NOTES TO FINANCIAL STATEMENTS

(Unaudited)

NOTE 1 – BASIS OF PRESENTATION

The accompanying financial statements of Veracity Management Global, Inc (the "Company", "VCMG") at September 30, 2015 have been prepared without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in conformity with generally accepted accounting principles have been omitted or condensed pursuant to such rules and regulations. These statements should be read in conjunction with VCMG's audited financial statements and notes thereto included in VCMG's Form 10-K. In management's opinion, these unaudited interim financial statements reflect all adjustments (consisting of normal and recurring adjustments) necessary for a fair presentation of the financial position and results of operations for each of the periods presented. The accompanying unaudited interim financial statements for the three months ended September 30, 2015 are not necessarily indicative of the results which can be expected for the entire year.

Basis of Presentation

The Company follows accounting principles generally accepted in the United States of America.

In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The financial statements include the accounts of Veracity Management Global, Inc and the operations of Secured Financial Data, Inc and Veracity Management Group, Inc. are being reported as loss from discontinued operations. Any inter-company transactions have been eliminated as part of the transaction.

The Company continues to rely on infusions of debt and equity capital to fund operations. The Company relies principally on cash infusions from its directors and affiliates, and paid a significant amount of personal services and salaries in the form of common stock.

Recently Issued Accounting Standards

In August 2014, the FASB issued ASU No. 2014-15, Disclosure of Uncertainties about an Entity's Ability to Continue as a Going Concern ("ASU 2014-15"). ASU 2014-15 will explicitly require management to assess an entity's ability to continue as a going concern, and to provide related footnote disclosure in certain circumstances. The new standard will be effective for all entities in the first annual period ending after December 15, 2016. Earlier adoption is permitted. We are currently evaluating the impact of the adoption of ASU 2014-15.

NOTES TO FINANCIAL STATEMENTS
THREE MONTHS ENDED SEPTEMBER 30, 2015
(Unaudited)

Other accounting standards that have been issued or proposed by the FASB, or other standards-setting bodies, that do not require adoption until a future date are not expected to have a material impact on the Company's financial statements upon adoption.

Management does not anticipate that the adoption of these standards will have a material impact on the financial statements.

NOTE 2- GOING CONCERN

Veracity Management Global, Inc.'s financial statements have been prepared on a going concern basis, which contemplates the realization of assets and settlement of liabilities and commitments in the normal course of business for the foreseeable future. Since inception, the Company has accumulated losses aggregating to \$4,194,559 and has insufficient working capital to meet operating needs for the next twelve months as of September 30, 2015, all of which raise substantial doubt about VCMG's ability to continue as a going concern.
