Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Intuitive Surgical, Inc.'s Amended and Restated Certificate of Incorporation provides that to the fullest extent permitted by the Delaware General Corporation Law, a director of Intuitive Surgical, Inc. shall not be personally liable to Intuitive Surgical, Inc. or its stockholders for monetary damages for breach of fiduciary duty as a director. Under current Delaware law, liability of a director may not be limited (i) for any breach of the director's duty of loyalty to Intuitive Surgical, Inc. or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock redemptions or repurchases and (iv) for any transaction from which the director derives an improper personal benefit. The effect of the provision of Intuitive Surgical, Inc.'s Amended and Restated Certificate of Incorporation is to eliminate the rights of Intuitive Surgical, Inc. and its stockholders (through stockholders' derivative suits on behalf of Intuitive Surgical, Inc.) to recover monetary damages against a director for breach of the fiduciary duty of care as a director (including breaches resulting from negligent or grossly negligent behavior) except in the situations described in clauses (i) through (iv) above. This provision does not limit or eliminate the rights of Intuitive Surgical, Inc. or any stockholder to seek nonmonetary relief such as an injunction or rescission in the event of a breach of a director's duty of care. In addition, Intuitive Surgical, Inc.'s Amended and Restated Certificate of Incorporation provides that Intuitive Surgical, Inc. shall indemnify to the fullest extent permitted by law its directors, officers and employees and persons serving at any other enterprise as a director, officer or employee at Intuitive Surgical, Inc.'s request against losses incurred by any such person by reason of the fact that such person was acting in such capacity.

In addition, Intuitive Surgical, Inc. has entered into agreements with certain directors and officers of Intuitive Surgical, Inc. pursuant to which Intuitive Surgical, Inc. has agreed to indemnify such persons against expenses (including attorneys' fees), judgments, fines and certain amounts paid in settlement actually and reasonably incurred by such indemnified person if such person is or was a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such indemnified person is or was a director, officer, employee or agent of Intuitive Surgical, Inc. or any subsidiary of Intuitive Surgical, Inc., due to any action or inaction on the part of the indemnified person while an officer or director, or because the indemnified person is or was serving at the request of Intuitive Surgical, Inc. as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, so long as such indemnified person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of Intuitive Surgical, Inc. and, with respect to any criminal action or proceeding, if such indemnified person had no reasonable cause to believe his or her conduct was unlawful. The agreements also provide that such indemnified persons will be entitled to an advance of expenses to meet the obligations indemnified against as set forth above.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided

, *however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at termination of the offering.

(b) The registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
