PROXY STATEMENT OF CITIZENS FIRST FINANCIAL CORP.

PROSPECTUS OF MAIN STREET TRUST, INC.

Merger Proposed Your Vote is Very Important

The boards of directors of Main Street Trust, Inc. and Citizens First Financial Corp. have approved a merger agreement that would result in Main Street's acquisition of Citizens.

In the transaction, subject to the limitations described in this document, stockholders of Citizens will have the election to receive shares of common stock of Main Street, cash or a combination of both in exchange for their shares of Citizens stock.

Citizens stockholders will be entitled to receive either \$35.00 in cash or 1.1051 shares of Main Street common stock for each share of Citizens common stock they own. Because the exchange ratio of 1.1051 shares of Main Street common stock is fixed, the total value of the merger consideration that Citizens stockholders will receive in the merger will fluctuate as the price of Main Street common stock changes. We encourage Citizens' stockholders to obtain current market price quotations for Main Street common stock.

Main Street common stock is traded on the over-the-counter bulletin board under the symbol "MSTI.OB." The closing price of Main Street common stock on January 21, 2005, was \$29.50. Citizens common stock is traded on the Nasdaq National Market System under the symbol "CFSB." The closing price of Citizens common stock on January 21, 2005, was \$32.75.

To complete this merger, Main Street must obtain regulatory approvals and Citizens must obtain the approval of its stockholders. Citizens will hold a special meeting to vote on the merger agreement and the transactions it contemplates. **Your vote is very important.** Whether or not you plan to attend the special meeting, please take the time to vote by completing and mailing the enclosed proxy card.

For a description of the significant considerations in connection with the merger and related matters described in this document, see "Risk Factors" beginning on page 21.

We encourage you to read this entire document carefully. This proxy statement-prospectus gives you detailed information about the merger, and it includes a copy of the merger agreement as Appendix A.

Sincerely,

C. William Landefeld
President and Chief Executive Officer of

Citizens First Financial Corp.

QUESTIONS AND ANSWERS ABOUT ELECTING THE FORM OF MERGER CONSIDERATION

Q: What will I receive in the merger?

A: You will be entitled to receive either \$35.00 in cash or 1.1051 shares of Main Street common stock for each share of Citizens common stock that you own at the effective time of the merger.

If you own fewer than 100 shares of Citizens common stock, you will automatically receive cash for all of your shares. If you own 100 or more shares of Citizens common stock, you will be able to elect the form of consideration you would like in the merger, subject to the limitations described in this document. You have the option to choose Main Street common stock, cash, or a combination of both. If you elect to receive Main Street common stock, you will receive 1.1051 shares of Main Street for each of your shares of Citizens common stock. If you elect to receive cash, you will receive \$35.00 for each of your shares of Citizens common stock. You may also elect to receive a combination of Main Street common stock and cash, except that you may not elect to receive stock in exchange for fewer than 100 shares of your Citizens common stock.

All stockholder elections are subject to the requirement that 50% of all Citizens shares must be converted into the right to receive Main Street common stock and 50% of all Citizens shares must be converted into the right to receive cash. The merger agreement gives Main Street the right to modify your election to satisfy this 50% stock and 50% cash requirement. Therefore, depending on elections made by other stockholders, you may ultimately receive more or fewer shares of Main Street common stock or more or less cash than you otherwise elected to receive.

If you fail to make a timely election, you will be allocated cash and/or shares as needed to satisfy the overall 50% stock and 50% cash requirement discussed above.

Because the exchange ratio of 1.1051 shares of Main Street common stock per share of Citizens common stock is fixed, the value of the stock consideration will fluctuate as the price of Main Street common stock changes. You should obtain current market price quotations for Main Street common stock to determine the current value of the stock consideration.

Q: How do I elect the form of payment I will receive in the merger?

A: Shortly after the merger, you will receive a form in the mail with written instructions on how to elect the form of payment you want receive in the merger.

Because a fixed amount of 50% of the outstanding shares of Citizens common stock must be converted into cash, including any appraisal shares, stockholders may receive, through a proration procedure described in this document, less cash and more shares of Main Street common stock than they originally anticipated. Similarly, because a fixed amount of 50% of the Citizens common stock must be converted into Main Street common stock, stockholders may receive fewer shares and more cash than they originally anticipated.

Completed election forms must be returned to Main Street Bank & Trust, which is serving as the exchange agent in this transaction, on or before 5:00 p.m., Champaign, Illinois time, on May 27, 2005.

Q: How do I exchange my Citizens stock certificates?

A: With the election form, a letter of transmittal, which will include instructions on where to surrender your stock certificates for exchange, will be mailed to you. The exchange agent will allocate cash and Main Street common stock among Citizens' stockholders in accordance with the terms of the merger agreement and will transmit the merger consideration to the former Citizens stockholders.

Q: Whom should I call with questions?

A: You should contact:

SUMMARY

This brief summary highlights selected information from this proxy statement-prospectus and does not contain all of the information that is important to you. We urge you to carefully read this entire document and the other documents we refer to in this document. These will give you a more complete description of the transaction we are proposing. For more information about Main Street and Citizens, see "Where You Can Find More Information." We have included page references in this summary to direct you to other places in this proxy statement-prospectus where you can find a more complete description of the topics we have summarized.

General

This proxy statement-prospectus relates to the proposed acquisition of Citizens by Main Street. Main Street and Citizens believe that the acquisition will enhance stockholder value by allowing Citizens stockholders to receive Main Street common stock and cash in exchange for their shares of Citizens common stock and by permitting Main Street to expand its presence with the addition of new markets in Illinois.

The Companies

(pages 67 and 68)

Main Street Trust, Inc.
100 W. University Avenue
Champaign, Illinois 61824
(217) 351-6500

Citizens Acquisition LLC is a Delaware limited liability company and a wholly-owned subsidiary of Main Street. Citizens Acquisition LLC was formed solely for the purpose of completing the merger, and has not had any operations to date other than those incidental to the merger agreement.

Citizens First Financial Corp.
2102 North Veterans Parkway
Bloomington, Illinois 61704
(309) 661-8700

Citizens, a Delaware corporation, is a thrift holding company. Through Citizens Savings Bank, an Illinois state savings bank, Citizens conducts a range of commercial and personal banking activities from five locations throughout central Illinois. At September 30, 2004, Citizens reported, on a consolidated basis, total assets of \$327.1 million, deposits of \$231.4 million and stockholders' equity of \$34.2 million.

Special Meeting

(pages 24 and 25)

A special meeting of Citizens stockholders will be held on March 8, 2005, at 10:00 a.m., local time, at The Chateau, 1601 Jumer Drive, Bloomington, Illinois. At the special meeting, stockholders will be asked:

to adopt the merger agreement and approve the transactions it contemplates; and

to act on other matters that may properly be submitted to a vote at the meeting.

Record Date; Vote Required

(pages 24 and 25)

You may vote at the meeting of Citizens' stockholders if you owned Citizens common stock at the close of business on January 17, 2005. You can cast one vote for each share of Citizens common stock that you owned at that time. To adopt the merger agreement and approve the transactions it contemplates, the holders of a majority of the outstanding voting shares of Citizens as of the record date must vote in favor of

doing so.

You may vote your shares in person by attending the meeting or by mailing us your proxy if you are unable to or do not wish to attend. You can revoke your proxy at any time before Citizens takes a vote at the meeting by submitting a written notice revoking the proxy or a later-

dated proxy to the secretary of Citizens, or by attending the meeting and voting in person.

Authority to Adjourn Special Meeting to Solicit Additional Proxies

(page 25)

Citizens is asking its stockholders to grant full authority for the special meeting to be adjourned, if necessary, to permit solicitation of additional proxies to approve the transactions proposed by this proxy statement-prospectus.

Appraisal Rights

(page 25)

As more fully described beginning on page 25, under Delaware law, Citizens stockholders have the right to demand appraisal of his or her shares and receive the fair value of their shares of Citizens common stock in cash.

To demand appraisal and receive the fair value of their shares, Citizens stockholders must follow the procedures outlined in *Appendix C*.

If you demand appraisal of your shares and the conditions outlined in *Appendix C* are met, your shares of Citizens common stock will not be converted into the right to receive the consideration provided in the merger agreement. Instead, your only right will be to receive the fair value in cash of your Citizens shares as determined by mutual agreement between you and Main Street or by appraisal of a court if you are unable to agree. You should be aware that submitting a signed proxy card without indicating a vote with respect to the merger will be deemed a vote "FOR" the merger and a waiver of your appraisal rights. A vote "AGAINST" the merger does not dispense with the other requirements for exercising appraisal rights under Delaware law.

The fair value *may be more or less* than the consideration you would have received under the terms of the merger agreement. If you demand appraisal of your shares and you complete the process of having a court determine the fair value of your shares in accordance with Delaware law, the amount you are awarded could be less than the value of the cash and shares of Main Street common stock that you would have received in the merger.

Recommendation to Stockholders

(page 27)

Citizens' board of directors believes that the merger agreement and the merger are fair to you and in your best interests, and unanimously recommends that you vote "FOR" the proposal to adopt the merger agreement and approve the transactions it contemplates.

Share Ownership of Citizens' Directors

(page 25)

On the record date, Citizens' directors owned 232,250 shares, or approximately 14.82% of the outstanding shares of Citizens common stock. Citizens' directors have agreed to vote their shares to approve the merger agreement and the transactions it contemplates. However, because they own only approximately 14.82% of the outstanding shares of Citizens common stock, there is no assurance that the proposal will be approved.

The Merger

(page 28)

We have attached a copy of the merger agreement to this document as Appendix A. Please read the merger agreement. It is the legal document that governs the merger.

We propose a combination in which Citizens will merge with and into a wholly-owned subsidiary of Main Street. The surviving entity will immediately liquidate, leaving Main Street as the direct owner of Citizens Savings Bank. We expect to complete the merger in the second quarter of 2005, although delays could occur.

What You Will Receive in the Merger

(page 28)

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

Citizens stockholders will have the right to receive, for each share of Citizens common stock that they own as of the effective time of the merger, either 1.1051 shares of Main Street common stock or \$35.00 in cash.

Subject to the limits described below, you are able to elect the form of consideration that you would like to receive as a result of the merger. You have the option to choose Main Street common stock, cash, or a combination of both. However, if you hold less than 100 shares of

Citizens common stock, you cannot make an election and will automatically receive only cash. In addition, if you elect to receive a combination of stock and cash, you may not elect to receive stock in exchange for fewer than 100 shares of your Citizens common stock.

All stockholder elections are subject to the requirement that 50% of all Citizens shares must be converted into the right to receive Main Street common stock and 50% of the Citizens shares must be converted into the right to receive cash. The merger agreement gives Main Street the right to modify your election to satisfy this 50% stock and 50% cash requirement. Therefore, depending on elections made by other stockholders, you may ultimately receive more or fewer shares of Main Street or more or less cash than you otherwise elected to receive.

If you fail to make a timely election, you will be allocated cash and/or shares as needed to satisfy the overall 50% stock and 50% cash requirements discussed above.

Because the exchange ratio of 1.1051 shares of Main Street common stock is fixed, the value of the stock portion of the merger consideration will fluctuate as the price of Main Street common stock changes. You should obtain current market price quotations for Main Street common stock to determine the current value of the stock portion of the merger consideration.

Exchange of Stock Certificates

(pages 29 and 30)

On or shortly after the effective date of the merger, Citizens stockholders who own 100 or more shares will receive a letter and instructions on how to make an election and how to surrender their stock certificates representing Citizens common stock in exchange for cash and/or Main Street stock certificates. Citizens stockholders who own less than 100 shares will receive a letter and instructions on how to surrender their stock certificates for cash. You must carefully review and complete these materials and return them as instructed along with your Citizens Common stock certificates. **Please do not send any stock certificates to Main Street or Citizens until you receive these instructions.**

Ownership After the Merger

(page 29)

Assuming that the maximum 1,761,311 shares of Citizens common stock are exchanged in the merger, Main Street will issue 973,212 shares of its common stock and \$30,822,942.50 in cash to Citizens stockholders in the merger. Based on the number of outstanding shares of Main Street common stock at January 21, 2005, this would constitute approximately 10.3% of the outstanding common stock of Main Street immediately following the merger.

Effective Time of the Merger

(page 30)

The merger will become final when a certificate of merger is filed with the Secretary of State of the State of Delaware. If Citizens' stockholders approve the merger at their special meeting, and if Main Street obtains all required regulatory approvals, we anticipate that the merger will be completed in the second quarter of 2005, although delays could occur.

We cannot assure you that we can obtain the necessary stockholder and regulatory approvals or that the other conditions to completion of the merger can or will be satisfied.

Federal Income Tax Consequences

(page 31)

The merger will be tax-free for federal income tax purposes to Citizens stockholders who receive solely Main Street shares in the merger. For Citizens stockholders who receive cash in exchange for any of their Citizens shares or for those stockholders who receive cash for fractional shares, the cash received will either be characterized as a dividend (to the extent of Citizens' earnings and profits) for U.S. federal income tax purposes or it will be characterized as a payment in exchange for stock. Because the determination of each stockholder's tax treatment is highly dependent upon that stockholder's specific facts and relationships with other stockholders, it is not possible to reach any general conclusions with respect to this issue.

Reasons for the Merger

(pages 36 and 37)

Main Street. The Main Street board of directors believes that the merger will enhance stockholder value by increasing the capability to offer a full range of financial products and services in many of central Illinois' most attractive markets.

Citizens. The Citizens board of directors believes that the merger with Main Street is consistent with Citizens' goal of enhancing stockholder value. In addition, the Citizens board of directors believes that the customers and communities served by Citizens will benefit from the merger.

You can find a more detailed discussion of the background of the merger and Main Street's and Citizens' reasons for the merger in this document under "Description of Transaction Background of the Merger" beginning on page 34, " Main Street's Reasons for the Merger" beginning on page 36 and " Citizens' Reasons for the Merger and Board Recommendation" beginning on page 37.

The discussion of our reasons for the merger includes forward-looking statements about possible or assumed future results of our operations and the performance of the combined company after the merger. For a discussion of factors that could affect these future results, *see* "A Warning About Forward-Looking Statements" on page 22.

Opinion of Financial Advisor

(page 38)

In deciding to approve the merger, Citizens' board of directors considered the opinion of Sandler O'Neill & Partners, L.P. dated November 7, 2004, that (subject to the assumptions and limitations on review set forth in the opinion) the merger consideration to be received by Citizens' stockholders is fair, from a financial point of view to those stockholders. The full text of this opinion is attached to this document as *Appendix B*. You are encouraged to read this opinion carefully and in its entirety.

Sandler O'Neill acted as financial advisor to Citizens in connection with the merger and will receive a fee of approximately \$560,000 (based upon the closing price of Main Street's common stock on January 21, 2005) in connection therewith, a substantial portion of which is contingent and payable upon closing of the merger. Sandler O'Neill has also received a fee of \$100,000 in connection with rendering its opinion. This fee will be credited against that portion of the transaction fee payable upon closing of the merger.

Conditions to Completion of the Merger

(page 50)

The completion of the merger depends on a number of conditions being met. Subject to exceptions described in the merger agreement, these include:

accuracy of the respective representations and warranties of Main Street and Citizens in the merger agreement;

compliance in all material respects by each of Main Street and Citizens with their respective covenants and agreements in the merger agreement;

approval of regulatory authorities;

approval of the merger agreement by Citizens' stockholders;

receipt by each of us of an opinion that, for federal income tax purposes, Citizens stockholders who exchange their shares for shares of common stock of the combined company will not recognize any gain or loss as a result of the merger, except in connection with the receipt of cash in exchange for shares of Citizens common stock and the payment of cash instead of fractional shares, or the payment of cash resulting from the exercise of appraisal rights (this opinion will be subject to various limitations and we recommend that you read the more detailed description of tax consequences provided in this document beginning on page 31); and

the absence of any injunction or legal restraint blocking the merger, or of any proceedings by a government body trying to block the merger.

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

A party to the merger agreement could choose to complete the merger even though a condition to its obligation has not been satisfied, as long as the law allows it to do so. We cannot be certain when or if the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Termination and Termination Fees

(page 52)

The parties can mutually agree at any time to terminate the merger agreement without completing the merger. Also, either party can decide, without the consent of the other, to terminate the merger agreement if the merger has not been completed by September 7, 2005, unless the failure to complete the merger by that time is due to a violation of the merger agreement by the party that wants to terminate the merger agreement.

In addition, either Main Street or Citizens can terminate the merger agreement if the conditions to its respective obligation to complete the merger have not been satisfied. Main Street may terminate the agreement if environmental investigations indicate the presence of material adverse environmental conditions that cannot be removed or remediated at a cost of \$250,000 or less. Citizens is also permitted to terminate the agreement if the average trading price of Main Street falls below \$26.92 and if Main Street's stock does not perform as well as that of selected bank holding companies, provided that Main Street does not elect to adjust the consideration in such a way that the per share value of the merger consideration is equal to at least \$29.75.

Either Main Street or Citizens may be required to pay the other party a termination fee if the merger agreement is terminated due to certain circumstances outlined in the merger agreement. For a discussion of these conditions and fees, *see* "Description of the Transaction Termination and Termination Fees."

Waiver and Amendment

(page 54)

Main Street and Citizens may jointly amend the merger agreement and either party may waive its right to require the other party to adhere to any term or condition of the merger agreement. However, neither may do so after Citizens' stockholders approve the merger, if the amendment or waiver would materially and adversely affect the rights of Citizens' stockholders.

Regulatory Approvals

(page 54)

We cannot complete the merger unless it is approved by the Federal Reserve Board and the Illinois Department of Financial and Professional Regulation. Once the Federal Reserve Board approves the merger, we have to wait anywhere from 15 to 30 days before we can complete the merger, during which time the U.S. Department of Justice can challenge the merger on antitrust grounds.

Main Street has filed all of the required applications or notices with the Federal Reserve Board and the Illinois Department of Financial and Professional Regulation.

Management and Operations After the Merger

(page 55)

Following the merger, Citizens Acquisition LLC, the surviving entity in its merger with Citizens, will dissolve, leaving Main Street as the direct holding company of Citizens Savings Bank. The directors and officers of Main Street will remain the same as they were prior to the merger.

Interests of Certain Persons in the Merger

(page 55)

Some of Citizens' directors and officers have interests in the merger that differ from, or are in addition to, their interests as stockholders in Citizens, as described beginning on page 55.

The members of Citizens' board of directors knew about these additional interests and considered them when they approved the merger agreement and the transactions it contemplates.

Accounting Treatment

(page 58)

The merger will be accounted for as a "purchase transaction" in accordance with accounting principles generally accepted in the United States.

Expenses

(page 58)

Comparative Per Share Data

The pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect these expenses or benefits and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have actually been had our companies been combined as of the dates or for the periods presented.

RISK FACTORS

By voting in favor of the merger, Citizens stockholders will be choosing to invest in Main Street's common stock to the extent they receive Main Street common stock in exchange for any portion of their shares of Citizens common stock. In addition to the information contained elsewhere in this proxy statement-prospectus or incorporated in this proxy statement-prospectus by reference, as a stockholder of Citizens, you should carefully consider the following factors in making your decision as to how to vote on the merger.

The exchange ratio is fixed and will not be adjusted to reflect changes in Main Street's stock value prior to the effective time of the merger.

The merger agreement provides that each share of Citizens common stock will be converted into either 1.1051 shares of Main Street common stock or \$35.00 cash. With respect to the stock portion of this consideration, the exchange ratio of 1.1051 shares of Main Street stock per share of Citizens stock is fixed and will not be adjusted to reflect any changes in the value of Main Street common stock between the date of the merger agreement and the effective time of the merger, except in the limited circumstance described below. As a result, the precise value of the total merger consideration to be paid to Citizens' shareholders will not be known at the time of the Citizens special meeting. Moreover, the value of Main Street common stock may also rise or fall after the merger. Stock price changes may result from a variety of factors, including completion of the merger, general market and economic conditions, changes in our respective businesses, operations and prospects and regulatory considerations. Many of these factors are beyond Main Street's control, and it is possible that the market value of Main Street common stock at the time of the merger and afterward may be substantially higher or lower than current market value. As a result, you will not know, either when you vote or when you make an election, the exact value of the shares of Main Street common stock that you may receive, and you are urged to obtain current market price quotations for Main Street common stock prior to taking any of these actions. However, as described in this document, if the Main Street stock price falls to below \$26.92, and if Main Street's stock price performs worse than an index of stocks, Citizens may be able to terminate the merger agreement if Main Street does not elect to adjust the consideration in such a way that the per share value of the merger consideration is equal to at least \$29.75.

You may receive more or less stock or more or less cash than you desire.

To preserve the treatment of the merger as a tax-free reorganization under the Internal Revenue Code, the merger agreement requires that, on an aggregate basis, taking into account appraisal shares, 50% of the Citizens shares outstanding at the effective time be converted into shares of Main Street common stock and 50% of the Citizens shares outstanding at the effective time be converted into cash. Although you will be permitted to elect the form of consideration you desire in the merger (provided that you own 100 or more Citizens shares), your elections are subject to a proration procedure that will enable Main Street to implement this 50% stock and 50% cash limitation. Accordingly, you will not know, either when you vote or when you make your election, the number of shares of Main Street common stock, or the amount of cash, that you will actually receive in the merger.

The interests of certain management officials of Citizens may be different from those of other stockholders.

Citizens' directors and executive officers have interests in the merger other than their interests as Citizens stockholders. These interests may cause Citizens' directors and executive officers to view the merger proposal differently than you may view it. The board of directors of Citizens was aware of these interests at the time it approved the merger. See "Description of Transaction Interests of Certain Persons in the Merger."

Difficulties in combining the operations of Citizens and Main Street may prevent the combined company from achieving the expected benefits from its acquisition.

The combined company may not be able to achieve fully the strategic objectives and operating efficiencies it hopes to achieve in the merger. The success of the merger will depend on a number of factors, including the combined company's ability to:

integrate the operations of Citizens with those of Main Street;

maintain existing relationships with depositors so as to minimize withdrawals of deposits after the merger;

maintain and enhance existing relationships with borrowers so as to limit unanticipated losses from loans of Citizens and Main Street;

control the incremental non-interest expense so as to maintain overall operating efficiencies;

retain and attract qualified personnel; and

compete effectively in the communities served by Citizens and Main Street and in nearby communities.

These factors could contribute to the combined company not achieving the expected benefits from the merger within the desired time frames, if at all.

Citizens has not obtained an updated fairness opinion from Sandler O'Neill reflecting changes in circumstances that may have occurred since the signing of the merger agreement.

Citizens has not obtained an updated opinion as of the date of this document from its financial advisor, Sandler O'Neill. Changes in Citizens' operations and prospects, general market and economic conditions and other factors which may be beyond Citizens' control, and on which the fairness opinion was based, may have altered the value of Citizens or the prices of shares of Citizens common stock and shares of Main Street common stock as of the date of this document, or may alter such values and prices by the time the merger is completed. The opinion does not speak as of any date other than the date of that opinion. For a description of the opinion that Citizens received from Sandler O'Neill, please refer to "Description of Transaction Opinion of Citizens' Financial Advisor" beginning on page 38. For a description of the other factors considered by Citizens' board of directors in determining to approve the merger, please refer to "Description of Transaction Citizens' Reasons for the Merger and Board Recommendation" beginning on page 37.

A WARNING ABOUT FORWARD-LOOKING STATEMENTS

We have each made forward-looking statements in this document (and in documents to which we refer you in this document) that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our operations or the performance of the combined company after the merger is completed. When we use any of the words "believes," "expects," "anticipates," "estimates" or similar expressions, we are making forward-looking statements. These statements are based on Main Street's and Citizens' respective management's existing expectations, which in turn are based on information that is currently available to them and on the current economic, regulatory and competitive environment, including factors such as the strength of the U.S. and local economies; federal, state and local laws, regulations and policies; interest rates and regulatory policies; and expectations as to competitors and customers. Many possible events or factors, including changes from current conditions in the factors mentioned above, could affect the future financial results and performance of each of our companies and the combined company after the merger and could cause those results or performance to differ materially from those expressed in our forward-looking statements.

In addition to the factors listed above and the risks discussed in the "Risk Factors" section of this proxy statement-prospectus, factors that could have a material adverse effect on our operations and future prospects include, but are not limited to, the following:

the economic impact of past and any future terrorist threats and attacks, acts of war or threats thereof and the response of the United States to any such threats and attacks;

technological changes implemented by us and by other parties, including third party vendors, which may be more difficult or more expensive than anticipated or which may have unforeseen consequences to us and our customers;

the availability of capital to fund the expansion of the combined business; and

other factors referenced in this proxy statement-prospectus or the documents incorporated by reference.

These risks and uncertainties should be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements.

Any forward-looking earnings estimates included in this proxy statement-prospectus have not been examined or compiled by either of our independent public accountants, nor have either of our independent accountants applied any procedures to our estimates. Accordingly, our accountants do not express an opinion or any other form of assurance on them. The forward-looking statements included in this proxy statement-prospectus are made only as of the date of this proxy statement-prospectus. Further information concerning Main Street and its business, including additional factors that could materially affect Main Street's financial results, is included in Main Street's filings with the Securities and Exchange Commission. Further information concerning Citizens and its business, including additional factors that could materially affect Citizens' financial results, is included in Citizens' filings with the Securities and Exchange Commission.

INTRODUCTION

Citizens is furnishing this proxy statement-prospectus to holders of Citizens common stock, \$0.01 par value per share, in connection with the proxy solicitation by Citizens' board of directors. Citizens' board of directors will use the proxies at the special meeting of stockholders of Citizens to be held on March 8, 2005, and at any adjournments or postponements of the meeting.

Stockholders will be asked at this special meeting to vote to adopt the Agreement and Plan of Merger, dated as of November 7, 2004, among Citizens, Main Street and Citizens Acquisition LLC, and to approve the transactions it contemplates. Under the merger agreement, Citizens will merge into Citizens Acquisition LLC, and Citizens Acquisition LLC will be dissolved immediately after the merger. As a result, Citizens Savings Bank, which is currently a wholly-owned subsidiary of Citizens, will become a wholly-owned subsidiary of Main Street, and will continue operations under its existing name and charter. In the merger, each of the outstanding shares of Citizens common stock will be converted into the right to receive shares of Main Street common stock, cash or a combination of both, as described in this proxy statement-prospectus.

SPECIAL MEETING

Date, Place, Time and Purpose

The special meeting of Citizens' stockholders will be held at The Chateau, 1601 Jumer Drive, Bloomington, Illinois, at 10:00 a.m. local time, on March 8, 2005. At the special meeting, holders of Citizens common stock will be asked to vote upon a proposal to adopt the merger agreement and to approve the transactions it contemplates.

Record Date, Voting Rights, Required Vote and Revocability of Proxies

The Citizens board fixed the close of business on January 17, 2005, as the record date for determining those Citizens stockholders who are entitled to notice of and to vote at the special meeting. Only holders of Citizens common stock of record on the books of Citizens at the close of business on the record date have the right to receive notice of and to vote at the special meeting. On the record date, there were 1,569,658 shares of Citizens common stock issued and outstanding, held by approximately 352 holders of record.

At the special meeting, Citizens stockholders will have one vote for each share of Citizens common stock owned on the record date. The holders of a majority of the outstanding shares of Citizens common stock entitled to vote at the special meeting must be present for a quorum to exist at the special meeting.

To determine if a quorum is present, Citizens intends to count the following:

shares of Citizens common stock present at the special meeting either in person or by proxy; and

shares of Citizens common stock for which it has received signed proxies, but with respect to which holders of shares have abstained on any matter.

Approval of the merger agreement requires the affirmative vote of holders of a majority of the outstanding shares of Citizens common stock.

Brokers who hold shares in street name for customers who are the beneficial owners of such shares may not give a proxy to vote those shares without specific instructions from their customers. Any abstention, non-voting share or "broker non-vote" will have the same effect as a vote against the approval of the merger agreement.

Properly executed proxies that Citizens receives before the vote at the special meeting that are not revoked will be voted in accordance with the instructions indicated on the proxies. If no instructions are indicated, these proxies will be voted *FOR* the proposal to adopt the merger agreement and to approve the transactions it contemplates, and *FOR* any resolution to adjourn the special meeting, if necessary, to solicit additional proxies, and the proxy holder may vote the proxy in its discretion as to any other matter that may properly come before the special meeting.

A Citizens stockholder who has given a proxy solicited by the Citizens board may revoke it at any time prior to its exercise at the special meeting by:

giving written notice of revocation to the secretary of Citizens;

properly submitting to Citizens a duly executed proxy bearing a later date; or

attending the special meeting and voting in person.

All written notices of revocation and other communications with respect to revocation of proxies should be sent to: Citizens First Financial Corp., 2101 North Veterans Parkway, P.O. Box 1207, Bloomington, Illinois 61704, Attention: Dallas G. Smiley, Executive Vice President, Secretary and Treasurer.

On the record date, Citizens' directors owned 232,250 shares, or approximately 14.82% of the outstanding shares, of Citizens common stock. These individuals have agreed to vote their shares in favor of adopting the merger agreement and approving the transactions it contemplates. However, because they hold only 14.82% of the voting power, adoption of the merger agreement and approval of the merger is not assured.

Solicitation of Proxies

Directors, officers and employees of Citizens may solicit proxies by regular or electronic mail, in person or by telephone or facsimile. They will receive no additional compensation for these services. Citizens has retained Georgeson Shareholder Communications Inc., a professional proxy solicitation firm, to assist in the solicitation of proxies for a fee of \$6,500, plus reimbursement of expenses. Approximately 10 persons will be utilized by Georgeson Shareholder Communications Inc. in such solicitations. The total amount estimated to be expended in connection with the solicitation of proxies for the merger is \$9,500, which excludes cost represented by salaries and wages of regular employees and officers of Citizens. Citizens may make arrangements with brokerage firms and other custodians, nominees and fiduciaries, if any, for the forwarding of solicitation materials to the beneficial owners of Citizens common stock held of record by such persons. Citizens will reimburse any brokers, custodians, nominees and fiduciaries for the reasonable out-of-pocket expenses incurred by them for their services. Citizens will bear all expenses associated with the printing and mailing of this proxy statement-prospectus to its stockholders, as provided in the merger agreement. See "Description of Transaction Expenses"

Authority to Adjourn Special Meeting to Solicit Additional Proxies

Citizens is asking its stockholders to grant full authority for the special meeting to be adjourned, if necessary, to permit solicitation of additional proxies to approve the transactions proposed by this proxy statement-prospectus.

Appraisal Rights

All of Citizens' stockholders have the right under Delaware law to demand appraisal of their shares and obtain cash in an amount equal to the fair value of their shares of Citizens common stock under the circumstances described below. If Citizens' stockholders fail to comply with the procedural

requirements of Section 262 of the Delaware General Corporation Law, they will lose their right to demand appraisal and seek payment of the fair value of their shares.

The fair value that Citizens' stockholders obtain for their shares by dissenting is determined by the statutory requirements of Section 262 of the Delaware General Corporation Law. This fair value may be less than, equal to or greater than the value of the cash and Main Street common stock that a stockholder would be entitled to receive under the merger agreement.

The following is a summary of Section 262 of the Delaware General Corporation Law, which specifies the procedures applicable to stockholders demanding appraisal. This summary is not a complete statement of the law regarding the right to demand appraisal under Delaware law, and if you are considering demanding appraisal, we urge you to review the provisions of Section 262 carefully. The text of Section 262 is attached to this proxy statement-prospectus as Appendix C, and we incorporate that text into this proxy statement-prospectus by reference.

To demand appraisal, you must satisfy each of the following conditions:

you must deliver a written demand for appraisal of your shares to Citizens before the vote on the adoption of the merger agreement at the special meeting;

you must not vote in favor of the merger agreement (the return of a signed proxy that does not specify a vote against the merger agreement or a direction to abstain will be voted in favor of the merger agreement and constitute a waiver of your right of appraisal);

you must continuously hold your Citizens shares from the date of making the demand through the time the merger is completed; and

you may withdraw the demand for appraisal within a period of 60 days after the effective time.

If you fail to comply with any of these conditions and the merger becomes effective, you will be entitled to receive only the consideration provided in the merger agreement. **Failure to vote on the merger agreement will not constitute a waiver of your appraisal rights. Voting against the merger agreement will not, by itself, satisfy the requirement of a written demand for appraisal.**

A written demand will be sufficient if it reasonably informs Citizens of the identity of the stockholder and that the stockholder intends to demand an appraisal of his or her shares. All written demands for appraisal should be addressed to: Citizens First Financial Corp., 2101 North Veterans Parkway, P.O. Box 1207, Bloomington, Illinois 61704, Attention: Dallas G. Smiley, Executive Vice President, Secretary and Treasurer. The demands must be received before the vote at the special meeting concerning the merger agreement occurs, and should be executed by, or on behalf of, the holder of record.

To be effective, a demand for appraisal must be executed by or for the stockholder of record who holds the shares, fully and correctly, as the stockholder's name appears on his or her stock certificates. If Citizens shares are owned of record in a fiduciary capacity, as by a trustee, guardian or custodian, execution of a demand for appraisal should be made in that capacity. If Citizens shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand must be executed by or for all joint owners. An authorized agent, including one for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker or trustee, who holds Citizens shares as a nominee for others may exercise his or her rights of appraisal with respect to the shares held for one or more beneficial owners, while not exercising such right for other beneficial owners. In that case, the written demand should set forth the number of shares as to which the record owner dissents. Where no number of shares is expressly mentioned, the demand will be presumed to cover all shares of Citizens shares in the name of that record owner.

At any time within the 60-day period after the effective time, a stockholder may withdraw his or her demand for appraisal. If he or she does so, that stockholder will be treated as having accepted the terms offered in the merger. After the permissive 60-day withdrawal period, a stockholder may withdraw an appraisal demand only with Main Street's consent.

Within 10 days after the merger, Main Street must give written notice that the merger has become effective to each holder of Citizens shares who filed a written demand for appraisal and who did not vote in favor of the merger agreement. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of the notice, demand in writing from Main Street the appraisal of his or her Citizens shares. Within 120 days after the completion of the merger, either Main Street or any Citizens stockholder who has complied with Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the value of the Citizens shares held by all stockholders entitled to appraisal of their shares. Main Street does not presently intend to file such a petition. Because Main Street has no obligation to file such a petition, the failure of a stockholder to do so within the period specified could nullify the stockholder's previous written demand for appraisal.

If a petition for appraisal is duly filed by a stockholder and a copy is delivered to Main Street, Main Street will then be obligated within 20 days of receipt of the copy to provide the Court of Chancery with a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares and with whom agreement as to the value of their shares has not been reached. After notice to these stockholders, the Court of Chancery is empowered to conduct a hearing to determine which stockholders are entitled to appraisal rights.

The Court of Chancery will then appraise the Citizens shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger. When the value is determined, the Court will direct the payment by Main Street of this value, with interest thereon, simple or compound, if the Court so determines, to the stockholders entitled to receive this money.

Stockholders of Citizens who are considering seeking an appraisal should bear in mind that the fair value of their Citizens shares as determined under Section 262 could be more than, the same as or less than the merger consideration they are entitled to receive pursuant to the merger agreement if they do not seek appraisal of their shares.

Costs of the appraisal proceeding may be assessed against the stockholder by the court as the court deems equitable in the circumstances. From and after the effective date of the merger, no stockholder who has demanded appraisal rights shall be entitled to vote his or her stock for any purpose or to receive payment of dividends or other distributions (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger).

Failure to comply strictly with these procedures will cause you to lose your appraisal rights. Consequently, if you desire to exercise your appraisal rights, you are urged to consult a legal advisor before attempting to exercise these rights.

Recommendation of Citizens' Board

The Citizens board has unanimously approved the merger agreement and the transactions it contemplates and believes that the proposal to adopt the merger agreement and approve the transactions it contemplates are in the best interests of Citizens and its stockholders. The Citizens board unanimously recommends that the Citizens stockholders vote FOR adoption of the merger agreement and approval of the transactions it contemplates and FOR any resolution to adjourn the special meeting, if necessary, to solicit additional proxies. See "Description of Transaction Citizens' Reasons for the Merger and Board Recommendation."

DESCRIPTION OF TRANSACTION

The following information describes material aspects of the merger and related transactions. This description does not provide a complete description of all the terms and conditions of the merger agreement. It is qualified in its entirety by the Appendices to this document, including the merger agreement, which is attached as *Appendix A* to this proxy statement-prospectus and which is incorporated into this proxy statement-prospectus by reference. We urge you to read the Appendices in their entirety.

General

The merger agreement provides for the acquisition by merger of Citizens by Main Street. At the time the merger becomes effective, each share of Citizens common stock then issued and outstanding will be converted into and exchanged for the right to receive shares of Main Street common stock, cash or a combination of both, as described below.

Merger Consideration

Under the merger agreement, Citizens stockholders will have the right to receive, for each share of Citizens common stock that they own as of the effective time of the merger, either 1.1051 shares of Main Street common stock or \$35.00 in cash.

Election of Merger Consideration. Stockholders owning 100 or more shares of Citizens common stock may elect to receive their share of the merger consideration entirely in Main Street common stock, entirely in cash or in a combination of Main Street common stock and cash. However, all stockholder elections are subject to the requirement that, on an aggregate basis, 50% of the Citizens shares outstanding at the effective time up to the merger must be converted into the right to receive Main Street common stock and the remaining 50% of the Citizens shares outstanding at the effective time of the merger will be converted into the right to receive cash. This requirement exists to preserve the tax treatment of the merger. Stockholders who hold less than 100 shares of Citizens common stock cannot make an election and will receive only cash consideration. In addition, Citizens stockholders who elect to receive a combination of cash and stock may not elect to receive stock with respect to fewer than 100 shares of their Citizens common stock.

If you own 100 or more shares of Citizens common stock and do not make any election, you will receive consideration in the form of either cash or Main Street common stock in proportions necessary to satisfy the total consideration requirement, as described below.

We are not making any recommendation as to whether Citizens stockholders should elect to receive 100% Main Street common stock, 100% cash or a combination of both. We are not making any recommendation as to whether Citizens stockholders should elect to receive a specific ratio of cash and Main Street common stock. Each Citizens stockholder must make his or her own decision with respect to the election to receive Main Street common stock, cash or a combination of both for their shares of Citizens stock.

Variable Amount of Cash and Stock. By the terms of the merger agreement, 50% of the total outstanding shares of Citizens common stock, taking into account appraisal shares, must be converted into cash and 50% must be converted into shares of Main Street common stock.

If after taking into account all valid elections more than 50% of the total outstanding shares of Citizens common stock would be converted into cash, including appraisal shares, then any Citizens stockholders who elected to receive any portion of the merger consideration in cash and Citizens stockholders who did not make an election will be subject to a proration process that will result in the holder receiving additional shares of Main Street common stock in lieu of some cash. This proration will result in a final prorated number of shares of Main Street common stock being issued with a value equal to 50% of the total merger consideration.

Similarly, if after taking into account all valid elections more than 50% of the total outstanding shares of Citizens common stock would be converted into Main Street common stock, then all Citizens stockholders who did not make an election will be entitled to receive only cash, and any Citizens stockholders who elected to receive any portion of the merger consideration in Main Street common stock will, if necessary, be subject to a proration process that will result in the holder receiving more cash in lieu of some Main Street common stock. This proration will result in a final prorated amount of cash paid in connection with the merger equaling 50% of the total merger consideration.

Value of Merger Consideration. Citizens may have a maximum of 1,761,311 shares of common stock issued and outstanding immediately prior to the merger. Based on the exchange ratio of 1.1051 shares of Main Street common stock per share of Citizens common stock, and taking into account the requirement that, on an aggregate basis, 50% of the outstanding shares of Citizens common stock be converted into Main Street common stock and 50% of the outstanding shares of Citizens common stock be converted into cash, and assuming no appraisal rights are exercised for purposes of this example, Main Street will pay total cash consideration of \$30,822,942.50, and will issue 973,212 shares of Main Street common stock in the merger, calculated as follows:

$$1,761,311 * 50\% = 880,655.50 * \$35.00 \text{ cash} = \$30,822,942.50$$

$$1,761,311 * 50\% = 880,655.50 * 1.1051 \text{ shares} = 973,212 \text{ shares}$$

The 973,212 shares of Main Street common stock that may be issued in the merger represent approximately 10.3% of the total number of Main Street common shares that will be outstanding after the merger. The number of shares actually issued may vary, depending on the actual number of shares outstanding at the effective time of the merger and the number of Citizens shares whose holders exercise appraisal rights.

Because the exchange ratio of 1.1051 shares of Main Street common stock is fixed, the value of the stock portion of the merger consideration will fluctuate as the price of Main Street common stock changes. You should obtain current market price quotations for Main Street common stock to determine the current value of the stock portion of the merger consideration. Based on the \$29.50 closing price of Main Street common stock on January 21, 2005, the value of the stock portion of the merger consideration is \$28,709,754 (973,212 shares, multiplied by \$29.50).

The merger agreement allows Citizens to terminate the merger agreement if both:

the average closing price of Main Street common stock, as reported on the over-the-counter bulletin board, during the 20 business days immediately preceding the effective time, is less than \$26.92, and

the value of Main Street common stock declines more than 85% on a relative basis, when compared to the value of selected bank holding companies.

However, before Citizens may terminate on this basis, Main Street has the right to increase the value of the cash or to change the exchange ratio in such a way that the per-share value of the merger consideration to be received by Citizens stockholders equals at least \$29.75.

Main Street will not issue any fractional shares in the merger. Instead, Main Street will pay to each Citizens stockholder who would otherwise be entitled to receive a fractional share of Main Street common stock an amount in cash, without interest, determined by multiplying such fraction by \$31.67.

Election Procedures; Surrender of Stock Certificates

Shortly after the merger, an election form will be mailed to every Citizens stockholder that holds more than 100 shares of Citizens common stock. Citizens stockholders can use this election form to elect the proportion of shares of Main Street common stock and cash that they would like to receive in exchange for their shares of Citizens common stock. Citizens stockholders do not need to make an

election. If no election is made, a Citizens stockholder will receive cash or Main Street common stock in such amounts that will enable us to satisfy the requirement that 50% of the Citizens shares be converted into Main Street common stock and 50% of the Citizens shares, including shares with respect to which stockholders have asserted their appraisal rights under the Delaware General Corporation Law, be converted into cash.

To make an effective election, you must submit a properly completed election form to Main Street Bank & Trust, which will act as the exchange agent, on or before the election deadline of 5:00 p.m., Champaign, Illinois time, on May 27, 2005. You may change your election at any time prior to the election deadline by written notice accompanied by a properly completed and signed, revised election form received by the exchange agent prior to the election deadline. All elections will be revoked automatically if the merger is not approved or the merger agreement is otherwise terminated.

Citizens stockholders who hold less than 100 shares of Citizens stock will be entitled to receive only cash for their shares. Therefore, these stockholders will not receive an election form.

Shortly after the merger, all Citizens stockholders will receive a letter of transmittal, together with a return envelope. The letter of transmittal will include instructions for the surrender and exchange of certificates representing Citizens common stock for the merger consideration. A letter of transmittal will be deemed properly completed only if signed and accompanied by stock certificates representing all shares of Citizens common stock or an appropriate guarantee of delivery of the certificates.

Until you surrender your Citizens stock certificates for exchange after completion of the merger, you will not be paid dividends or other distributions declared after the merger with respect to any Main Street common stock into which your Citizens shares have been converted. When Citizens stock certificates are surrendered, Main Street will pay to the surrendering holder any of his or her respective unpaid dividends or other distributions, without interest. After the completion of the merger, no further transfers of Citizens common stock will be permitted. Citizens stock certificates presented for transfer after the completion of the merger will be canceled and exchanged for the merger consideration.

No fractional shares of Main Street common stock will be issued to any holder of Citizens common stock upon consummation of the merger. For each fractional share that would otherwise be issued, Main Street will pay cash in an amount equal to \$31.67 per whole share. No interest will be paid or accrued on cash payable to holders of Citizens common stock in lieu of fractional shares. No stockholder of Citizens will be entitled to dividends, voting rights or any other rights as a stockholder of Main Street in respect of any fractional shares.

None of Main Street, Citizens or any other person will be liable to any former holder of Citizens common stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

If a certificate for Citizens common stock has been lost, stolen or destroyed, the exchange agent will issue the consideration properly payable under the merger agreement upon compliance by the holder of Citizens common stock with the conditions reasonably imposed by the exchange agent. These conditions will include a requirement that the stockholder provide a lost instruments indemnity bond in form, substance and amount reasonably satisfactory to the exchange agent and Main Street.

Effective Time of the Merger

Subject to the conditions to each party's obligations to complete the merger, the merger will become effective when a certificate of merger reflecting the merger is filed with the Secretary of State of the State of Delaware. Unless we agree otherwise, each party will use reasonable efforts to cause the merger to become effective 10 business days after the later to occur of:

the receipt of all required regulatory approvals and the expiration of all statutory waiting periods relating to the approvals;
and

the satisfaction or waiver of all of the conditions to closing.

We anticipate that the merger will become effective in the second quarter of 2005, however, delays could occur.

We cannot assure you that the necessary stockholder and regulatory approvals of the merger will be obtained or that other conditions precedent to the merger can or will be satisfied. Either party's board of directors may terminate the merger agreement if the merger is not completed by September 7, 2005, unless it is not completed because of the failure by the party seeking termination to comply fully with its obligations under the merger agreement. *See* " Conditions to Completion of the Merger" and " Termination and Termination Fees."

United States Federal Income Tax Consequences of the Merger

The following is a summary of the material United States federal income tax consequences of the merger generally applicable to Citizens stockholders. This discussion assumes you hold your shares of Citizens common stock as capital assets within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended, or the Code, and does not address all aspects of United States federal income taxation that may be relevant to you in light of your particular circumstances or if you are subject to special rules, such as rules relating to:

stockholders who are not citizens or residents of the United States;

financial institutions;

tax-exempt organizations;

insurance companies;

dealers in securities or currencies;

traders in securities that elect to use a mark-to-market method of accounting;

stockholders who acquired their shares of Citizens common stock pursuant to the exercise of employee stock options or otherwise acquired shares as compensation; and

stockholders who hold their shares of Citizens common stock as part of a hedge, straddle or other risk reduction, constructive sale or conversion transaction.

In addition, this summary does not address any state, local or foreign tax consequences of the merger that may apply. The following discussion is based on the Code, existing and proposed regulations promulgated under the Code, published Internal Revenue Service rulings and court decisions, all as in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of this discussion.

Tax Consequences of the Merger Generally. It is intended that the merger of Citizens with and into Citizens Acquisition LLC, will be treated as a reorganization within the meaning of Section 368(a) of the Code. Main Street's and Citizens' obligations to complete the merger are conditioned on, among other things, their receipt of an opinion from Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLP dated as of the date of the registration statement filed with the Securities and Exchange Commission in connection with the merger and updated through the effective date, to the effect that:

the merger will constitute a reorganization within the meaning of Section 368(a) of the Code;

the merger will be tax free to Main Street under Section 1032 of the Code;

the merger will be tax free to Citizens under Section 361 of the Code; and

no gain or loss will be recognized by holders of Citizens common stock upon their receipt of Main Street common stock, except to the extent of any cash received.

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

The opinion of Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLP will be based upon existing law, assumes the absence of changes in existing facts, relies upon customary assumptions and relies upon representations contained in certificates executed by officers of Main Street and Citizens. The opinion neither binds the Internal Revenue Service nor precludes it from adopting a contrary position, and it is possible that the Internal Revenue Service may successfully assert a contrary position in litigation or other proceedings. Neither Main Street nor Citizens intends to obtain a ruling from the Internal Revenue Service with respect to the tax consequences of the merger.

The following discussion assumes that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code.

Citizens Stockholders Who Receive Only Main Street Common Stock. If you are a holder of Citizens common stock and you receive only Main Street common stock (plus any cash in lieu of a fractional share of Main Street common stock) in exchange for your Citizens common stock in the merger, you will not recognize any gain or loss for federal income tax purposes with respect to such exchange, except with respect to any cash received in lieu of a fractional share, as discussed below.

Citizens Stockholders Who Receive Both Main Street Common Stock and Cash. If you are a holder of Citizens common stock and you receive both Main Street common stock and cash (other than cash received in lieu of a fractional share of Main Street common stock) in exchange for your Citizens common stock in the merger, you will recognize gain, but not loss, in an amount equal to the lesser of:

- (a) the excess, if any, of:
 - (1) the sum of the fair market value (at the effective time of the merger) of the Main Street common stock plus the amount of cash received; over
 - (2) your aggregate tax basis in the shares of Citizens common stock exchanged in the merger; and
- (b) the amount of cash that you receive in exchange for your Citizens common stock.

Any such gain will be treated as capital gain unless the receipt of the cash has the effect of a distribution of a dividend for federal income tax purposes, in which case the gain will be treated as ordinary dividend income to the extent of your ratable share of Citizens' accumulated earnings and profits. Any capital gain will be long-term capital gain if, as of the date of the merger, your holding period in your Citizens common stock is greater than one year.

The stock redemption provisions of Section 302 of the Code apply in determining whether cash received by you in exchange for your Citizens common stock has the effect of a distribution of a dividend under Section 356(a)(2) of the Code, which we refer to as a hypothetical redemption analysis. Under the hypothetical redemption analysis, you will be treated as if that portion of your Citizens common stock that you exchange for cash in the merger will instead be exchanged for Main Street common stock (which we call the hypothetical shares) followed immediately by a redemption of the hypothetical shares by Main Street for cash. Under the principles of Section 302 of the Code, you will recognize capital gain rather than dividend income with respect to the cash received if the hypothetical redemption is "not essentially equivalent to a dividend" or is "substantially disproportionate" with respect to you. In applying the principles of Section 302 of the Code, the constructive ownership rules of Section 318 of the Code will apply in comparing your ownership interest in Main Street both immediately after the merger (but before the hypothetical redemption) and after the hypothetical redemption.

If you are a holder of Citizens common stock, whether the hypothetical redemption by Main Street of the hypothetical shares for cash is "not essentially equivalent to a dividend" will depend on your particular circumstances. However, the hypothetical redemption must, in any event, result in a "meaningful reduction" in your percentage ownership of Main Street common stock. In determining whether the hypothetical redemption by Main Street results in a meaningful reduction in your

percentage ownership of Main Street common stock and, therefore, does not have the effect of a distribution of a dividend, you should compare your interest in Main Street (including interests owned actually, hypothetically, and constructively) immediately after the merger (but before the hypothetical redemption) to your interest after the hypothetical redemption. The Internal Revenue Service has indicated in Revenue Ruling 76-385 that a stockholder in a publicly-held corporation whose relative stock interest in the corporation is minimal and who exercises no "control" over corporate affairs is generally treated as having had a meaningful reduction in his or her stock after a redemption transaction if his or her percentage stock ownership in the corporation has been reduced to any extent, taking into account the stockholder's actual and constructive ownership before and after the hypothetical redemption.

If you are a holder of Citizens common stock, the hypothetical redemption transaction would be "substantially disproportionate" and, therefore, would not have the effect of a distribution of a dividend if you own less than 50 percent of the voting power of the outstanding Main Street common stock and the percentage of Main Street common stock actually and constructively owned by you immediately after the hypothetical redemption is less than 80 percent of the percentage of Main Street common stock actually, hypothetically and constructively owned by you immediately before the hypothetical redemption. Nevertheless, you should consult your own tax advisor about the possibility that all or a portion of any cash received in exchange for Citizens common stock will be treated as a dividend.

Tax Basis and Holding Period. The aggregate tax basis of any Main Street common stock you receive as a result of the merger will be the same as your aggregate tax basis in the Citizens common stock you surrender in exchange for the Main Street common stock, decreased by the amount of cash received in the merger, and increased by the amount of income or gain recognized in the merger. Your holding period for the Main Street common stock you receive as a result of the exchange will include the period during which you held the Citizens common stock you surrender in the merger.

Cash Received in Lieu of Fractional Shares. If you receive cash in the merger instead of a fractional share of Main Street common stock, you will be treated as having received the fractional share pursuant to the merger and then as having exchanged the fractional share for cash in a redemption of the fractional share by Main Street. Assuming that immediately after the merger you hold a minimal interest in Main Street, you exercise no control over Main Street and, as a result of the deemed redemption and after giving effect to certain constructive ownership rules, you experience an actual reduction in your interest in Main Street, you will generally recognize capital gain or loss on the deemed redemption in an amount equal to the difference between the amount of cash received and your adjusted tax basis allocable to such fractional share. This capital gain or loss will be long-term capital gain or loss if, as of the effective date of the merger, you held your shares of Citizens common stock for more than one year. Long-term capital gain of a non-corporate United States stockholder is generally subject to a maximum federal tax rate of 15%. The deductibility of capital losses is subject to limitations.

Backup Withholding and Information Reporting. Unless you provide a taxpayer identification number (social security number or employer identification number) and certify, among other things, that such number is correct, or you provide proof of an applicable exemption from backup withholding, the exchange agent will be required to withhold 28% of any cash payable to you in connection with the merger. Any amount so withheld under the backup withholding rules is not an additional tax and will be allowed as a refund or credit against your United States federal income tax liability, provided that you furnish the required information to the Internal Revenue Service. You should complete and sign the substitute Form W-9 (included as part of the transmittal letter that accompanies the election form) to provide the information and certification necessary to avoid backup withholding, unless an applicable exception exists and is established in a manner that is satisfactory to the exchange agent.

You will be required to retain records pertaining to the merger and will be required to file a statement with your United States federal income tax return for the taxable year in which the merger

takes place that sets forth certain facts relating to the merger, including your basis in your Citizens common stock that you surrender in connection with the merger and the fair market value of the Main Street common stock and/or cash that you receive in connection with the merger. In addition, pursuant to the American Jobs Creation Act of 2004, Main Street (or, if required by to-be-published regulations, Citizens) will be required to provide to the Internal Revenue Service and Citizens stockholders information with respect to the merger, including information regarding your identity (and the identities of other Citizens stockholders) and the amount of cash and the fair market value of Main Street common stock received by you (and by each other Citizens stockholder) in the merger.

The foregoing discussion is not intended to be a complete analysis or description of all potential federal income tax consequences of the merger. In addition, the discussion does not address tax consequences which may vary with, or are contingent on, your individual circumstances. Moreover, the discussion does not address any non-income tax or any foreign, state, or local tax consequences of the merger. Accordingly, you are strongly urged to consult with your own tax advisor to determine the particular federal, state, local and foreign income and other tax consequences to you of the merger.

Background of the Merger

Citizens was formed in 1996 when Citizens Savings Bank was converted from mutual to stock form. In 1999, Citizens Savings Bank was converted from a federal charter to an Illinois charter. Since 1999, Citizens Savings Bank has operated as a community oriented, Illinois-chartered, savings bank. Citizens Savings Bank's main objectives have been to attract deposits from the general public and to use such deposits to invest primarily in residential and commercial real estate loans and commercial business loans.

The management and board of directors of Citizens have continually monitored the financial service industry's evolution that has required increasing investments in technology to remain competitive and to satisfy regulatory imperatives. Management and the board have been concerned about the ability of Citizens to remain competitive in the central Illinois banking market. The board of directors has also been aware of the trend towards consolidation in the industry and has periodically reviewed and discussed the strategic alternatives available to Citizens.

From time-to-time throughout Citizens' existence, at various banking industry functions, C. William Landefeld, Citizens' President and Chief Executive Officer, received informal, passing indications of interest from executive officers of other financial institutions to the effect that they might be interested if Citizens ever determined to sell. Because Citizens' plan was to remain independent, no action was taken by or on behalf of Citizens or any third party in response to any of these comments. In March 2003, Mr. Landefeld received a telephone call from Whitley A. Cummings, a well-known financial advisor with McConnell, Budd and Romano, Inc., inquiring whether Mr. Landefeld would be willing to have a "get-to-know-you" meeting with two of the executive officers of Main Street, Van A. Dukeman and Gregory B. Lykins. Mr. Landefeld agreed and the parties held a short meeting at Citizens' offices attended by Mr. Landefeld, Mr. Dukeman, Mr. Lykins, and Dallas Smiley, Chief Financial Officer of Citizens. The parties met for lunch or had similar meetings on three other occasions in mid-to-late 2003 and discussed the general state of the industry and banking developments. At no time did the parties discuss a merger or other possible affiliation.

In June 2004, representatives of Sandler O'Neill were contacted by Mr. Lykins of Main Street to express Main Street's interest in a possible business combination with Citizens and to request that Sandler O'Neill contact Citizens to arrange a preliminary meeting on that subject. Sandler O'Neill contacted Mr. Landefeld who agreed to meet with Main Street and a meeting was arranged for later that month. At that meeting, which was attended by Messrs. Landefeld, Smiley, Dukeman and Lykins, Main Street informally expressed an interest in affiliating with Citizens. As a result of the June 2004 meeting, Mr. Landefeld brought the matter to the attention of the board of directors at Citizens' June 2004 meeting.

At its meeting on June 28, 2004, which was attended by Sandler O'Neill, the board of directors of Citizens began discussions concerning strategic planning alternatives available to Citizens which might include a possible business combination with a larger financial institution, including, but not limited to Main Street. Sandler O'Neill discussed with the board Main Street's possible reasons for an affiliation. The board authorized management to retain Sandler O'Neill to assist it in its strategic planning and to discuss with Main Street the terms and conditions of a possible affiliation.

During the second week of July 2004, Citizens and Main Street entered into a confidentiality agreement and exchanged basic documents and financial statements. During the second week of August 2004, Sandler O'Neill met with members of Main Street's senior management to discuss Main Street's interest in a business combination with Citizens. During the first week of September 2004, Main Street provided Sandler O'Neill verbally with a preliminary range of prices of \$30.00 - \$31.00 per share for each share of Citizens common stock, subject to the results of its due diligence review and other factors.

At a meeting held on September 7, 2004, Sandler O'Neill reported to the board the results of its preliminary discussions with Main Street, including Main Street's preliminary pricing proposal. After discussion, the board directed Sandler O'Neill to report to Main Street that their pricing proposal was not at an appropriate level and to seek a higher proposal. Following those discussions, in late September, 2004, Main Street indicated that it was interested in pursuing a potential business combination with Citizens at a purchase price of \$35 per share. The expression of interest was not complete regarding the form of merger consideration and was conditioned upon the satisfactory completion of due diligence. At its meeting on September 27, 2004, the Citizens board of directors authorized management and its professional advisors to pursue further discussions with Main Street.

From October 5 through October 8, 2004, Main Street and its advisor conducted a due diligence review of Citizens. On November 2, 2004, Citizens and its advisor, along with representatives from BKD, LLP, conducted a due diligence review of Main Street.

On November 1, 2004, the Citizens board of directors met to discuss in detail a transaction with Main Street. At that meeting, the board of directors of Citizens authorized management, together with its advisors, to negotiate the terms of a merger agreement between Main Street and Citizens. Citizens' legal counsel, Howard & Howard Attorneys, P.C., discussed with the board its fiduciary obligations in considering the proposed combination with Main Street.

On November 3, 2004, the board of directors of Main Street reviewed with their legal counsel the terms of the proposed merger agreement with Citizens. After discussion with Main Street's legal and financial advisors and among the members of the board, the Main Street board of directors approved the merger agreement and the merger, and authorized its officers to execute the merger agreement on behalf of Main Street.

On November 5, 2004, the board of directors of Citizens received a draft of the proposed merger agreement for review. On November 7, 2004, the board of directors of Citizens considered the proposed merger agreement between Citizens and Main Street. Howard & Howard reviewed with the board the terms of the proposed agreement. At that meeting, the board also received an opinion from Sandler O'Neill that, as of that date and subject to certain assumptions and limitations on review, the consideration to be received by Citizens' stockholders in the merger was fair, from a financial point of view, to those stockholders. The directors asked additional questions concerning the terms of the transaction and the possible effect on stockholders. After the conclusion of this review and additional discussion, the Citizens board approved the merger and authorized its officers to execute the merger agreement on behalf of Citizens.

Citizens and Main Street signed the merger agreement as of November 7, 2004. On Monday, November 8, 2004, Citizens and Main Street issued a joint press release announcing the execution of the agreement.

Main Street's Reasons for the Merger

The board of directors of Main Street believes that the merger presents a unique opportunity to combine two of central Illinois' strongest franchises to create a premier banking and financial services company with the capability of offering a full range of financial products and services in many of central Illinois' most attractive markets through an extensive distribution network.

In reaching its decision to adopt the merger agreement and approve the merger, the board of directors of Main Street consulted with Main Street's management, as well as with its legal counsel and financial advisor, and considered a variety of factors, including the following:

information with respect to the businesses, earnings, operations, financial condition, prospects, capital levels and asset quality of Main Street and Citizens, both individually and as combined; in particular, the board of directors of Main Street focused on the strategic fit of the business lines and the operating philosophies of the two institutions;

the consistency of the merger with Main Street's long-term business strategy of unifying its banking operations under a single identity and pursuing growth opportunities in central Illinois;

the advantages of a combination with an institution, such as Citizens, that already has a significant market share in central Illinois and the opportunities for increased efficiencies and significant cost savings from a combination with Main Street's current market, resulting in increased profitability of the combined entity over time, as compared to a possible combination with an institution without a similar market presence;

the current and prospective economic and competitive environments facing Main Street and other financial institutions characterized by intensifying competition from both banks and nonbank financial services organizations, the increasing necessity for strong fee-based income producing components within a bank holding company and the growing costs associated with regulatory compliance in the banking industry;

the high costs of technology and new facilities required to grow deposits in light of the fact that deposit growth for Main Street and the banking industry in general has been difficult and funding limitations could hamper Main Street's long-term asset and earnings growth;

the belief that, following the merger, the combined company would be well positioned to continue to grow through possible future acquisitions or expansion while at the same time increase its attractiveness as a possible acquisition candidate;

the belief that the merger would result in stockholders of Main Street holding stock in a high quality combined company that should benefit stockholders through enhanced operating efficiencies and better penetration of commercial and consumer banking markets throughout central Illinois;

the scale, scope, strength and diversity of operations, product lines and delivery systems that could be achieved by combining Main Street and Citizens;

the complementary nature of the businesses of Main Street and Citizens, which both have a strong community banking orientation;

the anticipated improved stability of the combined company's business and earnings in varying economic and market climates relative to Main Street on a stand-alone basis made possible by the merger, as a result of greater geographic, asset and line-of-business diversification;

the belief of Main Street's senior management and the board of directors of Main Street that Main Street and Citizens share a common vision with respect to delivering financial performance and stockholder value and that their executive officers and employees possess complementary skills and expertise;

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

the belief that, while no assurances could be given, the business and financial advantages contemplated in connection with the merger were likely to be achieved within a reasonable time frame; and

the likelihood that the merger will be approved by the appropriate regulatory authorities without undue conditions or delay. (see " Regulatory Approvals").

The foregoing discussion of the information and factors considered by the board of directors of Main Street is not intended to be exhaustive, but includes all material factors considered by the board of directors of Main Street. In reaching its determination to approve the merger, the board of directors of Main Street did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors.

Citizens' Reasons for the Merger and Board Recommendation

The Citizens board believes that the merger is fair to, and in the best interests of, Citizens and the Citizens stockholders. Accordingly, the Citizens board has unanimously approved the merger agreement and unanimously recommends that the Citizens stockholders vote FOR the adoption of the merger agreement and approval.

The Citizens board believes that the consummation of the merger presents a unique opportunity to combine with one of central Illinois' premier community banking franchises to aid in the creation of an even stronger central Illinois' financial services company with truly local decision-making authority.

In reaching its decision to approve the merger agreement, the Citizens board consulted with Citizens' management, as well as with its financial and legal advisors, and considered a variety of factors, including the following:

the significant premium over Citizens' then-recent trading prices, as well as, the attractive multiples of earnings and book value that Main Street agreed to pay in the merger;

the increased liquidity and pro forma dividend income of Main Street stock to be received by Citizens' stockholders in the merger;

the value to be received by Citizens stockholders in the merger as compared to the stockholder value projected for Citizens as an independent entity in an increasingly competitive environment;

Main Street's strong performance relative to Citizens as measured by Main Street's historical return on assets, return on equity, net interest margin, and strong asset quality ratios;

the complementary nature and similarities in the markets served by Main Street and Citizens, the opportunities for revenue enhancements offered by Main Street's more extensive product offerings, including asset management and trust services, and the belief of Citizens' senior management that their managements and employees possess complementary skills and expertise;

the benefit and convenience to the combined entity's customers resulting from the greater number of retail banking outlets spread over a broader geographic area that would become available to them for the conduct of their banking business, as well as the increased penetration of the central Illinois market and the opportunity for future operating efficiencies, as opposed to a possible combination with an institution without a similar market presence;

Main Street's community banking philosophy, and stated commitment to local decision-making, and involvement by its leaders in the communities that it serves;

the cash and stock election provision of the merger agreement, which would enable many Citizens stockholders to carry over their tax basis in the event that they received Main Street common stock in the merger and defer any federal income tax

liability;

the demonstrated depth, competence, experience, and integrity of Main Street's management team;

the growing accounting, legal and regulatory compliance costs for publicly-traded institutions and the current and prospective economic and competitive environments facing Citizens and other financial institutions characterized by intensifying competition from both banks and nonbank financial services organizations, including the increasing necessity for strong fee-based income producing components;

the increasingly high costs of product development and technology for Citizens and the banking industry in general and the probability that such costs are likely to continue to increase in the future;

the belief that, following the merger, the combined entity will be well-positioned to continue to grow through possible future acquisitions or expansions while at the same time increasing its attractiveness as a possible acquisition candidate;

the opinion of Sandler O'Neill that, as of November 7, 2004, and subject to the assumptions and limitations on review set forth in the opinion, the consideration to be received by Citizens' stockholders in the merger was fair from a financial point of view to those stockholders (*see* " Opinion of Citizens' Financial Advisor"); and

the likelihood that the merger will be approved by the appropriate regulatory authorities in a timely manner (*see* " Regulatory Approvals").

The foregoing discussion of the information and factors considered by the Citizens board is not intended to be exhaustive, but includes all material factors considered by the Citizens board. In reaching its determination to approve and recommend the merger, the Citizens board did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors. The Citizens board is unanimous in its recommendation that Citizens stockholders vote for approval and adoption of the merger agreement.

Opinion of Citizens' Financial Advisor

By letter dated June 30, 2004, Citizens retained Sandler O'Neill to act as its financial advisor. Sandler O'Neill is a nationally recognized investment banking firm whose principal business specialty is financial institutions. In the ordinary course of its investment banking business, Sandler O'Neill is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions.

Sandler O'Neill acted as financial advisor to Citizens in connection with the proposed merger and participated in certain of the negotiations leading to the merger agreement. At the November 7, 2004 meeting at which Citizens' board considered and approved the merger agreement, Sandler O'Neill delivered to the board its oral opinion, subsequently confirmed in writing that, as of such date, the merger consideration was fair to Citizens' shareholders from a financial point of view. **The full text of Sandler O'Neill's opinion is attached as Appendix B to this proxy statement-prospectus. The opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Sandler O'Neill in rendering its opinion. The description of the opinion set forth below is qualified in its entirety by reference to the opinion. Sandler O'Neill urges Citizens shareholders to read the entire opinion carefully in connection with their consideration of the proposed merger.**

Sandler O'Neill's opinion speaks only as of the date of the opinion. The opinion was directed to the Citizens board and is directed only to the fairness of the merger consideration to Citizens shareholders from a financial point of view. It does not address the underlying business decision of Citizens to engage in the merger or any other aspect of the merger and is not a recommendation to

any Citizens shareholder as to how such shareholder should vote at the special meeting with respect to the merger, the form of consideration any shareholder should elect, or any other matter.

In connection with rendering its opinion, Sandler O'Neill reviewed and considered, among other things:

- (1) the merger agreement;
- (2) certain publicly available financial statements and other historical financial information of Citizens that Sandler O'Neill deemed relevant;
- (3) certain publicly available financial statements and other historical financial information of Main Street that Sandler O'Neill deemed relevant;
- (4) financial projections for the years ending December 31, 2004 and 2005 reviewed in discussions with senior management of Citizens and earnings per share estimates for Citizens for the years ending December 31, 2004 and 2005 published by I/B/E/S and reviewed by and confirmed with management of Citizens;
- (5) financial projections for the years ending December 31, 2004 and 2005 reviewed in discussions with senior management of Main Street and earnings per share estimates for Main Street for the years ending December 31, 2004 and 2005 published by I/B/E/S and reviewed by and confirmed with management of Main Street;
- (6) the pro forma financial impact of the Merger on Main Street, based on assumptions relating to transaction expenses, purchase accounting adjustments and cost savings determined by the senior managements of Citizens and Main Street;
- (7) the publicly reported historical price and trading activity for Citizens and Main Street's common stock, including a comparison of certain financial and stock market information for Citizens and Main Street with similar publicly available information for certain other companies the securities of which are publicly traded;
- (8) the financial terms of certain recent business combinations in the savings institution industry, to the extent publicly available;
- (9) the current market environment generally and the banking environment in particular; and;
- (10) such other information, financial studies, analyses and investigations and financial, economic and market criteria as Sandler O'Neill considered relevant.

Sandler O'Neill also discussed with certain members of senior management of Citizens the business, financial condition, results of operations and prospects of Citizens and held similar discussions with certain members of senior management of Main Street regarding the business, financial condition, results of operations and prospects of Main Street. In connection with our engagement, Sandler O'Neill was not asked to, and did not, solicit indications of interest in a potential transaction from third parties.

In performing its reviews and analyses and in rendering its opinion, Sandler O'Neill relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources, that was provided by Citizens or Main Street or their respective representatives or that was otherwise reviewed by Sandler O'Neill and have assumed such accuracy and completeness for purposes of rendering this opinion. Sandler O'Neill further relied on the assurances of management of Citizens and Main Street that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. Sandler O'Neill has not been asked to and has not undertaken an independent verification of any of such information and Sandler O'Neill does not assume any responsibility or liability for the accuracy or completeness thereof. Sandler O'Neill did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Citizens or Main Street or any of their subsidiaries, or the

collectibility of any such assets, nor has Sandler O'Neill been furnished with any such evaluations or appraisals. Sandler O'Neill did not make an independent evaluation of the adequacy of the allowance for loan losses of Citizens or Main Street nor has Sandler O'Neill reviewed any individual credit files relating to Citizens or Main Street. Sandler O'Neill assumed, with Citizens' consent, that the respective allowances for loan losses for both Citizens and Main Street are adequate to cover such losses.

Sandler O'Neill's opinion was necessarily based upon market, economic and other conditions as they existed on, and could be evaluated as of, the date of its opinion. Sandler O'Neill assumed, in all respects material to its analysis, that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to such agreements will perform all of the covenants required to be performed by such party under such agreements and that the conditions precedent in the merger agreement are not waived. Sandler O'Neill also assumed, with Citizens' consent, that there has been no material change in Citizens' and Main Street's assets, financial condition, results of operations, business or prospects since the date of the last financial statements made available to them, that Citizens and Main Street will remain as going concerns for all periods relevant to its analyses, and that the merger will qualify as a tax-free reorganization for federal income tax purposes. Finally, with Citizens' consent, Sandler O'Neill relied upon the advice Citizens received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the merger and the other transactions contemplated by the merger agreement.

In rendering its November 7, 2004 opinion, Sandler O'Neill performed a variety of financial analyses. The following is a summary of the material analyses performed by Sandler O'Neill, but is not a complete description of all the analyses underlying Sandler O'Neill's opinion. The summary includes information presented in tabular format. **In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.** The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Sandler O'Neill believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Sandler O'Neill's comparative analyses described below is identical to Citizens or Main Street and no transaction is identical to the merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of Citizens or Main Street and the companies to which they are being compared.

The financial projections used and relied upon by Sandler O'Neill in its analyses for Citizens and Main Street and all projections of transaction costs, purchase accounting adjustments and expected cost savings relating to the merger were prepared by and/or reviewed with the senior managements of Main Street and Citizens, and such managements confirmed to Sandler O'Neill that they reflected the best currently available estimates and judgments of such managements of the future financial performance of Citizens and Main Street, respectively, and that such performances would be achieved. Sandler O'Neill expressed no opinion as to such financial projections or the assumptions on which they were based. These projections, as well as the other estimates used by Sandler O'Neill in its analyses, were based on numerous variables and assumptions which are inherently uncertain and, accordingly, actual results could vary materially from those set forth in such projections.

In performing its analyses, Sandler O'Neill also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of Citizens, Main Street and Sandler O'Neill. The analyses performed by Sandler O'Neill are not necessarily indicative of actual values or future results,

which may be significantly more or less favorable than suggested by such analyses. Sandler O'Neill prepared its analyses solely for purposes of rendering its opinion and provided such analyses to the Citizens board at the board's November 7 meeting. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. Accordingly, Sandler O'Neill's analyses do not necessarily reflect the value of Citizens' common stock or Main Street's common stock or the prices at which Citizens' or Main Street's common stock may be sold at any time.

Summary of Proposal. Sandler O'Neill reviewed the financial terms of the proposed transaction. Assuming that the fixed exchange ratio of 1.1051 was applied to \$31.67 (the average of the bid/ask prices of Main Street's common stock on November 4, 2004) and that 50% of CFBSB's shares are exchanged for shares of Main Street common stock and that the remaining 50% are purchased for \$35.00 in cash, Sandler O'Neill calculated an implied transaction value of \$35.00 per share. Based upon per-share financial information for Citizens for the twelve months ended September 30, 2004, Sandler O'Neill calculated the following ratios:

Transaction Ratios	
Transaction value/Last 12 months' EPS	33.3x
Transaction value/Estimated 2004 EPS(1)	20.0x
Transaction value/Estimated 2005 EPS(1)	19.4x
Transaction value/Tangible book value per share	153%
Transaction value/Stated book value per share	153%
Tangible book premium/Deposits(2)	7.9%
Tangible book premium/Core deposits(3)	9.1%

- (1) Based upon I/B/E/S estimates, reviewed with and confirmed by management
- (2) Assumes Citizens' total deposits are \$231.4 million.
- (3) Assumes Citizens' total core deposits are \$201.7 million.

For purposes of Sandler O'Neill's analyses, earnings per share were based on fully diluted earnings per share. The aggregate transaction value was approximately \$58.3 million, based upon 1,498,600 shares of Citizens common stock outstanding and including the intrinsic value of options to purchase an aggregate of 262,100 shares of common stock with a weighted average strike price of \$12.87. Sandler O'Neill noted that the transaction value represented a 20.7% premium over the November 4, 2004 closing value of Citizens' common stock.

Discounted Dividend Stream and Terminal Value Analysis. Sandler O'Neill performed an analysis that estimated the future stream of after-tax dividend flows of Citizens through December 31, 2007 under various circumstances, assuming Citizens' projected dividend stream and that Citizens performed in accordance with the I/B/E/S earnings per share projections for 2005 reviewed with and confirmed by management. For periods after 2005, Sandler O'Neill assumed an annual growth rate of earnings per share of approximately 6%. To approximate the terminal value of Citizens common stock at December 31, 2007, Sandler O'Neill applied price/earnings multiples ranging from 12x to 22x and multiples of tangible book value ranging from 100% to 200%. The dividend income streams and terminal values were then discounted to present values using different discount rates ranging from 9.0% to 12.0% chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of Citizens common stock. As illustrated in the following tables, this analysis indicated an imputed range of values per share of Citizens common stock of \$16.64 to \$32.80 when applying the price/earnings multiples and \$19.28 to \$41.41 when applying multiples of tangible book value.

In addition, Sandler O'Neill performed an analysis that estimated the future stream of after-tax dividend flows of Main Street through December 31, 2007 under various circumstances, assuming Main Street's projected dividend stream and that Main Street performed in accordance with the I/B/E/S earnings per share projections for 2005 reviewed with and confirmed by management. For periods after

2005, Sandler O'Neill assumed an annual growth rate of earnings per share of approximately 8%. To approximate the terminal value of Main Street common stock at December 31, 2007, Sandler O'Neill applied price/earnings multiples ranging from 14x to 24x and multiples of tangible book value ranging from 200% to 325%. The dividend income streams and terminal values were then discounted to present values using different discount rates ranging from 8.5% to 11.5% chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of Main Street common stock. As illustrated in the following tables, this analysis indicated an imputed range of values per share of Main Street common stock of \$22.13 to \$40.10 when applying the price/earnings multiples and \$22.96 to \$39.59 when applying multiples of tangible book value.

In connection with its analyses, Sandler O'Neill considered and discussed with the Citizens Board how the present value analyses would be affected by changes in the underlying assumptions, including variations with respect to net income. Sandler O'Neill noted that the discounted dividend stream and terminal value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

Pro Forma Merger Analysis. Sandler O'Neill analyzed certain potential pro forma effects of the merger, assuming the following: (1) the merger closes in the second quarter of 2005, (2) 50% of the Citizens shares are exchanged for Main Street common stock at an exchange ratio of 1.1051 and the other 50% of Citizens' shares are exchanged for \$35.00 per share in cash, (3) earnings per share projections for Citizens are consistent with per share estimates for 2004 and 2005 published by I/B/E/S and reviewed with Citizens' management, and long-term earnings per share growth estimates for periods thereafter are consistent with management estimates, (4) earnings per share projections for Main Street are consistent with per share estimates for 2004 and 2005 published by I/B/E/S and reviewed with Main Street management, (5) purchase accounting adjustments, charges and transaction costs associated with the merger and cost savings determined by the senior managements of Citizens and Main Street, and (6) Citizens options are exchanged for cash. The analyses indicated that for the year ending December 31, 2005, the merger would be accretive to Main Street's projected earnings per share and cash earnings per share and dilutive to Main Street's tangible book value per share. The actual results achieved by the combined company may vary from projected results and the variations may be material.

Citizens has agreed to pay Sandler O'Neill a transaction fee in connection with the merger of approximately \$560,000 (based on the closing price of Main Street's common stock as of January 21,

2005), of which \$50,000 has been paid and the balance of which is contingent, and payable, upon closing of the merger. The amount of the transaction fee that will actually be paid to Sandler O'Neill will be determined at closing based on 1% of a defined aggregate transaction value. Sandler O'Neill has also received a fee of \$100,000 for rendering its opinion, which will be credited against that portion of the transaction fee due upon closing of the merger. Citizens has also agreed to reimburse certain of Sandler O'Neill's reasonable out-of-pocket expenses incurred in connection with its engagement and to indemnify Sandler O'Neill and its affiliates and their respective partners, directors, officers, employees, agents, and controlling persons against certain expenses and liabilities, including liabilities under securities laws.

In the ordinary course of our business as a broker-dealer, Sandler O'Neill may purchase securities from and sell securities to Citizens and Main Street and their affiliates. Sandler O'Neill may also actively trade the debt and/or equity securities of Citizens or Main Street or their affiliates for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

Representations and Warranties

In the merger agreement, Citizens and Main Street each made numerous representations and warranties to each other relating to, among other things, the following:

incorporation, good standing, corporate power and similar corporate matters;

authorization, execution, delivery and performance and the enforceability of the merger agreement and the absence of violations;

conflicts under charter documents, required consents or approvals and violations of agreements or laws;

capitalization;

financial statements and reports;

ownership of property and sufficiency of assets;

the loan portfolio and the adequacy of the allowance for loan and lease losses;

absence of certain material adverse events, changes, effects, defaults or undisclosed liabilities;

filing of tax returns and payment of taxes;

employee benefit plans and compliance with federal employee benefit laws;

compliance with laws, including environmental laws;

the absence of material litigation;

the absence of material changes since December 31, 2003;

the amount and adequacy of insurance; and

the accuracy of documents filed with regulatory agencies.

In addition, Main Street also made a representation and warranty to Citizens relating to its ability to fund the transaction.

The foregoing is an outline of the types of representations and warranties made by Main Street and Citizens contained in the merger agreement, a copy of which is included at Appendix A. You should carefully review the entire agreement and in particular Articles 4 and 5, containing the detailed representations and warranties of the parties.

Conduct of Business Pending the Merger and Certain Covenants

Under the merger agreement, Citizens has agreed to certain restrictions on its activities until the merger is completed or the merger agreement is terminated. In general, Citizens and Citizens Savings Bank are required to conduct their operations in the ordinary course of business. The following is a summary of the more significant restrictions and obligations imposed upon Citizens and Citizens Savings Bank. Subject to the exceptions set forth in the merger agreement, Citizens must:

not issue any additional shares of stock;

not pay dividends on its common stock other than in accordance with its existing dividend policy of \$0.10 per quarter;

confer with Main Street on material operational matters;

make loans only in accordance with sound credit practices and on arms-length terms and obtain the consent of Main Street before making any new loans greater than \$1,000,000;

cause its allowance for loan and lease losses to be adequate in all material respects;

not buy or sell any securities held for investment, other than government securities, that have maturities of less than two years;

file, on a timely basis, all required regulatory filings; and

not take any action that would cause a breach of any of its representation and warranties.

Citizens has also agreed that it will not encourage any third-party proposals to acquire Citizens and will not participate in negotiations regarding a proposal to acquire Citizens. However, Citizens may provide information and negotiate with a third party if Citizens' board of directors determines that failure to do so would be inconsistent with its fiduciary duties. Citizens is required under the merger agreement to provide Main Street notice of any proposal it receives to acquire Citizens.

Citizens has also agreed to provide Main Street with certain documents before the closing date, including:

interim financial statements;

preliminary title reports and surveys for its owned real property; and

reasonable notice of any fact or condition creating a breach of the merger agreement.

Main Street has agreed to file all applications and notices to obtain the necessary regulatory approvals for the transactions contemplated by the merger agreement. Citizens has agreed to cooperate with Main Street in connection with obtaining the regulatory approvals. Both parties have agreed:

to use all reasonable efforts and to cooperate in the preparation and filing of all applications, notices and documents required to obtain regulatory approval and/or consents from governmental authorities for the merger and the merger agreement;

to use reasonable and diligent good faith efforts to satisfy the conditions required to close the merger and to complete the merger as soon as practicable;

that neither will intentionally act in a manner that would cause a breach of the merger agreement or that would cause a representation made in the merger agreement to become untrue;

to provide the other party with reasonable access to information under the condition that the information be kept confidential; and

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

to coordinate publicity of the transactions contemplated by the merger agreement with the media and their respective stockholders.

The foregoing is an outline of the types of covenants made by Main Street and Citizens contained in the merger agreement, a copy of which is included at Appendix A. You should carefully review the entire agreement and in particular Articles 6, 7 and 8, containing the detailed covenants of the parties.

Conditions to Completion of the Merger

Each of Main Street and Citizens is required to complete the merger only after the satisfaction of various conditions. Main Street is only required to complete the merger if the following conditions are satisfied:

Citizens' representations and warranties in the merger agreement must be accurate as of the date of the merger agreement and as of the date the merger becomes effective, except for any untrue or incorrect representations and warranties that do not have a material adverse effect on Citizens on a consolidated basis or on Main Street's rights under the merger agreement;

Citizens must have performed and complied with all of its covenants and obligations under the merger agreement, except where any non-performance or non-compliance would not have a material adverse effect on Citizens on a consolidated basis or on Main Street's rights under the merger agreement;

all proceedings to be taken by Citizens in connection with the merger, and all documents relating to these proceedings, must be reasonably satisfactory in form and substance to counsel for Main Street;

the merger agreement and the transactions it contemplates must have been approved by Citizens' stockholders;

there must not have been since the date of the merger agreement any event or occurrence that would be reasonably likely to have a material adverse effect on Citizens or any of its subsidiaries;

all consents and approvals required in connection with the merger must have been obtained;

the completion of the merger must not conflict with or result in a violation of any applicable laws or legal requirements;

the Securities and Exchange Commission must have declared the registration statement registering the shares of Main Street common stock to be issued to Citizens' stockholders in the merger, of which this proxy statement-prospectus is a part, effective under the Securities Act of 1933, as amended, and referred to as the Securities Act;

Citizens must have an adjusted stockholders' equity, as calculated immediately prior to the effective time, of no less than \$34,625,000;

Citizens must have a consolidated allowance for loan and lease losses that is adequate in all material respects to provide for probable losses, net of recoveries relating to loans previously charged off, on loans outstanding;

the outstanding capital stock of Citizens must consist exclusively of no more than 1,761,311 shares of common stock; and

Main Street must have received satisfactory proof that Citizens has paid or fully accrued all of its transaction expenses.

Citizens is only required to complete the merger if the following conditions are satisfied:

Main Street's representations and warranties in the merger agreement must be accurate as of the date of the merger agreement and as of the date the merger becomes effective, except for any untrue or incorrect representations and warranties that do not have a material adverse effect on Main Street on a consolidated basis or on Citizens' rights under the merger agreement;

Main Street must have performed and complied with all of its covenants and obligations under the merger agreement, except where any non-performance or non-compliance would not have a material adverse effect on Main Street on a consolidated basis or on Citizens' rights under the merger agreement;

all proceedings to be taken by Main Street in connection with the merger, and all documents relating to these proceedings, must be reasonably satisfactory in form and substance to counsel for Citizens;

the merger agreement and the transactions it contemplates must have been approved by Citizens' stockholders;

there must not be pending any proceeding involving any challenge to, or seeking damages or other relief in connection with, the merger, or that may have the effect of preventing, delaying, making illegal or otherwise interfering with the merger, in either case that would reasonably be expected to have a material adverse effect on Main Street or its stockholders or on Citizens' rights under the merger agreement;

there must not have been since the date of the merger agreement any event or occurrence that would be reasonably likely to have a material adverse effect on Main Street or any of its subsidiaries;

all consents and approvals required in connection with the merger must have been obtained;

the completion of the merger must not conflict with or result in a violation of any applicable laws or legal requirements;

the Securities and Exchange Commission must have declared the registration statement registering the shares of Main Street common stock to be issued to Citizens' stockholders in the merger effective under the Securities Act;

Main Street and Citizens must have received the tax opinion in the form described above from Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLP; and

Citizens must have received the fairness opinion from Sandler O'Neill, and the opinion must not have been withdrawn.

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

Neither party can be certain as to when or if all of the conditions to the merger can or will be satisfied or waived by the party permitted to do so. If the merger is not completed by September 7, 2005, either of our boards of directors may terminate the merger agreement and abandon the merger; provided, however, that the party responsible for a condition not being met prior to September 7, 2005, may not terminate the merger agreement if the merger is not completed by September 7, 2005. *See "Waiver, Amendment and Termination."*

The foregoing is an outline of the types of conditions precedent to the obligations of Main Street and Citizens contained in the merger agreement, a copy of which is included at Appendix A. You should carefully review the entire agreement and in particular Articles 9 and 10, containing the detailed conditions to each party's obligation to close.

Termination and Termination Fees

Ability to Terminate the Merger Agreement. At any time before the merger becomes effective, the boards of directors of Citizens and Main Street may mutually agree to terminate the merger agreement. In addition, the merger agreement may be terminated as follows:

by Main Street, if any of the conditions to its obligation to complete the merger, as described above, has not been satisfied or has become impossible, and Main Street has not waived the condition;

by Citizens, if any of the conditions to its obligation to consummate the merger, as described above, has not been satisfied or has become impossible, and Citizens has not waived the condition;

by Main Street, if environmental investigations indicate the presence of material adverse environmental conditions that cannot be removed or remediated at a cost of \$250,000 or less; and

by either Main Street or Citizens, if the closing of the merger has not occurred, other than through the failure of the party seeking to terminate the merger agreement to perform any of its required obligations under the merger agreement, by September 7, 2005.

In addition, Citizens may terminate the merger agreement if both:

the average daily closing price of Main Street common stock, as reported on the over-the-counter bulletin board, during the 20 business days immediately preceding the last business day prior to the effective time of the merger, is less than \$26.92; and

the common stock of Main Street declines more than 85%, on a relative basis, when compared to the stock prices of comparable bank holding companies.

However, Citizens cannot terminate the merger agreement on the basis of Main Street's stock price if Main Street elects to increase the value of the cash consideration, the stock consideration or a combination of both in such a way that the per share value of the merger consideration at closing will equal at least \$29.75.

Effect of Termination. If the merger is terminated, the merger agreement will become void and have no effect, except that certain provisions of the merger agreement, including those relating to the obligation to pay expenses and maintain the confidentiality of certain information obtained in connection with the merger and the merger agreement, will survive.

Termination Fees. If either:

Main Street terminates the merger agreement because of a breach of Citizens' representations and warranties that (a) was not in existence on the date of the merger agreement, (b) was not a

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

result of a failure by Main Street to comply with its material obligations under the merger agreement and (c) has or would reasonably be expected to have a material adverse effect on either Main Street or Citizens; *or*

Main Street or Citizens terminates the merger agreement because both

- (a) a competing acquisition transaction has been commenced by a third party; or the board of directors of Citizens has recommended or proposed a competing acquisition transaction; or the board, in the exercise of its fiduciary duties, has failed to recommend to its shareholders that they approve the merger agreement and the merger, has withdrawn or adversely modified or changed its recommendation; or has failed to call a stockholder meeting to approve the merger agreement and the merger; *and*
- (b) the stockholders of Citizens failed to approve the merger agreement before September 7, 2005;

then, in either case, as long as Main Street is in material compliance with its material obligations under the merger agreement, Citizens is required to pay Main Street a termination fee of \$1,000,000.

In addition to the \$1,000,000 termination fee described above, if the merger agreement is terminated on one of the bases described above, and within 12 months after this termination Citizens enters into a contract with any party other than Main Street providing for the acquisition of control of Citizens or Citizens Savings Bank, then Citizens is required to pay Main Street an additional fee of \$1,300,000.

Alternatively, if Main Street terminates the merger agreement because either:

Citizens breached its covenants or agreements under the merger agreement, and the breach was not the result of Main Street's failure to comply in all material respects with its obligations under the merger agreement; *or*

there was a breach of Citizens' representation and warranties in existence on the date of the merger agreement;

then, in either case, provided that the breach has or would reasonably be expected to have a material adverse effect on either Main Street or Citizens, then Citizens is required to pay Main Street a termination fee of \$2,300,000.

If Citizens terminates the merger agreement because of a breach of Main Street's representations and warranties that (a) was not in existence on the date of the merger agreement, (b) was not a result of a failure by Citizens to comply with its material obligations under the merger agreement and (c) has or would reasonably be expected to have a material adverse effect on either Main Street or Citizens, then, as long as Citizens is in material compliance with its material obligations under the merger agreement, Main Street is required to pay Citizens a termination fee of \$1,000,000.

Alternatively, if Citizens terminates the merger agreement because either:

Main Street breached its covenants or agreements under the merger agreement, and the breach was not the result of Citizens' failure to comply in all material respects with its obligations under the merger agreement; *or*

there was a breach of Main Street's representation and warranties in existence on the date of the merger agreement;

then, in either case, provided that the breach has or would reasonably be expected to have a material adverse effect on either Main Street or Citizens, then Main Street is required to pay Citizens a termination fee of \$2,300,000.

The foregoing is an outline of the termination provisions contained in the merger agreement, a copy of which is included at [Appendix A](#). You should carefully review the entire agreement and in particular Article 11, containing the detailed termination provisions.

Waiver and Amendment

To the extent permitted by law, our boards of directors may agree in writing to amend the merger agreement, whether before or after Citizens' stockholders have approved the merger agreement. However, no amendment agreed to after the merger agreement has been approved by Citizens' stockholders may materially and adversely affect the rights of Citizens' stockholders. In addition, before or at the time the merger becomes effective, either Main Street or Citizens, or both, may waive any default in the performance of any term of the merger agreement by the other or may waive or extend the time for the compliance or fulfillment by the other of any of its obligations under the merger agreement. Either of Main Street or Citizens may also waive any of the conditions precedent to their respective obligations under the merger agreement, unless a violation of any law or governmental regulation would result. To be effective, a waiver must be in writing and signed by one of Main Street's or Citizens' duly authorized officers.

Regulatory Approvals

It is a condition to the completion of the merger that we receive all necessary regulatory approvals of the merger. Neither Main Street nor Citizens is aware of any material governmental approvals or actions that are required to complete the merger, except as described below. If any other approval or action is required, we will also seek this approval or action.

Federal Reserve. The merger is subject to the prior approval of the Board of Governors of the Federal Reserve System, or the Federal Reserve, under Section 3 of the Bank Holding Company Act and Sections 225.11 and 225.15 of Regulation Y of the Federal Reserve. In evaluating the merger, the Federal Reserve is required to consider, among other factors, the financial and managerial resources and future prospects of the institutions and the convenience and needs of the communities to be served. These provisions prohibit the Federal Reserve from approving the merger if:

it would result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any part of the United States; or

its effect in any section of the country could be to substantially lessen competition or to tend to create a monopoly, or if it would result in a restraint of trade in any other manner, unless the Federal Reserve should find that any anti-competitive effects are outweighed clearly by the public interest and the probable effect of the merger in meeting the convenience and needs of the communities to be served.

The merger may not be completed until 30 days following the date of the Federal Reserve approval, although the U.S. Department of Justice may reduce that period to 15 days. During this period, the U.S. Department of Justice is given the opportunity to challenge the transaction on antitrust grounds. The commencement of any antitrust action would stay the effectiveness of the approval of the agencies, unless a court of competent jurisdiction specifically ordered otherwise.

Illinois Department of Financial and Professional Regulation. The change of control of Citizens Savings Bank is subject to the prior approval of the DFPR under Section 8015 of the Illinois Savings Bank Act and Section 1075.1700 of the administrative rules for the Illinois Savings Bank Act. These provisions prohibit the DFPR from approving a change of control of an Illinois savings bank if:

the poor financial condition of any acquiring party may adversely affect the financial stability of the savings bank or may adversely affect the interests of its depositors, borrowers, creditors or stockholders;

the plan or proposal of the acquiring party to liquidate the savings bank, to sell its assets, to merge it with any person or to make any other major change in its business, corporate structure or management may adversely affect the financial stability of the savings bank, is not fair and reasonable to its depositors, borrowers, creditors or stockholders or is not otherwise in the public interest;

insufficient banking and business experience or a lack of competence or integrity of any acquiring party may adversely affect the savings bank or the savings bank's depositors, borrowers, creditors or stockholders;

the information provided by the application is insufficient for the DFPR to determine whether the acquisition should be approved or the DFPR is unable to verify the information provided or to examine the qualifications of the acquiring party; or

the acquisition is not otherwise in the public interest.

Office of Thrift Supervision. Because Citizens has elected to be treated as a savings and loan holding company under Section 10(l) of the Home Owners' Loan Act, Main Street must notify the Office of Thrift Supervision that immediately after the merger is completed, Citizens Acquisition LLC, the surviving entity in the merger with Citizens, will be dissolved.

Management and Operations After the Merger

Immediately following the merger of Citizens with Citizens Acquisition LLC, Citizens Acquisition LLC will dissolve, leaving Main Street as the direct holding company of Citizens Savings Bank. The directors and officers of Main Street will remain the same as they were prior to the merger. Information concerning the management of Main Street is included in the documents incorporated by reference in this proxy statement-prospectus. See "Where You Can Find More Information." For additional information regarding the interests of certain persons in the merger, see "Interests of Certain Persons in the Merger."

Interests of Certain Persons in the Merger

General. Some members of Citizens' management and board of directors may be deemed to have interests in the merger that are in addition to their interests as stockholders generally. The boards of directors of each of Main Street and Citizens were aware of these interests and considered them, together with the other matters described in this proxy statement-prospectus, in adopting the merger agreement and approving the merger.

Agreements with C. William Landefeld. Main Street has entered into an employment agreement with C. William Landefeld, which will become effective upon completion of the merger. This employment agreement provides for Mr. Landefeld's employment following the merger as an Executive Vice President of Main Street. The agreement is for a two-year term and provides for an annual base salary of \$150,000. The agreement also provides for Mr. Landefeld's participation in all plans or benefits that Main Street makes available to all of its employees.

Either Main Street or Mr. Landefeld may terminate the employment agreement, at any time, upon 90 days' prior written notice. Main Street may also terminate the employment agreement for cause, as defined in the agreement, on 30 days' prior written notice. If Main Street terminates Mr. Landefeld's employment without cause, he will be entitled to receive a payment equal to the total amount of compensation that he would have received if he had remained employed for the full term of the

agreement, calculated as the sum of his base salary plus the value of any contributions that would have been made to Mr. Landefeld or for his benefit under all applicable retirement and benefit plans had he remained employed through the last day of the term. In this event, he will also be entitled to continued health coverage for the full term of his agreement. These severance payments are to be paid to Mr. Landefeld in equal monthly installments.

Main Street will have no continuing obligation to Mr. Landefeld if he voluntarily terminates his employment or if Main Street terminates him for cause, except in either case for salary and benefits earned through the date of termination.

Mr. Landefeld's employment agreement includes a covenant limiting his ability for a period of one year following a termination of his employment to compete with Main Street in an area encompassing a 50-mile radius from each banking or other branch office location of Main Street and its subsidiary banks.

Main Street has also agreed that Mr. Landefeld, in connection with the change of control resulting from the merger, will be entitled to receive a payment of \$781,669.20, to be paid in 36 monthly installments of \$21,713.03 each following the effective time, in satisfaction of all obligations that may be owed to him under his existing employment agreement with Citizens. This amount is subject to reduction so that the total amount of payments or benefits provided to Mr. Landefeld under the existing employment agreement or other benefit plans, when added to the sum of \$5,000, will not constitute an "excess parachute payment" under the Internal Revenue Code.

Mr. Landefeld will also be entitled to receive, at or prior to the effective time of the merger, (a) a distribution of 15,145 shares of Citizens common stock in respect of the Citizens Supplemental Executive Retirement Plan, plus an additional amount, if any, attributable to the Supplemental Executive Retirement Plan benefit he is entitled to for the 2004 plan year, (b) payment of up to \$50,000 under the Citizens 2004 Incentive Bonus Plan and (c) an annuity contract (or cash in lieu thereof) to pay benefits to Mr. Landefeld under the Citizens Advisory Directors Retirement Plan, provided that the aggregate cost to Citizens for purchasing the annuity contracts (or cash in lieu thereof) for Mr. Landefeld and Directors Borngasser and Thompson shall not exceed \$510,000.

Agreements with Dallas Smiley. Main Street has entered into an employment agreement with Dallas Smiley, which will become effective upon completion of the merger. This employment agreement provides for Mr. Smiley's employment following the merger as a Senior Vice President of Main Street. The agreement is for a term ending on December 31, 2005, and provides for an annual base salary of \$100,000. The agreement also provides for Mr. Smiley's participation in all plans or benefits that Main Street makes available to all of its employees.

Either Main Street or Mr. Smiley may terminate the employment agreement, at any time, upon 90 days' prior written notice. Main Street may also terminate the employment agreement for cause, as defined in the agreement, on 30 days' prior written notice. If Main Street terminates Mr. Smiley's employment without cause, he will be entitled to receive a payment equal to the total amount of compensation that he would have received if he had remained employed for the full term of the agreement, calculated as the sum of his base salary plus the value of any contributions that would have been made to Mr. Smiley or for his benefit under all applicable retirement and benefit plans had he remained employed through the last day of the term. In this event, he will also be entitled to continued health coverage for the full term of his agreement. These severance payments are to be paid to Mr. Smiley in equal monthly installments.

Main Street will have no continuing obligation to Mr. Smiley if he voluntarily terminates his employment or if Main Street terminates him for cause, except in either case for salary and benefits earned through the date of termination.

Mr. Smiley's employment agreement includes a covenant limiting his ability for a period of one year following a termination of his employment to compete with Main Street in an area encompassing a 50-mile radius from each banking or other branch office location of Main Street and its subsidiary banks.

Main Street has also agreed that Mr. Smiley, in connection with the change of control resulting from the merger, will be entitled to receive a payment of \$631,964.01, to be paid in a single lump sum at closing, in satisfaction of all obligations that may be owed to him under his existing employment agreements with Citizens and Citizens Bank. This amount is subject to reduction so that the total amount of payments or benefits provided to Mr. Smiley under the existing employment agreement or other benefit plans, when added to the sum of \$5,000, will not constitute an "excess parachute payment" under the Internal Revenue Code.

Mr. Smiley will also be entitled to receive, at or prior to the effective time of the merger, (a) a distribution of 1,701 shares of Citizens common stock in respect of the Citizens Supplemental Executive Retirement Plan, plus an additional amount, if any, attributable to the Supplemental Executive Retirement Plan benefit he is entitled to for the 2004 plan year, and (b) payment of up to \$20,000 under the Citizens 2004 Incentive Bonus Plan.

Agreements with Directors Borngasser and Thompson. Directors Carl S. Borngasser and Dr. Lowell M. Thompson will each also be entitled to receive, at or prior to the effective time, an annuity contract (or cash in lieu thereof) to pay benefits to Messrs. Borngasser and Thompson under the Citizens Advisory Directors Retirement Plan, provided that the aggregate cost to Citizens for purchasing the annuity contracts (or cash in lieu thereof), along with an annuity contract (or cash) for Mr. Landefeld, shall not exceed \$510,000.

Indemnification for Directors and Officers; Insurance. Main Street has agreed to honor for at least three years from the effective date of the merger all of Citizens' obligations with respect to indemnification currently provided by Citizens in its certificate of incorporation or bylaws in favor of the current and former officers and directors with respect to matters occurring prior to the effective time. In addition, Main Street has agreed to maintain for a period of two years extended insurance coverage of acts or omissions occurring at or prior to the effective time with respect to those persons who are currently covered by Citizens' director and officer liability insurance policies.

Appointment of Citizens' Nominees. The merger agreement provides that, immediately after the effective time of the merger, Main Street will expand the board of its subsidiary bank by two members, and that board will then appoint two individuals nominated by Citizens. The Citizens' appointees must be acceptable to Main Street, in its sole discretion.

Additional Agreements

Voting Agreement. Each of the directors of Citizens has entered into a voting agreement with Main Street. Under this agreement, these shareholders have agreed to vote their respective shares of Citizens common stock:

in favor of the merger and the transactions contemplated by the merger agreement;

against any acquisition of Citizens or Citizens Savings Bank by a party other than Main Street;

against any action or agreement that would result in a material breach of any term or any other obligation of Citizens under the merger agreement; and

against any action or agreement which would impede or interfere with the transactions contemplated by the merger agreement.

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

Furthermore, and without Main Street's prior approval, each of these shareholders has also agreed not to solicit, initiate or encourage any inquiries or proposals for a merger or other business combination involving Citizens. The shares subject to the voting agreement represent approximately 14.82% of the outstanding shares of Citizens common stock on the record date. The voting agreement will terminate upon the earlier of the consummation of the merger or termination of the merger agreement in accordance with its terms.

Employee Benefits Agreement. In an agreement between Citizens and Main Street that was entered into concurrently with the merger agreement, Citizens has agreed to terminate prior to closing its employee benefit plans, and to take such actions as are necessary to properly distribute to the plan participants assets it holds under the plans. On its part, Main Street has agreed that the former employees of Citizens or its subsidiary will become participants in the employee benefit plans of Main Street or its subsidiaries.

Accounting Treatment

The merger will be accounted for using the purchase method of accounting under generally accepted accounting principles as applied in the United States. Under this method of accounting, Main Street will record the assets acquired and liabilities assumed of Citizens at their fair market values. Any difference between the purchase price and the fair market value of the net tangible and identifiable intangible assets and liabilities is recorded as goodwill, which, in accordance with Statement of Financial Accounting Standard No. 142, will not be amortized for financial accounting purposes, but will be evaluated annually for impairment.

Expenses

Each of Main Street and Citizens will pay its own expenses in connection with the merger, including filing, registration and application fees, printing fees and fees and expenses of its own financial or other consultants, accountants and counsel.

Resales of Main Street Common Stock

Main Street common stock to be issued to Citizens stockholders in the merger will be registered under the Securities Act. All shares of Main Street common stock received by Citizens stockholders in the merger will be freely transferable after the merger by persons who are not considered to be "affiliates" of either Main Street or Citizens. These "affiliates" would generally include any persons or entities who control, are controlled by or are under common control with either Citizens or Main Street at the time of the special meeting (generally, executive officers, directors and 10% or greater stockholders).

Rule 145 promulgated under the Securities Act restricts the sale of Main Street common stock received in the merger by affiliates of Citizens and certain of their family members and related entities. Under the rule, until the first anniversary of the effective date of the merger, affiliates of Citizens may publicly resell the Main Street common stock they receive in the merger, but only within certain limitations as to the amount of Main Street common stock they can sell in any three-month period and as to the manner of sale. After this first anniversary, affiliates of Citizens who are not affiliates of Main Street may resell their shares without restriction. Main Street must continue to satisfy its reporting requirements under the Securities Exchange Act of 1934, as amended, for affiliates to continue to be able to resell under Rule 145 the shares of Main Street common stock they received in the merger. Affiliates would also be permitted to resell Main Street common stock received in the merger pursuant to an effective registration statement under the Securities Act or an available exemption from the registration requirements. This proxy statement-prospectus does not cover any resales of Main Street common stock received by persons who may be deemed to be affiliates of Citizens.

EFFECT OF THE MERGER ON RIGHTS OF STOCKHOLDERS

General

Citizens is a Delaware corporation governed by Delaware law and Citizens' certificate of incorporation and bylaws. Main Street is an Illinois corporation governed by Illinois law and Main Street's articles of incorporation and bylaws.

In the merger, many stockholders of Citizens will receive shares of Main Street common stock which will include all rights attaching to shares of Main Street common stock. There are significant differences between the rights of Citizens' stockholders and the rights of Main Street's stockholders. The following is a summary of the principal differences between the rights.

The following summary is not intended to be complete and is qualified in its entirety by reference to the Illinois Business Corporation Act and the Delaware General Corporation Law, as well as Main Street's articles of incorporation and bylaws and Citizens' certificate of incorporation and bylaws.

Anti-Takeover Provisions Generally

Main Street's articles of incorporation and bylaws contain provisions designed to assist Main Street's board of directors in playing a role in any attempt by a group or person to acquire control of Main Street. These provisions are intended to enable Main Street's board of directors to protect the interests of Main Street and its stockholders under the circumstances. Aided by these provisions, Main Street may determine that a sale of control is in the best interests of Main Street's stockholders or will enhance the board's ability to maximize the value to be received by the stockholders upon a sale of control of Main Street.

Although Main Street's management believes that these provisions are beneficial to Main Street's stockholders, they may also tend to discourage some takeover bids. As a result, Main Street's stockholders may be deprived of opportunities to sell some or all of their shares at prices that represent a premium over prevailing market prices. On the other hand, defeating undesirable acquisition offers can be a very expensive and time-consuming process. To the extent that these provisions discourage undesirable proposals, Main Street may be able to avoid those expenditures of time and money.

These provisions may also discourage open market purchases of Main Street common stock by a company that may desire to acquire Main Street. Those purchases may increase the market price of Main Street common stock temporarily and enable stockholders to sell their shares at a price higher than they might otherwise obtain. In addition, these provisions may decrease the market price of Main Street common stock by making the stock less attractive to persons who invest in securities in anticipation of price increases from potential acquisition attempts. The provisions may also make it more difficult and time consuming for a potential acquiror to obtain control of Main Street through replacing the board of directors and management. Furthermore, the provisions may make it more difficult for Main Street's stockholders to replace the board of directors or management, even if a majority of the stockholders believe that replacing the board of directors or management is in the best interests of Main Street. Because of these factors, these provisions may tend to perpetuate the incumbent board of directors and management.

Authorized Capital Stock

Main Street. Main Street is authorized to issue 15,000,000 shares of common stock, \$0.01 par value per share, and 2,000,000 shares of preferred stock, no par value per share. As of September 30, 2004, 11,219,319 shares of Main Street common stock were issued, including 1,770,996 shares held by Main Street as treasury shares. No shares of Main Street preferred stock are issued and outstanding. The Main Street board of directors may authorize the issuance of additional shares of common stock

without further action by its stockholders, unless applicable laws or regulations or a stock exchange on which Main Street's capital stock is listed requires stockholder action.

Main Street may issue, without a stockholder vote, shares of its preferred stock, in one or more classes or series, with voting, conversion, dividend and liquidation rights as it specifies in its articles. The Main Street board of directors may determine, among other things, the distinctive designation and number of shares comprising a series of preferred stock, the dividend rate or rates on the shares of such series and the relation of such dividends to the dividends payable on other classes of stock, whether the shares of such series will be convertible into or exchangeable for shares of any other class or series of Main Street capital stock, the voting powers if any of such series, and any other preferences, privileges and powers of such series.

Upon the voluntary or involuntary liquidation, dissolution, distribution of assets or winding up of Main Street, holders of its preferred stock, if any, will have priority over holders of common stock.

The authority to issue additional shares of common stock or preferred stock provides Main Street with the flexibility necessary to meet its future needs without the delay resulting from the need to obtain stockholder approval for the issuance. The authorized but unissued shares of common stock and preferred stock may be issued from time to time for any corporate purpose, including stock splits, stock dividends, employee benefit and compensation plans, acquisitions and public or private sales for cash as a means of raising capital. The shares could be used to dilute the stock ownership of persons seeking to obtain control of Main Street. The sale of a substantial number of shares of voting stock to persons who have an understanding with Main Street concerning the voting of such shares or the distribution or declaration of a dividend of shares of voting stock (or the right to receive voting stock) to its stockholders may have the effect of discouraging or increasing the cost of unsolicited attempts to acquire control of Main Street.

Citizens. Citizens is authorized to issue 8,000,000 shares of common stock, \$0.01 par value per share, and 1,000,000 shares of preferred stock, \$0.01 par value per share. As of the record date, 2,817,500 shares of Citizens common stock were issued, including 1,247,842 shares that are held by Citizens as treasury shares. No shares of Citizens preferred stock are issued and outstanding.

Citizens' board of directors has substantially the same powers with respect to the issuance of common stock and preferred stock as does Main Street's board of directors described above.

Voting Rights

Main Street. Generally, holders of Main Street common stock are entitled to one vote per share on all matters submitted to a vote of stockholders.

As stated above, Main Street's board of directors is authorized to issue up to 2,000,000 shares of preferred stock, and may designate various characteristics and rights of Main Street preferred stock, including voting and conversion rights. Main Street's board of directors may also authorize the conversion of shares of other classes of Main Street preferred stock into any number of shares of Main Street common stock and thus dilute the outstanding shares of Main Street common stock. Subject to the board's fiduciary duties, Main Street could issue convertible preferred stock with the purpose or effect of deterring or preventing a takeover of Main Street.

Main Street's articles of incorporation do not provide for cumulative voting rights in the election of directors.

Citizens. Generally, holders of Citizens common stock are entitled to one vote per share on all matters submitted to a vote of stockholders. However, under Citizens' certificate of incorporation, any stockholder that beneficially owns more than 10% of Citizens common stock can only vote the shares

of stock that exceed the 10% limit in accordance with a formula contained in the certificate of incorporation.

As stated above, Citizens' board of directors is authorized to issue up to 1,000,000 shares of preferred stock and may designate various characteristics and rights of Citizens preferred stock including issuance of the shares of preferred stock in series by filing a certificate pursuant to the applicable law of the state of Delaware. Citizens' board of directors may also increase or decrease the number of authorized shares of Citizens preferred stock by the affirmative vote of the holders of a majority of the Citizens common stock, without the vote of the holder of the preferred stock, or any series of preferred stock, unless such a vote is required by the terms of any preferred stock designation.

Classification of Board of Directors

Main Street. Main Street's articles of incorporation do not provide for the division of its board of directors into classes.

Citizens. Citizens' certificate of incorporation provides for the division of its board of directors into three classes of approximately equal size. Citizens' directors are elected for three-year terms, and the terms of office of approximately one-third of the members of the classified board of directors expire each year. This board classification may make it more difficult for a stockholder to acquire immediate control of Citizens and remove management by means of a proxy contest. Because the terms of approximately one-third of the incumbent directors expire each year, at least two annual elections would be necessary for stockholders to replace a majority of Citizens' directors, while a majority of directors of a non-classified board, such as Main Street's, could be replaced in one annual meeting.

Size of the Board of Directors; Qualifications; Vacancies; Removal

Main Street. Main Street's articles of incorporation provide that the size of the board of directors must consist of at least 9, but no more than 17, directors, as fixed by a majority of Main Street's directors. The articles of incorporation and bylaws also provide that any vacancy occurring on the board of directors may be filled for the remainder of the unexpired term by a majority vote of the directors then in office.

Under the Illinois Business Corporation Act, a director may be removed, with or without cause, by the affirmative vote of a majority of stockholders.

Citizens. Citizens' certificate of incorporation and bylaws provide that the size of the board of directors may be changed from time to time pursuant to a resolution adopted by a majority of the board or directors. The bylaws also provide that any vacancy occurring on the board of directors may be filled for the remainder of the unexpired term by a majority vote of the directors then in office.

Under Citizens' bylaws, to be eligible to serve as a director, an individual must meet the following qualifications:

his or her primary domicile must be in a county in which Citizens Savings Bank has its home office or a full service branch office;

he or she must be at least 21 years old;

he or she must meet any and all qualifications established for directors of bank holding companies and banks by any Federal or state banking agency having regulatory authority over Citizens or any of its subsidiaries;

he or she must not be an officer, director or employee of any depository institution or depository institution holding company other than Citizens or its subsidiary, or any other institutions in which Citizens may own stock;

he or she may not have been removed or disqualified by operation of law or regulation from being or serving as a stockholder, director, officer or employee of an insured financial institution, or have been the subject of a formal enforcement decision or order brought by any Federal or state banking regulatory agency; and

he or she must have a history of conducting his or her own personal and business affairs in a safe and sound manner, in accordance with applicable laws and without substantial conflicts of interest.

Under the Delaware General Corporation Law, members of a classified board of directors may only be removed for cause, unless the certificate of incorporation provides otherwise. Citizens' certificate of incorporation provides that a director may only be removed for cause and only by the vote of 80% of holders of the shares eligible to vote in the election of directors. Citizens' certificate of incorporation does not contain a definition of "cause."

Stockholder Nominations and Proposals

Main Street. Main Street's bylaws provide that the only business that may be conducted at an annual meeting is the business brought before the meeting in Main Street's notice of the meeting, by or at the direction of the board of directors or by any stockholder who complies with the notice provisions set forth in Main Street's bylaws. For business to be brought by a stockholder at an annual meeting, the stockholder must have given timely notice, in writing, to the secretary of Main Street. To be timely, a stockholder's notice must be received at the principal executive offices of Main Street no less than 60 and no more than 90 days prior to the anniversary of the previous year's annual meeting.

A stockholder's notice to the secretary must set forth, as to each matter the stockholder proposes to bring before the meeting:

a brief description of the matter;

the reasons for bringing the matter before the special meeting;

any material interest of the stockholder in such matter; and

the beneficial owner, if any, on whose behalf the proposal is made.

The proposal also must include the stockholder's name and address, the name and address of any beneficial owner on whose behalf the proposal is made and the class and number of shares of capital stock owned by the stockholder and the beneficial owner, if any.

Main Street's bylaws provide that nominations for election to Main Street's board of directors must be made only by the board of directors or by any stockholder entitled to vote who complies with the notice procedures set forth in the bylaws. Those notice provisions are comparable to those set forth above for new business to be brought before a stockholders' meeting, except that the stockholder may also make a nomination at a special meeting so long as the notice is delivered no less than 60 and no more than 90 days prior to the special meeting. The notice must set forth as to each person the stockholder wishes to nominate the nominee's name, age, address and occupation or employment, as well as the number of shares owned by the nominee.

Citizens. Citizens' bylaws contain a comparable stockholder proposal provision as that contained in Main Street's bylaws. The stockholder nomination provision in Citizens' bylaws are also comparable to those contained in Main Street's bylaws, except that there is no provision relating to nominations to be made at special meetings.

Special Meetings of Stockholders

Main Street. Main Street's bylaws provide that a special meeting of stockholders may be called at any time for any purpose permitted by law and the articles of incorporation by the president, a majority of the board of directors or the holders of at least one-fifth of the shares entitled to vote on the matter. The only business that may be conducted at a special meeting is that set forth in the notice of the special meeting.

Citizens. Citizens' certificate and bylaws provide that special meetings may be called only by the board of directors pursuant to a resolution adopted by a majority of the members of the entire board of directors. The only business that may be conducted at a special meeting is business brought by or at the direction of Citizens' board of directors.

Action by Written Consent

Main Street. Under Illinois law, unless a corporation's articles of incorporation provide otherwise, any action required to be taken at an annual or special meeting of stockholders may instead be adopted by a written consent signed by the holders of outstanding shares having at least the minimum number of votes that would be required to approve such action at a meeting. Main Street's articles of incorporation and bylaws do not limit this ability to take action by written consent.

Citizens. Citizens' certificate of incorporation prohibits its stockholders from taking action by written consent.

Dividends

Main Street. Main Street's ability to pay dividends is governed by Illinois corporate law. Under Illinois corporate law, dividends may be paid so long as after giving effect to their payment the corporation would not be insolvent and the corporation's net assets would not be less than zero or less than the maximum amount necessary at the time of payment of the dividends to satisfy any preferential rights upon dissolution to stockholders whose preferential rights are superior to those receiving the dividends. Subject to Illinois law, Main Street's articles of incorporation state that the board of directors may declare and pay dividends from time to time.

Most of the revenues of Main Street available for the payment of dividends derive from amounts paid to it by its banking subsidiaries. There are various statutory limitations that limit the ability of the subsidiaries to pay dividends to Main Street. Main Street's state-chartered bank subsidiary is subject to the laws and regulations of the DFPR and to the regulations of the FDIC. If a bank's primary federal banking regulator determines that the bank is engaged or is about to engage in an unsafe or unsound banking practice, the regulator may require, after notice and hearing, that the bank cease and desist from such practice. Depending on the financial condition of the bank, an unsafe or unsound practice could include the payment of dividends. In particular, the federal banking agencies have indicated that paying dividends that deplete a bank's capital base to an inadequate level would be an unsafe and unsound banking practice. Under the Federal Deposit Insurance Corporation Improvement Act of 1991, a bank may not pay a dividend if the payment would cause it to become undercapitalized or if it is already undercapitalized. The federal agencies have also issued policy statements that provide that bank holding companies and insured banks should generally pay dividends only out of current operating earnings.

Citizens. Citizens' ability to pay dividends on its common stock is governed by Delaware corporate law. Under Delaware corporate law, unless there are restrictions in the corporation's certificate of incorporation, dividends may be declared from the corporation's surplus, or, if there is no surplus, from its net profits for the fiscal year in which the dividend is declared and the preceding years. Dividends may not be declared, however, if the corporation's capital is less than the amount of

all capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets. Subject to Delaware law, Citizens' bylaws state that the board of directors may declare dividends from time to time.

Like Main Street, most of the revenues of Citizens available for the payment of dividends derive from amounts paid to it by its banking subsidiary. There are various statutory limitations that limit the ability of Citizens Savings Bank to pay dividends to Citizens, which are discussed above for Main Street.

Special Voting Requirements; Business Combinations

Main Street. Subject to contrary provisions in a corporation's articles of incorporation, the Illinois Business Corporation Act provides that a corporation may engage in any merger, consolidation or a sale or lease of all or substantially all of its assets if such transaction is approved by the corporation's board of directors and ratified by the vote of holders of two-thirds or more of the corporation's issued and outstanding shares of voting stock. Main Street's articles provide that holders of only a majority of Main Street common stock must approve this type of transaction.

Citizens. Subject to the special voting requirements discussed below, the Delaware General Corporation Law provides that a majority of the outstanding stock of a corporation is required to approve a merger or consolidation. Under Citizens' certificate of incorporation, holders of at least 80% of the voting stock must approve specified transactions with a 10% or more stockholder, generally referred to as an "interested stockholder." The transactions that are subject to these special approval requirements are:

any merger or consolidation of Citizens or any of its subsidiaries with an interested stockholder or a corporation that is an affiliate of an interested stockholder;

any sale, lease, exchange, mortgage, pledge, transfer or other disposition to any interested stockholder or affiliate of an interested stockholder of any assets that have an aggregate fair market value equal to 25% of the combined assets of Citizens and its subsidiaries;

any issuance or transfer by Citizens or any subsidiary to any interested stockholder or affiliate of an interested stockholder of any securities that have an aggregate fair market value equal to 25% of the fair market value of the outstanding common stock of Citizens and its subsidiaries;

the adoption of a plan or proposal for the liquidation or dissolution of Citizens on behalf of any interested stockholder or affiliate of an interested stockholder; and

a reclassification of securities or recapitalization of Citizens that has the effect of increasing the proportionate ownership of an interested stockholder or affiliate of an interested stockholder.

However, Citizens' certificate of incorporation states that approval of only a majority of the voting stock is needed if either:

the business combination with the interested stockholder does not involve any cash or other consideration being received by the Citizens stockholders and the business combination has been approved by a majority of disinterested directors; or

the business combination with the interested stockholder has been approved by a majority of disinterested directors, the consideration to be received by stockholders meets specified fair market price tests and the interested stockholder meets specified conditions.

The amendment of these interested stockholder provisions of Citizens' certificate of incorporation requires the affirmative vote of holders of not less than 80% of Citizens' outstanding voting stock.

In addition, Section 203(d) of the Delaware General Corporation Law prohibits Citizens from engaging in a business combination, as defined by the Delaware General Corporation Law, with an interested stockholder, defined as a person who owns, directly or indirectly, 15% or more of Citizens' outstanding voting stock, for a three year period from the date the person became an interested stockholder, referred to as the acquisition date, unless:

prior to the acquisition date, the Citizens board or directors approved the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;

upon completion of the transaction in which the stockholder became an interested stockholder, the stockholder owns at least 85% of Citizens' outstanding voting stock, excluding stock held by officers and directors and employee stock plans in which the participants do not have the right to determine confidentially whether shares held by the plan will be tendered in an exchange offer or a tender offer; or

on or after the acquisition date, the business combination is approved by the Citizens board of directors and by the Citizens stockholders at a duly called meeting, provided that stockholders owning at least two-thirds of Citizens' outstanding voting stock approve the business combination. When determining whether this two-thirds vote requirement has been satisfied, voting stock held by the interested stockholder is not included.

Amendment of Charter Documents

Main Street. Main Street may amend its articles of incorporation in any manner permitted by Illinois law. The Illinois Business Corporation Act provides that a corporation's articles of incorporation may be amended by holders of two-thirds or more of the shares entitled to be voted on an amendment, unless the corporation's articles of incorporations provide otherwise. Main Street's articles provide that they can be amended by holders of a majority of the shares of Main Street common stock entitled to be voted on an amendment.

Main Street's board of directors may adopt, amend or repeal Main Street's bylaws by a majority vote of the entire board of directors. The bylaws may also be amended or repealed by action of Main Street's stockholders.

Citizens. The Delaware General Corporation Law provides that amendments to a corporation's certificate of incorporation must be approved by holders of a majority of the issued and outstanding shares of a corporation's voting stock. However, Citizens' certificate of incorporation provides that specified amendments to the certificate of incorporation must be approved by 80% of the then outstanding shares of Citizens common stock entitled to vote generally for directors, voting as a single class. These specified provisions relate to the following:

the procedure to amend or repeal the certificate of incorporation;

the limitations on voting by stockholders that own more than 10% of the outstanding Citizens common stock;

the prohibition on action by written consent by stockholders;

the procedures for calling special meetings of stockholders;

the operation of the board of directors;

the amendment of Citizens' bylaws;

business combination transactions; and

indemnification and advancement of expenses.

Edgar Filing: MAIN STREET TRUST INC - Form 424B3

Citizens' bylaws provide that they may be amended at any meeting of its board of directors, provided that notice of the proposed change is given at least two days before the meeting is held. Stockholders may also amend the bylaws at any meeting of the stockholders, provided that notice of the proposed amendment is given in the notice of the meeting and the amendment is approved by the affirmative vote of 80% of the voting power of the outstanding common stock eligible to vote.

Limitations on Director Liability

Main Street. Main Street's articles of incorporation provide that a director will not be personally liable, to the fullest extent permitted by the Illinois Business Corporation Act, to Main Street or its stockholders for monetary damages resulting from the director's breach of his or her duty of care. The Illinois Business Corporation Act permits a corporation to limit a director's personal liability to this extent, except:

for any breach of a director's duty of loyalty to Main Street or its stockholders;

for actions, or the failure to take actions, not in good faith or which involve intentional misconduct or a knowing violation of law;

for liability of directors for the unlawful payment of dividends or unlawful stock repurchases; or

for any transactions for which the director derived any improper personal benefit.

Citizens. Citizens' certificate of incorporation contains substantially the same limitation on the personal liability of its directors as Main Street's articles of incorporation.

Indemnification

Main Street. Under Illinois law, directors, officers, employees and agents of a corporation may be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement under certain circumstances. In certain types of actions, suits or proceedings, whether they are civil, criminal, administrative or investigative (other than an action by, or in the right of the corporation, i.e., a "derivative action"), such individuals may be indemnified against individual liability if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interest of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A similar standard applies in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) resulting from the defense or settlement of such actions. In the case of derivative actions, Illinois law requires court approval before there can be any indemnification when the person seeking indemnification has been found liable to the corporation. To the extent that a person otherwise eligible to be indemnified is successful on the merits or otherwise of any claim or defense, indemnification is required for expenses (including attorneys' fees) actually and reasonably incurred.

Expenses incurred by a director, officer, employee or agent of a corporation in defending a proceeding may be paid by the corporation in advance of the final disposition of the proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay the amount of any advance if it is ultimately determined that he or she is not entitled to be indemnified by the corporation as authorized by Illinois law.

Main Street's articles of incorporation and bylaws provide for the indemnification of its directors and officers and of any person serving at the request of Main Street as a director, officer or partner of another enterprise, to the fullest extent permitted by Illinois law.

Insofar as indemnification for liabilities arising under the Securities Act, may be permitted to directors, officers or persons controlling Main Street under the provisions described above, Main Street has been informed that, in the opinion of the Securities and Exchange Commission, such

indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Citizens. Citizens is subject to the provisions of Delaware law with respect to indemnification. Delaware and Illinois law are substantially the same in this area and Citizens' certificate of incorporation contains substantially the same provisions governing indemnification as Main Street's articles of incorporation.

Appraisal and Dissenters' Rights

Main Street. Under the Illinois Business Corporation Act, a stockholder is entitled in certain events to dissent from a corporate action and obtain the fair value in cash of his or her shares. These events include:

mergers, share exchanges and sales or leases of substantially all of the corporation's assets if the stockholder is entitled to vote on the transaction;

certain types of amendments of the corporation's articles of incorporation if the amendments materially and adversely affect a stockholder's rights; or

other corporate actions taken pursuant to a stockholder vote, to the extent that the articles of incorporation, bylaws or a resolution of the board of directors provides for dissenters' rights.

Main Street's articles of incorporation and bylaws do not provide for any additional dissenters' rights.

Citizens. Under Section 262 of the Delaware General Corporation Law, stockholders of a Delaware corporation generally are entitled to demand appraisal in connection with a merger or consolidation and receive payment in cash of the fair value of their stock, as determined by the Delaware Court of Chancery. However, appraisal rights are not granted under Delaware law with respect to any transaction involving the sale, lease or exchange of substantially all of the assets of a corporation. In addition, appraisal rights are not available in certain circumstances with respect to shares of stock that are listed on a national securities exchange. Citizens' certificate of incorporation and bylaws do not provide for any additional appraisal rights. See "Special Meeting Appraisal Rights" for additional information.

BUSINESS OF CITIZENS

General

Citizens was incorporated under Delaware law in January 1996 to become the holding company for its bank subsidiary, Citizens Savings Bank. Citizens completed an initial public offering in May 1996 in connection with the conversion of Citizens Savings Bank from the mutual to stock form of ownership. Citizens Savings Bank's principal business consists of the acceptance of retail deposits from the general public in the area surrounding its branch offices and the investment of those deposits, together with funds generated from operations and borrowings, in commercial, agricultural, residential real estate mortgage, commercial real estate, consumer and other loans. Citizens Savings Bank's revenues are derived principally from interest on its mortgage, consumer and commercial loans, loan servicing fees and, to a lesser extent, the interest on its securities. Citizens Savings Bank's primary source of funds are deposits, principal and interest payments on loans and securities, borrowings from the Federal Home Loan Bank of Chicago and, to a lesser extent, proceeds from the sale of loans and securities.

C. The parties desire to make certain representations, warranties and agreements in connection with the Merger and also agree to certain prescribed conditions to the Merger.

AGREEMENTS

In consideration of the foregoing premises and the following mutual promises, covenants and agreements, the parties hereby agree as follows:

**ARTICLE 1
DEFINITIONS**

1.1 Definitions. In addition to those terms defined throughout this Agreement, the following terms, when used herein, shall have the following meanings.

(a) "**Adjusted Stockholders' Equity**" means the consolidated tangible stockholders' equity of Citizens, calculated in accordance with GAAP and reflecting, among other things, the accrued income and expenses of Citizens for all periods ending on or prior to the Determination Date, but adjusted to exclude: (i) the recognition of or accrual for all expenses paid or incurred or projected to be paid or incurred by Citizens or the Bank in connection with this Agreement and the Contemplated Transactions, including Citizens Transactional Expenses and any Remediation Cost (as defined in **Section 6.7**); (ii) changes in stockholders' equity resulting from the exercise or cash-out of any Citizens Stock Options from September 30, 2004, to the Closing Date (as defined below); (iii) any realized gains or losses resulting from sales of investment securities effected by Citizens or any Citizens Subsidiary between September 30, 2004, and the Closing Date; (iv) any realized gains on the sale of any branch or on any other extraordinary sales; (v) any adjustments made in accordance with Statement of Financial Accounting Standard No. 115; and (vi) any accounting or other adjustments made pursuant to **Section 6.18**. Citizens' Adjusted Stockholders' Equity shall be calculated by Citizens' independent auditors, in consultation with MSTI's independent auditors, as of the close of business on the Determination Date using reasonable estimates of revenues and expenses where actual amounts are not available. For purposes of this calculation, Citizens shall assume a tax rate of 34%. Such calculation shall be subject to verification and approval prior to the Closing (as defined below) by MSTI's independent auditors, which approval shall not be unreasonably withheld.

(e) "**Breach**" means with respect to a representation, warranty, covenant, obligation or other provision of this Agreement or any instrument delivered pursuant to this Agreement: (i) any inaccuracy in or breach of, or any failure to perform or comply with, such representation, warranty, covenant, obligation or other provision; or (ii) any claim (by any Person) or other occurrence or circumstance that is or was inconsistent with such representation, warranty, covenant, obligation or other provision, and the term "Breach" means any such inaccuracy, breach, failure, claim, occurrence or circumstance.

(B) that number of Cash Election Shares and Non-Election Shares which is equal to the difference between (1) such stockholder's Individual Cash Election Number, less (2) such stockholder's Individual Cash Excess Amount, shall be converted into the right to receive the Cash Consideration.

(iii) If the Aggregate Stock Election Number is equal to the Required Stock Election Number, then all Stock Election Shares will be converted into the right to receive the Stock Consideration, and all Cash Election Shares and Non-Election Shares will be converted into the right to receive the Cash Consideration.

(iv) If (A) all Election Stockholders make only a Stock Election, and (B) there are no Mandatory Cash Stockholders, such that the Aggregate Stock Election Number is equal to one hundred percent (100%) of the Outstanding Citizens Shares, then the Outstanding Citizens Shares held by each Election Stockholder shall be converted into the Merger Consideration in accordance with the following formula, viz., fifty percent (50%) of the shares of Citizens Common Stock held by each Election Stockholder shall be converted into the right to receive the Stock Consideration, and fifty percent (50%) of the shares of Citizens Common Stock held by each Election Stockholder shall be converted into the right to receive the Cash Consideration.

(v) If all Election Stockholders make only a Cash Election, such that the Aggregate Cash Election Number is equal to one hundred percent (100%) of the Outstanding Citizens Shares, then the Exchange Agent shall allocate the Cash Consideration and the Stock Consideration

on a pro rata basis among all Election Stockholders, such that, following such allocation and taking into account the Cash Consideration to be paid to any Mandatory Cash Stockholders, fifty percent (50%) of the Outstanding Citizens Shares are converted into the right to receive the Stock Consideration, and fifty percent (50%) of the Outstanding Citizens Shares are converted into the right to receive the Cash Consideration.

3.4 Rights as Stockholders; Stock Transfers. At the Effective Time, Citizens Stockholders shall cease to be, and shall have no rights as, Citizens Stockholders, other than to receive the Merger Consideration. After the Effective Time, there shall be no transfers on the stock transfer books of Citizens or the Surviving Entity of shares of Citizens Common Stock.

3.5 Fractional Shares. Notwithstanding any other provision hereof, no fractional shares of MSTI Common Stock and no certificates or scrip therefore, or other evidence of ownership thereof, will be issued in the Merger; instead, MSTI shall pay to each Citizens Stockholder who would otherwise be entitled to a fractional share of MSTI Common Stock (after taking into account all Old Certificates registered in the name of such holder) an amount in cash (without interest) determined by multiplying such fraction by Thirty-One Dollars and Sixty-Seven Cents (\$31.67).

3.6 Exchange Procedures

(a) On the Mailing Date, and with the Election Form, if applicable, the Exchange Agent shall mail to each Citizens Stockholder instructions for use in effecting the surrender of the Old Certificates in exchange for the Merger Consideration (the "**Transmittal Letter**"). Upon proper surrender to the Exchange Agent of an Old Certificate for exchange and cancellation, together with such properly completed and duly executed Transmittal Letter, the holder of such Old Certificates shall be entitled to receive in exchange therefor: (i) a new certificate representing that number of whole shares of MSTI Common Stock that such holder has the right to receive pursuant to this Article; (ii) a check representing the amount of Cash Consideration that such holder is entitled to receive pursuant to this Article; and (iii) a check representing the amount of any cash in lieu of fractional shares that such holder has the right to receive in respect of the Old Certificates surrendered pursuant to the provisions of this Article, and the Old Certificates so surrendered shall forthwith be cancelled.

(b) On the Closing Date, MSTI shall deposit with the Exchange Agent for the benefit of holders of Old Certificates: (i) cash or immediately available funds equal to the aggregate Cash Consideration; and (ii) certificates representing the shares of MSTI Common Stock to be issued as Stock Consideration (the "**Exchange Fund**"). The Exchange Fund shall be held by the Exchange Agent for the benefit of Citizens Stockholders pursuant to the terms of an Exchange Agent Agreement in such form as MSTI and Citizens shall mutually agree. All fees, costs and expenses of the Exchange Agent shall be borne solely by MSTI.

(c) Neither the Exchange Agent nor any party hereto shall be liable to any former Citizens Stockholder for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

(d) No dividends or other distributions with respect to MSTI Common Stock with a record date occurring after the Effective Time shall be paid to the holder of any unsurrendered Old Certificate representing shares of Citizens Common Stock converted in the Merger into the right to receive shares of MSTI Common Stock until the holder of such unsurrendered Old Certificate shall be entitled to receive a new certificate representing shares of MSTI Common Stock in exchange therefor in accordance with the procedures set forth in this Section. After becoming so entitled in accordance with this Section, the record holder thereof also shall be entitled to receive any such dividends or other distributions by the Exchange Agent, without any interest thereon, which theretofore had become payable with respect to shares of MSTI Common Stock such holder had the right to receive upon surrender of the Old Certificates.

(e) Any portion of the Merger Consideration that remains unclaimed by the Citizens Stockholders on the first anniversary of the Effective Time shall be paid to MSTI to be held for the benefit of holders of unsurrendered Old Certificates. Any Citizens Stockholders who have not theretofore complied with this Article shall thereafter look only to MSTI for payment of the Merger Consideration, cash in lieu of any fractional shares and unpaid dividends and distributions on MSTI Common Stock deliverable in respect of each share of Citizens Common Stock such stockholder holds as determined pursuant to this Agreement, in each case without any interest thereon.

(f) If a certificate representing shares of MSTI Common Stock or a check representing Cash Consideration is to be issued in a name other than that in which the Old Certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Old Certificate so surrendered shall be properly endorsed, accompanied by all documents required to evidence and effect such transfer and otherwise in proper form for transfer and that the Person requesting such exchange shall pay to MSTI any transfer or other taxes required by reason of the issuance of a certificate representing shares of MSTI Common Stock or a check representing Cash Consideration in any name other than that of the registered holder of the Old Certificate surrendered, or otherwise required, or shall establish to the satisfaction of MSTI that such tax has been paid or is not payable.

3.7 Anti-Dilution Provisions.

(a) If MSTI issues additional shares of MSTI Common Stock (other than as provided below) or declares a stock dividend, stock split, reverse split or other general distribution, reclassification or recapitalization of MSTI Common Stock and the record date for such stock dividend, stock split, distribution, reclassification or recapitalization occurs at any time after the Agreement Date and prior to the Effective Time, then the amount of Stock Consideration shall be adjusted appropriately to give effect to the change in MSTI capitalization. Notwithstanding the foregoing, no adjustment shall be made to the amount of Stock Consideration: (i) in the event of the issuance of additional shares of MSTI Common Stock pursuant to the grant or sale of shares to, or for the account of, employees of MSTI pursuant to any stock incentive, qualified or non-qualified retirement, or dividend reinvestment plans; or (ii) in the event of the issuance of additional shares of MSTI Common Stock or other securities pursuant to a public offering, private placement or an acquisition of one or more banks, corporations or business assets for consideration which the board of directors, or a duly authorized committee of the board of directors, of MSTI in its reasonable business judgment determines to be fair and reasonable.

(b) Subject only to making any adjustment to the Stock Consideration and related computations prescribed by this Section, nothing contained in this Agreement is intended to preclude MSTI from amending its articles of incorporation to change its capital structure or from issuing additional shares of MSTI Common Stock, preferred stock, shares of other capital stock or securities that are convertible into shares of capital stock.

3.8 Tax Free Reorganization. The parties to this Agreement intend for the Merger to qualify as a nontaxable reorganization within the meaning of Section 368 and related sections of the Code and agree to cooperate and to take such actions as may be reasonably necessary to ensure such result and no party shall file any Tax Return or take any action or position inconsistent therewith, except as required pursuant to any Legal Requirement.

3.9 Dissenting Shares. Notwithstanding anything to the contrary contained in this Agreement, to the extent appraisal rights are available to Citizens Stockholders pursuant to the provisions of any applicable Legal Requirements, including Section 262 of the DGCL, any shares of Citizens Common Stock held by a Person who objects to the Merger, whose shares were not voted in favor of the Merger and who complies with and satisfies all of the provisions of the applicable Legal Requirements concerning the rights of such Person to dissent from the Merger and to require appraisal of such

Person's shares and who has not withdrawn such objection or waived such rights prior to the Effective Time (collectively with respect to all such Citizens Stockholders, the "**Dissenting Shares**"), shall not be converted pursuant to **Section 3.2**, but shall become the right to receive such consideration as may be determined to be due to the holder of such Dissenting Shares pursuant to the applicable Legal Requirements, including, if applicable, any costs determined to be payable by Citizens to the holders of Dissenting Shares pursuant to an order of any court pursuant to any applicable Legal Requirements; *provided, however*, that each Dissenting Share held by a Person at the Effective Time who shall, after the Effective Time, withdraw the demand for appraisal or lose the right of appraisal, in either case pursuant to applicable Legal Requirements shall be deemed to have been converted, as of the Effective Time, into the right to receive the Merger Consideration as is determined in accordance with this **Article 3**.

The Citizens Financial Statements do not include any material assets or omit to state any material liabilities, absolute or contingent, or other facts, which inclusion or omission would render the Citizens Financial Statements misleading in any material respect as of the respective dates and for the periods referred to in the respective Citizens Financial Statements.

4.8 Books and Records. The books of account, minute books, stock record books and other records of Citizens and each Citizens Subsidiary are complete and correct in all material respects and have been maintained in accordance with Citizens' business practices and all applicable Legal Requirements, including the maintenance of any adequate system of internal controls required by the Legal Requirements. Except as set forth on **Schedule 4.9**, Citizens and each Citizens Subsidiary as lessee has the right under valid and existing leases to occupy, use, possess and control any and all of the respective property leased by it. Except where any failure would not reasonably be expected to have a Material Adverse Effect on Citizens on a consolidated basis, all buildings and structures owned by Citizens and each Citizens Subsidiary lie wholly within the boundaries of the real property owned or validly leased by it, and do not encroach upon the property of, or otherwise conflict with the property rights of, any other Person.

4.10 Condition and Sufficiency of Assets. The buildings, structures and equipment of Citizens and each Citizens Subsidiary are structurally sound, are in good operating condition and repair, and are adequate for the uses to which they are being put, and none of such buildings, structures or equipment is in need of maintenance or repairs except for ordinary, routine maintenance and repairs that are not material in the aggregate in nature or in cost. 4.11 Loans; Allowance for Loan and Lease Losses. Except as contemplated as set forth in **Schedule 4.11**, all loans and loan commitments extended by any Citizens Subsidiary and any extensions, renewals or continuations of such loans and loan commitments (the "**Citizens Loans**") were made materially in accordance with the lending policies of such Citizens Subsidiary in the Ordinary Course of Business. The Citizens Loans are evidenced by appropriate and sufficient documentation and constitute valid and binding obligations to such Citizens Subsidiary enforceable in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally and subject to general principles of equity. All such Citizens Loans are, and at the Closing will be, free and clear of any encumbrance or other charge (except for liens, if any, set forth on **Schedule 4.9**) and each Citizens Subsidiary has complied, and at the Closing will have complied with all Legal Requirements relating to such Citizens Loans, except where any such failure to comply would not reasonably be expected to have a Material Adverse Effect on Citizens on a consolidated basis. The allowance for loan and lease losses of each Citizens Subsidiary is and will be on the Closing Date adequate in all material respects to provide for possible or specific losses, net of recoveries relating to loans previously charged off, and contains and will contain an additional amount of unallocated reserves for unanticipated future losses at an adequate level. To the Knowledge of Citizens: (i) none of the Citizens Loans is subject to any material offset or claim of offset; and (ii) the aggregate loan balances in excess of the Bank's allowance for loan and lease losses are, based on past loan loss experience, collectible in accordance with their terms (except as limited above) and all uncollectible loans have been charged off.

4.12 Undisclosed Liabilities; Adverse Changes. Except as set forth on **Schedule 4.12**, neither Citizens nor any Citizens Subsidiary has any material liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the Citizens Financial Statements and current liabilities incurred in the Ordinary Course of Business since the respective dates thereof. Except as set forth on **Schedule 4.12**, since the date of the latest Citizens Financial Statement, there has not been any change in the business, operations, properties, prospects, assets or condition of Citizens or any Citizens Subsidiary, and, to Citizens' Knowledge, no event has occurred or circumstance exists, that has had or would reasonably be expected to have a Material Adverse Effect on Citizens on a consolidated basis.

No such employee benefit plan has any amount of unfunded benefit liabilities (as defined in Section 4001(a)(18) of ERISA) for which Citizens or any Citizens Subsidiary would be liable to any Person under Title IV of ERISA if any such employee benefit plan were terminated as of the Closing. Such employee benefit plans are funded in accordance with Section 412 of the Code (if applicable). There would be no obligations of Citizens or any Citizens Subsidiary under Title IV of ERISA relating to any such employee benefit plan that is a multi-employer plan if any such plan were terminated or if Citizens or such Citizens Subsidiary withdrew from any such plan as of the Closing. All contributions and premium payments that are due under any such benefit plans have been made.

4.15 Compliance with Legal Requirements. Citizens and each Citizens Subsidiary holds all licenses, certificates, permits, franchises and rights from all appropriate Regulatory Authorities necessary for the conduct of its respective business. No event has occurred or circumstance exists that (with or without notice or lapse of time): (a) may constitute or result in a violation by Citizens or any Citizens Subsidiary of, or a failure on the part of Citizens or any Citizens Subsidiary to comply with, any Legal Requirement; or (b) may give rise to any obligation on the part of Citizens or any Citizens Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement; except, in either case, where the failure to comply or the violation would not reasonably be expected to have a Material Adverse Effect on Citizens on a consolidated basis. Except as set forth on **Schedule 4.15**, and except for the Existing MOU, neither Citizens nor any Citizens Subsidiary has received, at any time since January 1, 2001, any notice or other communication (whether oral or written) from any Regulatory Authority or any other Person, nor does Citizens have any Knowledge regarding: (x) any actual, alleged, possible or potential violation of, or failure to comply with, any Legal Requirement; or (y) any actual, alleged, possible or potential obligation on the part of Citizens or any Citizens Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement, except where any such violation, failure or obligation would not reasonably be expected to have a Material Adverse Effect on Citizens on a consolidated basis.

4.16 Legal Proceedings; Orders.

(a) **Schedule 4.16** is a true and correct list of all Proceedings and Orders pending, entered into or, to the Knowledge of Citizens, Threatened against, affecting or involving Citizens or any Citizens Subsidiary or any of their respective assets or businesses, or the Contemplated Transactions, since January 1, 2001, that has not been fully satisfied and terminated and that would reasonably be expected to have, a Material Adverse Effect on Citizens on a consolidated basis, and there is no fact to Citizens' Knowledge that would provide a basis for any other Proceeding or Order. No environmental clearances or other governmental approvals are required for the conduct of the business of Citizens or any Citizens Subsidiary or the consummation of the Contemplated Transactions. To the Knowledge of Citizens, neither Citizens nor any Citizens Subsidiary is the owner of any interest in real estate on which any substances have been used, stored, deposited, treated, recycled or disposed of, which substances if known to be present on, at or under such property, would require clean-up, removal or some other remedial action under any Environmental Law.

4.22 Regulatory Filings. Citizens and each Citizens Subsidiary have filed in a timely manner all required filings with all Regulatory Authorities, including the Federal Reserve, the FDIC, the OTS, the DFPR, the Secretary of State of the States of Illinois and Delaware and the SEC, together with any amendment required to be made with respect thereto, including annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and proxy statements. All such filings, including the financial statements, exhibits and schedules thereto were accurate and complete in all material respects as of the dates of the filings, and no such filing has made any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading. Each of such filings, including the financial statements, exhibits and schedules thereto, complied in all material respects with all of the Legal Requirements enforced or promulgated by the Regulatory Authority with which they were filed.

4.23 Fiduciary Accounts. The Bank has properly administered in all material respects all accounts for which it acts as fiduciary, including accounts for which it serves as trustee, agent, custodian or investment advisor, in accordance with the material terms of the governing documents and applicable state and federal law and regulations and common law. To the Knowledge of Citizens and the Bank, none of the Bank or any of its directors, officers or employees has committed any breach of trust with respect to any such fiduciary account, and the accountings for each such fiduciary account are true and correct in all material respects and accurately reflect the assets of such fiduciary account.

4.24 Indemnification Claims. To Citizens' Knowledge, no action or failure to take action by any director, officer, employee or agent of Citizens or any Citizens Subsidiary has occurred that may give rise to a claim or a potential claim by any such Person for indemnification against Citizens or any Citizens Subsidiary under any agreement with, or the corporate indemnification provisions of, Citizens or any Citizens Subsidiary, or under any Legal Requirements.

4.25 Insider Interests. Except as set forth on **Schedule 4.25**, no officer or director of Citizens or any Citizens Subsidiary, any member of the Family of any such Person, and no entity that any such Person "controls" within the meaning of Regulation O of the Federal Reserve, has any loan, deposit account or any other agreement with Citizens or any Citizens Subsidiary, any interest in any material property, real, personal or mixed, tangible or intangible, used in or pertaining to the business of Citizens or any Citizens Subsidiary.

4.26 Brokerage Commissions. None of Citizens, any Citizens Subsidiary or any of their respective Representatives has incurred any obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment in connection with this Agreement or the Contemplated Transactions, except as disclosed in **Schedule 4.26**.

4.27 Approval Delays. To the Knowledge of Citizens, there is no reason why the granting of any of the regulatory approvals referred to in **Section 8.1** would be denied or unduly delayed. The Bank's most recent CRA rating is "satisfactory" or better.

4.28 Code Sections 280G and 4999. Except as set forth on **Schedule 4.28**, no payment that is owed or may become due to any director, officer, employee or agent of Citizens or any Citizens Subsidiary will be non-deductible to Citizens or any Citizens Subsidiary (or, following the Merger, MSTI) or subject to tax under Section 280G or Section 4999 of the Code, not will Citizens or any Citizens Subsidiary (or, following the Merger, MSTI) be required to "gross up" or otherwise compensate any such person because of the imposition of any excise tax on a payment to such person. Except to the extent required under Section 601 *et seq.* of ERISA and Section 4980B of the Code, and except as set forth on **Schedule 4.28**, neither Citizens nor any Citizens Subsidiary provides health or welfare benefits to any active employee following such employee's retirement or other termination of service.

Neither any representation nor warranty of Citizens in, nor any schedule to, this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained herein or therein, in light of the circumstances under which they were made, not misleading. No notice given pursuant to **Section 6.8** will contain any untrue statement or omit to state a material fact necessary to make the statements therein or in this Agreement, in light of the circumstances under which they were made, not misleading.

Each MSTI Subsidiary has full power and authority, corporate and otherwise, to own, operate and lease its properties as presently owned, operated and leased, and to carry on its business as it is now being conducted, and is duly qualified to do business and is in good standing in each jurisdiction in which the nature of the business conducted or the properties or assets owned or leased by it makes such qualification necessary.

5.3 Authorization; Enforceability.

(a) Each of MSTI and Acquisition LLC has the requisite corporate and limited liability company power and authority to enter into and perform its obligations under this Agreement. The execution, delivery and performance of this Agreement by MSTI and Acquisition LLC, and the consummation by each of them of its respective obligations under this Agreement, have been authorized by all necessary corporate and limited liability company action, and this Agreement constitutes a legal, valid and binding obligation of each of MSTI and Acquisition LLC enforceable in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally and subject to general principles of equity.

(b) Except for ordinary corporate requirements, no "business combination," "moratorium," "control share" or other state anti-takeover statute or regulation or any provisions contained in the articles of incorporation or bylaws or similar organizational documents of any of MSTI or any MSTI Subsidiary: (i) prohibits or restricts MSTI's ability to perform its obligations under this Agreement, or its ability to consummate the Contemplated Transactions; (ii) would have the effect of invalidating or voiding this Agreement, or any provision hereof; or (iii) would subject Citizens to any material impediment or condition in connection with the exercise of any of its rights under this Agreement. The board of directors of MSTI has unanimously approved the execution of, and performance by MSTI of its obligations under, this Agreement, and the manager and the sole member of Acquisition LLC have each approved the execution of, and performance by Acquisition LLC of its obligations under, this Agreement.

5.4 No Conflict. Except as set forth on **Schedule 5.4**, neither the execution nor delivery of this Agreement nor the consummation or performance of any of the Contemplated Transactions will, directly or indirectly (with or without notice or lapse of time): (a) contravene, conflict with or result in a violation of any provision of the articles of incorporation or charter or bylaws (or similar organization documents), each as in effect on the Agreement Date, or any currently effective resolution adopted by the board of directors or stockholders of, MSTI or any MSTI Subsidiary; or (b) contravene, conflict

with or result in a violation of, or give any Regulatory Authority or other Person the valid and enforceable right to challenge any of the Contemplated Transactions or to exercise any remedy or obtain any relief under, any Legal Requirement or any Order to which MSTI or MSTI Subsidiary, or any of their respective assets that are owned or used by them, may be subject, except for any contravention, conflict or violation that is permissible by virtue of obtaining the regulatory approvals necessitated by the Contemplated Transactions, including any such approvals under the HOLA, the BHCA, the FDIA, the Securities Act, the Exchange Act, the DGCL, the Delaware Act and the ISBA. Except for the approvals referred to in **Section 8.1**, neither MSTI nor any MSTI Subsidiary is or will be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement or the consummation or performance of any of the Contemplated Transactions.

5.5 MSTI Capitalization. The authorized capital stock of MSTI at September 30, 2004, consisted of: (a) 15,000,000 shares of MSTI Common Stock, of which, as of such date, 11,219,319 shares were duly issued and outstanding, fully paid and non-assessable, and 1,770,996 shares were held by MSTI as treasury shares; and (b) 2,000,000 shares of preferred stock, no par value per share, none of which are issued and outstanding as of such date. None of the shares of MSTI Common Stock were issued in violation of any federal or state securities laws or any other Legal Requirement. Since September 30, 2004, except as disclosed in or permitted by this Agreement or as provided on **Schedule 5.5** or the MSTI SEC Documents, no shares of MSTI capital stock have been purchased, redeemed or otherwise acquired, directly or indirectly, by MSTI or any MSTI Subsidiary and no dividends or other distributions payable in any equity securities of MSTI or any MSTI Subsidiary have been declared, set aside, made or paid to the stockholders of MSTI. To the Knowledge of MSTI, none of the shares of authorized capital stock of MSTI are, nor on the Closing Date will they be, subject to any claim of right inconsistent with this Agreement. Except as contemplated in this Agreement or as set forth in **Schedule 5.5** or the MSTI SEC Documents, there are, as of the Agreement Date, no outstanding subscriptions, contracts, conversion privileges, options, warrants, calls or other rights obligating MSTI or any MSTI Subsidiary to issue, sell or otherwise dispose of, or to purchase, redeem or otherwise acquire, any shares of capital stock of MSTI or any MSTI Subsidiary, and except as provided in this Section or otherwise disclosed in this Agreement, MSTI is not a party to any Contract relating to the issuance, purchase, sale or transfer of any equity securities or other securities of MSTI. MSTI does not own or have any Contract to acquire any equity securities or other securities of any Person or any direct or indirect equity or ownership interest in any other business except for the membership interests of Acquisition LLC and as set forth in **Schedule 5.5** or the MSTI SEC Documents.

5.6 MSTI Subsidiary Capitalization. MSTI is, and will be on the Closing Date, the record and beneficial owner of one hundred percent (100%) of the issued and outstanding shares of capital stock or other equity securities of each MSTI Subsidiary, free and clear of any lien or encumbrance whatsoever. Except as disclosed in any MSTI SEC Documents or for such rights held exclusively by MSTI, there are no unexpired or pending preemptive rights with respect to any shares of capital stock of any MSTI Subsidiary. Except as disclosed in any MSTI SEC Documents, or for such rights held exclusively by MSTI, there are no outstanding securities of any MSTI Subsidiary that are convertible into, or exchangeable for, any shares of such MSTI Subsidiary's capital stock or other equity securities, and no MSTI Subsidiary is a party to any Contract relating to the issuance, sale or transfer of any equity securities or other securities of such MSTI Subsidiary.

5.7 Financial Statements and Reports. The financial statements and reports of MSTI included with each of the Forms 10-K filed with the SEC for the years ended December 31, 2001, 2002 and 2003, and the Form 10-Q filed with the SEC for the quarterly period ended June 30, 2004 (collectively, the "**MSTI Financial Statements**"), were prepared in conformity with GAAP, comply in all material respects with the published rules and regulations of the SEC, have been prepared on a basis consistent with past accounting practices and as required by applicable Legal Requirements and fairly present the

consolidated financial condition and results of operations at the dates and for the periods presented. Taken together, the MSTI Financial Statements are complete and correct in all material respects and fairly and accurately present the respective financial position, assets, liabilities and results of operations of MSTI and the MSTI Subsidiaries at the respective dates of, and for the periods referred to in, the MSTI Financial Statements, subject to normal year end non-material audit adjustments in amounts consistent with past practice in the case of the quarterly financial statements. The MSTI Financial Statements do not include any material assets or omit to state any material liabilities, absolute or contingent, or other facts, which inclusion or omission would render the MSTI Financial Statements misleading in any material respect as of the respective dates and for the periods referred to in the respective MSTI Financial Statements.

5.8 Books and Records. The books of account, minute books, stock record books and other records of MSTI and each MSTI Subsidiary are complete and correct in all material respects and have been maintained in accordance with MSTI's business practices and all applicable Legal Requirements, including the maintenance of any adequate system of internal controls required by the Legal Requirements. The minute books of MSTI and each MSTI Subsidiary contain accurate and complete records in all material respects of all meetings held of, and corporate action taken by, its respective stockholders, board of directors and committees of the board of directors.

5.9 Title to Properties. MSTI and each MSTI Subsidiary has good and marketable title to all assets and properties, whether real or personal, tangible or intangible, that it purports to own, subject to no valid liens, mortgages, security interests, encumbrances or charges of any kind except: (a) as noted in the most recent MSTI Financial Statement, the MSTI SEC Documents or **Schedule 5.9**; (b) statutory liens for Taxes not yet delinquent or being contested in good faith by appropriate Proceedings and for which appropriate reserves have been established and reflected on the MSTI Financial Statements; (c) pledges or liens required to be granted in connection with the acceptance of government deposits, granted in connection with repurchase or reverse repurchase agreements, pursuant to borrowings from Federal Home Loan Banks or similar borrowings, or otherwise incurred in the Ordinary Course of Business; and (d) minor defects and irregularities in title and encumbrances that do not materially impair the use thereof for the purposes for which they are held. Except as set forth on **Schedule 5.9**, MSTI and each MSTI Subsidiary as lessee has the right under valid and existing leases to occupy, use, possess and control any and all of the respective property leased by it. Except where any failure would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis, all buildings and structures owned by MSTI and each MSTI Subsidiary lie wholly within the boundaries of the real property owned or validly leased by it, do not encroach upon the property of, or otherwise conflict with the property rights of, any other Person.

5.10 Condition and Sufficiency of Assets. The buildings, structures and equipment of MSTI and each MSTI Subsidiary are structurally sound, are in good operating condition and repair, and are adequate for the uses to which they are being put, and none of such buildings, structures or equipment is in need of maintenance or repairs except for ordinary, routine maintenance and repairs that are not material in the aggregate in nature or in cost. Except where any failure would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis, the real property, buildings, structures and equipment owned or leased by MSTI and each MSTI Subsidiary are in compliance with the Americans with Disabilities Act of 1990, as amended, and the regulations promulgated thereunder, and all other building and development codes and other restrictions, including subdivision regulations, building and construction regulations, drainage codes, health, fire and safety laws and regulations, utility tariffs and regulations, conservation laws and zoning laws and ordinances. The assets and properties, whether real or personal, tangible or intangible, that MSTI or any MSTI Subsidiary purport to own or lease are sufficient for the continued conduct after the Closing of the business of MSTI and each MSTI Subsidiary in substantially the same manner as conducted prior to the Closing.

5.11 Loans; Allowance for Loan and Lease Losses. All loans and loan commitments extended by any MSTI Subsidiary and any extensions, renewals or continuations of such loans and loan commitments (the "**MSTI Loans**") were made materially in accordance with the lending policies of such MSTI Subsidiary in the Ordinary Course of Business. The MSTI Loans are evidenced by appropriate and sufficient documentation and constitute valid and binding obligations to such MSTI Subsidiary enforceable in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally and subject to general principles of equity. All such MSTI Loans are, and at the Closing will be, free and clear of any encumbrance or other charge and each MSTI Subsidiary has complied, and at the Closing will have complied with, all Legal Requirements relating to such MSTI Loans, except where any such failure to comply would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis. The allowance for loan and lease losses of each MSTI Subsidiary is, and will be on the Closing Date, adequate in all material respects to provide for possible or specific losses, net of recoveries relating to loans previously charged off, and contains and will contain an additional amount of unallocated reserves for unanticipated future losses at an adequate level. To the Knowledge of MSTI: (i) none of the MSTI Loans is subject to any material offset or claim of offset; and (ii) the aggregate loan balances in excess of MSTI's consolidated allowance for loan and lease losses are, based on past loan loss experience, collectible in accordance with their terms (except as limited above) and all uncollectible loans have been charged off.

5.12 Undisclosed Liabilities; Adverse Changes. Except as set forth in **Schedule 5.12** or the MSTI SEC Documents, neither MSTI nor any MSTI Subsidiary has any material liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the MSTI Financial Statements, and current liabilities incurred in the Ordinary Course of Business since the respective dates thereof. Since the date of the latest MSTI Financial Statement, there has not been any change in the business, operations, properties, prospects, assets or condition of MSTI or any MSTI Subsidiary, and, to MSTI's Knowledge, no event has occurred or circumstance exists, that has had, or would reasonably be expected to have, a Material Adverse Effect on MSTI on a consolidated basis.

5.13 Taxes. MSTI and each MSTI Subsidiary has duly filed all material Tax Returns required to be filed by it, and each such Tax Return is complete and accurate in all material respects. MSTI and each MSTI Subsidiary has paid, or made adequate provision for the payment of, all Taxes (whether or not reflected in Tax Returns as filed or to be filed) due and payable by MSTI or any MSTI Subsidiary, or claimed to be due and payable by any Regulatory Authority, and is not delinquent in the payment of any Tax, except such Taxes as are being contested in good faith and as to which adequate reserves have been provided. There is no claim or assessment pending or, to the Knowledge of MSTI, Threatened against MSTI or any MSTI Subsidiary for any Taxes owed by any of them. No audit, examination or investigation related to Taxes paid or payable by MSTI or any MSTI Subsidiary is presently being conducted or, to the Knowledge of MSTI, Threatened by any Regulatory Authority.

5.14 Compliance with ERISA. Except as set forth on **Schedule 5.14**, all employee benefit plans (as defined in Section 3(3) of ERISA) established or maintained by MSTI or any MSTI Subsidiary or to which MSTI or any MSTI Subsidiary contributes, are in compliance with all applicable requirements of ERISA, and are in compliance with all applicable requirements (including qualification and non-discrimination requirements in effect as of the Closing) of the Code for obtaining the tax benefits the Code thereupon permits with respect to such employee benefit plans. No such employee benefit plan has any amount of unfunded benefit liabilities (as defined in Section 4001(a)(18) of ERISA) for which MSTI or any MSTI Subsidiary would be liable to any Person under Title IV of ERISA if any such employee benefit plan were terminated as of the Closing. Such employee benefit plans are funded in accordance with Section 412 of the Code (if applicable). There would be no obligations of MSTI or any MSTI Subsidiary under Title IV of ERISA relating to any such employee benefit plan that is a

multi-employer plan if any such plan were terminated or if MSTI or such MSTI Subsidiary withdrew from any such plan as of the Closing. All contributions and premium payments that are due under any such benefit plans have been made.

5.15 Compliance With Legal Requirements. MSTI and each MSTI Subsidiary holds all licenses, certificates, permits, franchises and rights from all appropriate Regulatory Authorities necessary for the conduct of its respective business. Except as set forth in **Schedule 5.15** or the MSTI SEC Documents, MSTI and each MSTI Subsidiary is, and at all times since January 1, 2001, has been, in compliance with each Legal Requirement that is or was applicable to it or to the conduct or operation of its respective businesses or the ownership or use of any of its respective assets, except where the failure to comply would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis. No event has occurred or circumstance exists that (with or without notice or lapse of time): (a) may constitute or result in a violation by MSTI or any MSTI Subsidiary of, or a failure on the part of MSTI or any MSTI Subsidiary to comply with, any Legal Requirement; or (b) may give rise to any obligation on the part of MSTI or any MSTI Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement; except, in either case where the failure to comply would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis. Except as set forth on **Schedule 5.15** or the MSTI SEC Documents, neither MSTI nor any MSTI Subsidiary has received, at any time since January 1, 2001, any notice or other communication (whether oral or written) from any Regulatory Authority or any other Person, nor does MSTI have any Knowledge, regarding: (x) any actual, alleged, possible or potential violation of, or failure to comply with, any Legal Requirement; or (y) any actual, alleged, possible, or potential obligation on the part of MSTI or any MSTI Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement, except where any such violation, failure or obligation would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis.

5.16 Legal Proceedings; Orders.

(a) **Schedule 5.16** is a true and correct list of all Proceedings and Orders pending, entered into or, to the Knowledge of MSTI, Threatened against, affecting or involving MSTI or any MSTI Subsidiary or any of their respective assets or businesses, or the Contemplated Transactions since January 1, 2001, that has not been fully satisfied and terminated and that would reasonably be expected to have, a Material Adverse Effect on MSTI on a consolidated basis, and there is no fact to MSTI's Knowledge that would provide a basis for any such Proceeding or Order. To the Knowledge of MSTI, no officer, director, agent or employee of MSTI or any MSTI Subsidiary is subject to any Order that prohibits such officer, director, agent or employee from engaging in or continuing any conduct, activity or practice relating to the businesses of MSTI or any MSTI Subsidiary as currently conducted.

(b) Neither MSTI nor any MSTI Subsidiary (i) is subject to any cease and desist or other Order or enforcement action issued by, or (ii) is a party to any written agreement, consent agreement or memorandum of understanding with, or (iii) is a party to any commitment letter or similar undertaking to, or (iv) is subject to any order or directive by, or (v) is subject to any supervisory letter from, or (vi) has been ordered to pay any civil money penalty, which has not been paid, by, or (vii) has adopted any policies, procedures or board resolutions at the request of any Regulatory Authority that currently restricts in any material respect the conduct of its business or (x) that in any material manner relates to its capital adequacy, or (y) restricts its ability to pay dividends, or (z) limits in any material manner its credit or risk management policies, its management or its business; nor has MSTI or any MSTI Subsidiary been advised by any Regulatory Authority that it is considering issuing, initiating, ordering or requesting any of the foregoing.

5.17 Absence of Certain Changes and Events. Since December 31, 2003, except as disclosed in **Schedule 5.17** and the MSTI SEC Documents (and except in connection with the negotiation and execution and delivery of this Agreement and the consummation of the Contemplated Transactions): (a) MSTI and each MSTI Subsidiary has conducted its respective business only in the Ordinary Course of Business; and (b) there has not been any event or events (whether or not covered by insurance), individually or in the aggregate, that have had, or would reasonably be expected to have, a Material Adverse Effect on MSTI, impair the ability of MSTI to perform its obligations under this Agreement or otherwise prevent the consummation of the Contemplated Transactions.

5.18 Material Contracts. Except as disclosed in **Schedule 5.18** or the MSTI SEC Documents, neither MSTI nor any MSTI Subsidiary is a party to, and none of their respective properties or assets are bound by: (a) any "material contract," as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC; or (b) any Contract containing covenants that in any way purport to restrict in any material respect the business activity of MSTI or any MSTI Subsidiary or any Affiliate of any of the foregoing, or limit in any material respect the ability of MSTI or any MSTI Subsidiary or any Affiliate of any of the foregoing to engage in any line of business or to compete with any Person. Copies of any such document, plan or Contract listed and described in **Schedule 5.18** are appended to such Schedule.

5.19 No Defaults. Except as set forth in **Schedule 5.19**, to the Knowledge of MSTI, each Contract identified or required to be identified in **Schedule 5.18** or in the MSTI SEC Documents is in full force and effect and is valid and enforceable in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally and subject to general principles of equity. MSTI and each MSTI Subsidiary is, and at all times since January 1, 2001, has been, in full compliance with all applicable terms and requirements of each Contract under which MSTI or any MSTI Subsidiary has or had any obligation or liability or by which MSTI or any MSTI Subsidiary or any of their respective assets owned or used by them is or was bound, except where the failure to be in full compliance would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis. To the Knowledge of MSTI, each other Person that has or had any obligation or liability under any such Contract under which MSTI or any MSTI Subsidiary has or had any rights is, and at all times since January 1, 2001, has been in full compliance with all applicable terms and requirements of such Contract, except where the failure to be in full compliance would not reasonably be expected to have a Material Adverse Effect on MSTI on a consolidated basis. No event has occurred or circumstance exists that (with or without notice or lapse of time) may contravene, conflict with or result in a material violation or breach of, or give MSTI, any MSTI Subsidiary or other Person the right to declare a default or exercise any remedy under, or to accelerate the maturity or performance of, or to cancel, terminate or modify, any Contract. Except in the Ordinary Course of Business with respect to any MSTI Loan, neither MSTI nor any MSTI Subsidiary has given to or received from any other Person, at any time since January 1, 2001, any notice or other communication (whether oral or written) regarding any actual, alleged, possible or potential material violation or breach of, or default under, any Contract, that has not been terminated or satisfied prior to the Agreement Date. Other than in the Ordinary Course of Business in connection with workouts and restructured loans, there are no renegotiations of, attempts to renegotiate, or outstanding rights to renegotiate, any material amounts paid or payable to MSTI or any MSTI Subsidiary under current or completed Contracts with any Person, and no such Person has made written demand for such renegotiation.

5.20 Compliance with Environmental Laws. Except as set forth on **Schedule 5.20**, there are no actions, suits, investigations, liabilities, inquiries, Proceedings or Orders involving MSTI or any MSTI Subsidiary or any of their respective assets that are pending or to the Knowledge of MSTI, Threatened, nor to the Knowledge of MSTI is there any factual basis for any of the foregoing, as a result of any

asserted failure of MSTI or any MSTI Subsidiary, or any predecessor thereof, to comply with any Environmental Law.

5.21 Regulatory Filings. MSTI and each MSTI Subsidiary have filed in a timely manner all required filings with all Regulatory Authorities, including the Federal Reserve, the FDIC, the DFPR, the Secretary of State of the State of Illinois and the SEC, together with any amendment required to be made with respect thereto, including annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and proxy statements. All such filings, including the financial statements, exhibits and schedules thereto, were accurate and complete in all material respects as of the dates of the filings, and no such filing has made any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading. Each of such filings, including the financial statements, exhibits and schedules thereto, complied in all material respects with all of the Legal Requirements enforced or promulgated by the Regulatory Authority with which they were filed.

5.22 Indemnification Claims. To MSTI's Knowledge, no action or failure to take action by any director, officer, employee or agent of MSTI or any MSTI Subsidiary has occurred that may give rise to a claim or a potential claim by any such Person for indemnification against MSTI or any MSTI Subsidiary under any agreement with, or the corporate indemnification provisions of, MSTI or any MSTI Subsidiary, or under any Legal Requirements.

5.23 Brokerage Commissions. None of MSTI or any MSTI Subsidiary or any of their respective Representatives has incurred any obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment in connection with this Agreement or the Contemplated Transactions, except as disclosed on **Schedule 5.23**.

5.24 Approval Delays. To the Knowledge of MSTI, there is no reason why the granting of any of the regulatory approvals referred to in **Section 8.1** would be denied or unduly delayed. Each MSTI Subsidiary that is a "depository institution" as defined in the FDIA has a recent CRA rating of "satisfactory" or better.

5.25 Disclosure. Neither any representation nor warranty of MSTI in, nor any schedule to, this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained herein or therein, in light of the circumstances under which they were made, not misleading. No notice given pursuant to **Section 7.3** will contain any untrue statement or omit to state a material fact necessary to make the statements therein, or in this Agreement, in light of the circumstances under which they were made, not misleading.

5.26 Financial Resources. MSTI will have sufficient cash available on the Closing Date to enable it to comply with its obligation to fund the Cash Consideration under **Section 3.6(b)** and to perform its other obligations under this Agreement.

ARTICLE 6 CITIZENS' COVENANTS

6.1 Access and Investigation.

(a) MSTI and its Representatives shall, at all times during normal business hours and with reasonable advance notice prior to the Closing Date, have full and continuing access to the facilities, operations, records and properties of Citizens and each Citizens Subsidiary in accordance with the provisions of this Section. MSTI and its Representatives may, prior to the Closing Date, make or cause to be made such reasonable investigation of the operations, records and properties of Citizens and each Citizens Subsidiary and of their respective financial and legal condition as MSTI shall deem necessary or advisable to familiarize itself with such records, properties and other matters; *provided, however*, that such access or investigation shall not interfere unnecessarily with

the normal operations of Citizens or any Citizens Subsidiary. Upon request, Citizens and each Citizens Subsidiary will furnish MSTI or its Representatives, attorneys' responses to auditors' requests for information regarding Citizens or such Citizens Subsidiary, as the case may be, and such financial and operating data and other information reasonably requested by MSTI (*provided*, with respect to attorneys, such disclosure would not result in the waiver by Citizens or any Citizens Subsidiary of any claim of attorney-client privilege), and will permit MSTI and its Representatives to discuss such information directly with any individual or firm performing auditing or accounting functions for Citizens or such Citizens Subsidiary, and such auditors and accountants shall be directed to furnish copies of any reports or financial information as developed to MSTI or its Representatives. No investigation by MSTI or any of its Representatives shall affect the representations and warranties made by Citizens. This Section shall not require the disclosure of any information the disclosure of which to MSTI would be prohibited by any Legal Requirement.

(b) Citizens shall allow a representative of MSTI to attend as an observer all meetings of the board of directors and committees of the board of directors of Citizens and any Citizens Subsidiary, including any meeting of the loan committee and asset liability management committee of Citizens or any Citizens Subsidiary. Citizens shall give reasonable notice to MSTI of any such meeting and, if known, the agenda for or business to be discussed at such meeting. Citizens shall provide to MSTI all information provided to the directors on all such boards or members of such committees in connection with all such meetings or otherwise provided to the directors or members, and shall provide any other financial reports or other analysis prepared for senior management of Citizens or any Citizens Subsidiary, in each case excluding information which is privileged or is subject to any restriction on disclosure. It is understood by the parties that MSTI's representative will not have any voting rights with respect to matters discussed at these meetings and that MSTI is not managing the business or affairs of Citizens or any Citizens Subsidiary. All information obtained by MSTI at these meetings shall be treated in confidence as provided in that certain Confidentiality Agreement dated July 6, 2004, between MSTI and Citizens (the "**Confidentiality Agreement**"). Notwithstanding the foregoing, MSTI shall not be permitted to attend any portion of a meeting and Citizens shall not be required to provide MSTI with any materials, in violation of applicable law or that relates to an Acquisition Transaction (as defined below), except for information to be provided as required by **Section 6.9**, or that involve matters protected by the attorney-client privilege or matters arising out of or related to this Agreement.

(c) Any confidential information or trade secrets of MSTI received by Citizens, its employees or agents in the course of the consummation of the Contemplated Transactions shall be treated confidentially in accordance with the terms of the Confidentiality Agreement.

6.2 Operation of Citizens and Citizens Subsidiaries. Except with the prior written consent of MSTI, between the Agreement Date and the Closing Date, Citizens will, and will cause each Citizens Subsidiary, to:

- (a) conduct its business only in the Ordinary Course of Business;
- (b) use its Best Efforts to preserve intact its current business organization, keep available the services of its current officers, employees and agents, and maintain the relations and goodwill with its suppliers, customers, landlords, creditors, employees, agents and others having business relationships with it;
- (c) confer with MSTI concerning operational matters of a material nature;
- (d) enter into loan and deposit transactions only in accordance with sound credit practices and only on terms and conditions that are not materially more favorable than those available to the borrower or depositor, as the case may be, from competitive sources in arm's-length transactions in the Ordinary Course of Business and consistent with sound banking practices and

policies and Legal Requirements, and Citizens shall obtain the prior consent of MSTI, which consent shall not be unreasonably withheld or delayed, for all new extensions of credit or lending relationships in excess of \$1,000,000 to any Person, including that Person's Affiliates;

(e) consistent with past practice, maintain an allowance for loan and lease losses that is adequate in all material respects under applicable Legal Requirements and the requirements of GAAP to provide for possible losses, net of recoveries relating to loans previously charged off, on loans outstanding (including accrued interest receivable);

(f) maintain all of its assets necessary for the conduct of its business in good operating condition and repair, reasonable wear and tear and damage by fire or unavoidable casualty excepted, and maintain policies of insurance upon its assets and with respect to the conduct of its business in amounts and kinds comparable to that in effect on the Agreement Date and pay all premiums on such policies when due;

(g) not buy or sell any security held, or intended to be held, for investment other than securities issued by the United States or any agency thereof with maturities of less than two (2) years, but such restriction shall not affect the buying and selling by the Bank of Federal Funds or the reinvestment of dividends paid on any securities owned by the Bank as of the Agreement Date;

(h) file in a timely manner all required filings with all Regulatory Authorities and cause such filings to be true and correct in all material respects; and

(i) maintain its books, accounts and records in the usual, regular and ordinary manner, on a basis consistent with prior years and comply with all Legal Requirements.

6.3 Negative Covenant. Except as otherwise expressly permitted by this Agreement or the Employee Benefits Agreement referred to in **Section 6.13**, and except as contemplated by **Schedule 4.17**, between the Agreement Date and the Closing Date, Citizens will not, and will cause each Citizens Subsidiary not to, without the prior written consent of MSTI, take any affirmative action, or fail to take any reasonable action within its control, as a result of which: (a) any of the changes or events listed in **Section 4.17** occurs; or (b) a Breach of Citizens' representations or warranties occurs. Notwithstanding anything to the contrary contained in this Agreement, Citizens shall be permitted to pay dividends of \$0.10 per quarter to its stockholders through the Closing in accordance with its existing dividend policy.

6.4 Subsequent Citizens Financial Statements; Securities Reports. As soon as available after the Agreement Date, Citizens will furnish MSTI copies of the quarterly unaudited (and when available, annual audited) consolidated balance sheets, consolidated statements of income, consolidated statements of cash flow and, if applicable, consolidated statements of changes in stockholders' equity, of Citizens prepared for its internal use, and the Bank's Call Reports for each quarterly or annual period completed after June 30, 2004, and all other financial reports or statements submitted after the Agreement Date by Citizens or the Bank to any Regulatory Authority, to the extent permitted by law (collectively, the "**Subsequent Citizens Financial Statements**"). Without limitation of the foregoing, Citizens shall deliver to MSTI complete copies of any reports filed with the SEC after the Agreement Date (collectively, the "**Citizens SEC Filings**"). Except as may be required by changes in GAAP effective after the Agreement Date, the Subsequent Citizens Financial Statements shall be prepared on a basis consistent with past accounting practices and shall fairly present in all material respects the consolidated financial condition and results of operations for the dates and periods presented. Neither the Subsequent Citizens Financial Statements nor the Citizens SEC Filings shall include any material assets or omit to state any material liabilities, absolute or contingent, or other facts, which inclusion or omission would render such Subsequent Citizens Financial Statements or Citizens SEC Filings misleading in any material respect.

6.5 Title to Real Estate. As soon as practical, but in no event later than sixty (60) days after the Agreement Date, Citizens shall obtain at its own expense and deliver to MSTI, with respect to all real estate owned by Citizens or the Bank (excluding any "Other Real Estate Owned," the "**Citizens Real Estate**"), an owner's preliminary report of title covering a date subsequent to the date hereof, issued by Chicago Title Insurance Company or such other title insurance company as is reasonably acceptable to MSTI, showing fee simple title in Citizens or the Bank in such real estate with coverage over all standard exceptions and subject to no liens, mortgages, security interests, encumbrances or charges of any kind except for the Permitted Exceptions.

6.6 Surveys. If requested by MSTI, by no later than forty-five (45) days after the date of this Agreement, Citizens shall obtain, at MSTI's expense, and deliver to MSTI a current ALTA survey of each parcel of Citizens Real Estate disclosing no survey defects that would materially impair the use thereof for the purposes for which it is held or materially impair the value of such property.

6.7 Environmental Investigation.

(a) MSTI may, in its reasonable discretion, within forty-five (45) Business Days of the Agreement Date, request Citizens to provide at Citizens' expense a Phase 1 environmental site assessment (the "**Phase 1 Report**") conducted by an independent professional consultant reasonably acceptable to MSTI to determine if any Citizens Real Estate contains or gives evidence that any violations of Environmental Laws have occurred on any such property. If the Phase 1 Report discloses any material adverse environmental conditions, or reports a reasonable suspicion thereof, then Citizens shall promptly obtain, at MSTI's expense, a Phase 2 environmental report with respect to any affected property which report shall contain an estimate of the cost of any remediation or other follow-up work that may be necessary to address those conditions in accordance with applicable laws and regulations (the "**Phase 2 Report**," and collectively referred to with the Phase 1 Report, as the "**Environmental Report**"). MSTI shall have no duty to act for the benefit of Citizens, any Citizens Subsidiary or any other Person upon any information produced by the Environmental Report, but shall provide such information to Citizens as soon as practicable after such information becomes available to MSTI.

(b) Upon receipt of the estimate of the costs of all follow-up work to the Environmental Report, MSTI and Citizens shall attempt to agree upon a course of action for remediation of any environmental condition suspected, found to exist, or that would be indicated by the Environmental Report. The estimated total cost for completing all necessary work plans or removal or remediation actions is referred to collectively as the "**Remediation Cost**." If the Remediation Cost exceeds Two Hundred Fifty Thousand Dollars (\$250,000), MSTI may, at its sole option, terminate this Agreement. If the Remediation Cost is less than Two Hundred Fifty Thousand Dollars (\$250,000), such cost shall be taken into account when computing the Adjusted Stockholders' Equity.

6.8 Advice of Changes. Between the Agreement Date and the Closing Date, Citizens shall promptly notify MSTI in writing if Citizens or any Citizens Subsidiary becomes aware of any fact or condition that causes or constitutes a Breach of any of Citizens' representations and warranties as of the Agreement Date, or if Citizens or any Citizens Subsidiary becomes aware of the occurrence after the Agreement Date of any fact or condition that would (except as expressly contemplated by this Agreement) cause or constitute a Breach of any such representation or warranty had such representation or warranty been made as of the time of occurrence or discovery of such fact or condition. If any such fact or condition would require any change in the Schedules if such Schedules were dated the date of the occurrence or discovery of any such fact or condition, Citizens will promptly deliver to MSTI a supplement to the Schedules specifying such change. During the same period, Citizens will promptly notify MSTI of the occurrence of any Breach of any covenant of Citizens in this

Agreement or of the occurrence of any event that might reasonably be expected to make the satisfaction of the conditions in **Article 9** impossible or unlikely.

6.9 Other Offers.

(a) Until such time, if any, as this Agreement is terminated pursuant to **Article 11**, Citizens will not, and will cause each Citizens Subsidiary and their respective Representatives not to, directly or indirectly solicit, initiate or encourage any inquiries or proposals from, discuss or negotiate with, provide any non-public information to, or consider the merits of any unsolicited inquiries or proposals from, any Person (other than MSTI) relating to any Acquisition Transaction (as defined below) or a potential Acquisition Transaction involving Citizens or any Citizens Subsidiary. Notwithstanding such foregoing restriction, Citizens may provide information at the request of, or enter into negotiations with, a third party with respect to an Acquisition Transaction if the board of directors of Citizens determines, in good faith, that the exercise of its fiduciary duties to Citizens' stockholders under applicable law, as advised by its counsel, requires it to take such action, and, *provided further*, that Citizens may not, in any event, provide to such third party any information which it has not provided to MSTI. Citizens shall promptly notify MSTI orally and in writing in the event it receives any such inquiry or proposal and shall provide reasonable detail of all relevant facts relating to such inquiries, along with a summary of the advice provided by its counsel.

(b) "**Acquisition Transaction**" shall, with respect to Citizens, mean any of the following: (i) a merger or consolidation, or any similar transaction (other than the Merger) of any company with either Citizens or any significant subsidiary, as defined in Rule 1.2 of Regulation S-X of the SEC (a "**Significant Subsidiary**"), of Citizens; (ii) a purchase, lease or other acquisition of all or substantially all the assets of either Citizens or any Significant Subsidiary of Citizens; (iii) a purchase or other acquisition of "beneficial ownership" by any "person" or "group" (as such terms are defined in Section 13(d)(3) of the Exchange Act) (including by way of merger, consolidation, share exchange or otherwise) that would cause such person or group to become the beneficial owner of securities representing twenty percent (20%) or more of the voting power of either Citizens or any Significant Subsidiary of Citizens; (iv) a tender or exchange offer to acquire securities representing twenty percent (20%) or more of the voting power of Citizens; (v) a public proxy or consent solicitation made to Citizens Stockholders seeking proxies in opposition to any proposal relating to any aspect of the Contemplated Transactions that has been recommended by the board of directors of Citizens; (vi) the filing of an application or notice with any Regulatory Authority (which application has been accepted for processing) seeking approval to engage in one or more of the transactions referenced in clauses (i) through (iv) above; or (vii) the making of a *bona fide* proposal to Citizens or its stockholders, by public announcement or written communication, that is or becomes the subject of public disclosure, to engage in one or more of the transactions referenced in clauses (i) through (v) above.

6.10 Voting Agreement. Concurrently with the execution and delivery of this Agreement, Citizens shall deliver to MSTI a voting agreement in the form of *Exhibit D*, signed by all directors and executive officers of Citizens who are Citizens Stockholders.

6.11 Stockholders' Meeting. Citizens shall cause a meeting of its stockholders for the purpose of acting upon this Agreement to be held at the earliest practicable date after the Registration Statement (as defined below) has been declared effective by the SEC. Citizens shall send to its stockholders, at least thirty (30) days prior to such meeting, notice of such meeting together with the Proxy Statement, which shall include a copy of this Agreement and a copy of Section 262 of the DGCL governing the rights of dissenting stockholders. Citizens and its board of directors shall recommend to stockholders the approval of this Agreement and the Merger and shall solicit proxies voting only in favor thereof from the Citizens Stockholders, and Citizens and its board of directors shall not withdraw, modify or

change, in any manner adverse to MSTI, or publicly announce its intent to withdraw, modify or change, in any manner adverse to MSTI, such recommendation of this Agreement and the Merger; *provided, however*, that Citizens shall not be required to make the recommendation required by this **Section 6.11**, and shall be permitted to withdraw, modify or change such recommendation, if the board of directors of Citizens determines, in good faith, that the exercise of its fiduciary duties to Citizens' stockholders under applicable law, as advised by its counsel, so requires. For the avoidance of doubt, the parties acknowledge that the failure of Citizens to comply with the provisions of this **Section 6.11** shall be deemed to have a Material Adverse Effect on Citizens on a consolidated basis and on MSTI's rights under this Agreement.

6.12 Information Provided to MSTI. Citizens agrees that none of the information concerning Citizens or any Citizens Subsidiary that is provided or to be provided by Citizens to MSTI for inclusion or that is included in the Registration Statement or Proxy Statement and any other documents to be filed with any Regulatory Authority in connection with the Contemplated Transactions will, at the respective times such documents are filed and, in the case of the Registration Statement, when it becomes effective and, with respect to the Proxy Statement, when mailed, be false or misleading with respect to any material fact, or omit to state any material fact necessary in order to make the statements therein not misleading or, in the case of the Proxy Statement, or any amendment thereof or supplement thereto, at the time of the meeting of Citizens' stockholders referred to above, be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the meeting in connection with which the Proxy Statement shall be mailed. Notwithstanding the foregoing, Citizens shall have no responsibility for the truth or accuracy of any information with respect to MSTI or any MSTI Subsidiary or any of their Affiliates contained in the Registration Statement or the Proxy Statement or in any document submitted to, or other communication with, any Regulatory Authority.

6.13 Treatment of Employee Benefit Plans. Citizens shall make such changes to the Citizens Employee Benefit Plans and shall take such actions with respect to the Citizens Employee Benefit Plans as are agreed to in the Employee Benefits Agreement dated as of the Agreement Date between MSTI and Citizens.

6.14 Stock Options. Citizens shall take all such action as may be necessary to ensure that all Citizens Stock Options have been exercised for shares of Citizens Common Stock or have been cashed out or extinguished prior to the Closing, such that no Citizens Stock Options are outstanding at the Effective Time; *provided, however*, that any Citizens Stock Option that is cashed out shall be cashed out in exchange for an aggregate amount (net of any applicable withholding tax) equal to the product of: (a) the difference between (i) the Per Share Cash Consideration, less (ii) the per share exercise price of such Citizens Stock Option, as set forth on **Schedule 4.5** (to the extent such difference is a positive number); multiplied by (b) the number of shares of Citizens Common Stock subject to such Citizens Stock Option.

6.15 Data and Item Processing Agreements. Citizens agrees to consult with MSTI prior to the entry by it or any Citizens Subsidiary by either action or inaction into any new, or any extension of any existing, data or item processing agreements. Citizens agrees to coordinate with MSTI the negotiation of any new or extension of any existing data or item processing agreement, with the purpose of achieving the best possible economic and business result in light of the Merger.

6.16 Tax Matters. Neither Citizens nor any Citizens Subsidiary shall make any election inconsistent with prior Tax Returns or elections or settle or compromise any liability with respect to Taxes without prior written notice to MSTI. Citizens and each Citizens Subsidiary shall timely file all Tax Returns required to be filed prior to the Closing; *provided, however*, that each such Tax Return shall be delivered to MSTI for its review at least fifteen (15) Business Days prior to the anticipated date of filing of such Tax Return.

6.17 Officer and Other Agreements. Concurrently with the execution and delivery of this Agreement, and at MSTI's direction and request, Citizens shall cause to be delivered to MSTI (a) an Employment Agreement in the form of *Exhibit E-1*, signed by C. William Landefeld, and (b) an Employment Agreement in the form of *Exhibit E-2*, signed by Dallas Smiley (collectively, the "**Employment Agreements**"), each to be effective at the Effective Time.

6.18 Accounting and Other Adjustments. Subject to applicable Legal Requirements, Citizens agrees that it shall, and shall cause each Citizens Subsidiary, to: (a) make any accounting adjustments or entries to its books of account and other financial records; (b) make additional provisions to any allowance for loan and lease losses; (c) sell or transfer any investment securities held by it; (d) charge-off any loan or lease; (e) create any new reserve account or make additional provisions to any other existing reserve account; (f) make changes in any accounting method; (g) accelerate, defer or accrue any anticipated obligation, expense or income item; and (h) make any other adjustments that would affect the financial reporting of MSTI, on a consolidated basis after the Effective Time, in any case as MSTI shall reasonably request, *provided, however*, that neither Citizens nor any Citizens Subsidiary shall be obligated to take any such requested action until immediately prior to the Closing and at such time as Citizens shall have received reasonable assurances that all conditions precedent to Citizens' obligations under this Agreement (except for the completion of actions to be taken at the Closing) have been satisfied.

6.19 LaSalle Loan. (b) If this Agreement is terminated by Citizens because: (i) MSTI committed a Breach of its covenants or agreements under this Agreement (but not a Breach of its representations or warranties); or (ii) there is a Breach in existence as of the Agreement Date of MSTI's representations or warranties; unless (x) in the case of clause (i), such Breach is a result of the failure by Citizens to perform and comply in all material respects with any of its material obligations under this Agreement which are to be performed or complied with by it prior to or on the date required hereunder, or (y) in the case of either clause (i) or (ii), such Breach or Breaches would not individually or in the aggregate be reasonably expected to have a Material Adverse Effect on either MSTI or Citizens on a consolidated basis, then MSTI shall pay to Citizens, upon its written demand, an amount equal to Two Million Three Hundred Thousand Dollars (\$2,300,000).

(c) The sums payable by MSTI under this **Section 11.5** shall constitute liquidated damages and Citizens' receipt thereof shall be Citizens' sole and exclusive remedy under this Agreement for all Breaches of this Agreement by MSTI. The parties acknowledge that the termination payment payable by MSTI under clause (a) of this **Section 11.5** and the termination payment payable by MSTI under clause (b) of this **Section 11.5** are mutually exclusive, and, to that end, acknowledge that (i) if Citizens has received a termination payment under clause (a) of this **Section 11.5**, Citizens shall not be entitled to a termination payment under clause (b), and (ii) if Citizens has received a termination payment under clause (b) of this **Section 11.5**, Citizens shall not be entitled to a termination payment under clause (a).

of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party; (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given; and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to in this Agreement.

12.8 Further Assurances. The parties agree: (a) to furnish upon request to each other such further information; (b) to execute and deliver to each other such other documents; and (c) to do such other acts and things, all as the other party may reasonably request for the purpose of carrying out the intent of this Agreement and the documents referred to in this Agreement.

APPENDIX B

Opinion of Sandler O'Neill & Partners, L.P.

November 7, 2004

Board of Directors
Citizens First Financial Corp.
2101 North Veterans Parkway
P.O. Box 1207
Bloomington, IL 61702

Ladies and Gentlemen:

Citizens First Financial Corp. ("Citizens"), Main Street Trust, Inc. ("MSTI") and Citizens Acquisition LLC ("Acquisition LLC") have entered into an Agreement and Plan of Merger, dated as of November 7, 2004 (the "Agreement"), pursuant to which Citizens will be merged with and into Acquisition LLC, with Acquisition LLC being the surviving entity as a wholly owned subsidiary of Main Street (the "Merger"). Under the terms of the Agreement, upon consummation of the Merger, each share of Citizens common stock, par value \$0.01 per share, issued and outstanding immediately prior to the Merger (the "Citizens Shares"), other than certain shares specified in the Agreement, will be converted into the right to receive, at the election of the holder thereof, either (a) 1.1051 shares of MSTI common stock, par value \$0.01 per share (the "Stock Consideration"), or (b) \$35.00 in cash without interest (the "Cash Consideration"), subject to the election and allocation procedures set forth in the Agreement which provide generally, among other things, that 50% of the Citizens Shares will be converted into the Stock Consideration and 50% of the Citizens Shares will be converted into the Cash Consideration (the Stock Consideration and the Cash Consideration hereinafter collectively referred to as, the "Merger Consideration"). Shares of Citizens common stock (other than certain shares specified in the Agreement) held by stockholders who own fewer than 100 shares of Citizens common stock at the effective time of the Merger will be converted into \$35.00 in cash per share. Cash will be paid in lieu of fractional shares in an amount determined by taking the product of the relevant fraction and \$31.67. The other terms and conditions of the Merger are more fully set forth in the Agreement. You have requested our opinion as to the fairness, from a financial point of view, of the Merger Consideration to the holders of Citizens Shares.

Sandler O'Neill & Partners, L.P., as part of its investment banking business, is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. In connection with this opinion, we have reviewed, among other things: (i) the Agreement; (ii) certain publicly available financial statements and other historical financial information of Citizens that we deemed relevant; (iii) certain publicly available financial statements and other historical financial information of MSTI that we deemed relevant; (iv) financial projections for the years ending December 31, 2004 and 2005 reviewed in discussions with senior management of Citizens and earnings per share estimates for Citizens for the years ending December 31, 2004 and 2005 published by I/B/E/S and reviewed by and confirmed with management of Citizens; (v) financial projections for the years ending December 31, 2004 and 2005 reviewed in discussions with senior management of MSTI and earnings per share estimates for MSTI for the years ending December 31, 2004 and 2005 published by I/B/E/S and reviewed by and confirmed

with management of Citizens; (vi) the pro forma financial impact of the Merger on MSTI, based on assumptions relating to transaction expenses, purchase accounting adjustments and cost savings determined by the senior managements of Citizens and MSTI; (vii) the publicly reported historical price and trading activity for Citizens' and MSTI's common stock, including a comparison of certain financial and stock market information for Citizens and MSTI with similar publicly available information for certain other companies the securities of which are publicly traded; (viii) the financial terms of certain recent business combinations in the savings institution industry, to the extent publicly available; (ix) the current market environment generally and the banking environment in particular; and (x) such other information, financial studies, analyses and investigations and financial, economic and market criteria as we considered relevant. We also discussed with certain members of senior management of Citizens the business, financial condition, results of operations and prospects of Citizens and held similar discussions with certain members of senior management of MSTI regarding the business, financial condition, results of operations and prospects of MSTI. In connection with our engagement, we were not asked to, and did not, solicit indications of interest in a potential transaction from third parties.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources, that was provided to us by Citizens or MSTI or their respective representatives or that was otherwise reviewed by us and have assumed such accuracy and completeness for purposes of rendering this opinion. We have further relied on the assurances of management of Citizens and MSTI that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. We have not been asked to undertake and have not undertaken an independent verification of any of such information and we do not assume any responsibility or liability for the accuracy or completeness thereof. We did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Citizens or MSTI or any of their subsidiaries, or the collectibility of any such assets, nor have we been furnished with any such evaluations or appraisals. We did not make an independent evaluation of the adequacy of the allowance for loan losses of Citizens or MSTI nor have we reviewed any individual credit files relating to Citizens or MSTI. We have assumed, with your consent, that the respective allowances for loan losses for both Citizens and MSTI are adequate to cover such losses and will be adequate on a combined basis for the combined entity.

With respect to the financial projections for Citizens and MSTI and all projections of transaction costs, purchase accounting adjustments and expected cost savings prepared by and/or reviewed with the managements of Citizens and MSTI and used by Sandler O'Neill in its analyses, Citizens' and MSTI's management confirmed to us that these projections reflected the best currently available estimates and judgments of the respective managements of the respective future financial performances of Citizens and MSTI and we assumed that such performances would be achieved. We express no opinion as to such financial projections or the assumptions on which they are based. We have also assumed that there has been no material change in Citizens' or MSTI's assets, financial condition, results of operations, business or prospects since the date of the most recent financial statements made available to us. We have assumed in all respects material to our analysis that Citizens and MSTI will remain as going concerns for all periods relevant to our analyses, that all of the representations and warranties contained in the Agreement and all related agreements are true and correct, that each party to the agreements will perform all of the covenants required to be performed by such party under the agreements, that the conditions precedent in the agreements are not waived and that the Merger will be a tax-free reorganization for federal income tax purposes. Finally, with your consent, we have relied upon the advice Citizens has received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the Merger and the other transactions contemplated by the Agreement.

Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect this opinion. We have not undertaken to update, revise, reaffirm or withdraw this opinion or otherwise comment upon events occurring after the date hereof. We are expressing no opinion herein as to what the value of MSTI's common stock will be when issued to Citizens' shareholders pursuant to the Agreement or the prices at which Citizens' or MSTI's common stock may trade at any time.

We have acted as Citizens' financial advisor in connection with the Merger and will receive a fee for our services, a substantial portion of which is contingent upon consummation of the Merger. We will also receive a fee for rendering this opinion. Citizens has also agreed to indemnify us against certain liabilities arising out of our engagement.

In the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to Citizens and MSTI and their affiliates. We may also actively trade the equity or debt securities of Citizens and MSTI or their affiliates for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

Our opinion is directed to the Board of Directors of Citizens in connection with its consideration of the Merger and does not constitute a recommendation to any shareholder of Citizens as to how such shareholder should vote at any meeting of shareholders called to consider and vote upon the Merger or the form of consideration such shareholder should elect in the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration to holders of Citizens Shares and does not address the underlying business decision of Citizens to engage in the Merger, the relative merits of the Merger as compared to any other alternative business strategies that might exist for Citizens or the effect of any other transaction in which Citizens might engage. Our opinion is not to be quoted or referred to, in whole or in part, in a registration statement, prospectus, proxy statement or in any other document, nor shall this opinion be used for any other purposes, without Sandler O'Neill's prior written consent; provided however, that we hereby consent to the inclusion of this opinion as an appendix to the proxy statement/prospectus of Citizens and Main Street relating to the Merger and to the references to this opinion therein.

Based upon and subject to the foregoing, it is our opinion, as of the date hereof, that the Merger Consideration to be received by the holders of Citizens Shares is fair to such shareholders from a financial point of view.

Very truly yours,

/s/ SANDLER O'NEILL & PARTNERS, L.P.

APPENDIX C

Section 262 of the Delaware General Corporation Law

§262. Appraisal rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

(a) Shares of stock of the corporation surviving or resulting from such merger or consolidation or depository receipts in respect thereof;

(b) Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

(c) Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

(d) Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give

either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the

Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation. (8 Del. C. 1953, §262; 56 Del. Laws, c. 50; 56 Del. Laws, c. 186, § 24; 57 Del. Laws, c. 148, §§ 27-29; 59 Del. Laws, c. 106, § 12; 60 Del. Laws, c. 371, §§ 3-12; 63 Del. Laws, c. 25, § 14; 63 Del.
