ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Background

As more fully described in this Item 1.01 and in Item 8.01 below, ERP Operating Limited Partnership (ERP) has entered into a set of transactions with certain affiliates of Bank of America Corp. and Barclays PLC (together, the Sellers) and Lehman Brothers Holdings Inc. and certain of its affiliates (Lehman), which collectively are expected to result in ERP receiving \$150,000,000 and the Sellers selling to Lehman their remaining 26.5% interest (the Other Interests) in various entities affiliated with Archstone, a privately-held owner, operator and developer of multifamily apartment properties (the Archstone Entities).

Entry into Interest Purchase Agreement

As previously disclosed, the Sellers and ERP are parties to an Other Interest Agreement (the Other Interest Agreement) dated as of December 2, 2011 (as amended on February 17, 2012, April 18, 2012, May 21, 2012, May 22, 2012 and May 23, 2012 (the last three amendments having extended the Exercise Period (see definition below) until May 22, 2012, May 23, 2012, and May 24, 2012, respectively)). Pursuant to the Other Interest Agreement, at any time from January 20, 2012 through and including May 24, 2012 (the Exercise Period), ERP was entitled, but not obligated, to exercise its right to acquire the Other Interests. Such a transaction was subject to the exercise by Lehman of a right of first offer to acquire the Other Interests (the ROFO Right).

On May 24, 2012, ERP exercised this right and executed an Interest Purchase Agreement with the Sellers (the Purchase Agreement) to acquire the Other Interests in exchange for total consideration of \$1,580,000,000 in cash (the Acquisition). The Purchase Agreement is on substantially the same terms as those contained in the Interest Purchase Agreement previously disclosed on ERP's Form 8-K filed on December 5, 2011, and is attached hereto as Exhibit 2.1. The Purchase Agreement contains customary representations, warranties and covenants and the consummation of the Acquisition is subject to customary closing conditions. In the event that ERP does not consummate the Acquisition due to an exercise of the ROFO Right by Lehman, then the Sellers will be required to pay to ERP a termination fee equal to \$80,000,000 (the Sellers Termination Fee).

In accordance with the terms of the Omnibus Agreement described in Item 8.01 below, on May 24, 2012, Lehman exercised the ROFO Right and executed a binding purchase agreement with the Sellers (the Lehman Purchase Agreement) to purchase the Other Interests for \$1,580,000,000. Therefore, unless Lehman's acquisition of the Other Interests pursuant to the Lehman Purchase Agreement is not consummated, the Purchase Agreement will terminate in accordance with its terms, the Acquisition will not be consummated and ERP will be entitled to receive the Sellers' Termination Fee (and, as described in Item 8.01 below, Lehman will pay ERP a termination fee equal to \$70,000,000 (the Lehman Termination Fee)). The transactions contemplated by the Lehman Purchase Agreement are expected to close on or before June 8, 2012.

In certain circumstances, should ERP acquire all or substantially all of the assets of the Archstone Entities within 120 days of Lehman's acquisition of the Other Interests, ERP will be required to repay all or a portion of such fees to the Sellers and/or Lehman.

Other Matters

Certain affiliates of the Sellers have performed investment banking, commercial banking and advisory services for ERP and its affiliates from time to time for which they have received customary fees and reimbursement of expenses. Certain affiliates of the Sellers may, from time to time, engage in transactions with and perform services for ERP in the ordinary course of their business for which they will receive customary fees and reimbursement of expenses. In addition, certain of the Sellers or their affiliates are lenders, and in some cases agents or arrangers for the lenders, under ERP's unsecured revolving credit facility and certain other credit facilities.

As noted above, the transactions contemplated by the Purchase Agreement will not be consummated unless Lehman fails to consummate the purchase of the Other Interests, and the conditions to closing under the Purchase Agreement are otherwise satisfied. In addition, in the event that ERP consummates the transactions contemplated by the Purchase Agreement, ERP's investment in the Archstone Entities and Equity Residential's and ERP's financial condition and results of operations may be adversely affected if, among other things, Equity Residential and ERP do not achieve the perceived benefits of the proposed transaction as Equity Residential and ERP expect, or at all, as well as by the risk factors otherwise affecting multifamily real estate companies. See the risk factors set forth in Equity Residential's and ERP's respective Annual Reports on Form 10-K for the year ended December 31, 2011.

The foregoing description of the Purchase Agreement and the Acquisition is not complete and is subject to and qualified in its entirety by reference to the Purchase Agreement, a copy of which is attached as Exhibit 2.1 to this Current Report on Form 8-K, the terms of which are incorporated herein by reference.

ITEM 7.01 REGULATION FD DISCLOSURE.

On May 25, 2012, Equity Residential issued a press release announcing the execution of the Omnibus Agreement (as described below) and the Purchase Agreement. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is being furnished and shall not be deemed filed with the Securities and Exchange Commission nor incorporated by reference in any registration statement filed by Equity Residential or ERP under the Securities Act of 1933, as amended.

ITEM 8.01 OTHER EVENTS.

Omnibus Agreement Relating to Archstone

On May 24, 2012, ERP, the Sellers and Lehman entered into an Omnibus Agreement (the Omnibus Agreement), pursuant to which, the following has occurred and/or will occur:

- (i) ERP exercised its rights under the Other Interest Agreement, and entered into the Purchase Agreement with the Sellers (as described above) pursuant to which ERP has agreed to purchase the Other Interests from the Sellers for a purchase price of \$1,580,000,000.
- (ii) Contemporaneously, Lehman exercised the ROFO Right, and entered into the Lehman Purchase Agreement with the Sellers (as described above).
- (iii) The parties have released each other from any and all claims and litigation associated with matters relating to the Archstone Entities.
- (iv) Upon the closing of Lehman's acquisition of the Other Interests from the Sellers, ERP will be entitled to receive termination fees in the aggregate amount of \$150,000,000 as follows: pursuant to the Purchase Agreement, the Sellers have agreed to pay ERP the Sellers' Termination Fee (as described above), and pursuant to the Omnibus Agreement, Lehman has agreed to pay ERP the Lehman Termination Fee (as described above). In certain circumstances, if ERP should acquire all or substantially all of the assets of the Archstone Entities within 120 days of Lehman's acquisition of the Other Interests, ERP will be required to repay all or a portion of such fees to the Sellers and/or Lehman.
