Item 1.01

Entry into a Material Definitive Agreement.

On January 6, 2009 Overstock.com, Inc. (the Company) entered into an Amended and Restated Loan and Security Agreement dated January 6, 2009 (the Agreement) with Wells Fargo Retail Finance, LLC (WFRF). The Agreement replaces the Company's Loan and Security Agreement dated December 12, 2005 with WFRF, which had previously been amended and had terminated in accordance with its terms. The Agreement will terminate in accordance with its terms on January 5, 2011 unless sooner terminated.

Subject to conditions precedent, the Agreement provides for advances to the Company and for the issuance of letters of credit for its account of up to an aggregate maximum of \$25 million. Subject to further conditions precedent, the Company has the right to increase the aggregate maximum amount available under the facility to up to \$35 million during the first year of the facility. The amount actually available to the Company may be substantially less and may vary from time to time, depending on, among other factors, the amount of its eligible inventory and accounts receivable. The Company's obligations under the Agreement and all related agreements are secured by all or substantially all of the Company's and its subsidiaries' assets. The Company's obligations under the Agreement are cross-collateralized with its obligations under its \$30 million credit facility with Wells Fargo Bank, National Association, and provides that the Company's obligations under its agreement with Wells Fargo Bank, National Association are collateralized by the assets securing the Agreement.

The Agreement includes affirmative covenants as well as negative covenants that prohibit a variety of actions without the lender's approval, including covenants that limit the Company's ability to (a) incur or guarantee debt, (b) create liens, (c) enter into any merger, recapitalization or similar transaction or purchase all or substantially all of the assets or stock of another person, (d) sell assets, (e) change its name or the name of any of its subsidiaries, (f) make certain changes to its business, (g) optionally prepay, acquire or refinance indebtedness, (h) consign inventory, (i) pay dividends on, or purchase, acquire or redeem shares of, its capital stock, (j) change its method of accounting, (k) make investments, (l) enter into transactions with affiliates, or (m) store any of its inventory or equipment with third parties.

Wells Fargo Retail Finance, LLC is an affiliate of Wells Fargo Bank, National Association. The Company has a \$30 million credit facility with Wells Fargo Bank, National Association, which it uses primarily to procure letters of credit from time to time. Wells Fargo Bank, National Association or its affiliates also provide other commercial services to the Company, such as trustee services on the Company's 3.75% Senior Convertible Notes. Certain of the Company's officers and directors may also have banking and other commercial relationships with Wells Fargo Bank, National Association or its affiliates.

The Agreement is filed as Exhibit 10.1 to this Report on Form 8-K, and reference is hereby made to the text of the Agreement for a more complete description of its terms.
