FORWARD-LOOKING STATEMENTS

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, but not limited to, Fifth Third Bancorp's and MB Financial, Inc.'s expectations or predictions of future financial or business performance or conditions. Forward-looking statements are typically identified by words such as believe, expect, anticipate, intend, target, estimate, continue, positions, plan, project, forecast, guidance, goal, objective, prospects, possible or potential, by future conditional verbs, assume, will, would, should, could or may, or by variations of such words or by similar expressions. These forward-looking statements are subject to numerous assumptions, risks and uncertainties, which change over time. Forward-looking statements speak only as of the date they are made and we assume no duty to update forward-looking statements. Actual results may differ materially from current projections.

In addition to factors previously disclosed in Fifth Third Bancorp's and MB Financial, Inc.'s reports filed with or furnished to the SEC and those identified elsewhere in this communication, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: the ability to meet closing conditions to the merger; delay in closing the merger; and the inability to implement integration plans and other consequences associated with mergers, acquisitions and divestitures.
