Item 7.01 Regulation FD Disclosure

The Company has recast prior results to report International net sales and billings in the Core Solutions and Extension categories of our Education segment, whereas previously all International net sales and billings were reported in the Core Solutions category. Further, certain other products and/or sales of certain other products have been recast between the Core Solutions and Extension categories to better align with the manner that the businesses are now viewed and managed. Lastly, an elimination entry impacting each of our Education and Trade segments in the fourth quarter of 2017 has been recast to attribute certain revenue to the Education segment originally reported in the Trade segment to better align such sales to the segment selling to the end customer. The Company's first quarter 2018 quarterly report on Form 10-Q dated May 3, 2018 is the first to reflect the above changes on a comparative basis. Recasted amounts for 2017 (full-year and by quarter) are included on page 10 of the HMH First Quarter 2018 Earnings Call Presentation made available on May 3, 2018 on the Company's website at ir.hmhco.com
