**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

**2016 Phantom Unit Grant**

In accordance with the compensation policy adopted by the Compensation Committee (the *Committee*) of the Board of Directors (the *Board*) of Legacy Reserves GP, LLC (the *General Partner*), the general partner of Legacy Reserves LP (the *Partnership*), and approved by the Board in March 2013 and subsequently amended (the *Compensation Policy*), the Committee approved the following bonus awards for Mr. Paul Horne, and with respect to other executive officers, recommended the following bonus awards to the Board and the Board approved such awards on June 13, 2016.

*Objective Component of Equity-Based Compensation.* Under the Compensation Policy, the objective component is granted at 200% of the target amount each year but is subject to cliff vesting after a three-year period in accordance with an objective performance-related formula as set forth in the Compensation Policy based on Legacy's objective average annual total unitholder return and the following: 1) Legacy's total unitholder return compared to the total unitholder returns of a group of Legacy's peers, and 2) Legacy's total unitholder return compared to the total unitholder returns of a broader group of MLPs. All total unitholder returns are measured during the cumulative three-year measurement period prior to the vesting date. If none or only a portion of phantom units vest as a result of target levels not being met, the unvested portion of phantom units and associated distribution equivalent rights (*DERs*), if any, will be forfeited.

*Subjective Component of Equity Based Incentive Compensation.* Under the Compensation Policy, equity-based incentive compensation awarded under this component and associated DERs, if any, cliff vest after a three-year period and are not subject to any performance criteria. The DERs entitle the recipient of the award to a payment equivalent to the amount of the per unit distribution payable to unitholders over the vesting period. The Committee has the discretion to award up to 200% of the subjective component of target equity-based incentive compensation.
