WEIS MARKETS ISSUES FOURTH QUARTER RESULTS

(Sunbury, PA) - Weis Markets, Inc. (NYSE: WMK) today said its fourth quarter sales increased 4.4% to \$603.0 million compared to the same period a year ago and its comparable store sales increased 4.9%.

For the 13-week period ending December 29, 2007, the Company's basic and diluted earnings per share decreased \$.20 to \$.32 per share compared to the same period a year ago. The Company's fourth quarter net income totaled \$8.6 million compared to \$14.0 million in 2006.

The Company's fourth quarter earnings were impacted by a 1.3% gross profit rate decline, down from 26.0% in 2006 to 24.7% in 2007. During the fourth quarter, the Company continued its aggressive promotional activity while keeping its overall pricing competitively low during a time of significant wholesale food inflation.

In 2007, wholesale prices increased much more quickly than the retail prices paid by consumers. According to the latest U.S. Bureau of Labor Statistics' report, food-at-home price inflation increased 4.2% in 2007 while wholesale food inflation increased at a higher rate of 6.5%. This difference contributed significantly to the decline in the Company's gross profit rate.

The Company benefited from increased perishable sales and successful sales building strategies.

Year To Date

For the 52-week period ending December 29, 2007, the Company's sales increased 3.3% to \$2.3 billion while its comparable store sales increased 3.5%.

Edgar Filing: WEIS MARKETS INC - Form 8-K

Year to date net income decreased 9.0% to \$51.0 million and basic and diluted earnings per share decreased \$.18 to \$1.89 per share.

About Weis Markets

A Mid-Atlantic food retailer, Weis Markets, Inc. marked its 95th year of operation in 2007. It currently operates 155 stores in five states: Pennsylvania, Maryland, New Jersey, New York and West Virginia. The Company also owns and operates SuperPetz, a pet supply superstore chain with 31 locations in ten states.
