directors at the annual meeting requires the affirmative vote of a plurality of the votes cast. That means that the nominees who receive the highest number of vote totals for the number of vacancies to be filled will be elected as directors. Therefore, a vote to withhold authority for any nominee or the entire slate will not affect the outcome of the election unless there are more nominees than there are vacancies to be filled.

In order to be approved, the proposal to increase the number of authorized common shares, as well as any other matter that may be voted on at the meeting, would require that more votes be cast in favor of the proposal than against it. As noted above, management of the Company is not aware at this time of any matter that may be submitted to vote of the shareholders at the annual meeting other than the election of directors and an increase in the number of authorized common shares.

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

Do broker nonvotes affect the outcome of shareholder votes?

Broker nonvotes are not considered to be "votes cast." Because election of directors is by plurality vote, and approval of an increase in the number of authorized shares (and, if presented, any other matters) will be approved if more votes are cast for than against, broker nonvotes would not affect the outcome of any such shareholder vote. On some nonroutine matters, such as certain charter amendments and mergers, the applicable vote required to approve the matter may be based on a specified percentage of the outstanding shares. In such a case, broker nonvotes would have the same effect as a vote against the matter.

3

How does the Board recommend that I vote my shares?

The Board of Directors recommends that you vote (i) FOR the proposal to set the number of directors for the ensuing year at eight and to elect the eight nominees listed in this proxy statement; and (ii) FOR the proposal to amend the Company's Amended and Restated Articles of Association to increase the number of authorized shares from 5,000,000 to 7,500,000.

The proxy card gives you the ability to vote FOR, or WITHHOLD AUTHORITY from voting, as to the entire slate of directors, or as to individual nominee(s) and to vote FOR, AGAINST or to ABSTAIN from voting on the proposal to increase the number of authorized common shares. If you vote by proxy, your shares will be voted in the manner you indicate on the proxy card.

If you sign and return your proxy card but do not specify how you want your shares to be voted, the persons named as proxy holders on the proxy card will vote your shares FOR the entire slate of directors, and FOR the increase in the number of authorized shares, in accordance with the recommendations of the Board of Directors on any other matters that may be presented for vote of shareholders at the meeting.

How are proxies solicited?

Proxies are being solicited by mail. Proxies may also be solicited by directors, officers or employees of the Company or Union Bank, in person or by telephone, facsimile, or electronic transmission. Those individuals will not receive any additional compensation for such solicitation.

Who pays the expenses for soliciting proxies?

The Company pays the expenses for soliciting proxies for the annual meeting. These expenses include costs relating to preparation, mailing and returning of proxies. In addition, we may reimburse banks, brokers or other nominee holders for their expenses in sending proxy materials to the beneficial owners of our common stock.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and ten percent or more shareholders to file with the Securities and Exchange Commission ("SEC") reports of their ownership and changes in ownership of the Company's equity securities and to furnish the Company with copies of all such reports. Based solely on its review of copies of Section 16 reports received by it, or on written representations from certain reporting persons that no filings were required for them, the Company believes that during 2006 all Section 16(a) filing requirements applicable to its officers, directors and ten percent or more shareholders were complied with.

PROPOSAL 1: TO ELECT DIRECTORS

The Company's Amended and Restated Articles of Incorporation and By-laws provide for a Board of at least three directors, with the exact number to be fixed by the shareholders at each annual meeting. The Board of Directors currently consists of eight individuals and the Board has recommended that the shareholders again fix the number of directors for the ensuing year at eight, or such lesser number as circumstances require should any of the nominees be unable to serve. Each of the incumbent directors will stand for election to a one-year term.

The table below contains certain biographical information about each of the incumbent directors standing for re-election to the Board.

Directors' Compensation

Directors fees, committee fees and Advisory Board member fees are determined annually by the Company's Board of Directors for the Company and Union Bank. The appropriateness of the fees paid are reviewed on a periodic basis by the Compensation Committee or the Company Board based on published surveys and knowledge of other financial institutions. The annual increase in

7

the directors fees is normally the same percentage as the overall wage percentage increase for the Bank's employees.

All directors of the Company receive an annual retainer of \$7,375 but do not receive any fees for attendance at regular or special meetings of the Board. Directors who serve on the Company's Compensation Committee are paid annual retainers for their service of \$1,000 while the chair of the committee is paid

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

\$1,500. Directors who serve on the Company's Audit Committee are paid annual retainers for their service of \$1,000 while the chair is paid \$1,500, and all members of the Committee are paid a \$50 per meeting fee for regularly scheduled meetings (8 in 2006) and \$200 per meeting for unscheduled meetings (0 in 2006).

Each director of the Company also serves as a director of Union Bank. Nonemployee directors of Union Bank receive an annual retainer of \$5,689 and a per meeting fee of \$564. Nonemployee directors of the Bank who serve on the Bank's Trust Committee (the Bank Board's only committee) receive an annual retainer of \$1,000.

During 2006, Mr. Gibbons and Ms. Borck, who are full-time employees of the Bank, served as directors of both the Company and Union Bank, and received the annual retainer fee for serving on the Company's Board. Mr. Gibbons and Ms. Borck were not separately compensated for their service as directors of Union Bank nor, in the case of Ms. Borck, for her service as a member of the Bank's Trust Committee. All Company director fees paid to Mr. Gibbons and Ms. Borck are disclosed in the summary compensation table and footnotes contained elsewhere in this proxy statement under the caption "COMPENSATION DISCUSSION AND ANALYSIS- Summary Compensation Table."

Directors may also serve on one of the Bank's two advisory boards for the St. Johnsbury, Vermont or Littleton, New Hampshire region. Nonemployee directors who serve on either of these advisory boards receive a per meeting fee of \$250.

Company directors are eligible to participate in the Executive Nonqualified Excess Plan. The plan is a defined contribution plan to provide a means by which participants may elect to defer receipt of current compensation from the Company or its subsidiary in order to provide retirement or other benefits as selected in the individual adoption agreements. There were no nonemployee directors who chose to participate in the plan during 2006.

One nonemployee director is currently receiving annual payouts under the Company's old defined benefit Nonqualified Deferred Compensation Plan which was frozen for new members in 1998 and frozen for additional deferrals in 2004. The nonemployee director is entitled to future annual payments. No other nonemployee directors are participants in the plan. The Company has purchased insurance on the lives of the participants for the purpose of recouping in the future the benefit payments made under the plan.

The Company's nonemployee directors were not eligible to receive any other form of compensation during 2006. The following table contains the annual cash compensation paid to the Company's nonemployee directors during 2006:

Attendance at Directors' Meetings

During 2006, the Company's Board of Directors held 12 regular meetings and no special meetings. All incumbent directors attended at least 92% of the aggregate of all such meetings and meetings of Board committees of which they were members. In addition to serving on the Company's Board, all of the Company's incumbent directors also serve on the Board of Directors of Union Bank, which meets at least twice monthly.

Director Independence

The Board of Directors has determined that each of the directors, except Mr. Gibbons and Ms. Borck, who are executive officers of the Company and Union Bank, are independent within the meaning of American Stock Exchange (AMEX) rules for listed companies. Under these rules, a director is generally not considered to be independent if he or she has a material relationship with the listed company (including an employment relationship) that would interfere with the exercise of independent judgment.

Board Committees and Corporate Governance

As further described below, the Company's Board of Directors has two standing committees, the Audit Committee and the Compensation Committee. The Company does not have a standing nominating committee; rather, all independent directors on the Board serve the function of such a committee.

Audit Committee. The Audit Committee comprises directors Robert Rollins (Chair), Steven Bourgeois and Richard Marron. AMEX rules for listed companies and applicable securities laws require that the Company have an Audit Committee consisting of at least three directors, each of

9

whom is independent. AMEX rules also require that all members of a listed company's audit committee be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement, and require that at least one member of the committee qualify as "financially sophisticated," based on past employment experience in finance or accounting, professional accounting certification or other comparable experience or background. Similarly, SEC rules require that at least one member of the Audit Committee qualify as a "financial expert." The Board of Directors, in its discretion, and based on all of the information available to it, has determined that each of the members of the Audit Committee is independent under applicable legal standards and that Mr. Bourgeois, a former community bank President and Chief Executive Officer, is "financially sophisticated" within the meaning of the AMEX rules and is an "audit committee financial expert" within the meaning of applicable SEC rules.

The Audit Committee is responsible for selecting the independent auditors and determining the terms of their engagement, for reviewing the reports of the

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

Company's internal and external auditors, for monitoring the Company's adherence to accounting principles generally accepted in the United States of America and for overseeing the quality and integrity of the accounting, auditing and financial reporting practices of the Company and its system of internal controls. In addition, the Audit Committee has established procedures for the confidential reporting of complaints (including procedures for anonymous complaints by employees) on matters of accounting, auditing or internal controls.

During 2006, the Company's Audit Committee met 8 times. A report of the Audit Committee on its 2006 activities is included elsewhere in this proxy statement under the caption "AUDIT COMMITTEE REPORT." A copy of the Audit Committee's charter is attached to this proxy statement as Appendix A.

Compensation Committee. The Compensation Committee comprises directors Richard Sargent (Chair), Franklin Hovey, II and Robert Rollins. The Board has determined that each of such directors is independent under applicable AMEX rules for listed companies. The Compensation Committee evaluates, reviews and makes decisions or recommendations on executive salary levels, bonuses, stock option awards and benefit plans. The compensation Committee does not currently operate under a written charter but expects to develop one during 2007.

During 2006, the Compensation Committee met four times. A report of the Compensation Committee is set forth elsewhere in this proxy statement under the caption "COMPENSATION COMMITTEE REPORT."

Board Nominating Functions. In lieu of a separate committee, the functions of a nominating committee are performed by all of the Company's independent directors (all directors other than Mr. Gibbons and Ms. Borck, who are executive officers of the Company and Union Bank). The Board has elected not to establish a separate nominating committee at this time in order to obtain the widest possible input on the nominations process from all of the independent, nonmanagement directors.

10

The independent directors have adopted a resolution addressing the process for director nominations, including recommendations by shareholders and minimum qualifications for director nominees. In accordance with these criteria, directors and director candidates should possess the following attributes:

- o Strong personal integrity;
- o Previous leadership experience in business or administrative activities;
- o Ability and willingness to contribute to board activities, committees, and meetings;
- o Willingness to apply sound and independent business judgment;
- o Loyalty to the Company and concern for its success;
- o Awareness of a director's role in the Company's corporate citizenship and image;
- o Willingness to assume broad, fiduciary responsibility;
- o Familiarity with the Company's service area; and
- o Qualification as an independent director under applicable AMEX rules for listed companies.

In reviewing the composition of the Board and potential Board nominees, the directors are also mindful of the requirement that at least a majority of the directors must be independent under AMEX criteria for listed companies, and of the requirement under SEC rules and AMEX listed company criteria that at least one member of the Audit Committee must have the qualifications and skills necessary to be considered an "audit committee financial expert."

Shareholder Recommendations for Board Nominations.

Shareholders of record wishing to recommend individuals to the independent directors for consideration as possible director nominees should submit the following information, in writing, at least ninety days before the annual meeting of shareholders: the name, address and share ownership of the shareholder making the recommendation; the proposed nominee's name, address, biographical information and number of shares beneficially owned (if available); and any other information that the recommending shareholder believes may be pertinent to assist in evaluating the nominee. The information should be delivered in person to the Assistant Corporate Secretary, JoAnn Tallman, at the main office of Union Bank, 20 Lower Main Street, Morrisville, Vermont, or mailed to: Chairman, Union Bankshares, Inc., P.O. Box 1346, Morrisville, VT 05661. The independent directors will use the same criteria to evaluate an individual recommended by a shareholder as they do other potential nominees. The recommending shareholder will be notified of the action taken on his or her recommendation.

Any beneficial owner of shares who is not a shareholder of record who wishes to recommend a person for consideration as a board nominee must make appropriate arrangements with such owner's (record) nominee holder to submit the recommendation through such nominee.

During the course of evaluating a potential nominee, the independent directors may contact him or her for additional background and other information as they deem advisable, and may choose to interview the potential nominee in an effort to determine his or her qualifications under the specified criteria, as well as their understanding of director responsibilities. The independent directors will then determine if they will recommend the nominee to the shareholders. No person

11

will be nominated unless he or she consents in writing to the nomination and to being named in the Company's proxy statement and agrees to serve, if elected.

Codes of Ethics

The Board expects all of its directors, officers and employees to maintain the highest standards of professionalism and business ethics. All directors, officers and employees are required to adhere to the Company's Code of Ethics, which is contained in the Union Bank Employee Handbook. That Code of Ethics is filed with the SEC as exhibit 14.2 to the Company's 2006 Annual Report on Form 10-K. In addition, President and CEO Kenneth Gibbons and Vice President, Treasurer and CFO Marsha Mongeon are subject to a separate Code of Ethics for Senior Financial Officers and the Chief Executive Officer. That Code of Ethics is filed with the SEC as exhibit 14.1 to the Company's 2005 Annual Report on Form 10-K. The Company's Annual Reports on Form 10-K and other periodic reports are available on the SEC's website at www.sec.gov.

Attendance at Annual Meeting of Shareholders

The Board of Directors has adopted a policy stating that incumbent directors and nominees are expected to attend the Annual Meeting of Shareholders, absent exigent circumstances, such as illness, family emergencies and unavoidable business travel. Last year, all eight incumbent directors attended the annual meeting.

Communicating with the Board

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

Shareholders who wish to do so may communicate in writing with the Board of Directors, its committees, or individual directors regarding matters relating to the Company's business operations, financial condition or corporate governance. Any such communication should be addressed to the Board of Directors, or Board committee or individual director, as applicable, c/o Union Bankshares, Inc., P.O. Box 1346, Morrisville, VT 05661. The correspondence will be forwarded to the addressee for review and response, as appropriate in the circumstances.

Transactions with Management and Directors

Some of the incumbent directors and executive officers of the Company, and some of the corporations and firms with which these individuals are associated, are customers of Union Bank in the ordinary course of business, or have loans outstanding from such bank, and it is anticipated that they will continue to do business with Union Bank in the future. All loans to such persons or entities were made in the ordinary course of business, do not involve more than normal risk of collectibility or present other unfavorable features, and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions by Union Bank with unaffiliated persons, although directors were generally allowed the lowest interest rate given to others on comparable loans.

12

Compensation Committee Interlocks and Insider Participation

The Company is not aware of the existence of any interlocking relationships between the senior management of the Company and that of any other company.

Vote Required

Unless authority is withheld, proxies solicited hereby will be voted to fix the number of directors at eight and in favor of each of the eight nominees listed above to serve a one-year term expiring at the 2008 annual meeting of shareholders, or until their successors are elected and qualify. If for any reason not now known by the Company any of such nominees should not be able to serve, proxies will be voted for a substitute nominee or nominees designated by the Board of Directors, or will be voted to fix the number of directors at fewer than eight and for fewer than eight nominees, as the Board may deem advisable in its discretion.

Election of directors is by a plurality of the votes cast.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 1.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors ("Board"), a copy of which is included as an appendix to this proxy statement, the Audit Committee of Union Bankshares, Inc. (the "Company") assists the board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company.

The Audit Committee consists of Mr. Rollins (Chair), Mr. Marron and Mr. Bourgeois. The Board of Directors has determined that Mr. Bourgeois is an audit committee financial expert as defined by the SEC and that all members of the Audit Committee are independent within the meaning of AMEX listing standards and SEC regulations.

The Audit Committee's responsibility is one of oversight. Members of the Audit

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

Committee rely on the information provided and the representations made to them by management and the independent auditor. Management has primary responsibility for establishing and maintaining appropriate internal controls over financial reporting, and for the Company's financial statements and periodic reports filed with the SEC. To aid management in the discharge of these responsibilities, the Company has a Disclosure Control Committee of which Mr. Bourgeois is a member. The independent auditor is responsible for auditing the financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB), and for issuing an opinion thereon. In 2006, the Company was not subject to Section 404 of the Sarbanes-Oxley Act of 2002 governing internal controls, but expects to fall under these provisions in 2007. In anticipation of reporting under Section 404, management has discussed compliance requirements and the time frame for adherence to the Act with the Audit Committee and the Company's independent auditors.

The Audit Committee has reviewed and discussed the Company's December 31, 2006 audited consolidated financial statements with management and with the Company's independent auditors. Specifically, the Committee has discussed with the independent auditors the matters required under

13

Statement on Auditing Standards ("SAS") No. 61 "Communications with Audit Committees", as amended. The Audit Committee has received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with the independent auditors their independence. The Committee has determined that the services performed by UHY, LLP, are compatible with maintaining that firm's independence in connection with serving as the Company's independent auditors. A description of the fees billed to the Company for the services of the independent auditors for 2006 reporting is included in the proxy statement under the caption "INDEPENDENT AUDITORS."

Relying on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC.

The Committee has approved the selection of UHY, LLP as the Company's independent auditors for 2007.

Pursuant to the rules and regulations of the SEC, neither the foregoing Audit Committee Report nor, the Compensation Committee Report shall be deemed to be filed with the SEC for purposes of the Securities Exchange Act of 1934, nor shall any such material be deemed to be incorporated by reference in any past or future filing by the Company under the Securities Exchange Act of 1934 or the Securities Act of 1933, as amended.

14

PROPOSAL 2: TO INCREASE THE AUTHORIZED COMMON STOCK

The Board of Directors voted on March 21, 2007 to recommend a proposed increase in the Company's authorized common stock, \$2.00 par value per share, from 5,000,000 to 7,500,000 shares. The Board believes that the additional shares will provide the Company with desirable corporate and strategic flexibility by ensuring the prompt availability of shares for issuance should the opportunity or need arise in the future. Additional uses for the authorized shares could include, for example, stock dividends and splits, raising additional capital, making future acquisitions of banks, branches or banking related businesses or assets, attracting or retaining valuable employees through stock options and other stock-based compensation arrangements, and issuing stock in connection with dividend reinvestment or stock purchase plans, should such plans be adopted in the future. Corporate opportunities may arise from time to time that require prompt action, and the Board believes that the delay and expense of obtaining shareholder approval of an increase in authorized shares could in some circumstances be detrimental to the interests of the Company and its shareholders.

At this time the Company has no commitments, plans, agreements or undertakings obligating it to issue any shares to anyone, except that 61,525 shares remain reserved for future issuance under the Company's 1998 Incentive Stock Option Plan. However, because the Incentive Stock Option Plan expires in 2008 and options for only 16,075 shares are currently outstanding, it is unlikely that all, or even most, of the remaining shares will actually be issued pursuant to the plan.

Under Vermont law, the Board of Directors generally may issue authorized but unissued shares of common stock without shareholder approval. However, depending on the circumstances of a particular issuance, shareholder approval may be required by applicable law, AMEX rules or the Company's Amended and Restated Articles of Association or By-laws then in effect. Even if shareholder approval were not otherwise required, the Board in its discretion might nevertheless deem it advisable to seek shareholder approval in connection with a particular stock issuance or transaction involving a stock issuance.

Although the Board has no present intention of doing so, shares of authorized and unissued common stock could be issued in one or more transactions that would make removal of the Board and management, or takeover of the Company more difficult. For example, additional shares could be issued to dilute the stock ownership of a person seeking to obtain control of the Company or could be privately placed with purchasers who would support the Company's Board in opposing a hostile takeover attempt. The availability of shares for issuance under these circumstances could have the effect of deterring an offer for the Company at a substantial premium over the prevailing trading price of the Company's common stock. The Company's Amended and Restated Articles of Association and By-laws currently contain provisions that may have such an effect, including provisions requiring a 67% vote of shareholders to approve certain mergers, consolidations and other business combinations.

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

The additional authorized shares of the Company's common stock, if and when issued, will have all of the rights and privileges that the presently outstanding shares of such common stock possess. All outstanding shares would continue to have one vote per share on all matters to be voted on by the shareholders, including the election of directors. The Company does not have any other authorized class of capital stock.

Shareholders do not have dissenters' rights of appraisal in connection with the proposed amendment.

The full text of the proposed amendment to the Company's Articles is as follows:

15

To amend Section 7 of the Amended and Restated Articles of Association of Union Bankshares, Inc. to read in full as follows:

7. Capital Stock. The aggregate number of shares the Corporation shall have the authority to issue shall be seven million five hundred thousand (7,500,000) having a par value of two dollars (\$2.00) per share.

Vote Required

Approval of the proposed increase in the Company's authorized common stock will require that more votes are cast "FOR" the proposal than "AGAINST" it.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2.

INDEPENDENT AUDITORS

The independent registered accounting firm of UHY LLP ("UHY") has served as the Company's independent auditor since its first appointment by the Audit Committee on November 17, 2004, and the Audit Committee has selected UHY as the Company's independent auditor for 2007.

A representative of UHY will be present at the annual meeting and will be given the opportunity to make a statement if he/she so desires and will be available to respond to appropriate questions.

Through the date of this proxy statement filing, UHY had a continuing relationship with UHY Advisors NY, Inc. ("Advisors") from which it leased auditing staff who were full time, permanent employees of Advisors and through which UHY's partners provide non-audit services. UHY has only a few full time employees. Therefore, few, if any, of the audit services performed were provided by permanent full-time employees of UHY and virtually all of such services were performed by employees of Advisors, on behalf of UHY. UHY manages and supervises the audit services and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

Audit Fees

Aggregate fees billed for professional services rendered to the Company by UHY and/or Advisors for the years ended December 31, 2006 and 2005, were as follows:

Services Provided	2006	2005
Audit	\$ 84,750	\$71,750
Audit Related	15,316	11,350
Tax	8,850	10,810
All Other	0	0
Total	\$108,916	\$93,910

The Audit fees for each of the two years shown in the table were for the audits of the annual consolidated financial statements of the Company included in the Company's annual report on Form 10-K and review of quarterly financial statements included in the Company's quarterly reports on Form 10-Q, filed with the SEC.

The Audit Related fees for each of the two years shown in the table were for assurance and related services relating to Union Bank's trust operations. Audit related fees for 2006 and 2005 also include fees paid for assistance relating to implementation of various provisions of the Sarbanes-Oxley Act of 2002 and attendance at shareholder and disclosure control committee meetings.

Tax fees for each of the two years shown in the table were for services related to tax compliance, including the preparation of tax returns, review of estimates, consulting and tax planning, and tax advice.

17

Audit Committee Pre-Approval Guidelines

Edgar Filing: UNION BANKSHARES INC - Form PRE 14A

All audit and non-audit services provided by UHY or Advisors during the preceding two fiscal years were approved in advance by the Audit Committee. The Audit Committee has adopted Pre-Approval Guidelines relating to the provision of audit and non-audit services by the Company's external auditors. Under these Guidelines, the Audit Committee pre-approves both the type of services to be provided by the external auditor and the estimated fees related to these services. During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the auditor. The services and fees must be compatible with the maintenance of the auditor's independence, including compliance with SEC rules and regulations.

In order to ensure timely review and approval, the Committee has delegated to the Chair of the Committee the authority to amend or modify the list of pre-approved services and fees, subject to prompt reporting to the full Committee of action taken pursuant to such delegated authority.

SHAREHOLDER PROPOSALS

Under SEC rules, management of the Company will be permitted to use its discretionary authority conferred in the proxy card for the annual meeting to vote on a shareholder proposal even if the proposal has not been discussed in the Company's proxy statement, unless the shareholder-proponent has given timely notice to the Company of his or her intention to present the proposal at the meeting. In order to be considered timely for consideration at the 2008 annual meeting, the shareholder-proponent must have furnished written notice to the Company of the proposal no later than March 4, 2008.

If a shareholder seeks to have his or her proposal included in the Company's proxy materials for the annual meeting, the notification deadline is earlier than noted in the preceding paragraph. In order to be eligible for inclusion in the Company's proxy material for the 2008 annual meeting, shareholder proposals must be submitted in writing to the Secretary of the Company no later than December 18, 2007 and must comply in all respects with applicable SEC rules relating to such inclusion. Any such proposal will be omitted from or included in the proxy material at the discretion of the Board of Directors, subject to such SEC rules.

OTHER MATTERS

As of the date of this proxy statement, management knows of no business expected to be presented for action at the annual meeting, except as set forth above. If, however, any other business should properly come before the meeting, the persons named in the enclosed proxy form will vote in accordance with the recommendations of management.
