PROXY STATEMENT
FOR THE
ANNUAL MEETING OF STOCKHOLDERS

413 Pine Street, Suite 500

Seattle, Washington 98101

INFORMATION ABOUT SOLICITATION AND VOTING

General

The enclosed proxy is solicited by the board of directors of Marchex for use in voting at the annual meeting of stockholders to be held at 10:00 a.m., local time, on Friday, May 12, 2006, at the Grand Hyatt located at 721 Pine Street, Seattle Washington 98101, and any postponement or adjournment of that meeting. The Company's telephone number is (206) 331-3300. The purpose of the annual meeting is to consider and vote upon the proposals outlined in this proxy statement and the attached notice.

Marchex's Class B common stock and preferred stock are traded on the Nasdaq National Market.

These proxy solicitation materials were mailed on or about April 17, 2006, together with the Company's annual report, to all holders of Class A common stock and Class B common stock entitled to vote at the meeting. The holders of the Company's preferred stock are not entitled to vote at the meeting.

Record Date and Outstanding Shares

Only holders of record of shares of Class A common stock and Class B common stock on the books of the Company at the close of business on the record date, April 7, 2006, will be entitled to vote at the annual meeting. As of the close of business on the record date, there were 11,665,716 shares of Class A common stock outstanding and held of record by 5 stockholders and 26,606,038 shares of Class B common stock outstanding and held of record by approximately 122 stockholders.

Proxies

The board of directors has selected Michael A. Arends, Chief Financial Officer, and Ethan Caldwell, General Counsel and Secretary, as proxies for the annual meeting. By submitting your proxy, you will authorize Mr. Arends and Mr. Caldwell to represent you and vote your shares at the meeting in accordance with your instructions. They may also vote your shares to adjourn the meeting and will be authorized to vote your shares at any adjournments or postponements of the meeting.

Meeting Attendance and Admission

You are entitled to attend the annual meeting only if you are a stockholder of record or a beneficial owner as of April 7, 2006. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. You should be prepared to present a photo identification and proof of your stockholder status or beneficial ownership prior to being admitted to the annual meeting. If you are the stockholder of record, you will need to provide proof of status in the form of your proxy card. If you hold your shares in street name, you must provide proof of beneficial ownership on the record date, such as a brokerage account statement showing that you owned Marchex stock as of the record date, a copy of the voting instruction card provided by your broker, bank or other nominee, or other similar evidence of ownership as of the record date. If you do not present photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

Voting and Solicitation

Each such stockholder entitled to vote at the meeting may vote in person at the annual meeting or by proxy. If you are the record holder of your shares and attend the meeting in person, you may deliver your completed proxy card to us at the meeting. If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or on the internet.

When proxies are properly dated, executed and returned, the shares they represent will be voted at the annual meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted FOR the election of the nominees for directors set forth herein and FOR ratification of the appointment of accountants. In addition, if other matters come before the annual meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters. Each holder of shares of Class A common stock is entitled to 25 votes for each share of Class A common stock held as of the record date, and each holder of shares of Class B common stock is entitled to 1 vote for each share of Class B common stock held as of the record date. The Class A common stock and Class B common stock will vote together as a single class on all matters described in these proxy materials for which your vote is being solicited.

The Company is paying all costs of the solicitation of proxies, including the expenses of printing and mailing to its stockholders the proxy, this proxy statement and the accompanying notice of annual meeting of stockholders. The Company will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses, in accordance with the regulations of the Securities and Exchange Commission (SEC), in sending proxies and proxy materials to the beneficial owners of the voting stock. Proxies may be solicited by the Company's officers, directors and regular employees, without compensation, personally or by telephone or facsimile.

Required Vote

Directors must be elected by a plurality of the votes cast. Accordingly, shares not voted in the election of directors (including shares covered by a proxy as to which authority is withheld to vote for all nominees) and shares not voted for any particular nominee (including shares covered by a proxy as to which authority is withheld to vote for only one or fewer than all of the identified nominees) will not prevent the election of any of the nominees for director. The ratification of the independent accountants for the Company for the current year will require the affirmative vote of a majority of the shares of the Company's Class A common stock and Class B common stock present or represented and entitled to vote at the annual meeting.

Revocability of Proxies

A proxy given pursuant to this solicitation may be revoked at any time before its use by delivering a written revocation to the Secretary of the Company, delivering a duly executed proxy bearing a later date or attending and voting in person at the annual meeting.

Quorum; Abstentions; Broker Non-Votes

A quorum is required for the transaction of business during the annual meeting. A quorum is present when a majority of stockholder votes are present in person or by proxy. Shares that are voted FOR , AGAINST or WITHHELD on a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as votes cast by the Class A common stock or Class B common stock present in person or represented by proxy at the annual meeting and entitled to vote on the subject matter.

The Company will count abstentions for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). As a result, abstentions will have the same effect as a vote against the proposal.

Broker non-votes (i.e., shares held of record by brokers as to which the beneficial owners have given no voting instructions) will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. Broker non-votes will not be counted for purposes of determining the number of votes cast with respect to the particular proposal. Thus, a broker non-vote will not have any effect on the outcome of the voting on a proposal.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

To the Company's knowledge, the following table sets forth information regarding the beneficial ownership of our Class A common stock and Class B common stock as of April 7, 2006:

each person (or group of affiliated persons) who is known by us to own beneficially more than 5% of the outstanding shares of our Class A common stock or Class B common stock;

each of our directors and nominees for director who owns our Class A common stock or Class B common stock;

each of our executive officers listed in the Summary Compensation Table who owns our Class A common stock or Class B common stock; and

all of our directors, nominees for director and executive officers as a group.

Percentage of beneficial ownership is based on 11,665,716 shares of our Class A common stock and 26,606,038 shares of our Class B common stock outstanding as of April 7, 2006. This percentage excludes the shares of Class B common stock issuable upon conversion of the preferred stock. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days of April 7, 2006, are deemed outstanding. These shares are not, however, deemed outstanding for the purposes of computing the percentage ownership of any other person. Except as otherwise noted below, the address for each beneficial owner listed below is c/o Marchex, Inc., 413 Pine Street, Suite 500, Seattle, Washington 98101.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEES LISTED ABOVE TO THE BOARD OF DIRECTORS.

Board Committees

In December of 2003 the board of directors established the audit committee, in February of 2004 the board of directors established the nominating and governance committee and in March of 2004 the board of directors established the compensation committee. Prior to that time, the functions of these three committees were performed by the entire board of directors. In 2005, the board of directors held four regular meetings and took action by written consent on ten occasions. Each of the directors attended 75% or more of the aggregate of (i) the total number of meetings of the board of directors and (ii) the total number of meetings held by all committees of the board of directors on which he served (during the periods he served). The Company has a policy of encouraging board members' attendance at annual stockholder meetings.

Audit Committee

The audit committee of the board of directors is comprised of Messrs. Cline, Fram and Thompson, each of whom is an independent director. The audit committee acts pursuant to a formal charter adopted by the board, which is available on the Company's Web site at www.marchex.com. The audit committee reviews, with the Company's independent accountants, the scope and timing of the independent accountants' services, the independent accountants' report on the Company's consolidated financial statements following completion of the Company's audits, and the Company's internal accounting and financial control policies and procedures. In addition, the audit committee makes annual recommendations to the board of directors for the appointment of independent accountants for the ensuing year. The board has determined that each of the members of the audit

committee qualifies as an audit committee financial expert as that term is defined in accordance with the Securities and Exchange Act of 1934 and the Sarbanes-Oxley Act of 2002 and that each also satisfies related Nasdaq finance or accounting experience requirements. Mr. Thompson currently serves as the chairman of the audit committee. In 2005, the audit committee held five regular meetings and took action by written consent on three occasions.

Compensation Committee

The compensation committee of the Company's board of directors is comprised of Messrs. Cline, Fram and Thompson, each of whom is an independent director. The compensation committee acts pursuant to a formal charter adopted by the board, which is available on the Company's Web site at www.marchex.com. The compensation committee reviews and evaluates the compensation and benefits of all of the Company's officers, including the compensation of the Company's Chief Executive Officer, reviews general policy matters relating to compensation and employee benefits, and makes recommendations concerning these matters to the board of directors. The compensation committee also administers our stock incentive plan and our employee stock purchase plan. Mr. Cline currently serves as the chairman of the compensation committee. In 2005, the compensation committee held three regular meetings and took action by written consent on five occasions.

Nominating and Governance Committee

The nominating and governance committee of the Company's board of directors is comprised of Messrs. Cline, Fram and Thompson, each of whom is an independent director. The nominating and governance committee acts pursuant to a formal charter adopted by the board, which is available on the Company's Web site at www.marchex.com. The nominating and governance committee identifies individuals qualified to become board members, recommends to the board those persons to be nominated by the board of directors as directors at the annual meeting of stockholders, develops and recommends to the board a set of corporate governance principles applicable to the Company and oversees the evaluation of the board and management. Mr. Fram currently serves as the chairman of the nominating and governance committee. In 2005, the nominating and governance committee held two regular meetings.

Nomination of Directors

The nominating and governance committee may use third party executive search firms to help identify prospective director nominees. In evaluating the suitability of each candidate, the nominating and governance committee will consider issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. While there are no specific minimum qualifications for director nominees, the ideal candidate should exhibit (i) independence, (ii) integrity, (iii) qualifications that will increase overall board effectiveness, and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or expertise for audit committee members. The nominating and governance committee uses the same process for evaluating all nominees, regardless of the original source of the nomination.

Marchex stockholders may recommend individuals to the nominating and governance committee for consideration as potential director candidates by submitting their names and appropriate supporting background and biographical information to: Marchex Nominating and Governance Committee, 413 Pine Street, Suite 500, Seattle, WA 98101, Attention: General Counsel. The recommendation must include any relevant information, including the candidate's name, home and business contact information, detailed biographical data and qualifications, and information regarding any relationships between the candidate and the Company within the last three years.

Code of Conduct and Code of Ethics

The Company has adopted a code of conduct applicable to each of the Company's officers, directors and employees, and a code of ethics applicable to the Company's Chief Executive Officer and the Company's senior

financial officers, as contemplated by Section 406 of the Sarbanes-Oxley Act of 2002 and both codes are available on the Company's Web site at www.marchex.com. The Company will disclose any amendments to, or waivers from, any provisions of either the Company's code of conduct or code of ethics on a Form 8-K filed with the Securities and Exchange Commission and on the Company's Web site by posting such information within four business days after such amendment or waiver.

Corporate Governance Guidelines

The board of directors has adopted corporate governance guidelines to ensure effective corporate governance which are available on the Company's Web site at www.marchex.com. These guidelines provide that the Company's independent directors shall meet regularly (not less than two times per year) in executive session at which only the Company's independent directors shall be present. In 2005, the independent directors met in executive session three times.

Compensation of Directors

The Company's directors currently do not receive cash compensation for their services as members of the board of directors. Directors are, however, reimbursed for the reasonable out-of-pocket expenses they incur in attending meetings of the board of directors or board of director committees. In May of 2003, the Company granted each of Messrs. Cline, Fram and Thompson a non-qualified stock option pursuant to the Company's 2003 amended and restated stock incentive plan to purchase 40,000 shares of the Company's Class B common stock, at an exercise price of \$3.00 per share and with vesting in equal annual increments on the first, second, third and fourth anniversaries of their respective dates of board service. In May of 2005, the Company granted each of Messrs. Cline, Fram and Thompson a non-qualified stock option pursuant to the Company's 2003 amended and restated stock incentive plan to purchase 7,500 shares of the Company's Class B common stock, at an exercise price of \$15.73 per share and which become fully exercisable on May 19, 2006 assuming continued service on the Board during such period.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between any member of the compensation committee and any member of any other company's board of directors or compensation committee. Members of the compensation committee will not receive additional compensation other than the compensation noted above that they received pursuant to becoming members of the board of directors. See "Security Ownership of Certain Beneficial Owners and Management" and "Certain Relationships and Related Transactions" for a summary of the holdings, rights and transactions of these members with respect to shares of the Company's Class B common stock.

Communications to the Board

The board of directors provides a process for Marchex stockholders to send communications to the board of directors. Any stockholder who desires to contact the board of directors may do so by writing to: Marchex, Inc. 413 Pine Street, Suite 500, Seattle, WA 98101, Attention: Ethan Caldwell, Secretary. Communications received by mail will be screened by the Secretary for appropriateness before either forwarding to or notifying the members of the board of directors of receipt of a communication.

Board Independence

The board of directors has a majority of independent directors (Dennis Cline, Jonathan Fram and Rick Thompson), as defined in the marketplace rules of The Nasdaq Stock Market.

PROPOSAL TWO RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS**(Item 2 on Proxy Card)**

The board of directors has reappointed the firm of KPMG LLP, an independent registered public accounting firm, as independent accountants of Marchex for the current fiscal year. Stockholder ratification of the selection of KPMG LLP as Marchex's independent accountants is not required by Marchex's bylaws, Delaware corporate law or otherwise. The board of directors has elected to seek such ratification as a matter of good corporate practice. Should the stockholders fail to ratify the selection of KPMG LLP as independent accountants, the board of directors will consider whether to retain that firm for the year ending December 31, 2006 and will consider the appointment of other certified public accountants. KPMG LLP audited the financial statements of Marchex and its subsidiaries for the fiscal year ended December 31, 2005. Representatives of KPMG LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF KPMG LLP

The board of directors has reappointed KPMG LLP (KPMG) to examine the financial statements of Marchex for fiscal year 2006. In addition to audit services, KPMG also provided certain non-audit services to Marchex in 2005. The terms of Marchex's engagement agreements with KPMG provide for alternative dispute resolution procedures, exclude the award of punitive damages and contain certain other limitations.

Accounting Fees and Services

During fiscal years 2004 and 2005, we retained KPMG to provide professional services in the following categories and amounts:

Fee Category	2004	2005
Audit Fees	\$ 842,907	\$ 589,000
Audit Related Fees	\$ 102,920	\$ 388,000
Tax Fees	\$ 42,000	\$ 47,000
All Other Fees	\$ None	\$ None
Total All Fees	\$ 987,827	\$ 1,024,000

Audit-related fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. This category includes fees for due diligence for acquisitions, accounting consultation matters, audits of acquired companies and related correspondence with regulatory agencies.

Tax fees consist of fees for professional services for tax return preparation and consultation on matters related to acquisitions and tax credits.

The audit committee has considered whether the provision of non-audit services is compatible with maintaining the independence of KPMG and has concluded that it is.

The audit committee approved 100% of the 2004 and 100% of the 2005 KPMG fees above.

Policy on Pre-Approval by Audit Committee of Services Performed by Independent Accountants

The policy of the audit committee is to pre-approve all audit and permissible non-audit services to be performed by the independent accountants during the fiscal year. The audit committee pre-approves services by authorizing specific projects within the categories outlined above, subject to the budget for each category. The audit committee's charter delegates to its chairman the authority to address any requests for pre-approval of services between audit committee meetings, and the chairman must report any pre-approval decisions to the audit committee at its next scheduled meeting.

REPORT OF THE AUDIT COMMITTEE

The audit committee is comprised of directors Cline, Fram and Thompson. The role of the audit committee is to assist the board of directors in its oversight of Marchex's financial reporting process. The audit committee performs the duties set forth in its current charter which is available on the Company's Web site at www.marchex.com.

As noted in the audit committee's charter, Marchex's management is responsible for preparing the Company's financial statements. The Company's independent accountants are responsible for auditing the financial statements. The activities of the audit committee are in no way designed to supercede or alter those traditional responsibilities. The audit committee's role does not provide any special assurances with regard to Marchex's financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent accountants.

Each member of the audit committee meets the independence criteria prescribed by applicable law and the rules of the Securities and Exchange Commission (SEC) for audit committee membership and is an independent director within the meaning of the Nasdaq listing standards. In addition, the board of directors has determined that each of the members of the audit committee qualifies as an audit committee financial expert, as defined by SEC rules.

The audit committee has reviewed and discussed with Marchex's independent accountants, KPMG LLP (KPMG), matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. We have received from KPMG a formal written statement consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). We have discussed with KPMG matters relating to its independence, including a review of both audit and non-audit fees, and considered the compatibility of non-audit services with the accountants' independence.

The audit committee has reviewed and discussed with management and KPMG the audited financial statements for the fiscal year ended December 31, 2005. The audit committee met with KPMG, with and without management present, to discuss results of its examinations, its evaluation of Marchex's internal controls, and the overall quality of Marchex's financial reporting.

Based on the reports, discussions and reviews referred to above, in reliance on management and the independent accountants and subject to the limitations on our role and responsibilities in the charter, the audit committee recommended to the board of directors that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2005, for filing with the SEC.

The preceding Audit Committee Report is not considered proxy solicitation materials, is not deemed filed with the SEC, and is not deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act.

Following a review of the independent accountant's performance and qualifications, including consideration of management's recommendation, the audit committee approved the reappointment of KPMG LLP as Marchex's independent accountants for the fiscal year ended December 31, 2006.

Respectfully submitted,

AUDIT COMMITTEE

Dennis Cline

Employment Contracts with Named Executive Officers

Russell C. Horowitz

We have entered into an Executive Employment Agreement with Russell C. Horowitz, our Chief Executive Officer, effective as of January 17, 2003. The agreement with Mr. Horowitz provides for an at-will employment term and an annual base salary of \$50,000. Mr. Horowitz has signed our standard confidentiality agreement, which provides, among other things, that Mr. Horowitz will not compete with us for twelve months following termination of his employment.

Michael A. Arends

We have also entered into an Executive Employment Agreement with Michael A. Arends, our Chief Financial Officer, effective as of May 1, 2003. The agreement with Mr. Arends provides for an at-will employment term and an initial annual base salary of \$156,000, which was adjusted to \$135,000 upon the closing of our initial public offering.

Under the agreement, Mr. Arends was granted a stock option to purchase 350,000 shares of Class B common stock at an exercise price of \$3.00, subject to a four-year vesting schedule, 166,665 shares of which are designated as an incentive stock option and the remainder of which are designated as a non-qualified stock option. In addition, Mr. Arends was granted a non-qualified stock option to purchase 100,000 shares of Class B common stock at an exercise price equal to either the fair value one year from the date of the agreement or, if earlier, the initial public offering price, subject to a vesting schedule through October 31, 2007.

In the event that either: (1) Russell C. Horowitz ceases to be a Marchex employee for any reason; or (2) a change in control occurs while Mr. Arends is employed by Marchex, all options or other equity awards held by Mr. Arends with respect to our Class B common stock shall become fully vested. For purposes of this provision, a change in control occurs if one person or entity acquires control of 50% or more of our common stock entitled to vote for directors, but does not occur as a result of an acquisition by Marchex or any corporation controlled by Marchex.

Mr. Arends has the right to a severance payment in the event of termination meeting certain conditions as set forth in the employment agreement, up to a maximum payment of one year's salary.

Mr. Arends has signed our standard confidentiality agreement, which provides, among other things, that Mr. Arends will not compete with us for twelve months following termination of his employment.

Limitations on Directors Liability and Indemnification Matters

As permitted by Delaware General Corporation Law, we have included in our certificate of incorporation a provision to eliminate the personal liability of our directors for monetary damages for breach or alleged breach of their fiduciary duties as directors, other than breaches of their duty of loyalty, actions not in good faith or which involve intentional misconduct, or transactions from which they derive improper personal benefit. In addition, our by-laws provide that we are required to indemnify our officers and directors under certain circumstances, including those circumstances in which indemnification would otherwise be discretionary, and we are required to advance expenses to our officers and directors as incurred in connection with proceedings against them for which they may be indemnified.

The limitations summarized above, however, do not affect our ability or the ability of our stockholders to seek non-monetary-based remedies, such as an injunction or rescission, against a director for breach of his fiduciary duty nor would such limitations limit liability under the federal securities laws. Our by-laws provide that we shall, to the extent permitted by Delaware law, indemnify and advance expenses to our currently acting and former directors, officers, employees and agents or directors, officers, employees and agents of other corporations, partnerships, joint ventures, trusts or other enterprises if serving at our request arising in connection with their acting in such capacities.

At present, we are not aware of any pending or threatened litigation or proceeding involving our directors, officers, employees or agents in which indemnification would be required or permitted.

We have also entered into indemnification agreements with each of our directors and executive officers. We intend to execute such agreements with our future directors and executive officers.

Certain Relationships and Related Transactions

Organizational Transactions

Caldwell, Peter Christothoulou, John Keister and Victor Oquendo, our initial stockholders, were involved in our initial funding and by reason of such involvement would be deemed to be acting as promoters as such term is defined by Rule 405 of Regulation C under the Act. As part of our original organization, we purchased certain property and equipment from Russell C. Horowitz and an affiliated entity for approximately \$57,000 and from Ethan A. Caldwell for approximately \$4,000. The original cost of the property and equipment was \$70,000 and \$4,000, respectively. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, officers and persons who beneficially own more than 10% of a registered class of the Company's equity securities to file with the SEC initial reports of ownership and reports of changes in ownership. Directors, officers and 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely on review of the copies of such reports the Company has received, or written representations that no other reports were required for those persons, the Company believes that its officers and directors complied with all applicable filing requirements applicable in 2005.

STOCKHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

Stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of the proxy rules promulgated by the SEC. Proposals of stockholders of the Company intended to be presented for consideration at our 2007 Annual Meeting of Stockholders must be received by the Company no later than December 17, 2006 and must otherwise comply with the requirements of Rule 14a-8 in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting. Stockholder proposals should be addressed to the attention of the Company's General Counsel, 413 Pine Street, Suite 500, Seattle, Washington 98101.

ANNUAL REPORT ON FORM 10-K

A copy of Marchex's annual report on Form 10-KSB for the year ended December 31, 2005, including its financial statements for the year ended December 31, 2005, accompanies this proxy statement and is also available for download or review by visiting www.marchex.com/ir.html. An additional copy of such annual report on 10-KSB (without exhibits) will be furnished without charge and a copy of any or all exhibits to such annual report on Form 10-KSB will be furnished for a fee which will not exceed our reasonable expenses in furnishing exhibits upon request by any stockholder to Marchex Investor Relations, 413 Pine Street, Suite 500, Seattle, WA 98101, or by calling (206) 331-3600.

DELIVERY OF THIS PROXY STATEMENT

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, brokers with account holders who are Company stockholders may be householding our proxy materials. A single annual report and proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received

notice from your broker or us that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report and proxy statement, please notify your broker and direct your written request to Marchex Investor Relations, 413 Pine Street, Suite 500, Seattle, WA 98101 or by calling (206) 331-3600.

Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.
