The undersigned hereby amends the following items, financial statements, exhibits or other portions of this Current Report on Form 8-K as set forth on the page attached hereto:

Item 4. Changes in Accountants

Edgar Filing: ACCESSPOINT CORP /NV/ - Form 8-K/A

On April 4, 2003, Lichter, Weil & Associates, independent auditors to the registrant, resigned. The Audit Committee of the Board of Directors has approved the change of the accountant and is currently conducting a search for new auditors.

During the past two years ending December 31, 2000, and December 31, 2001, the accountant's reports accompanying the audited financial statements of the registrant prepared by Lichter, Weil & Associates contained an opinion that expressed that certain conditions indicated the Company might be unable to continue as a going concern.

Such reports contained no disagreement with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure.

In March 2003, the former accountant advised the registrant of the need to expand the scope of its audit, that information had come to the accountant's attention during the time period covered by the audit then under way, that if further investigated, may have caused it to question management's representations or the information contained within its financial statements. Due to the accountant's resignation on April 4, 2003, concurrently with the preliminary assessments of, and the commencement of, the additional work required for an investigation, the accountant did not expand the scope of its audit or conduct such further investigation beyond such preliminary steps.

Signatures

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized. Former accountant has furnished the registrant with a letter addressed to the Commission stating that it agrees with the statements made by the registrant in response to this Item 304(a).
