PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 29, 2012

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors (the “Board”) of SinoCoking Coal and Coke Chemical Industries, Inc., a Florida corporation (the “Company”), for use at the annual meeting of shareholders to be held on June 29, 2012, at 10:00 a.m. (China local time), or at any adjournment or postponement of the meeting, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting. The annual meeting will be held at the Company’s principal executive offices located at Kuanggong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People’s Republic of China 467000. The Company intends to commence mailing this proxy statement, the notice of annual meeting and accompanying proxy card on or about May 30, 2012 to all shareholders entitled to vote at the annual meeting.

ABOUT THE MEETING

Why did I receive this proxy statement?

You received this proxy statement because you held shares of the Company’s common stock on May 10, 2012 (the “Record Date”) and are entitled to vote at the annual meeting. The Board is soliciting your proxy to vote at the meeting.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponement or adjournment of the meeting.

What proposals will be voted on at the annual meeting?

Shareholders will vote on five proposals at the annual meeting:

1. The election of five directors (see page 6);
2. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012 (see page 8);
3. The approval of the Company's 2012 Equity Incentive Plan (see page 10);
4. The advisory vote to approve executive compensation (see page 11); and
5. The advisory vote on the frequency of future advisory votes on executive compensation (see page 12).

Will any other matters be voted on?

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed proxy card would authorize Mr. Jianhua Lv to vote on such matters in his discretion.

How do I vote?

Shareholders of Record

If your shares are registered directly in your name with the Company's transfer agent, Interwest Transfer Co., Inc., then you are a shareholder of record.

If you are a shareholder of record, there are three ways to vote:

1. By completing, signing, dating and returning your proxy card in the postage-paid envelope provided by the Company;

2. By following the instructions for electronic voting using the Internet or by telephone, which are printed on your proxy card. If you vote via the Internet or by telephone, your electronic vote authorizes the named proxies in the same manner as if you signed, dated and returned your proxy card. **If you vote via the Internet or by telephone, do not mail a proxy card;** and

3. By voting in person at the Annual Meeting.

Street Name Holders

If your shares are held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name." The organization holding your shares is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or agent.

If your shares are held in street name, you must instruct the organization that holds your shares how to vote your shares. If such voting instructions are not provided, then your shares that are held in street name will not be voted on any non-routine proposal. This vote is called a "broker non-vote." Broker non-votes are not included in the tabulation of the voting results of any of the proposals and, therefore, do not effect these proposals.

Brokers cannot use discretionary authority to vote shares on the election of directors or any other non-routine proposals if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

With the exception of Proposal 2, the ratification of the appointment of Friedman LLP as our independent registered public accounting firm for our fiscal year ending June 30, 2012, all of the proposals to be voted upon at this annual meeting are considered non-routine.

How many votes do I have?

On each matter to be voted upon, you will have one vote for each share of the Company's common stock that you owned on the Record Date.

How many votes can be cast by all shareholders?

The Company had 21,087,645 outstanding shares of common stock on the Record Date, and each of these shares is entitled to one vote.

How many votes must be present to hold the meeting?

The holders of at least one-third of the Company's total outstanding shares of common stock on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least 7,029,215 common shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What vote is required to approve each proposal?

Assuming the presence of a quorum at the annual meeting:

3

Proposal	Vote Required	Broker Discretionary Vote Allowed
Election of five (5) members to our Board	Plurality of the votes cast (the five (5) directors receiving the most “For” votes)	No
Ratification of the Appointment of Friedman LLP as our Independent Registered Public Accounting Firm for our fiscal year ending June 30, 2012	A majority of the votes cast	Yes
Ratification and Approval of the 2012 Equity Incentive Stock Plan	A majority of the votes cast	No

With regard to the advisory vote on executive compensation (Proposal 4), it will not be binding on either the Board or the Company. However, the Board’s Compensation Committee will take into account the outcome of the shareholder vote on this proposal at the annual meeting when considering future executive compensation arrangements.

With regard to the advisory vote on the frequency of future advisory votes on executive compensation (Proposal 5), votes on the preferred voting frequency may be cast by choosing the option of one year, two years, three years, or “abstain” in response to this proposal. Votes cast on this proposal is not a vote to approve or disapprove the Board’s recommendation but rather is a vote to select one of the options described in the preceding sentence. The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency of the advisory vote on executive compensation that has been recommended by the shareholders. However, because this vote is advisory and not binding on either the Board or the Company, the Board may subsequently decide that it is in the best interests of the Company and its shareholders to hold an advisory vote on executive compensation that differs in frequency from the option that received the highest number of votes from the Company’s shareholders at the annual meeting.

Your non-binding advisory votes described in Proposal 4 and Proposal 5 will not be construed (1) as overruling any decision by the Board, any Board committee or the Company relating to the compensation of the named executive officers, or (2) as creating or changing any fiduciary duties or other duties on the part of the Board, any Board committee or the Company.

Can I revoke or change my vote after I deliver my proxy?

Yes. You may revoke or change a previously delivered proxy at any time before the annual meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to our Company's Secretary at our principal executive offices before the beginning of the annual meeting. You may also revoke your proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the annual meeting if you obtain a legal proxy as described in the paragraph under the heading "Who can attend the annual meeting?" below.

Who can attend the annual meeting?

Any person who was a shareholder of the Company on May 10, 2012, may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of our stock and admit you to the meeting. You will not, however, be able to vote your shares at the meeting without a legal proxy.

What happens if I sign and return the proxy card but do not indicate how to vote on a proposal?

If you sign your proxy card but do not provide instructions on how your broker should vote, your broker will vote your shares as recommended by our Board.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission ("SEC") within four business days after the meeting.

Who is paying for this proxy solicitation?

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing, and mailing of this proxy statement, the proxy card, and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries, and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. The Company may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials

to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram, or personal solicitation by directors, officers, or other regular employees of the Company. No additional compensation will be paid to directors, officers, or other regular employees for such services.

PROPOSAL 2 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012, and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the annual meeting. We anticipate that a representative of Friedman LLP will be available at the annual meeting to answer appropriate questions from our shareholders and the Audit Committee. At the annual meeting our auditor will have the opportunity to make a statement if they do desire and a representative is expected to be available to respond to appropriate questions.

Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Friedman LLP to our shareholders for ratification as a matter of good corporate practice. No determination has been made as to what action the Board or the Audit Committee would take if shareholders do not ratify the appointment. The Audit Committee intends to evaluate the audit services it currently receives and may reconsider the Audit Committee's selection if the Audit Committee deems it to be in the best interest of the Company. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the Company's and its shareholders' best interests.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of Friedman LLP.

Change in Independent Public Accountant

Frazer Frost, LLP ("Frazer Frost") advised the Company of its intention not to stand for re-appointment as the Company's independent public account on May 17, 2011, which decision was accepted by the Audit Committee. On the same date, the Company engaged Friedman LLP to serve as the Company's new independent registered public accountant. These actions were approved by the Audit Committee.

PROPOSAL 3 -APPROVAL OF THE 2012 EQUITY INCENTIVE PLAN

On April 5, 2012, our Board approved the Company's 2012 Equity Incentive Plan (the "Plan"). All of our employees, officers, and directors, and those of our consultants and advisors who (i) are natural persons and (ii) provide bona fide services to the Company not connected to a capital raising transaction or the promotion or creation of a market for our securities are eligible to be granted options, which expire 10 years from the grant date, or restricted stock awards (each, an "Award") under the Plan. The Plan is to be administered by a committee to be appointed by the Board (the "Committee"), and the Committee has the power to administer the Plan according to its terms, including the power to grant Awards, determine who may be granted Awards and the types and amounts of Awards to be granted, prescribe Award agreements, and establish programs for granting Awards. Awards may be made under the Plan for up to 2,000,000 shares of our common stock. The Plan allows for adjustments for changes in common stock and certain other events, including, but not limited to, any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off, any distribution to holders of common stock other than a normal cash dividend, and liquidation or dissolution.

Amendment and Termination of the Plan

The Committee may at any time, and from time to time, terminate the Plan in whole or in part or amend it from time to time, except that no change may be made that would increase the total amount of stock which may be issued under the Plan, materially increase the class of participants eligible to participate in the Plan, materially increases the benefits to participants that may be granted under the Plan, or extend the term of the Plan or the exercise period of stock options granted under the Plan beyond ten years from the date of grant, unless such change is authorized by our shareholders.

Federal Tax Consequences

The following brief summary of the effect of federal income taxation upon the recipients and us with respect to the shares under the Plan does not purport to be complete, and does not discuss the tax consequences of a recipient's death or the income tax laws of any state or foreign country in which the recipient may reside.

Tax Treatment to the Recipients

The shares issuable under the Plan are not qualified under Section 401(a) of the Internal Revenue Code. The recipients therefore, will be required for federal income tax purposes to recognize compensation during the taxable year of

issuance unless the shares are subject to a substantial risk of forfeiture. Accordingly, absent a specific contractual provision to the contrary, the recipients will receive compensation taxable at ordinary rates equal to the fair market value of the shares on the date of receipt since there will be no substantial risk of forfeiture or other restrictions on transfer. If, however, the recipients receive shares of common stock pursuant to the exercise of an option or options at an exercise price below the fair market value of the shares on the date of exercise, the difference between the exercise price and the fair market value of the stock on the date of exercise will be deemed compensation for federal income tax purposes. The recipients are urged to consult each of their tax advisors on this matter. Further, if any recipient is an "affiliate," Section 16(b) of the Exchange Act is applicable and will affect the issue of taxation.

Tax Treatment to the Company

The amount of income recognized by any recipient hereunder in accordance with the foregoing discussion will be a tax-deductible expense by the Company for federal income tax purposes in the taxable year of the Company during which the recipient recognizes income.

Incorporation by Reference.

The foregoing is only a summary of the Plan and is qualified in its entirety by reference to its full text, a copy of which is attached hereto as Appendix A.

Plan Benefits

We have not issued any shares of common stock pursuant to the Plan.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE 2012 EQUITY INCENTIVE PLAN.

PROPOSAL 4 - ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

We are providing shareholders with the opportunity to cast a non-binding, advisory vote on the compensation of our named executive officers as disclosed pursuant to the SEC's executive compensation disclosure rules and set forth in this proxy statement (including in the compensation tables and narratives accompanying those tables as well as in the Compensation Discussion and Analysis).

As described more fully in the Compensation Discussion and Analysis on page 17 of this proxy statement, the principal elements of our executive compensation are base salary, discretionary annual cash bonuses, stock incentive plan awards and perquisites and other compensation. While base salary is generally included as an element of compensation of our executive officers in every year, the granting of bonuses, stock incentive awards and perquisites is determined on a case-by-case basis. We believe that this compensation structure has served us well and reflects our philosophy of fairness to our employees in the PRC and avoiding discrepancies between our executive pay and the pay of our middle management and other employees.

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act) and the related rules of the SEC, the Board will request your advisory vote on the following resolution at the annual meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the SEC's executive compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis, the compensation tables and the narrative discussion that accompanies the compensation tables), is hereby approved.

This vote is an advisory vote only and will not be binding on the Company, the Board or the Compensation Committee, and will not be construed as overruling a decision by, or creating or implying any additional fiduciary duty for, the Board or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for named executive officers.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE SEC'S EXECUTIVE COMPENSATION DISCLOSURE RULES.

**PROPOSAL 5 - ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

As described in Proposal 4 above, shareholders are being provided the opportunity to cast an advisory vote on our executive compensation program.

This Proposal 5 affords shareholders the opportunity to cast an advisory vote on how often our company should include an advisory vote on executive compensation in its proxy materials for future annual shareholder meetings (or special shareholder meetings for which our company must include executive compensation information in the proxy statement for that meeting). Under this Proposal, shareholders may vote to have future advisory votes on executive compensation every year, every two years or every three years.

The Board has determined that an advisory vote by the Company's shareholders on executive compensation that occurs every three years is the most appropriate alternative for the Company. In formulating its conclusion, the Board considered that, because the Company's compensation program for executive officers is not complex, a shareholder advisory vote every three years should be sufficient to permit our shareholders to express their views about our compensation program. Also, the Board believes that the success of the Company's executive compensation program should be judged over a period of time that is longer than one year.

This proposal is advisory only and will not be binding on our company, the Board or the Compensation Committee. Although non-binding, the Board and the Compensation Committee will carefully review the voting results. Notwithstanding the recommendation of the Board and the outcome of the shareholder vote, the Board may in the future decide to conduct advisory votes on executive compensation on a more or less frequent basis and may vary its practice based on factors such as discussions with shareholders and the adoption of material changes to our executive compensation program.

In voting on this Proposal, shareholders will be able to indicate their preference regarding the frequency of future advisory votes on executive compensation by specifying a choice of one year, two years or three years. Shareholders that do not have a preference regarding the frequency of future advisory votes on executive compensation should abstain from voting on the proposal. Shareholders will not be voting to approve or disapprove the recommendation of the Board.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE TO HOLD FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY THREE (3) YEARS (AS OPPOSED TO EVERY YEAR OR EVERY TWO YEARS).

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Director Independence

We are required to comply with the NASDAQ Stock Market (“NASDAQ”) listing standards, under which a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the board of directors. The Board consults with the Company’s counsel to ensure that the Board’s determination are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of the NASDAQ, as in effect from time to time. Based upon information submitted to the Company, the Board has determined that Mr. Yushan Jiang, Mr. Hui Huang and Mr. Haoyi Zhang are each “independent” under the listing standards of the NASDAQ Stock Market. Mr. Jianhua Lv, the Company’s Chief Executive Officer, and Mr. Hui Zheng, the Company’s Vice President of Operations, are not independent directors.

Board Meetings and Board Committees

Our Board currently consists of five members. Our bylaws provide that our directors will hold office until the annual meeting of shareholders or until their successors have been elected and qualified. Our Board is responsible for the business and affairs of the Company and considers various matters that require its approval. Below is a description of each committee of the Board as such committees are presently constituted. The Board has determined that each current member of each committee meets the applicable SEC and NASDAQ rules and regulations regarding “independence” and that each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. The Audit Committee assists Board oversight of: (i) the integrity of the Company’s financial statements, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the independent auditor’s qualifications and independence, and (iv) the performance of the Company’s internal audit function and independent auditor, and prepares the report that the SEC requires to be included in the Company’s annual proxy statement. The current members of the Audit Committee are Messrs. Haoyi Zhang, Hui Huang and Yushan Jiang, and Mr. Zhang serves as the chairperson. Each Audit Committee member is a non-employee director of our Board. The Board has determined that Mr. Zhang is an “audit committee financial expert” within the meaning of Item 407(d)(5)(ii) and (iii) of Regulation S-K promulgated under the Exchange Act. The Audit Committee met and/or took action by unanimous written consent two times during the fiscal year ended June 30, 2011.

Compensation Committee

Our Board established the Compensation Committee on February 16, 2010. The Compensation Committee is responsible for overseeing and, as appropriate, making recommendations to the Board regarding the annual salaries and other compensation of the Company's executive officers and general employees and other policies, and for providing assistance and recommendations with respect to the compensation policies and practices of the Company. The current members of the Compensation Committee are Messrs. Haoyi Zhang, Hui Huang and Yushan Jiang, and Mr. Jiang serves as the chairperson. The Compensation Committee operates under a written charter adopted by the Board on February 16, 2010. The Compensation Committee met and/or took action by unanimous written consent one time during the fiscal year ended June 30, 2011.

Nominating Committee

Our Board established the Nominating Committee on February 16, 2010. The Nominating Committee assists in the selection of director nominees, approve director nominations to be presented for shareholder approval at our annual meeting and fill any vacancies on our Board, consider any nominations of director candidates validly made by shareholders, and review and consider developments in corporate governance practices. The current members of the Nominating Committee are Messrs. Haoyi Zhang, Hui Huang and Yushan Jiang, with Mr. Huang as the chairperson. The Nominating Committee operates under a written charter adopted by the Board on February 6, 2010. The Nominating Committee met and/or took action by unanimous written consent one time during the fiscal year ended June 30, 2011.

In evaluating candidates to determine if they are qualified to become Board members, the Nominating Committee looks principally for the following attributes: personal and professional character, integrity, ethics and values; general business experience and leadership profile, including experience in corporate management, such as serving as an officer or former officer of a public company; strategic planning abilities and experience; aptitude in accounting and finance; expertise in domestic and international markets; experience in our industry and with relevant social policy concerns; understanding of relevant technologies; expertise in an area of our operations; communication and interpersonal skills; and practical and mature business judgment. The Nominating Committee also considers Board members' and nominees' service on the board of directors of other public companies. Although we do not have a formal diversity policy, to foster and maintain a diversity of viewpoints, backgrounds and experience on the Board, the Nominating Committee evaluates the mix of skills and experience of the directors and assesses nominees and potential candidates in the context of the current composition of the Board and the requirements of the Company, taking into consideration the diverse communities and geographies in which the Company operates. Although the Nominating Committee uses these and other criteria to evaluate potential nominees, there are no stated minimum criteria for nominees. The Nominating Committee uses the same standards to evaluate all director candidates, regardless of who proposes them.

Each of the five nominees for election as a director named in this proxy statement were unanimously recommended by the Nominating Committee for submission to the shareholders of the Company as the Board's nominees.

Shareholder Communications with the Board of Directors

All communications should be directed to the Company's Secretary at Kuangong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People's Republic of China 467000, and should prominently indicate on the outside of the envelope that it is intended for the Board or for non-management directors, and the Company's Secretary will forward the communications to all specified directors. If no director is specified, the communication will be forwarded to the entire Board.

Board Leadership Structure and Role in Risk Oversight

Currently, Mr. Jianhua Lv serves as Chief Executive Officer and Chairman of the Board of the Company. The Board believes that the Company and its shareholders have been well served in the past and continue to be well served in the current business environment by this leadership structure. Mr. Lv is the director most familiar with our business and industry and is best situated to propose the Board's agendas and lead Board discussions on important matters. Mr. Lv also provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Overall, we believe that having the same person serve as both Chairman and Chief Executive Officer helps provide strong, unified leadership for our management team and Board. Additionally, because three of our five current Board members have been deemed to be "independent" by our Board, we believe our Board structure provides sufficient independent oversight of our management. Our Board has

not designated a lead independent director.

The Board, as a whole and also at the committee level, plays an active role overseeing the overall management of the Company's risks. Our Audit Committee reviews financial and operational items with our management and the Company's independent auditors. Although the Board does not regularly review formal reports from members of senior management and committees on areas of material risk to the Company, including operational, financial, legal, strategic and regulatory risks, the Company's Board is in regular contact with our Chief Executive Officer and Chief Financial Officer, who report directly to the Board and who supervise day to day risk management.

Executive officers, directors, and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely on review of the copies of such forms furnished to the Company, or written representations that no reports were required, the Company believes that for the fiscal year ended June 30, 2011, our directors, executive officers and holders of 10% or more of our common stock complied with Section 16(a) filing requirements applicable to them.

Code of Ethics and Business Conduct

The Board adopted a Code of Ethics that applies to all officers, directors and employees of the Company. Indemnification

Pursuant to our Articles of Incorporation, the Company will indemnify any of our officers and directors or any former officer or directors for such expenses and liabilities, in such manner, under such circumstances to such extent as permitted by the Florida Business Corporation Act, Section 607.0850, as amended.

Florida law permits a corporation, under specified circumstances, to indemnify our directors, officers, employees or agents against expenses (including attorney's fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties by reason of the fact that they were or are directors, officers, employees or agents of the corporation, if such directors, officers, employees or agents acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, that is, one by or in the right of the corporation, indemnification may be made only for expenses actually and reasonably incurred by directors, officers, employees or agents in connection with the defense or settlement of an action or suit, and only with respect to a matter as to which they will have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification will be made if such person has been adjudged liable to the corporation, unless and only to the extent that the court in which the action or suit was brought determines upon application that the defendant

directors, officers, employees or agents are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Our Articles of Incorporation contain a provision stating that no director will be liable to the Company or to our shareholders for monetary damages for breach of fiduciary duty as a director. The intention of the foregoing provisions is to eliminate the liability of our directors to the fullest extent permitted by Florida law.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis describes the material elements of the compensation awarded to our current executive officers. This compensation discussion focuses on the information contained in the following tables and related footnotes and narrative for the last completed fiscal year. The Board’s Compensation Committee currently oversees the design and administration of our executive compensation program.

Our current executive compensation program may from time to time include the following principal components: (i) base salary, (ii) discretionary annual cash bonuses, and (iii) stock incentive plan awards, and (iv) perquisites and benefits.

Our Compensation Philosophy and Objectives

Our philosophy regarding compensation of our executive officers includes the following principles:

our compensation program should reward the achievement of our strategic initiatives and short- and long-term operating and financial goals;

compensation should appropriately reflect differences in position and responsibility;

compensation should be reasonable; and

the compensation program should be understandable and transparent.

In order to implement such compensation principles, we have developed the following objectives for our executive compensation program:

overall compensation levels must be sufficiently competitive to attract and retain talented leaders and motivate those leaders to achieve superior results;

a portion of total compensation should be contingent on, and variable with, achievement of objective corporate performance goals, and that portion should increase as an executive's position and responsibility increases;

total compensation should be higher for individuals with greater responsibility and greater ability to influence our achievement of operating goals and strategic initiatives;

the number of elements of our compensation program should be kept to a minimum, and those elements should be readily understandable by and easily communicated to executives, shareholders, and others; and

executive compensation should be set at responsible levels to promote a sense of fairness and equity among all employees and appropriate stewardship of corporate resources among shareholders.

Determination of Compensation Awards

The Compensation Committee is provided with the primary authority to determine the compensation awards available to our executive officers. To aid the Compensation Committee in making its determination for the current fiscal year, our current senior management provides recommendations to the Compensation Committee regarding the compensation of our executive officers.

Compensation Benchmarking and Peer Group

The Compensation Committee did not rely on any consultants or utilize any peer company comparisons or benchmarking in setting executive compensation levels for fiscal 2011. However, our management informally considered competitive market practices by reviewing publicly available information relating to compensation of executive officers at other comparable companies in making its recommendations to our board of directors regarding our executives' compensation for fiscal 2011. As our Company grows, we expect to take steps, including the utilization of peer company comparisons and/or hiring of compensation consultants, to ensure that the Compensation Committee has a comprehensive picture of the compensation paid to our executives and with a goal toward total direct compensation for our executives that are on a par with the median total direct compensation paid to executives in peer companies if annually established target levels of performance at the Company and business segment level are achieved.

Elements of Compensation

The principal elements of our executive compensation are:

base salary;

discretionary annual cash bonuses;

stock incentive plan awards; and

perquisites and other compensation.

While base salary is generally included as an element of compensation of our executive officers in every year, the granting of bonuses, stock incentive awards and perquisites is determined on a case-by-case basis. During the fiscal year ended June 30, 2011, our compensation program consisted solely of base salary. For fiscal 2011, executive compensation consisted of base salary, and we have no immediate plans to include bonuses, stock option grants or perquisites as elements of executive compensation.

Base Salaries

Base salary is used to recognize the experience, skills, knowledge and responsibilities required of our employees, including our named executive officers. When establishing base salaries for 2011, subject to the provisions of each person's employment agreement, our compensation committee and management considered a number of factors, including the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the ability to replace the individual, the base salary of the individual at their prior employment and the number of well qualified candidates to assume the individual's role. Generally, we believe that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions at comparable companies.

Discretionary Annual Cash Bonuses

The Compensation Committee has discretion to recommend and approve the annual cash bonus for our Chief Executive Officer and each other named executive officer. Bonus awards will be generally based on our management's recommendations and ultimately approved by the Compensation Committee. There were no bonuses granted in fiscal 2011. The annual bonuses, if any, are intended to compensate officers for individual performance, for our overall financial performance, and for achieving important operational and financial milestones during the relevant fiscal year.

Stock Incentive Plan Awards

Our stock option plans shall be designed to provide long term incentives to our executives and other employees and award recipients, to increase shareholder value through competent, effective management of the Company. Management believes that the ability to grant stock options as a component of compensation will provide the Company with an advantage in attracting qualified management and employees to our Company. There were no stock option awards granted in fiscal 2011. Stock option award decisions, if any are granted, will be evaluated on a case-by-case basis giving consideration to factors such as the recipient's qualifications and abilities, the nature of the recipient's position, and the recipient's ability to contribute to the Company's development and achievement of its business objectives.

Perquisites and Other Compensation

The Compensation Committee may include perquisites and other benefits as an element of compensation from time to time on a discretionary basis. Presently the Company does not include perquisites or other benefits as a part of executive compensation.

Management's Role in the Compensation-Setting Process

Our management plays an important role in our compensation-setting process. The most significant aspects of management's role are evaluating other executive officers' performances, recommending business performance targets and objectives, and recommending salary levels and option awards. Our management makes recommendations to the Compensation Committee regarding our executive's compensation packages. During this process, management may be asked to provide the Compensation Committee with their evaluation of the executive officers' performances, the background information regarding our strategic financial and operational objectives, and compensation recommendations as to the executive officers.

Report of the Compensation Committee

The Compensation Committee has reviewed and discussed with management the Company's disclosures under "Compensation Discussion and Analysis".

Based on such review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this definitive proxy statement on Schedule 14A for the Company's 2012 annual meeting, which is incorporated by reference in the Annual Report on Form 10-K for the fiscal year ended June 30, 2011.

Respectfully submitted,

The Compensation Committee of the Board of Directors

Yushan Jiang, Chairperson

Hui Huang

Haoyi Zhang

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. We and some brokers deliver a single Proxy Statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they are or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, or if you currently receive multiple Proxy Statements and would prefer to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to our Company Secretary at SinoCoking Coal and Coke Chemical Industries, Inc., Kuanggong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People's Republic of China 467000.

Notwithstanding the foregoing, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate any Applicable Laws.

The Committee shall also determine any conditions, if any, that must be satisfied before all or part of an Option may be exercised.

(c) Payment. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation (i) cash or check denominated in U.S. Dollars, (ii) to the extent permissible under the Applicable Laws, cash or check in Chinese Renminbi, (iii) cash or check denominated in any other local currency as approved by the Committee, (iv) Shares held for such period of time as may be required by the Committee in order to avoid adverse financial accounting consequences and having a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof, (v) other property acceptable to the Committee with a Fair Market Value equal to the exercise price, or (vi) any combination of the foregoing. Notwithstanding any other provision of the Plan to the contrary, no Participant who is a member of the Board or an “executive officer” of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to pay the exercise price of an Option in any method which would violate Section 13(k) of the Exchange Act.

(d) Evidence of Grant. All Options shall be evidenced by an Option Award Agreement between the Company and the Participant. The Option Award Agreement shall include such additional provisions as may be specified by the Committee.

5.2 Incentive Stock Options. Incentive Stock Options may be granted to Employees of the Company, a Parent or Subsidiary of the Company. (b) Individual Dollar Limitation. The aggregate Fair Market Value (determined as of the time the Option is granted) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(c) Exercise Price. The exercise price of an Incentive Stock Option shall be equal to the Fair Market Value on the date of grant. However, the exercise price of any Incentive Stock Option granted to any individual who, at the date of grant, owns Shares possessing more than ten percent of the total combined voting power of all classes of shares of the Company may not be less than 110% of Fair Market Value on the date of grant, and such Option may not be exercisable for more than five years from the date of grant.

(d) Transfer Restriction. The Participant shall give the Company prompt notice of any disposition of Shares acquired by exercise of an Incentive Stock Option within (i) two years from the date of grant of such Incentive Stock Option or (ii) one year after the transfer of such Shares to the Participant.

Except as otherwise provided in this Article 6, Restricted Shares granted under the Plan shall be released from escrow as soon as practicable after the last day of the period of restriction. The Committee, in its discretion, may accelerate the time at which any restrictions shall lapse or be removed. After the restrictions have lapsed, the Participant shall be entitled to have any legend or legends under Section 6.5 removed from his or her Share certificate, and the Shares shall be freely transferable by the Participant, subject to applicable legal restrictions. The Committee, in its discretion, may establish procedures regarding the release of Shares from escrow and the removal of legends, as necessary or appropriate to minimize administrative burdens on the Company.

ARTICLE 7

RESTRICTED SHARE UNITS

7.1 Grant of Restricted Share Units. The Committee, at any time and from time to time, may grant Restricted Share Units to Participants as the Committee, in its sole discretion, shall determine. The Committee, in its sole discretion, shall determine the number of Restricted Share Units to be granted to each Participant.

7.2 Restricted Share Units Agreement. Each Award of Restricted Share Units shall be evidenced by a Restricted Share Units Award Agreement that shall specify any vesting conditions, the number of Restricted Share Units granted, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

7.3 Performance Objectives and Other Terms. The Committee, in its discretion, shall set performance objectives or other vesting criteria which, depending on the extent to which they are met, will determine the number or value of

Restricted Share Units that will be paid out to the Participants.

7.4 Form and Timing of Payment of Restricted Share Units. At the time of grant, the Committee shall specify the date or dates on which the Restricted Share Units shall become fully vested and nonforfeitable. ARTICLE 8

PROVISIONS APPLICABLE TO AWARDS

8.1 Award Agreement. Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

8.2 Limits on Transfer. Except for a Permitted Transfer or as otherwise expressly approved by the Committee, no right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party. Any Permitted Transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for the purposes set forth of the definition of “Permitted Transfer” in Section 2.21 hereof and on a basis consistent with the Company’s lawful issue of securities.

8.3 Beneficiaries. Notwithstanding Section 8.2, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant’s death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant’s spouse as his or her beneficiary with respect to more than 50% of the Participant’s interest in the Award shall not be effective without the prior written consent of the Participant’s spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant’s will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

8.4 Share Certificates. Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of the Share pursuant to the exercise of any Award, unless and until the Committee has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all Applicable Laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the Shares are listed or traded. All Share certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with all Applicable Laws, and the rules of The NASDAQ Stock Market or any other national securities exchange or automated quotation system where the Shares are listed, quoted, or traded. The Committee may place legends on any Share certificate to reference restrictions applicable to the Shares. In addition to the terms and conditions provided herein, the Committee may require that a Participant make such reasonable covenants, agreements, and representations as the Committee, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

8.5 Paperless Administration. Subject to Applicable Laws, the Committee may make Awards, and provide applicable disclosure and procedures for exercise of Awards, by an internet website or interactive voice response system for the paperless administration of Awards.

8.6 Foreign Currency. A Participant may be required to provide evidence that any currency used to pay the exercise price of any Award were acquired and taken out of the jurisdiction in which the Participant resides in accordance with Applicable Laws, including foreign exchange control laws and regulations. In the event the exercise price for an Award is paid in Chinese Renminbi or other foreign currency, as permitted by the Committee, the amount payable will be determined by conversion from U.S. dollars at the official rate promulgated by the People's Bank of China for Chinese Renminbi, or for jurisdictions other than the People's Republic of China, the exchange rate as selected by the Committee on the date of exercise.

ARTICLE 9

CHANGES IN CAPITAL STRUCTURE

9.1 Adjustments. In the event of any dividend, share split, combination or exchange of Shares, amalgamation, arrangement or consolidation, spin-off, recapitalization or other distribution (other than normal cash dividends) of Company assets to its shareholders, or any other change affecting Shares or the price of a Share, the Committee shall make such proportionate adjustments, if any, as the Committee in its discretion may deem appropriate to reflect such change with respect to (a) the aggregate number and type of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Section 3.1); (b) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (c) the grant or exercise price per share for any outstanding Awards under the Plan.

9.2 Corporate Transactions. Except as may otherwise be provided in any Award Agreement or any other written agreement entered into by and between the Company and a Participant, if the Committee anticipates the occurrence, or upon the occurrence, of a Corporate Transaction, the Committee may, in its sole discretion, provide for (i) any and all Awards outstanding hereunder to terminate at a specific time in the future and shall give each Participant the right to exercise the vested portion of such Awards during a period of time as the Committee shall determine, or (ii) the purchase of any Award for an amount of cash equal to the amount that could have been attained upon the exercise of such Award (and, for the avoidance of doubt, if as of such date the Committee determines in good faith that no amount would have been attained upon the exercise of such Award, then such Award may be terminated by the Company without payment), or (iii) the replacement of such Award with other rights or property selected by the Committee in its sole discretion or the assumption of or substitution of such Award by the successor or surviving corporation, or a Parent or Subsidiary thereof, with appropriate adjustments as to the number and kind of Shares and prices, or (iv) payment of Award in cash based on the value of Shares on the date of the Corporate Transaction plus reasonable interest on the Award through the date when such Award would otherwise be vested or have been paid in accordance with its original terms, if necessary to comply with Section 409A of the Code.

9.3 Outstanding Awards – Other Changes. In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in this Article 9, the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Awards outstanding on the date on which such change occurs and in the per share grant or exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights.

9.4 No Other Rights. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of Shares of any class, the payment of any dividend, any increase or decrease in the number of shares of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares subject to an Award or the grant or exercise price of any Award.

ARTICLE 10

ADMINISTRATION

10.1 Committee. The Plan shall be administered by a committee appointed by the Board, comprising of not less than three members of the Board each of whom is an Independent Director, to serve until otherwise directed by the Board (the “Committee”). From time to time, the Board may increase the size of the Committee and appoint additional members thereto, remove members (with or without cause) and appoint new members in substitution therefor, fill vacancies, however caused, and remove all members of the Committee and, thereafter, directly administer this Plan. In the event that the Board is the administrator of this Plan in lieu of a Committee, the term “Committee” as used herein shall be deemed to mean the Board. Any grant or amendment of Awards to any Committee member shall require an affirmative vote of a majority of the Board members who are not on the Committee.

10.2 Action by the Committee. A majority of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company’s independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

- (e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Shares, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

- (f) Prescribe the form of each Award Agreement, which need not be identical for each Participant;

- (g) Decide all other matters that must be determined in connection with an Award;

A-8

- (h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;
- (i) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and
- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

10.4 Decisions Binding. The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

ARTICLE 11

EFFECTIVE AND EXPIRATION DATE

11.1 Effective Date. The Plan is effective as of the date the Plan is adopted and approved by the shareholders of the Company (the "Effective Date"). The Plan will be deemed to be approved by the shareholders if it receives the affirmative vote of the holders in the manner and degree required under the Company's Bylaws and under Applicable Laws. If the shareholders fail to approve the Plan within 12 months after its adoption by the Board, then any Awards already granted or exercised shall be rescinded and no additional grants or exercise shall thereafter be made under the Plan.

11.2 Expiration Date. The Plan will expire on, and no Award may be granted pursuant to the Plan after, the tenth anniversary of the Effective Date. Any Awards that are outstanding on the tenth anniversary of the Effective Date shall remain in force according to the terms of the Plan and the applicable Award Agreement.

ARTICLE 12

AMENDMENT, MODIFICATION, AND TERMINATION

12.1 Amendment, Modification, and Termination. With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; *provided, however*, that (a) to the extent necessary and

desirable to comply with Applicable Laws, or stock exchange rules, the Company shall obtain shareholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) shareholder approval is required for any amendment to the Plan that (i) increases the number of Shares available under the Plan (other than any adjustment as provided by Article 9), (ii) permits the Committee to extend the term of the Plan or the exercise period for an Option beyond ten years from the date of grant, or (iii) results in a material increase in benefits or a change in eligibility requirements.

12.2 Awards Previously Granted. Except with respect to amendments made pursuant to Section 12.1, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 13

GENERAL PROVISIONS

13.1 No Rights to Awards. No Participant or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Participants and other persons uniformly.

13.2 No Shareholders Rights. No Award gives the Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

13.3 Taxes. No Shares shall be delivered under the Plan to any Participant until such Participant has made arrangements acceptable to the Committee for the satisfaction of any income and employment tax withholding obligations under Applicable Laws. The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy all applicable taxes (including the Participant's payroll tax obligations) required or permitted by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold Shares otherwise issuable under an Award (or allow the return of Shares) having a Fair Market Value equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of Shares which may be withheld with respect to the issuance, vesting, exercise or payment of any Award (or which may be repurchased from the Participant of such Award after such Shares were acquired by the Participant from the Company) in order to satisfy any income and payroll tax liabilities applicable to the Participant with respect to the issuance, vesting, exercise or payment of the Award shall, unless specifically approved by the Committee, be limited to the number of Shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for the applicable income and payroll tax purposes that are applicable to such supplemental taxable income.

13.4 No Right to Employment or Services. Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Service Recipient to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of any Service Recipient.

13.5 Unfunded Status of Awards. The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

13.6 Indemnification. To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Articles of Incorporation and Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

13.7 Relationship to Other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

13.8 Expenses. The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

13.9 Titles and Headings. The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

13.10 Fractional Shares. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down as appropriate.

13.11 Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by the Applicable Laws, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

13.12 Government and Other Regulations. The obligation of the Company to make payment of awards in Share or otherwise shall be subject to all Applicable Laws, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register any of the Shares paid pursuant to the Plan under the Securities Act or any other similar law in any applicable jurisdiction. If the Shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act or other Applicable Laws, the Company may restrict the transfer of such Shares in such manner as it deems advisable to ensure the availability of any such exemption.

13.13 Governing Law. The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Florida.

13.14 Section 409A. To the extent that the Committee determines that any Award granted under the Plan is or may become subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and the Award Agreements shall be interpreted in accordance with Section 409A of the Code and the U.S. Department of Treasury regulations and other interpretative guidance issued thereunder, including without limitation any such regulation or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Committee determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Committee may adopt such amendments to the Plan and the applicable Award agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and /or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related U.S. Department of Treasury guidance.

13.15 Appendices. The Committee may approve such supplements, amendments or appendices to the Plan as it may consider necessary or appropriate for purposes of compliance with applicable laws or otherwise and such supplements, amendments or appendices shall be considered a part of the Plan; provided, however, that no such supplements shall increase the share limitation contained in Section 3.1 of the Plan without the approval of the Board.
