2010. The Panel stated that it agreed with the determination of the staff of the compliance department of the Exchange that the Corporation does not meet the Exchange's requirement of at least \$6.0 million of stockholders' equity and the Company is currently financially impaired given its default under numerous obligations and working capital deficit.

The Corporation may request a review by the full Committee on Securities within 15 calendar days from November 10, 2010, however, such a request will not operate as a stay of the Panel's decision. The Exchange has informed the Corporation, therefore, that it will suspend trading in the Corporation's common stock as soon as practicable in accordance with the Exchange's Company Guide (the "Company Guide") and will file an application with the Securities and Exchange Commission to strike the Corporation's Common Stock from listing and registration on the Exchange when and if authorized in accordance with the Company Guide.

The Corporation is currently considering all of its options in light of the Panel's decision, including but not limited to, requesting that the full Committee on Securities review the decision of the Panel.

On November 12, 2010, the Corporation issued a press release disclosing the Corporation's receipt of the letter and the other matters discussed herein. A copy of the press release is attached as Exhibit 99.1 hereto and incorporated herein by reference.
