PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The delay in filing the registrant s Form 11-K for the fiscal year ended December 31, 2004, is primarily attributable to the registrant s previously disclosed material weakness in its internal control over financial reporting, which relates to the lack of personnel resources and technical expertise in the registrant s financial closing and reporting department. As a result of this material weakness, the registrant has been unable to file its Annual Report on Form 10-K for the fiscal year ended February 28, 2005. Due to the delay associated with the registrant s Form 10-K, the required financial statements of the Material Sciences Corporation Savings and Investment Plan and corresponding audit will not be completed in time to file the Form 11-K within the prescribed period without unreasonable effort or expense.
