The Board believes that Mr. Cole's global

executive leadership skills, his significant experience as an executive in our industry, including as our Chief Executive Officer for more than the past 17 years, and his role in transforming our company from a manufacturing company to a leading brand management company make him uniquely qualified to sit on our Board and act as its chairman.

Item 11. Executive Compensation

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide the information necessary for understanding the compensation philosophy, policies and decisions which are material to the compensation of our principal executive officer, our principal financial officer and our three other most highly compensated executive officers (we refer to these officers as our “named executive officers”) during 2009. This Compensation Discussion and Analysis will place in context the information contained in the tables and accompanying narratives that follow this discussion.

Philosophy and Objectives

Our compensation philosophy is to offer our named executive officers compensation that is fair, reasonable and competitive, and that meets our goals of attracting, retaining and motivating highly skilled management personnel so that we can be in a position to achieve our financial, operational and strategic objectives to create long-term value for our stockholders. We seek to deliver fair, reasonable and competitive compensation for our employees and executives, including our named executive officers, by structuring compensation around one fundamental goal: incentivizing our executives to build stockholder value over the short and long term. Our ability to attract, motivate and retain employees and executives with the requisite skills and experience to develop, expand and execute business opportunities for us is essential to our growth and success. We believe that we offer attractive career opportunities and challenges for our employees, but remain mindful that the best talent will always have a choice as to where they wish to pursue their careers, and fair and competitive compensation is an important element of job satisfaction.

Our compensation program includes short-term elements, such as annual base salary, and in some cases, an annual incentive cash bonus, and long term elements such as equity-based awards through grants of restricted stock, restricted stock units and stock options. We believe that our compensation program incentivizes our named executive officers and other employees to execute on our goals and perform their job functions with excellence and integrity. We also take into account the roles played by each of our named executive officers and endeavor to individually customize their compensation packages to align the amount and mix of their compensation to their contributions to, and roles within, our organization. The compensation packages and structure for our chief executive officer, Mr. Neil Cole, and for our executive vice president, head of strategic development, David Blumberg, differ from those of our other named executive officers in light of the distinct role and responsibilities each such executive has within the Company. As Mr. Cole makes executive decisions that influence our direction and growth initiatives, his total compensation is intended to be strongly aligned with objective financial measures, including an annual bonus determined by criteria set forth in his employment agreement based upon our performance. As Mr. Blumberg is responsible for overseeing our merger and acquisition activities that influence our growth, a substantial portion of his total compensation is intended to be tied to our consummation of acquisitions that meet specified objective financial measures as set forth in his employment agreement.

We enter into employment agreements with senior officers, including our named executive officers, when the compensation committee determines that an employment agreement is in order for us to obtain a degree of certainty as to an executive’s continued employment in light of prevailing market conditions and competition for the particular position held by the officer, or where the compensation committee determines that an employment agreement is

appropriate to attract an executive in light of market conditions, the prior experience of the executive or practices at our company with respect to other similarly situated executives. Based on these and any other factors then deemed relevant, in 2008 we entered into new employment agreements with Messrs. Neil Cole, Warren Clamen and Andrew Tarshis, all of whom were executive officers at the time. We also entered into a new employment agreement in February 2009 with Mr. Blumberg, our executive vice president and head of strategic development, and we entered into a new employment agreement in November 2009 with Mr. Shmidman, our executive vice president of operations. Messrs. Blumberg and Shmidman became executive officers in August 2009.

Forms of Compensation Paid to Named Executive Officers During 2009

During the last fiscal year, we provided our named executive officers with the following forms of compensation:

Base salary. Base salary represents amounts paid during the fiscal year to named executive officers as direct guaranteed compensation under their employment agreements for their services to us.

Equity-based awards. Awards of restricted stock units, shares of restricted stock and stock options are made under our 2006 Equity Incentive Plan and our 2009 Equity Incentive Plan, which was approved by our stockholders in August 2006 and August 2009, respectively. Shares of restricted stock that were issued subject to a vesting schedule cannot be sold until and to the extent the shares have vested. In 2009, we awarded shares of restricted stock, or in the case of Mr. Cole, performance-based stock units, to our named executive officers. Some of the awards granted in 2009 related to employment agreements entered into during the year ended December 31, 2008 (“2008”), and were subject to stockholder approval of our 2009 Equity Incentive Plan due to the limited number of shares remaining for issuance under the 2006 Equity Incentive Plan. While we have not formally adopted any policies with respect to cash versus equity components in the mix of executive compensation, we feel that it is important to provide for a compensation mix that allows for acquisition of a meaningful level of equity ownership by our named executive officers in order to help align their interests with those of our stockholders.

Cash bonuses. Messrs. Cole, Clamen, Tarshis, Shmidman and Blumberg received cash bonuses in 2009. Mr. Cole received a contractually guaranteed amount of \$1,500,000 based upon the Company’s achievement of certain performance goals. In May 2008, our stockholders adopted the Executive Incentive Bonus Plan discussed below.

Perquisites and other personal benefits. During 2009, our named executive officers received, to varying degrees, a limited amount of perquisites and other personal benefits that we paid on their behalf. These included, among other things:

- payments of life insurance premiums; and
- car allowances.

Objectives of Our Compensation Program

The compensation paid to our named executive officers is primarily structured into two broad categories:

- base salary; and
- incentive compensation, either in the form of equity-based awards under our various equity incentive and stock option plans; cash payments tied to the satisfaction of specified performance criteria set forth in the executive officers employment agreement and to a lesser degree certain of our named executive officers also have received discretionary cash bonuses not tied to specific pre established performance criteria.

Our overall compensation program with respect to our named executive officers is designed to achieve the following objectives:

- to attract, retain and motivate highly qualified executives through both short-term and long-term incentives that reward company and individual performance;
-

to emphasize equity-based compensation to more closely align the interests of executives with those of our stockholders;

- to support and encourage our financial growth and development;
- to motivate our named executive officers to continually provide excellent performance throughout the year;
- to ensure continuity of services of named executive officers so that they will contribute to, and be a part of, our long-term success; and
- to manage fixed compensation costs through the use of performance and equity-based compensation.

Determination of Compensation for Named Executive Officers

Compensation of chief executive officer. During 2009, the compensation of Mr. Cole, our chairman, president and chief executive officer was based on Mr. Cole's employment agreement dated January 28, 2008, as amended on December 24, 2008, which agreement was effective as of January 1, 2008. In determining the salary and other forms of compensation for Mr. Cole, the compensation committee took into consideration Mr. Cole's contribution to our growth over the past several years under his leadership, and his substantial experience and performance in the industry in general and with us in particular. The compensation committee also considered the increased responsibilities of Mr. Cole as a result of our diversification and the substantial growth experienced by our company during his tenure. The compensation committee believes that Mr. Cole's compensation for 2009 as our principal executive officer reflects our performance during 2009 and his significant contributions to that performance.

See "Executive Compensation - Narrative to Summary Compensation Table and Plan-Based Awards Table - Employment Agreements" for further description of Mr. Cole's employment agreement.

Overall compensation program. Compensation of our executive officers, including the named executive officers, has been determined by the Board of Directors pursuant to recommendations made by the chief executive officer and the compensation committee. The compensation committee is responsible for, among other things, reviewing and recommending approval of the compensation of our executive officers; administering our equity incentive and stock option plans; reviewing and making recommendations to the Board of Directors with respect to incentive compensation and equity incentive and stock option plans, evaluating our chief executive officer's performance in light of corporate objectives, and setting our chief executive officer's compensation based on the achievement of corporate objectives.

With respect to the named executive officers, their compensation is based upon what we believe is a competitive base salary in view of our recent change of business strategy and accelerated growth goals. In conjunction with our compensation committee, we have assessed our total compensation program, and its components, and believe that it operates well to serve both our goals and the current, short-term and long-term compensation needs of the executive officers. We have implemented a stockholder approved Executive Incentive Bonus Plan in conformance with Section 162(m) of the Internal Revenue Code of 1986 ("Internal Revenue Code" or "Code") for our named executive officers and other senior executives. In 2009, only Mr. Cole received an award under the Executive Incentive Bonus Plan.

Compensation amounts for named executive officers are determined according to the level of seniority and position of the named executive officer. Generally, relatively greater emphasis is typically placed on the equity-based components of compensation so as to put a greater portion of total pay based on Company and individual performance. We believe the combination of a competitive base compensation, coupled with an opportunity to significantly enhance overall individual compensation if individual and Company performance warrant such enhancement, yields an attractive compensation program that facilitates our recruitment and retention of talented executive personnel.

The total compensation amount for our named executive officers is also established relative to officers at levels above and below them, which we believe rewards them for increased levels of knowledge, experience and responsibility.

Base salary. The base salary of each of our named executive officers is fixed pursuant to the terms of their respective employment agreements with us and, when a contract is up for, or otherwise considered for, renewal, upon a review of the executive's abilities, experience and performance, as well as a review of salaries for executives in the marketplace for comparable positions at corporations which either compete with us in its business or of comparable size and scope of operations. The recommendations to the Board of Directors by the compensation committee with respect to base salary are based primarily on informal judgments reasonably believed to be in our best interests. In determining the base salaries of certain of our executives whose employment agreements were up for, or otherwise considered for, renewal, the compensation committee considered our performance and growth plans. Base salaries are used to reward superior individual performance of each named executive officer on a day-to-day basis during the year, and to encourage them to perform at their highest levels. We also use our base salary as an incentive to attract top quality executives and other management employees from other companies. Moreover, base salary (and increases to base salary) are intended to recognize the overall experience, position within our company, and expected contributions of each named executive officer to us.

The following were contractual increases in the base salaries of our named executive officers from 2008 to 2009 as set forth on the table below:

Named Executive Officer	2008 Base Salary	2009 Base Salary	Change in Base	Percentage of 2008 Base Salary
Neil Cole	\$ 1,000,000	\$ 1,000,000	\$ -	0%
Warren Clamen	350,000	400,000	50,000	14%
Andrew Tarshis	350,000	400,000	50,000	14%
Yehuda Shmidman	250,000	350,000	100,000	40%
David Blumberg	*	400,000	-	0%

* Mr. Blumberg's employment with us commenced in 2009.

Equity-based awards. We currently make equity awards to our named executive officers pursuant to our 2009 Equity Incentive Plan and, to the extent available, under our 2006 Equity Incentive Plan, both of which provide for awards in the form of stock options, stock appreciation rights, restricted stock, unrestricted stock, stock units including restricted stock units, and performance awards to eligible persons. The mix of cash and equity-based awards, as well as the types of equity-based awards, granted to our named executive officers varies from year to year. Consideration has been given to various factors, such as the relative merits of cash and equity as a device for retaining and motivating the named executive officers, individual performance, an individual's pay relative to others, contractual commitments pursuant to employment or other agreements, and the value of already-outstanding grants of equity in determining the size and type of equity-based awards to each named executive officer. As of December 31, 2009, the number of shares remaining for issuance under the 2006 Equity Incentive Plan and 2009 Equity Incentive Plan was 76,653 and 2,173,978, respectively.

In 2009, we continued to utilize restricted stock as the primary form of equity compensation primarily because of the increased stock-based compensation expense associated with stock options and similar instruments under Accounting Standards Codification Topic 718 - Stock Compensation. This accounting standard, which we adopted as of January 1, 2006, requires us to record as compensation expense the grant date fair value of restricted stock over the life of the grant.

As described above, we provide a substantial portion of named executive officer compensation in the form of equity awards because the compensation committee has determined that such awards serve to encourage our executives to create value for our company over the long-term, which aligns the interests of named executive officers with those of

our stockholders.

10

Generally, we make three types of equity-based grants to our named executive officers:

- initial grants when a named executive officer is hired;
- annual performance based grants; and
- retention grants, which are typically made in connection with new employment agreements or renewals.

An initial grant when an executive officer is hired or otherwise becomes a named executive officer serves to help us to recruit new executives and to reward existing officers upon promotion to higher levels of management. Because these initial grants are structured as an incentive for employment, the amount of these grants may vary from executive to executive depending on the particular circumstances of the named executive officer and are usually recommended by the chief executive officer and approved by the appropriate committee. No grants were awarded to any of our newly hired or appointed named executive officers at the time of their hire or appointment in 2009 although as noted below, restricted share grants were made later in 2009 to both Mr. Blumberg and Mr. Shmidman as well as to other of our executive officers under the terms of their respective employment agreements. Annual, time-vested grants of equity awards, as well as retention grants made in connection with renewals of employment agreements are designed so as to compensate our named executive officers for their contributions to our long-term performance.

Generally, restricted stock and stock option awards granted to named executive officers as either initial or annual performance grants or in connection with employment agreement renewals vest in equal installments over the term of the agreement, or a period determined by the nominating/governance committee or compensation committee, typically beginning on the first anniversary of the date of grant. Restricted stock grants for 2009 were as follows: Mr. Cole – 472,674 performance-based restricted stock units, Mr. Clamen – 72,166 shares of restricted stock, Mr. Tarshis – 72,166 shares of restricted stock, Mr. Shmidman – 76,954 shares of restricted stock, and Mr. Blumberg – 35,826 shares of restricted stock. These grants vest over a one to three year period. In addition, in 2009 Mr. Blumberg was granted an aggregate of 30,000 options as a result of the Company's consummation of two acquisitions that met certain specified performance criteria set forth in his employment agreement; these options vested immediately.

Cash bonuses. In May 2008 our stockholders approved the Executive Incentive Bonus Plan, referred to as the bonus plan. The purpose of the bonus plan is to promote the achievement of our short-term, targeted business objectives by providing competitive incentive reward opportunities to our executive officers who can significantly impact our performance towards those objectives. Further, the bonus plan enhances our ability to attract, develop and motivate individuals as members of a talented management team. The bonus plan is administered, and can be amended, by the compensation committee. All awards are paid in cash. Awards made under the bonus plan are subject to a participant achieving one or more performance goals established by the compensation committee. The performance goals may be based on our overall performance, and also may recognize business unit, team and/or individual performance. No payment will be made under the bonus plan unless the compensation committee certifies that at least the minimum objective performance measures have been met. Such performance measures may include specific or relative targeted amounts of, or changes in: earnings before interest, taxes, depreciation and amortization, herein referred to as EBITDA; revenues; expenses; net income; operating income; equity; return on equity, assets or capital employed; working capital; stockholder return; production or sales volumes; or certain other objective criteria. In 2009, only our chairman, president and chief executive officer received a bonus under the bonus plan.

The amount of any award under the bonus plan may vary based on the level of actual performance. The amount of any award for a given year is determined for each participant by multiplying the individual participant's actual base salary in effect at the end of that year by a target percentage (from 0% to 200%), related to the attainment of one or more performance goals, determined by the compensation committee. In the event that an award contains more than one performance goal, participants in the bonus plan will be entitled to receive the portion of the target percentage

allocated to the performance goal achieved. In the event that we do not achieve at least the minimum performance goals established, no award payment will be made.

Additionally, cash bonuses are also covered by employment agreements with our executive officers. Under his employment agreement, in 2009 our chairman, president and chief executive officer received two separate cash performance based bonuses pursuant to his employment agreement and the Executive Bonus Plan which aggregated to \$1,500,000. Mr. Cole earned \$1,000,000 based on the Company's achievement of approximately \$163.1 million of EBITDA, which represents 100% of the targeted EBITDA established by the Board of Directors. Also under his employment agreement, Mr. Cole earned \$500,000 based on the Company's revenue growth of approximately 7%, which puts it in the upper 50th percentile of companies compiled in the Standard & Poors Small Cap Retailing Index for 2009. Also in 2009, Messrs. Clamen, Tarshis, and Shmidman received discretionary cash bonuses of \$100,000, \$100,000, and \$216,667, respectively. These bonuses were based upon both the individual performance of the executives and our overall performance but were not tied to any specified performance criteria. Further, in 2009 Mr. Blumberg received cash payments of \$500,000 as a result of the Company's consummation of two acquisitions that met certain specified performance criteria set forth in his employment agreement.

Post-termination compensation. We have entered into employment agreements with each of the named executive officers. Each of these agreements had provided for certain payments and other benefits if the executive's employment terminated under certain circumstances, including, in the event of a "change in control". See "Executive Compensation - Narrative to Summary Compensation Table and Plan-Based Awards Table - Employment Agreements" and "Executive Compensation - Potential Payments Upon Termination or Change in Control" for a description of the severance and change in control benefits.

Perquisites. The perquisites provided to some or all of our executive officers are described below. Perquisites are generally provided, as applicable, in accordance with the executives' employment agreements. Below is a list of material perquisites, personal benefits and other items of compensation we provided to our named executive officers in 2009, the total amount of each such item paid to all named executive officers and an explanation as to why we chose to pay the item.

Perquisite, Other Benefit or Other Item of Compensation (1)	Aggregate Amount of This Perquisite Paid to All Named Executive Officers in 2009	Additional Explanation for Offering Certain Perquisites
Car allowances	\$ 92,791	Serves to defray the cost of owning and operating an automobile often used for business purposes; prevents us from having to own and maintain a fleet of automobiles and is a taxable benefit for the named executive officer.
Life Insurance Premiums	\$ 22,000	Reduces risk to the beneficiaries of executives in the event of the death of the executive.

(1) Perquisites are generally granted as part of our executive recruitment and retention efforts.

Other matters. The compensation committee has not historically engaged consultants with respect to executive compensation matters. However, in 2007 and 2008, the compensation committee engaged an outside consulting firm, James F. Reda & Associates LLC for advice in connection with the negotiation of the employment agreement for our chief executive officer, which agreement was entered into in January 2008 and amended in December 2008. James F. Reda & Associates LLC was not engaged by the compensation committee in 2009 and did not otherwise provide

services to us during 2009. Our board of directors has not established a policy for the adjustment of any compensation award or payment if the relevant performance measures on which they are based are restated or adjusted. Our board of directors has not established any security ownership guidelines for executive officers.

Tax Deductibility and Accounting Ramifications

The compensation committee generally takes into account the various tax and accounting ramifications of compensation paid to our executives. When determining amounts of equity-based grants to executives the compensation committee also considers the accounting expense associated with the grants.

Our 2009 Equity Incentive Plan, our 2006 Equity Incentive Plan, our 2008 Executive Incentive Bonus Plan and our other plans are intended to allow us to make awards to executive officers that are deductible under the Section 162(m) of the Code, which otherwise sets limits on the tax deductibility of compensation paid to a company's most highly compensated executive officers. The compensation committee will continue to seek ways to limit the impact of Section 162(m). However, the compensation committee also believes that the tax deduction limitation should not compromise our ability to maintain incentive programs that support the compensation objectives discussed above or compromise our ability to attract and retain executive officers. Achieving these objectives and maintaining flexibility in this regard may therefore result in compensation that is not deductible by Iconix for federal income tax purposes.

Summary

In summary, we believe that our mix of salary, cash incentives for short-term and long-term performance and the potential for additional equity ownership in Iconix motivates our management to produce significant returns for our stockholders. Moreover, we also believe that our compensation program strikes an appropriate balance between our interests and needs in operating and further developing our business and suitable compensation levels that can lead to the enhancement of stockholder value.

(a) Salary includes, as applicable, base salary, pro-rated salaries for changes made to base salary during the year, as defined in the employment agreements.

(b) Bonuses are discretionary, fixed incentive, and/or percentage incentive, as provided for in the applicable employment agreements. For 2009, Mr. Cole received cash performance based bonuses of \$1,000,000 and \$500,000 for a total of \$1,500,000, pursuant to his employment agreement and the Executive Bonus Plan. The performance targets for 2009 were as follows: \$1,000,000 was earned for the Company's achievement of approximately \$163.1 million of EBITDA, which represents 100% of the targeted EBITDA established by the Board of Directors; \$500,000 was earned for the Company's achievement of 7% revenue growth, which puts it in the upper 50th percentile of companies compiled in the Standard & Poors Small Cap Retailing Index for 2009. In accordance with SEC rules, the 2009 and 2008 performance-based bonuses paid to Mr. Cole have been reflected in this table under the Non-Equity Incentive Plan Compensation column. For 2009, Messrs. Clamen and Tarshis each received discretionary cash bonuses of \$100,000 respectively, pursuant to their employment agreements or otherwise and Mr. Shmidman received a \$150,000 cash bonus as specified under his employment agreement and an additional discretionary bonus of \$66,667. For the year ended December 31, 2008, Mr. Cole received a cash sign-on bonus in the amount of \$500,000 in connection with his new employment agreement. Mr. Cole also received a cash performance based bonus of \$500,000 in 2008 pursuant to his employment agreement and the Executive Bonus Plan. The performance target for 2008 was the Company's achievement of approximately \$150 million of EBITDA, which represents 80% of the targeted EBITDA established by the Board of Directors. For the year ended December 31, 2007, Mr. Cole earned a cash bonus for reaching certain EBITDA targets which were determined pursuant to the terms of his prior employment agreement.

(c) The amounts shown in this column represent the aggregate grant date fair value in 2009, 2008 and 2007 with respect to shares of restricted stock and stock options. The 2007 and 2008 award values were recalculated from amounts shown in prior filings made by us with SEC to reflect their grant date fair values, as required by SEC rules effective for 2010. See Note 6 to Notes to the Consolidated Financial Statements included in this Report for a discussion for the relevant assumptions used in calculating grant date fair value.

(d) Option awards include, as applicable, Iconix options and equity-based compensation instruments that have option-like features and amounts represent grant date fair value.

(e) Non-equity incentive plan compensation represents the dollar value of all amounts earned during the fiscal year pursuant to non-equity incentive plans. There was no such compensation for 2009, 2008 and 2007 other than the cash payments of \$250,000 Mr. Blumberg received upon the Company's consummation of each of two acquisitions that had a "value" (as defined in his employment agreement) of less than \$30 million and the performance-based payments received by Mr. Cole in 2009 and 2008 described in footnote (b) above.

(f) Change in pension value and non-qualified deferred compensation earnings represents the aggregate increase in actuarial value to the named executive officer of all defined benefit and actuarial plans accrued during the year and earnings on non-qualified deferred compensation. There were no defined benefit plans, actuarial plans, or non-qualified deferred compensation for 2009, 2008 and 2007.

(g) All other compensation includes, as applicable, car allowances and life insurance premiums (see the list of perquisites above).

NARRATIVE TO SUMMARY COMPENSATION TABLE AND PLAN-BASED AWARDS TABLE

Employment Agreements

The compensation committee determines the compensation, including related terms of employment agreements with us for those who have them, for each of the named executive officers.

Neil Cole

On January 28, 2008, we entered into a five-year (subject to a one-year extension) employment agreement (the “new employment agreement”), effective as of January 1, 2008, with Neil Cole, chairman of the board, president and chief executive officer, which replaced his prior employment agreement that expired on December 31, 2007 and is described below. The new employment agreement also superseded and terminated the prior non-competition and non-solicitation agreement between us and Mr. Cole, which, among other things, provided for him to receive 5% of the sale price upon a sale of our Company under certain circumstances.

Consistent with our philosophy on executive compensation, Mr. Cole’s new employment agreement reflects a substantial portion of his compensation in the form of long-term equity incentives, including performance stock

incentives that vest upon the achievement of specific metrics defined in the agreement, particularly, growth in EBITDA, market capitalization and stock price as measured by targets to be established and certified by the compensation committee.

As described above, in connection with the negotiation of the new employment agreement with Mr. Cole, the compensation committee retained James F. Reda & Associates LLC, as its outside compensation consulting firm to provide advice. In assisting the compensation committee, James F. Reda & Associates LLC performed market research as to compensation levels in similarly capitalized companies in the industry, as well as companies that had achieved similar growth. James F. Reda & Associates LLC also familiarized itself with the circumstances surrounding Mr. Cole's expiring contract and separate non-competition and non-solicitation agreement, which provided Mr. Cole with 5% of the proceeds upon a sale of the Company under certain circumstances. As various aspects of our business, operations and management are unique, the compensation committee utilized the James F. Reda & Associates LLC research as one resource, rather than a stand-alone tool, in assessing the appropriate level of compensation and other terms under Mr. Cole's new employment agreement.

Under his new employment agreement, Mr. Cole is entitled to an annual base salary of \$1,000,000 and received a signing bonus of \$500,000.

Pursuant to the terms of the employment agreement Mr. Cole has been granted 1,181,684 time-vested restricted common stock, or RSUs, and 787,789 performance-based restricted common stock units, or PSUs, under our 2006 Equity Incentive Plan and 2009 Equity Incentive Plan. The RSUs vest in five substantially equal annual installments commencing on December 31, 2008, subject to Mr. Cole's continuous employment with us on the applicable vesting date, and the PSUs are subject to vesting based on our achievement of the following performance goals: 50% is tied to the achievement of EBITDA growth, 25% is tied to the achievement of market cap growth, and 25% is tied to the achievement of stock price growth. Both grants are subject to forfeiture upon the termination of Mr. Cole's employment under certain circumstances. In addition, Mr. Cole's ability to sell or otherwise transfer the common stock underlying the RSUs and the PSUs while he is employed by us is subject to certain restrictions.

On December 24, 2008, we entered into an agreement with Mr. Cole which amended his employment agreement and the related RSU agreement to provide, among other things for the deferral of the issuance to Mr. Cole of the 1,181,684 shares of our common stock to which he is entitled to receive under the RSUs granted to him under the employment agreement until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the new employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to five hundred thousand dollars (\$500,000) for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either of one of two performance measures specified in the agreement have been satisfied. The two performance measures are as follows: (a) if the percentage determined by dividing our EBITDA by our revenues for the calendar year in question places us in the top 50% of the companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year or (b) if our annual revenue percentage growth for the calendar year in question when compared to the immediately preceding calendar year places us in the top 50% of those companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year.

Mr. Cole is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, air travel and life insurance benefits pursuant to the new employment agreement.

In addition to his salary and benefits, Mr. Cole is eligible to receive an additional annual cash bonus for each completed calendar year, including as a performance goal thereunder the targets specified in the employment agreement. This cash bonus shall not exceed 150% of Mr. Cole's base salary. The bonus shall be a percentage of the base salary determined based on the level of our consolidated earnings before interest, taxes, depreciation and amortization of fixed assets and intangible assets achieved for such year against a target level established for such year by the compensation committee of our board of directors, in the compensation committee's sole discretion, but with prior consultation with Mr. Cole, as follows:

Annual Level of Targeted EBITDA Achieved	% of Base Salary
less than 80%	0%
80% (threshold)	50%
90%	75%
100% (target)	100%
105%	110%

110%	122.5%
115%	135%
120% or more (maximum)	150%

Mr. Cole's annual bonus, if earned, will be paid in a lump sum cash payment in the calendar year following the calendar year for which such bonus is earned.

Under Mr. Cole's new employment agreement, if we terminate Mr. Cole's employment for "cause" or if Mr. Cole terminates his employment without "good reason", he will receive his earned and/or accrued but unpaid compensation, other than any bonus compensation, then due to him and shares of common stock in respect of any of his already vested restricted stock units. If we terminate Mr. Cole's employment without cause or if Mr. Cole terminates his employment for good reason, he will receive, in addition to the foregoing, an amount equal to two times his base salary then in effect plus any previously earned but unpaid annual bonus for a prior fiscal year and a pro-rata portion of the annual bonus for the year of termination, and, if such termination or resignation occurs prior to January 1, 2011, two times the average of the annual bonus amounts he received for the two prior completed fiscal years. In addition, that portion of his performance-based stock units subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 75% of his unvested restricted stock units, will vest. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control, the amount of his base salary-related payment will increase to three times, instead of two times, his base salary then in effect and that portion of his performance-based stock units that would vest in the year of termination or in the future based on performance goals achieved as of the date of the change of control, and all of his unvested restricted stock units, will vest, and if such change in control occurs prior to January 1, 2011, Mr. Cole will also receive three, instead of two, times the average of the annual bonus amounts he received for the three, instead of two, prior completed fiscal years.

If Mr. Cole's employment terminates as a result of his disability or death, he or his estate will be entitled to any previously earned and unpaid compensation then due to him plus any previously earned but unpaid annual bonus for the prior fiscal year and a pro-rata portion of the annual bonus for the year of such termination. In addition, that portion of his performance-based stock units subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 100% (50% in the event of disability) of his unvested restricted stock units, will vest.

The new employment agreement with Mr. Cole also contains certain non-competition and non-solicitation covenants restricting such activities for periods equal to the term of the agreement and any renewal period plus one and two years, respectively, after the agreement is terminated for any reason.

Pursuant to Mr. Cole's prior employment agreement (which expired on December 31, 2007 and was replaced by the new employment agreement described above) with us, Neil Cole, served as our President and Chief Executive Officer at an annualized base salary of \$500,000 in 2005, \$550,000 in 2006 and \$600,000 in 2007. In addition, under Mr. Cole's prior employment agreement, Mr. Cole received bonus payments in 2005 and 2007.

(2) The number of shares reflects the gross amount issued upon the exercise of the options and does not give effect to the withholding of a portion of the shares by the Company to satisfy certain withholding tax liability of the person exercising the options.

(3) Includes 236,337 shares of common stock underlying RSU's that vested on December 31, 2009 and 39,390 shares of common stock underlying PSU's that were deemed earned by the compensation committee for the year ended December 31, 2009 as more fully discussed in footnote 2 to the table of Outstanding Equity Awards at Fiscal Year-End. The delivery of the 236,337 shares of common stock underlying the RSU's was deferred, as more fully discussed in footnote 1 to the table of Outstanding Equity Awards at Fiscal Year-End.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As noted under “- Narrative to Summary Compensation Table-and Plan-Based Awards Table - Employment Agreements”, we have entered into employment agreements with each of our named executive officers. These agreements provide for certain payments and other benefits if a named executive officer’s employment with us is terminated under circumstances specified in his or her respective agreement, including a “change in control” of the Company. A named executive officer’s rights upon the termination of his or her employment will depend upon the circumstances of the termination.

The receipt of the payments and benefits to the named executive officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference and non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described herein will entitle us to injunctive relief restraining the commission or continuance of any such breach, in addition to any other available remedies.

Except as provided in the footnotes below, the following table provides the term of such covenants following the termination of employment as it relates to each named executive officer:

Covenant	Neil Cole	Warren Clamen	A n d r e w Tarshis	Yehuda Shidman	David Blumberg
Confidentiality	Infinite duration	Infinite duration	I n f i n i t e duration	Infinite duration	Infinite duration
Non-solicitation	Two years	Three years(1)	Three years(1)	Three years(1)	Two years(3)
Non-competition	One year	Two years(1)	Two years(1)	Three years(1)	Three years(3)
Non-interference	(2)	Three years(1)	Three years(1)	Three years(1)	Two years(3)
Non-disparagement	Five years	None	None	None	None

(1) Covenant runs from the date of the executive’s current employment agreement.

(2) Mr. Cole’s employment agreement with us provides that during the term and a period of (i) two years thereafter, Mr. Cole cannot solicit our employees and (ii) one year thereafter, Mr. Cole cannot solicit our customers.

(3) Covenant runs from the date the executive’s employment is terminated.

Termination Payments (without a change in control)

The table below includes a description and the amount of estimated payments and benefits that would be provided by us (or our successor) to each of the named executive officers under each employment agreement, assuming that a termination circumstance occurred as of December 31, 2009 and a “change in control” had not occurred:

Type of Payment	Termination Event	Estimated Amount of Termination Payment to:				
		Neil Cole(1)	Warren Clamen	Andrew Tarshis	Yehuda Shmidman	David Blumberg
Payment of earned but unpaid salary, unreimbursed expense, and accrued but unused vacation time (2)	Termination for Cause or by executive without Good Reason	none	none	none	none	none
Earned but unpaid bonuses (2)	Termination without Cause or by executive for Good Reason, death or disability	none	none	none	none	none
Lump Sum Severance Payment	Termination without Cause or by executive for Good Reason	\$ 4,500,000(3)	\$ 744,110(4)	\$ 744,110(4)	\$ 1,036,644(4)	800,000 (4)
Pro rata portion of current year bonuses	Death, termination without Cause, or termination by executive for Good Reason	\$ none (6)	none(5)	none(5)	none(5)	none (6)
Continued coverage under medical, dental, hospitalization and life insurance plans	Death, termination without Cause, or termination by executive for Good Reason	\$ 45,815	\$ 1,112	\$ 38,939	38,669	39,074

1 Upon Mr. Cole's termination without cause by us or for good reason by Mr. Cole, 75% of the then remaining unvested restricted stock units shall immediately vest, and the portion of performance based units shall become vested on the achievement of the performance goals through the date of termination.

2 At December 31, 2009, each named executive officer is assumed to have received all such payments.

3 Payable one half in monthly installments, and half on December 31, 2009.

4 These amounts are payable in lump sum within 30 days of termination.

5 All such bonuses are discretionary.

6 All such bonuses are performance based.

Change in Control Payments

In lieu of the lump sum severance payment upon termination without a change of control, Mr. Cole is entitled to a lump sum payment equal to three times his base salary plus three times his average annual bonus for the last three years upon termination following a change in control.

In addition to the payments made upon termination by the Company without cause or termination by the executive for good reason, the employment agreements with Messrs Tarshis, Clamen, Shmidman and Blumberg provide that, if, within twelve months of a “change in control,” their employment is terminated by us without “cause” or they terminate their employment with us for “good reason,” as all such terms are defined in each employment agreement, we are obligated to make a lump-sum severance payment to each such named executive officer equal to \$100 less than three times the named executive officer’s “annualized includable compensation for the base period” (as defined in Section 280G of the Internal Revenue Code).

Under the circumstances described above, all of the named executive officers were entitled to an accelerated vesting and payment of stock options and restricted stock awards granted to that named executive officer. However, the sum of any lump sum payments, the value of any accelerated vesting of stock options and restricted stock awards, and the value of any other benefits payable to the named executive officer, with the exception of Mr. Cole, may not equal or exceed an amount that would constitute an “excess parachute payment” (as defined in Section 280G of the Internal Revenue Code). With respect to Mr. Cole, such payment is due within 60 days of December 31, 2009.

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the named executive officers would have been entitled upon termination of employment if we had terminated their employment without cause within twelve (12) months following a “change in control” of our Company that (by assumption) occurred on December 31, 2009 and prior to the expiration of any employment agreements.

Name	Cash Severance Payment (\$)(1)	Continuation of Medical/Welfare Benefits (Present Value) (\$)	Present Value of Accelerated Vesting of Equity Awards (\$)(1)	Present Value of Accelerated Payment of Bonus (\$)	Total Termination Benefits (\$)

(1) This amount represents the unrealized value of the unvested portion of the respective named executive officer’s restricted stock based upon the closing price of our common stock on December 31, 2009.

(2) Payable within 60 days of termination.

(3) \$745,205 is payable within 30 days of termination. The difference is due within 15 days of termination

(4) \$745,205 is payable within 30 days of termination. The difference is due within 15 days of termination.

(5) \$1,082,808 is payable within 30 days of termination. The difference is due within 15 days of termination.

(6) \$ 800,000 is payable within 30 days of termination. The difference is due within 15 days of termination.

Director Compensation

The compensation committee determined that for each full year of service as a director of our company during 2009, each non-employee member of the Board would receive a cash payment of \$40,000, payable 50% on or about each January 1 and 50% on or about each July 1, and 4,000 restricted shares of common stock vesting 100% on July 1 of each year. In addition, the compensation committee determined that the audit committee chair would receive an annual stipend of \$15,000, and the chairs of the compensation committee and nominating and governance committee would receive an annual stipend of \$10,000, each payable each July 1.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table presents information regarding beneficial ownership of our common stock as April 19, 2010 by each of our directors and our named executive officers, all of our executive officers and directors, as a group, and each person known by us to beneficially hold more than five percent of our common stock, based on information obtained from such persons.

Unless indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all securities beneficially owned, subject to community property laws where applicable. The shares “beneficially owned” by a person are determined in accordance with the definition of “beneficial

ownership” set forth in the regulations of the SEC and, accordingly, shares of our common stock underlying options, warrants, restricted stock units and other convertible securities that are exercisable or convertible within 60 days of April 19, 2010 and shares of our common stock underlying restricted stock awards that vest within 60 days of April 19, 2010 are deemed to be beneficially owned by the person holding such securities and to be outstanding for purposes of determining such holder’s percentage ownership. The same securities may be beneficially owned by more than one person.

Percentage ownership is based on 72,184,712 shares of our common stock outstanding as of April 19, 2010. The address for each beneficial owner, unless otherwise noted, is c/o Iconix Brand Group, Inc. at 1450 Broadway, New York, New York 10018.

- (10) According to an amendment to a Schedule 13G filed on February 16, 2010, Fidelity Management & Research Company, herein referred to as Fidelity, 82 Devonshire Street, Boston, Massachusetts 02109, a wholly-owned subsidiary of FMR LLC and an investment adviser registered under Section 203 of the Investment Advisers Act of 1940, at December 31, 2009 was the beneficial owner of 7,423,420 shares of our common stock as a result of acting as investment adviser to various investment companies registered under Section 8 of the Investment Company Act of 1940. The number of shares of our common stock owned by the investment companies at December 31, 2009 included 297,533 shares of common stock resulting from the assumed conversion of \$8,200,000 principal amount of our 1.875% convertible senior subordinated notes (36.2845 shares of common stock for each \$1,000 principal amount of convertible notes). Edward C. Johnson 3d and FMR LLC, through its control of Fidelity, and the funds each has sole power to dispose of the 7,423,420 shares owned by the funds. Members of the family of Edward C. Johnson 3d, Chairman of FMR LLC, are the predominant owners, directly or through trusts, of Series B voting common shares of FMR LLC, representing 49% of the voting power of FMR LLC. The Johnson family group and all other Series B shareholders have entered into a shareholders' voting agreement under which all Series B voting common shares will be voted in accordance with the majority vote of Series B voting common shares. Accordingly, through their ownership of voting common shares and the execution of the shareholders' voting agreement, members of the Johnson family may be deemed, under the Investment Company Act of 1940, to form a controlling group with respect to FMR LLC. Neither FMR LLC nor Edward C. Johnson 3d, Chairman of FMR LLC, has the sole power to vote or direct the voting of the shares owned directly by the Fidelity Funds, which power resides with the Funds' Boards of Trustees. Fidelity carries out the voting of the shares under written guidelines established by the Funds' Boards of Trustees. Pyramis Global Advisors, LLC, herein referred to as PGALLC, 900 Salem Street, Smithfield, RI, 02917, an indirect wholly-owned subsidiary of FMR LLC and an investment adviser registered under Section 203 of the Investment Advisers Act of 1940, is the beneficial owner of 189,310 shares of our outstanding common stock as a result of its serving as investment adviser to institutional accounts, non-U.S. mutual funds, or investment companies registered under Section 8 of the Investment Company Act of 1940 owning such shares. Edward C. Johnson 3d and FMR LLC, through its control of PGALLC, each has sole dispositive power over 61,873 shares and sole power to vote or to direct the voting of 189,310 shares of our common stock owned by the institutional accounts

or funds advised by PGALLC as reported above. Pyramis Global Advisors Trust Company, herein referred to as PGATC, 900 Salem Street, Smithfield, RI, 02917, an indirect wholly-owned subsidiary of FMR LLC and a bank as defined in Section 3(a)(6) of the Securities Exchange Act of 1934, as amended, or Exchange Act, is the beneficial owner of 659,051 shares of our common stock as a result of its serving as investment manager of institutional accounts owning such shares. The number of shares of our common stock owned by the institutional account(s) at December 31, 2009 included 754,717 shares of common stock resulting from the assumed conversion of \$20,800,000 principal amount of our 1.875% convertible senior subordinated notes (36.2845 shares of common stock for each \$1,000 principal amount of convertible note). Partnerships controlled predominantly by members of the family of Edward C. Johnson 3d, Chairman of FMR LLC and FIL, or trusts for their benefit, own shares of FIL voting stock with the right to cast approximately 47% of the total votes which may be cast by all holders of FIL voting stock. FMR LLC and FIL are separate and independent corporate entities, and their Boards of Directors are generally composed of different individuals. FMR LLC and FIL are of the view that they are not acting as a “group” for purposes of Section 13(d) under the Exchange Act and that they are not otherwise required to attribute to each other the “beneficial ownership” of securities “beneficially owned” by the other corporation within the meaning of Rule 13d-3 promulgated under the Exchange Act. Therefore, they are of the view that the shares held by the other corporation need not be aggregated for purposes of Section 13(d). FMR LLC filed the amendment to the Schedule 13G on a voluntary basis as if all of the shares are beneficially owned by FMR LLC and FIL on a joint basis.

- (11) On December 1, 2009, Black Rock, Inc. completed its acquisition of Barclays Global Investors, NA, herein referred to as Barclays Capital. The reported amounts include shares of our common stock beneficially owned by Barclays Capital and certain of its affiliates. Neuberger Berman Group LLC or its affiliated persons do not, however, have any economic interest in the securities of those clients. The clients are the actual owners of the securities and have the sole right to receive and the power to direct the receipt of dividends from or proceeds from the sale of such securities. No one client has an interest of more than 5% of Iconix.

Item 13. Certain Relationships and Related Transactions, and Director Independence

Pursuant to its charter, our audit committee must review and approve, where appropriate, all related party transactions.

Kenneth Cole Productions, Inc.

On May 1, 2003, we granted Kenneth Cole Productions, Inc. the exclusive worldwide license to design, manufacture, sell, distribute and market footwear under its Bongo brand. The chief executive officer and chairman of Kenneth Cole Productions is Kenneth Cole, who is the brother of Neil Cole, our chief executive officer and president. During 2009, 2008 and 2007, we earned \$0.3 million, \$1.1 million and \$0.7 million in royalties from Kenneth Cole Productions, respectively. This license expired by its terms on December 31, 2009.

The Candie's Foundation

The Candie's Foundation, a charitable foundation founded by Neil Cole for the purpose of raising national awareness about the consequences of teenage pregnancy, owed the Company \$0.8 million and \$0.8 million at December 31, 2009 and 2008, respectively. In February 2010, the Candie's Foundation received a contribution of approximately \$0.7 million from a licensee of ours. The Candie's Foundation intends to pay-off the entire borrowing from us during 2010, although additional advances will be made as and when necessary.

Travel

We recorded expenses of approximately \$326,000 and \$354,000 for 2009 and 2008, respectively, for the hire and use of aircraft solely for business purposes owned by a company in which our chairman, chief executive officer and president is the sole owner. We believe that all transactions were made on terms and conditions no less favorable than those available in the marketplace from unrelated parties. There were no such transactions in 2007.

Board Independence

Our Board has determined that Messrs. Cohen, Cuneo, Emanuel, Friedman, Marcum and Mendelow are each an "independent director" under the applicable Listing Rules of NASDAQ.
