(a) and (b) The information contained on the cover pages to this Schedule 13D and the information set forth or incorporated in Items 2, 3, 4 and 6 is incorporated herein by reference.

The following disclosure assumes that there are 344,528,296 shares of Issuer Common Stock outstanding as of November 30, 2012, which figure is based on information set forth in the Prospectus Supplement filed by the Issuer with the Commission on December 13, 2012 and which gives effect to the retirement of the Repurchased Shares.

- (i) the trust committee is unable to act or decide and makes a formal appeal to the Directors to resolve the matter, of if the matter involves a legally required act or decision, no formal appeal is necessary for the Directors to so act or decide when the trust committee is unable to do so; and
- (ii) the act or decision of a trust committee with respect to investment of an individual trust's assets is in conflict with the investment strategy and best interests of the Coors Family Trusts as a whole as reflected in the investment strategy of the other trust committees.
