**Item 11. Additional Information**

The Section captioned, The Offer Section 12. Certain Legal Matters Unitholder Litigation is hereby amended to include the following at the end of the Section:

On November 25, 2009, the parties to the actions captioned *Balanced Beta Fund v. Arntzen, et al.* and *Dukelow v. The agreement in principle is set forth in a Memorandum of Understanding ( MOU ) executed by counsel for defendants and class plaintiffs in each of these purported class actions. The parties have agreed to enter into a stipulation of settlement as soon as practicable. The basic terms of the settlement, which is subject to court approval, include that (1) the defendants have denied, and continue to deny, that any of them has committed or has threatened to commit, or aided and abetted any other person in the commission or threatened commission of, any wrongdoing, violation of law or breach of duty; (2) the Partnership will make certain additional disclosures, acknowledging that the lawsuits and related discussions engaged in with counsel for the class plaintiffs were a substantial and contributing cause of the Partnership's determination to make such disclosures; (3) the *Balanced Beta Fund* action will be conditionally certified, for settlement purposes only, as a class action; and (4) the class plaintiffs will dismiss their claims and provide releases to the defendants as specified in the MOU. The settlement is conditioned upon, among other things, definitive documentation and court approval, the dismissal of all pending litigation related to Offer, and the successful consummation of the Offer and the Repurchase Right.
