(2) Analysis of Consolidated Financial Position

Total assets as of March 31, 2015, were 41.8 trillion yen, a decrease of 1.7 trillion yen compared to March 31, 2014, mainly due to the decrease in Trading assets. Total liabilities as of March 31, 2015 were 39.0 trillion yen, a decrease of 1.9 trillion yen compared to March 31, 2014, mainly due to the decrease in Securities sold under agreements to repurchase. Total equity as of March 31, 2015 was 2.7 trillion yen, an increase of 191.7 billion yen compared to March 31, 2014.

Cash and cash equivalents as of March 31, 2015, decreased by 174.4 billion yen compared to March 31, 2014. Cash flows from operating activities for the year ended March 31, 2015 were outflows of 77.0 billion yen due mainly to the decrease in Trading liabilities. Cash flows from investing activities for the year ended March 31, 2015 were inflows of 12.3 billion yen due mainly to the decrease in Non-trading debt securities. Cash flows from financing activities for the year ended March 31, 2015 were outflows of 178.2 billion yen due primarily to the decrease in Borrowings.

2. Corporate Goals and Principles

(1) Fundamental Management Policy

Nomura Group s management vision is to enhance its corporate value by deepening society s trust in the firm and increasing satisfaction of stakeholders, including that of shareholders and clients.

As Asia s global investment bank, Nomura will provide high value-added solutions to clients globally, and recognizing its wider social responsibility, Nomura will continue to contribute to the economic growth and development of society.

To enhance its corporate value, Nomura places significance on earnings per share (EPS) and will seek to maintain sustained improvement of the management target.

(2) Structure of Business Operations

Nomura Group s business execution is to focus on business divisions, which are linked globally, rather than individual legal entities, under unified strategy. Nomura Group s operations are comprised of Retail, Asset Management, and Wholesale. Nomura Group shall delegate its powers to each of these business divisions to an appropriate extent and establish its business execution structure by enhancing the professional skills of each of these business divisions, while strengthening linkages among these business divisions and fully demonstrating Nomura Group s comprehensive capabilities.

(3) Management Challenges and Strategies

In order to achieve our management objective, we are placing top priority on ensuring that profits are recorded by all divisions in all regions. We are committed to improving our corporate value further through the enhancement of Retail Division by means of business model transformation as well as through increased profitability of our overseas operations based upon further collaboration between Global Markets and Investment Banking.

Table of Contents

As Asia s global investment bank, we will continue to take appropriate measures toward phased introduction of Basel regulations (global standards on capital requirements and liquidity) as well as forthcoming changes in the operating environment. With regulations related to the market, such as derivatives transactions, slated to come into effect primarily in the U.S. and Europe, we will ensure an appropriate response by staying attentive to the impact of the overall regulatory framework on the financial market and the competitive landscape.

Challenges and strategies in each division are as follows:

[Retail Division]

In Retail Division, with our enhanced consulting-based business, we are aiming to increase client satisfaction by listening to clients plans, understanding and meeting their diversified demands and needs. We continue to focus on delivering top-quality solutions including our broad range of products and services through face-to-face meetings, online and call center channels, so that Nomura Group can sustainably be a trusted partner to our clients.

[Asset Management Division]

In our investment trust business, we will provide clients with a diverse range of investment opportunities to meet investors—various demands. In our investment advisory business, we will provide value-added investment services to our institutional clients on a global basis. We intend to increase assets under management and expand our client base for these two core businesses. As a distinctive investment manager based in Asia with the ability to provide a broad range of products and services, we aim to gain the strong trust of investors worldwide by making continuous efforts to improve investment performance.

[Wholesale Division]

Our Wholesale Division comprises Global Markets which offers sales and trading of global securities and structuring, and Investment Banking which offers capital raising and advisory services.

Global Markets has been focusing on delivering differentiated products and solutions to our clients by leveraging Nomura Group s capabilities in trading, research, structuring, and global distribution. Through our integrated Fixed Income and Equities platform, we aim to provide competitive and comprehensive services and solutions to our clients.

In Investment Banking, we continue to enhance our global structure to further provide cross-border M&A and financing services both in domestic and overseas markets as well as to provide solution business services associated with the said M&A and financing, while the globalization of the business activities of our clients develops.

In order to provide quality services to meet the needs of our client, the importance of cooperation across business areas and regions is rapidly increasing. Positioning the Asia Pacific region as our strategic base, we plan to execute a number of business initiatives to broaden our footprint in anticipation of medium to long term global economic growth.

6

Table of Contents

We will further enhance initiatives aimed at cross-divisional and cross-regional cooperation. We aim to enhance our presence as a global financial services group by enhancing regional integration between Japan and the rest of Asia and enhancing the coordination of business between Asia and Europe, Americas and the rest of the world.

In implementing the initiatives outlined above, while also helping to strengthen the global financial and capital markets, we aim to bring together the collective strengths of our domestic and international operations to realize our management objectives and to maximize corporate value by enhancing profitability across our businesses in group.

[Risk Management and Compliance, etc.]

Towards the goals of ensuring financial health and increasing corporate value, our risk management system requires further enhancement as we expand business on a global scale. We will continue to develop a system where senior management directly engage in a proactive risk management approach for precise decision making.

As our business becomes increasingly international and diverse, we recognize the growing importance of compliance. We will continue to focus on improving the management structure to comply with local laws and regulations in the countries that we operate. In addition, we will continuously review and improve our existing overall compliance system and rules with initiatives towards promoting an environment of high ethical standards among all of our executive management and employees. In this way, we will meet the expectations of society and clients toward the Nomura Group and contribute to the further development of the financial and capital markets.

The improvement measures announced in June 29, 2012, regarding the recommendations of administrative penalties imposed on our subsidiary, Nomura Securities Co. Ltd. in 2012 in connection with public stock offerings, have been fully implemented. By thoroughly implementing the improvement measures and making them function effectively, we aim to prevent recurrence and to regain trust; we will further enhance and reinforce our internal control system, with each and every one of our executive officers and employees having ethics as a professional engaged in the capital market, while keeping the memory of the incident from fading.

3. Considerations in the selection of accounting standards

Nomura currently adopts U.S. generally accepted accounting principles. Depending on factors such as trends by other companies and the impact of International Financial Reporting Standards (IFRS) on Nomura s businesses, Nomura may consider in adopting IFRS in the future.

7

4. Consolidated Financial Statements

The consolidated financial information herein has been prepared in accordance with Nomura s accounting policies which are disclosed in the notes to the consolidated financial statements of Nomura Holdings, Inc. s Annual Securities Report (the annual report filed in Japan on June 26, 2014) and Form 20-F (the annual report filed with the U.S. Securities and Exchange Commission on June 26, 2014) for the year ended March 31, 2014.

Not applicable.

(7) Changes in Accounting Policy (UNAUDITED)

Nomura adopted Accounting Standards Update No.2014-11 Repurchase-to-Maturity Transactions, Repurchase Financings, and Disclosures from January 1, 2015. All repurchase-to-maturity transactions are now accounted for as secured borrowing transactions and all repurchase financings are now accounted for as secured lending transactions. These accounting changes have not had a material impact on Nomura s consolidated financial statements.

Changes in Tax Laws

On March 31, 2015, the *Act to partially revise the Income Tax Act and Others* (Act No. 9 of 2015) (Act 9) and *Act to partially revise the Local Tax Act and Others* (Act No. 2 of 2015) (Act 2) were promulgated. Under Act 2 and Act 9, effective from the fiscal year beginning on or after April 1, 2015, corporate tax rate has been reduced from 36% to 33% for the temporary differences expected to be reversed in the fiscal year beginning on April 1, 2015 and 32% for those expected to be reversed in the fiscal years beginning on or after April 1, 2016. Use of operating loss carryforwards for the tax purposes will be limited to 65% of the current year taxable income before deducting operating loss carryforwards for tax purpose after the fiscal years beginning on or after April 1, 2017.

Due to these revisions, net deferred tax liabilities decreased by 4,674 million yen and income tax expenses decreased by the same amount.

Significant Subsequent Events
