PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MAY 7, 2014

This Proxy Statement is furnished to shareholders of NORTECH SYSTEMS INCORPORATED, a Minnesota corporation (the Company), in connection with the solicitation on behalf of the Company's Board of Directors of proxies for use at the annual meeting of shareholders to be held on May 7, 2014, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The address of the principal executive office of the Company is 1120 Wayzata Boulevard East, Suite 201, Wayzata, Minnesota 55391. We will begin mailing this proxy statement and proxy card to shareholders on or about March 28, 2014.

SOLICITATION AND REVOCATION OF PROXIES

The Company will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, directors, officers and regular employees of the Company may solicit proxies personally or by telegraph, telephone or letter with extra compensation. The Company will reimburse brokers and other custodians, nominees or fiduciaries for their expenses in forwarding proxy material to principals and obtaining their proxies.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in this form may revoke it at any time before it is exercised. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specifications indicated on the proxy.

VOTING RIGHTS AND REQUIREMENTS

Only shareholders of record as of the close of business on March 12, 2014, will be entitled to sign proxies or to vote. On that date, there were 2,742,992 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares present in person or by proxy at the meeting is required to transact business, and constitutes a quorum for voting on items at the meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted as being present at the meeting in determining the quorum, but neither will be counted as a vote in favor of a matter. A broker non-vote is a proxy submitted by a bank, broker or other custodian that does not indicate a vote for some of the proposals because the broker does not have or does not exercise discretionary voting

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

authority on certain types of proposals and has not received instructions from its client as to how to vote on those proposals.

Vote Required

Election of Directors The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at this annual meeting is required for the election to the Board of each of the nominees for director. Shareholders do not have the right to cumulate their votes in the election of directors. Plurality means that the individuals who receive the greatest number of votes cast For are elected as directors.

Say-on-Pay The advisory vote on executive compensation in Item 3 is not binding on us; however, we will consider the shareholders to have approved our executive compensation if the number of shares voted For the proposal exceed the number of shares voted Against the proposal. A shareholder who abstains with respect to this proposal will have no effect on its outcome.

Routine Versus Non-Routine Matters. Brokers cannot vote on their customers' behalf on non-routine proposals such as Item 1, the election of directors, and Item 3, the advisory vote on executive compensation. Because brokers require their customers' direction to vote on such non-routine matters, it is critical that shareholders provide their brokers with voting instructions.

Effect of Broker Non-Votes. If you hold your shares in street name and do not provide voting instructions to your bank, broker or other custodian, your shares will not be voted on any proposal on which your broker does not have or does not exercise discretionary authority to vote (a broker non-vote), such as may be the case with a non-routine matter for which you do not provide voting instructions. A broker non-vote on any of the proposals presented at the annual meeting will have no effect on the outcome of the proposal.

ELECTION OF DIRECTORS

The bylaws of the Company provide for a Board of Directors consisting of one or more members, and further provide that the shareholders at each annual meeting shall determine the number of directors. The Company's Board of Directors recommends that the number of directors be set at seven and it is intended that the proxies accompanying this statement will be voted at the 2014 meeting to establish a Board of Directors consisting of seven members. RISK OVERSIGHT

Management and the Company's General Counsel and Secretary discuss risks, both during Board meetings and in direct discussions with Board members. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; CEO succession planning is overseen by the Governance and Nominating Committee; and compliance risks are typically overseen by the full Board. Management regularly reports on each such risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or committee. COMPENSATION COMMITTEE

The Compensation Committee is composed of the independent outside directors whose names appear below. The Committee has a charter which is available on the Company's website (www.nortechsys.com). The Committee determines the compensation of executive officers of the Company. Compensation for executive officers includes three elements: base salaries, bonuses, and share-based compensation and stock appreciation rights. Salaries are based on factors such as the individual's level of responsibility and the amount of salary paid to executives with similar responsibilities in comparable companies. Bonuses are awarded based on a combination of the executive's success in meeting certain pre-established individual goals and the Company's performance in meeting certain financial goals. All share-based compensation and equity appreciation rights plans are designed to increase the incentive for an executive's interest in the Company's success as measured by the market value of its stock or other financial-related measures and to align the interests of the executives with those of the Company's shareholders.

The Chief Executive Officer's base compensation for 2013 was established under an employment agreement executed in 2005, which was renewed in 2011 for three years. Further, it was determined that the total compensation of the Chief Executive Officer was comparable to compensation of chief executive officers of comparable companies. The base compensation of the other executive officers was set at the level necessary to attract and retain executives performing the functions being performed by such executives.

ITEM 3
APPROVAL OF ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

We are providing shareholders with the opportunity to vote at the annual meeting on the following advisory resolution regarding the compensation of our NEOs as described in this Proxy Statement (commonly referred to as "Say-on-Pay"):

RESOLVED, that the shareholders of Nortech Systems Incorporated approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in the Compensation Discussion and Analysis section, and compensation tables and narrative discussion contained in the Executive Compensation section in this Proxy Statement.

Our executive compensation programs are based on our belief that attracting, retaining and motivating talented executives is critical to the maintenance of our competitive advantage in the electronic contract manufacturing industry and to the achievement of the business goals set by the Board. Accordingly, our executive compensation programs are designed to reward executives for achievement of our pre-determined financial and business goals, while also aligning our executives' interests with those of our shareholders. We believe that we best achieve these goals by providing our executives with a mix of compensation elements that incorporate cash and equity, as well as short-term and long-term components, and that are tied to our business goals.

This advisory vote will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board or the Compensation Committee. However, the Compensation Committee will review and carefully consider the outcome of the vote. If there are a significant number of negative votes, the Compensation Committee will seek to understand the concerns that influenced the vote and consider them in making future executive compensation decisions.

Upon recommendation of the Compensation Committee of the Board, the Board unanimously recommends a vote FOR the approval of the compensation of our NEOs.

QUORUM AND VOTE REQUIRED

The presence in person or by proxy of the holders of a majority of the voting power of the shares of Common Stock issued, outstanding and entitled to vote at a meeting for the transaction of business is required to constitute a quorum. The election of each director will be decided by plurality votes. As a result, any shares not voted for a director (whether by withholding authority, broker non-vote or otherwise) have no impact on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. If your shares are held by a broker or nominee, you should contact such holder to determine if you may vote your shares electronically and, if so, the method and deadline for voting electronically. The deadline for voting electronically is 11:59 p.m. (ET) on May 6, 2014, for all holders registered or beneficial. If your shares are held directly and you decide to vote electronically, please follow the directions on your proxy card.

Proposals received by that date will be included in the 2015 proxy statement if the proposals are proper for consideration at an annual meeting and are required for inclusion in the proxy statement by, and conform to, the rules of the Securities and Exchange Commission.

The Company's bylaws provide that a shareholder may nominate a director for election at the annual meeting or may present from the floor a proposal that is not included in the proxy statement if proper written notice is received by the secretary of the Company at its principal offices in Wayzata, Minnesota, at least 120 days in advance of the date of the proxy statement for the prior year's annual meeting.
