Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On August 27, 2004, CanArgo Energy Corporation (the "Company") entered into an Amended and Restated Loan and Warrant Agreement (the "Amended Agreement") with Mr. Salahi Ozturk amending the Loan and Warrant Agreement between the parties dated April 26, 2004 (the "Original Loan"). Under the terms of the Amended Agreement, Mr Ozturk has advanced the Company a further loan in the sum of \$1,000,000 (the "Additional Loan") and agreed to amend the terms of the Original Loan pursuant to the terms of the Amended Agreement.

The Additional Loan is repayable two years and one day from the date of the Amended Agreement unless it has previously been converted. Corporate finance fees of \$50,000 are payable in respect of the Additional Loan. Interest is payable on the Additional Loan at a rate of 7.5% per annum. The first interest payment date is December 31, 2004 and shall include interest on the Original Loan for the period from April 26, 2004 until December 31, 2004 and interest on the Additional Loan for the period from August 27, 2004 until such first interest payment date. The Additional Loan is convertible into shares of common stock at a price of \$0.69 per share, subject to customary anti-dilution adjustments, which is equivalent to a premium of 15% above the market price of \$0.60 in effect when the agreement was reached. The Company has the option to force conversion of the Additional Loan if the Company's share price exceeds 160% of \$0.60 (or \$0.96 per share) for a period of 20 consecutive trading days. No conversion is possible for a period of one year from the date of the Amended Agreement.

Under the terms of the Amended Agreement, in consideration for Mr. Ozturk advancing the two loans, we have an obligation to issue to him a new replacement warrant to subscribe for 2,000,000 shares of common stock at an exercise price of 5% above the market price of \$0.60 (or \$0.63 per share), subject to customary anti-dilution adjustments, and the original warrant to subscribe for 1,000,000 shares of CanArgo common stock at an exercise price of \$1.05 issued in April 2004 will be cancelled. The new warrant is exercisable for a period of 4 years commencing one year from the date of the Amended Agreement. The warrants are transferable only to non-US persons and may only be exercised outside the US. The warrant, the shares of common stock issuable upon exercise of the warrant and the shares of common stock issued upon conversion of the Additional Loan will be restricted securities as defined in Rule 144 under the Securities Act of 1933, as amended (the "Securities Act") and will be issued in transactions intended to qualify for the exemption from registration afforded by Section 4(2) of the Securities Act and Regulation S promulgated under such Act.

The term of the Original Loan entered into in April 2004 is extended to one year and one day from the date of the Amended Agreement. However, in the event that we raise in excess of \$10 million by way of an equity offering then the Original Loan is repayable within 7 days of us receiving the proceeds of the offering. While the Original Loan is outstanding, the Company will deliver or procure the delivery of a lien over the revenues of Ninotsminda Oil Company Limited (or the CanArgo subsidiary holding the interest in the oil sales contract) to Mr. Ozturk as collateral security for his Original Loan.

A copy of the Amended Agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference.

The new warrant is exercisable for a period of 4 years commencing one year from the date of the Amended Agreement.
