Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) Executive Compensation Matters:

On January 21, 2019, Trinity Industries, Inc. (the "Company") (upon the recommendation of the Human Resources Committee of the Board of Directors) entered into a new Change in Control Agreement ("CIC Agreement") with Timothy R. Wallace, the Company's Chairman, Chief Executive Officer, and President and other senior executives, including James E. Perry and S. Theis Rice, who are named executive officers set forth in the Company's Definitive Proxy Statement dated April 6, 2018. These agreements replace in their entirety the Change in Control Agreements ("Prior Agreement") previously entered into between the Company and these named executive officers. The Prior Agreements are terminated and of no further force and effect. The form of the Prior Agreement was previously filed as Exhibit 10.1 to the Company's Form 8-K filed on December 31, 2013. A copy of the form of CIC Agreement is attached hereto as Exhibit 10.1 and is incorporated by reference.

The terms of the CIC Agreement are substantially the same as those of the Prior Agreement, with the exception of the primary changes outlined below. The description of the CIC Agreement contained herein does not purport to be complete and is qualified in its entirety by reference to the form of CIC Agreement attached as Exhibit 10.1 hereto.

- The Prior Agreement had an evergreen renewal provision. The CIC Agreement eliminates this evergreen provision, and instead provides for a fixed three-year term, with renewal at Company's election and notice.

The Prior Agreement provided for single trigger vesting of outstanding equity and extension of the exercise period of certain equity awards upon the occurrence of a change in control. The CIC Agreement retains these provisions, but only applies them to awards granted prior to the effective date of the CIC Agreement, and provides that awards granted after the effective date will vest only upon a double-trigger (i.e., a termination of employment without cause or for good reason within two years following a change in control).

The Prior Agreement provided that severance payments would equal a multiple of the executive's base salary and the average bonus earned with respect to the three most recently completed full fiscal years (or, if the executive had not been employed for three years, all completed fiscal years that the executive was employed). Severance benefits under the CIC Agreement are a multiple of (i) the executive's base salary, plus (ii) the target annual bonus in effect as of the change in control, or if higher, at the time of termination. The severance multiple for Messrs. Perry and Rice was reduced to two times the relevant amount. The severance multiple remained at three times the relevant amount for Mr. Wallace.

The CIC Agreement reduces the subsidized post-termination health and welfare continuation coverage from 36-months to 24-months.

The CIC Agreement provides that the acceleration of vesting of retirement and deferred compensation benefits under the Company's nonqualified retirement and deferred compensation plans are now subject to a double-trigger (i.e., a termination of employment without cause or for good reason within two years following a change in control).
