**Item 1.01 Entry into a Material Definitive Agreement**

On June 24, 2005 Overstock.com, Inc. (the Company) entered into a definitive Stock Purchase Agreement (the Stock Purchase Agreement) with Ski West, Inc. (Ski West) and all of its shareholders (the Shareholders). The Stock Purchase Agreement provides for the Company's purchase of all of the outstanding capital stock of Ski West for an aggregate of \$25 million, subject to reduction under certain circumstances. The closing is expected to occur on July 1, 2005. A copy of the Stock Purchase Agreement is filed as Exhibit 99.1 to this Report on Form 8-K.

The Stock Purchase Agreement superseded a letter of intent the Company had entered into on June 20, 2005 with Ski West and certain of the Shareholders. The letter of intent is also described in this Report on Form 8-K, but is no longer in effect.

The Stock Purchase Agreement contains representations and warranties of the parties, covenants, conditions to closing, indemnification provisions, non-competition agreements and other customary provisions. The Stock Purchase Agreement also provides that Shareholders Jonathan Cardella and James Moyle (the Founders) will be responsible for continuing to manage the Ski West business after the acquisition. The Stock Purchase Agreement further provides that after the closing, the Company will cause Ski West to create an annual bonus pool tied to the performance of Ski West, and that the Founders, in their sole discretion, will have the right to allocate the bonus pool among themselves and the employees of Ski West. The Stock Purchase Agreement provides that the bonus pool will consist of a percentage of the operating profit of the Ski West business as follows:

- (1) Year 1 (July 1, 2005 - June 30, 2006): 50% of operating profit
- (2) Year 2 (July 1, 2006 - June 30, 2007): 33.3% of operating profit
- (3) Year 3 (July 1, 2007 - June 30, 2008): 20% of operating profit
- (4) Year 4 (July 1, 2008 - June 30, 2009): 10% of operating profit

On June 20, 2005 the Company entered into a letter of intent with Ski West and the Founders contemplating the purchase by the Company of all of the outstanding shares of capital stock of Ski West. The letter of intent contemplated that the Company would pay \$25 million in cash upon the closing of the acquisition and contemplated the material provisions of the Stock Purchase Agreement. The letter of intent contemplated that it created binding obligations. The letter of intent was superseded by the Stock Purchase Agreement described above. A copy of the letter of intent is filed as Exhibit 99.2 to this Report on Form 8-K, but is no longer in effect.

There is no material relationship between the Company or its affiliates and any of the parties to the Stock Purchase Agreement or to the letter of intent other than in respect of the Stock Purchase Agreement and the letter of intent.
