PURPOSES OF THE MEETING

At the Annual Meeting, we will ask you to consider and act upon the following matters:

1. The election of five persons as directors of the Company, each to serve for a term of one year, or until their respective successors shall have been duly elected and qualified.
2. The ratification of the appointment of Frazer Frost LLP as the independent registered public accounting firm of the Company for the current year.
3. The transaction of such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

GENERAL INFORMATION

Record Date and Stockholders Entitled to Vote

Record Date. Our Board has fixed the close of business on May 21, 2010 as the record date (the Record Date) for purposes of determining stockholders entitled to receive notice of and to vote at the Annual Meeting. Only stockholders of record as of the Record Date will be entitled to vote at the Annual Meeting.

Our Common Stock. As of May 21, 2010, a total of 36,642,876 shares of our common stock were outstanding. Holders of our common stock are entitled to one vote for each share they hold on the Record Date.

Stockholder List. We will make a complete list of stockholders eligible to vote at the Annual Meeting available for examination at the Annual Meeting and during the ten days before the Annual Meeting. During such time, you may visit our principal executive offices during ordinary business hours to examine the stockholder list for any purpose relevant to the Annual Meeting.

Voting Requirements and Other Matters

Quorum. The holders of a majority in the outstanding shares of common stock entitled to vote at the Annual Meeting must be present, either in person or by proxy, to constitute a quorum for the transaction of business at the Annual Meeting. For purposes of establishing quorum, we will count abstentions and broker non-votes as present and entitled to vote.

Broker Non-Votes. A broker non-vote occurs when a stockholder that owns shares in street name through a nominee (usually a bank or a broker) fails to provide the nominee with voting instructions, and the nominee does not have discretionary authority to vote the shares with respect to the matter to be voted on, or when the nominee otherwise fails to vote the shares. Your broker or nominee is only permitted to vote your shares without instruction on routine matters.

How to Vote Your Shares. Your shares cannot be voted at the Annual Meeting unless you are present either in person or by proxy. If you vote by mail and return a completed, signed, and dated proxy card, your shares will be voted in accordance with your instructions. You may specify your choices by marking the appropriate box and following the other instructions on the proxy card. With respect to the election of directors, you may (i) vote **For** all the nominees or (ii) **Withhold Authority** with respect to some or all nominees. On all other matters, you may (i) vote **For** a proposal, (ii) vote **Against** a proposal, or (iii) **Abstain** from voting on a proposal. If you vote by mail and you return a proxy card that is unsigned, then your vote cannot be counted. If the returned proxy card is signed and dated, but you do not specify voting instructions, your shares will be voted **For** each proposal, in accordance with the Board's recommendations unless such voting of uninstructed shares is otherwise prohibited under applicable law.

Vote Required Election of Directors. If a quorum is present, the five nominees for director who receive a majority of the votes cast at the Annual Meeting, either in person or by proxy, will be elected. As a result, broker non-votes will not affect the outcome of the vote on this matter they are treated as neither votes for nor votes against the election of directors.

Vote Required Ratification of Independent Registered Public Accounting Firm. If a quorum is present, the ratification of the appointment of Frazer Frost LLP to serve as our independent registered public accounting firm for the year ending December 31, 2010 requires at least a majority of the votes cast at the Annual Meeting, either in person or by proxy. Abstentions will have the same effect as a vote against this proposal, because abstentions on this proposal, although treated as present and entitled to vote for purposes of determining the total pool of votable shares, do not contribute to the affirmative votes that are needed to approve the proposal. Broker non-votes, however, will have the effect of neither a vote for nor a vote against the ratification of Frazer Frost LLP to serve as our independent registered public accounting firm.

Other Business at the Meeting. We are not aware of (and have not received any notice with respect to) any business to be transacted at the Annual Meeting other than as described in this proxy statement. If any other matters properly come before the Annual Meeting, the named proxies on the proxy card will vote the shares represented by proxies on such matters in accordance with their discretion and best judgment.

Ownership by Insiders. As of May 21, 2010 our directors and executive officers beneficially owned an aggregate of 55,000 shares of our common stock (such number includes shares of common stock that may be acquired by such individuals within 60 days after May 21, 2010), which constitutes approximately 0.15% of our outstanding common stock and 0.15% of the voting control of common stock entitled to vote at the Annual Meeting.

Interest of Directors and Officers in Matters to be Acted Upon. None of our directors or officers has an interest in any matter to be voted upon except to the extent that such person is being nominated for election as a director.

Tabulation of Votes. Fang Liu has been appointed Inspector of Elections for the Annual Meeting, and in such capacity will separately tabulate the affirmative votes, negative votes, abstentions, and broker non-votes with respect to each of the proposals.

Announcement of Voting Results. We will announce preliminary voting results at the Annual Meeting and within four business days of the Annual Meeting, in a current report on Form 8-K that we will file with the Securities and Exchange Commission (the "SEC"), we will disclose our final voting results. To the extent the final results are not known within four business days of the Annual Meeting, we will disclose the final results in an amended current report on Form 8-K that we will file with the SEC within four business days after such final results are known.

Revoking Your Proxy. If you execute a proxy pursuant to this solicitation, you may revoke it at any time before its exercise by doing any one of the following:

- Delivering written notice to our Corporate Secretary, Mr. Siping Fang, at our principal executive office.

- Executing and delivering a proxy bearing a later date to our Corporate Secretary at our principal executive office.
- Voting in person at the Annual Meeting.

To be effective, our Corporate Secretary must actually receive your notice or later-dated proxy before the Annual Meeting, or the Inspector of Elections must receive it at the Annual Meeting before the vote. Please note, however, that your attendance at the Annual Meeting without further action on your part will not automatically revoke your proxy.

Solicitation. The Board is making this solicitation of proxies on our behalf. In addition to the solicitation of proxies by use of the mail, our officers and employees may solicit the return of proxies by personal interview, telephone, email, or facsimile. We will not pay additional compensation to our officers and employees for their solicitation efforts, but we will reimburse them for any out-of-pocket expenses they incur in their solicitation efforts.

We will request that brokerage houses and other custodians, nominees, and fiduciaries forward our solicitation materials to beneficial owners of our common stock that is registered in their names. Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board has determined that each member of all our Committees are independent as director independence is specifically defined with respect to such members under the NASDAQ listing standards and applicable SEC rules and regulations. A copy of the charters for the Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee is available both at the Investors section of the Company's website located at www.cvalve.com and in print to any stockholder who requests it.

Audit Committee. The Audit Committee, which consists of Messrs. Li (chairman), Haus, and Yu, is primarily responsible for reviewing the services performed by our independent auditors, evaluating our accounting policies and our system of internal controls. Mr. Li serves as our audit committee financial expert as that term is defined by the applicable SEC rules. The Audit Committee held one meeting during 2009.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee, which consists of Messrs. Yu (chairman), Haus, and Li, oversees all aspects regarding the nominating of directors and setting policies and procedures for the nomination of directors. The Corporate Governance and Nominating Committee is also responsible for overseeing the creation and implementation of our corporate governance policies and procedures.. The Corporate Governance and Nominating Committee held two meetings during 2009.

Our Corporate Governance and Nominating Committee endeavors to identify individuals to serve on the Board who have expertise that is useful to us and complementary to the background, skills, and experience of other Board members. The Nominating/Governance Committee's consideration of candidates for membership on the Board may include such factors as (a) the skills of each member of the Board, including each director's business and management experience, accounting experience, and understanding of corporate governance regulations and public policy matters; (b) the characteristics of each member of the Board, which may include leadership abilities, sound business judgment, and independence; and (c) the general composition of the Board, which may include public company experience of the directors. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. Each of the candidates for director named in this proxy statement have been recommended by the Corporate Governance and Nominating Committee and approved by the Board of Directors for inclusion on the attached proxy card.

Board Diversity. The Company does not have a specific policy on diversity relating to the selection of nominees for the Board, but the Board believes that while diversity and a variety of experiences and viewpoints represented on the Board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, color, gender, national origin, sexual orientation, or identity. In selecting a director nominee, the Corporate Governance and Nominating Committee focuses on diversity in the broadest sense, considering, among other things, skills, expertise, or background that would complement our existing Board taking into account the Company's business and industry.

Stockholder Nominees. The Corporate Governance and Nominating Committee also considers director nominees recommended by stockholders. See the section of this proxy statement titled, "Deadline for Stockholder Proposals," for a description of how stockholders desiring to make nominations for directors and/or to bring a proper subject before a meeting should do so. The Corporate Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same manner as it evaluates director candidates recommended by our directors, management, or employees.

Compensation Committee

General. The Compensation Committee consists of Messrs. Haus (chairman), Li, and Yu. The Compensation Committee held one meeting during 2009. The Compensation Committee is primarily responsible for reviewing and

approving our compensation and benefit policies, including compensation of executive officers. When determining executive compensation, the Compensation Committee typically reviews the following materials, among others:

- Financial reports on year-to-date performance versus budget and compared to prior year performance.
- Calculations and reports on levels of achievement of individual and corporate performance objectives.
- Reports on the Company's strategic objectives and budget for future periods.
- Information on the executive officers' stock ownership and option holdings.
- Peer companies' information regarding compensation programs and compensation levels.

These materials may also be reviewed during regular Board of Directors meetings.

Role of the Compensation Committee. The Compensation Committee is responsible for (i) overseeing the determination, implementation, and administration of the remuneration (including compensation, benefits, bonuses, and perquisites) of all directors and executive officers of the Company, (ii) reviewing and approving all equity compensation to be paid to other Company employees, and (iii) administering the Company's equity-based compensation plans, although the Company does not currently have any such plans. Our compensation program and policies are designed to help us attract, motivate, and retain executives of outstanding ability and align the interests of key leadership with the long-term interests of the Company's stockholders in order to maximize the return to stockholders.

Management's Role in the Compensation-Setting Process. Management plays a role in the compensation-setting process. The most significant aspects of management's role are:

- evaluating employee performance;
- establishing business performance targets and objectives; and
- recommending salary levels and any equity awards.

The Chief Executive Officer works with the Compensation Committee to provide:

- background information regarding the Company's strategic objectives;
- his evaluation of the performance of the senior executive officers; and
- compensation recommendations as to senior executive officers (other than himself).

Although our Chief Executive Officer may recommend to the Compensation Committee the compensation package and awards to our executive officers, the Compensation Committee approves the compensation packages and also grants all awards to executive officers. The Company does not currently have a stock option or other equity incentive plan.

Role of Compensation Consultants. The Compensation Committee may retain a compensation consultant from time to time to assist the Compensation Committee in researching and evaluating executive officer and director compensation and compensation programs. The Compensation Committee did not engage any independent compensation consultants in 2009.

Delegation of Authority. The Compensation Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Compensation Committee in order to determine or administer the compensation to the Company's executive officers and/or directors.

Zengbiao Yu was appointed director effective as of January 30, 2008. We entered into an independent director indemnification agreement with Zengbiao Yu, pursuant to which he is entitled to \$17,000, as annual compensation for the services to be provided as an independent director, and as chairperson of various board committees, as applicable. Under the terms of the indemnification agreement, we agreed to indemnify the independent director against expenses, judgments, fines, penalties or other amounts actually and reasonably incurred by the independent director in connection with any proceeding if the independent director acted in good faith and in our best interests. It is our practice to reimburse our directors for reasonable travel expenses related to attendance at board of directors and committee meetings.

On November 22, 2008, the Company appointed Peter Li and William Haus as new directors of the Company to fill the vacancies created by Huifeng Chen and Renrui Tang's resignations from the board on the same day. We entered into separate independent director agreements with Peter Li and William Haus.

Mr. Li's agreement is effective as of November 22, 2008 for a term of two years. Under the terms of Mr. Li's agreement, the Company agreed to pay Mr. Li a monthly fee of \$1,000, as compensation for the services to be provided by him as a director of the Company. The Company also agreed to grant a non-qualified stock option to Mr. Li for the purchase of 22,500 shares of common stock of the Company at an exercise price of \$8.00. The stock options and restricted common shares granted to Mr. Li and Mr. Haus have not yet been issued as of December 31, 2009.

Mr. Siping Fang and Mr. Binjie Fang are paid in their capacity as executive officers of the Company and they do not receive any additional compensation for their service as directors.

Limitation of Liability and Indemnification of Officers and Directors

Our bylaws provide for the indemnification of our present and prior directors and officers or any person who may have served at our request as a director or officer of another corporation in which we own shares of capital stock or of which we are a creditor against expenses actually and necessarily incurred by them in connection with the defense of any actions, suits or proceedings in which they, or any of them, are made parties, or a party, by reason of being or having been director(s) or officer(s) of us or of such other corporation, in the absence of negligence or misconduct in the performance of their duties. This indemnification policy could result in substantial expenditure by us, which we may be unable to recoup.

Insofar as indemnification by us for liabilities arising under the Securities Exchange Act of 1934 may be permitted to our directors, officers and controlling persons pursuant to provisions of the Articles of Incorporation and Bylaws, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy and is, therefore, unenforceable. In the event that a claim for indemnification by such director, officer or controlling person of us in the successful defense of any action, suit or proceeding is asserted by such director, officer or controlling person, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

At the present time, there is no pending litigation or proceeding involving a director, officer, employee or other agent of ours in which indemnification would be required or permitted. We are not aware of any threatened litigation or proceeding which may result in a claim for such indemnification.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain Relationships and Related Transactions

The following includes a summary of transactions since the beginning of 2009, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest (other than compensation described under Executive Compensation). We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were no less favorable to the Company than the terms available or the amounts that would be paid or received, as applicable, in arm s-length transactions.

The Company received loans from Siping Fang, Chief Executive Officer and Chairman, for cash flow purposes. As of December 31, 2009 and December 31, 2008 the outstanding amount due to Mr. Fang was \$1,707,353 and \$858,367, respectively. The loans are unsecured, interest-free and have no fixed terms of repayment, but are expected to be repaid in cash. In 2007, Siping Fang contributed \$1,249,999 to the Company s subsidiary, Zhengdie Valve, to fulfill its PRC registered capital requirement. In 2008, during the reorganization of the ownership of our operating subsidiaries (see Item 1 Business Reorganization or our Annual Report on Form 10-K for the year ended December 31, 2009), Siping Fang contributed an additional RMB 10 million (\$1,317,095) to our operating subsidiaries to enable them to meet their approved PRC registered capital requirements. Following our re-acquisition of the legal ownership of our operating subsidiaries and the subsequent consummation of a Securities Purchase Agreement related to the private placement of our common stock, this contribution is to be returned to Mr. Fang.

The Company borrowed money from certain employees for cash flow purposes. The loans bear interest at 10% per annum with no fixed repayment terms. Loans from employees amounted to \$184,817 and \$131,263 as of December 31, 2009 and December 31, 2008, respectively.

As a condition precedent to the consummation of the Securities Purchase Agreement related to the private placement of our common stock, on August 26, 2008, High Pressure Valve and the Casting Company entered into an Agreement for the Transfer of Land Use Right and Housing Titles (the Real Estate Transfer Agreement) for the transfer of certain land use rights and buildings to High Pressure Valve (the Real Estate). As the transfer was expected to take approximately ten months to complete with relevant Chinese government agencies, on August 26, 2008, High Pressure Valve and the Casting Company also entered into a Lease Agreement (the Lease Agreement) pursuant to which the Casting Company agreed to lease the Real Estate to High Pressure Valve until the latter acquires title to the Real Estate. In addition, High Pressure Valve and the Casting Company entered into a Leaseback Agreement (the Leaseback Agreement) pursuant to which High Pressure Valve agreed to lease a portion of the Real Estate to the Casting Company for a period of one year starting on the date of the acquisition of title to the Real Estate by High Pressure Valve.

In connection with the Real Estate Transfer Agreement, on August 26, 2008, the Company entered into a Real Estate Share Escrow Agreement with the stockholder of the Casting Company, Mr. Bin Fang, Brean Murray, Carret & Co., LLC and Escrow, LLC (the Real Estate Escrow Agreement), pursuant to which the Company agreed to issue and place in escrow for the benefit of Mr. Fang or his designee, 2,750,000 shares of the Company s common stock (the Real Estate Shares) in exchange for Mr. Fang s agreement to cause the Casting Company to transfer the Real Estate under the Real Estate Transfer Agreement. The Real Estate was transferred to High Pressure Valve on March 6, 2009 and 2,750,000 shares was released to Mr. Bin Fang.

As a result of the Company s issuance of contingent shares to the Casting Company s stockholder, Mr. Bin Fang, the Casting Company became an 8.81% stockholder and a related party. Mr. Bin Fang is not related to either Mr. Siping Fang, our Chief Executive Officer and Chairman or Mr. Binjie Fang, our Chief Operating Officer and a director. As of December 31, 2008 advances on inventory purchases due to the Casting Company amounted to \$385,066.

On August 26, 2008, High Pressure Valve and the Casting Company, our largest supplier, entered into a Manufacturing and Supply Agreement pursuant to which the Casting Company agreed to provide High Pressure Valve with molds, casts, dies and other supplies and equipment for use in the manufacture of High Pressure Valve's products. The Casting Company also agreed to use its production capacity to fulfill High Pressure Valve's orders before it may take any orders from third parties. The term of the agreement is five years. The agreement does not require High Pressure Valve to purchase any minimum volume or value of products. Prices will be determined at the time orders are submitted to the Casting Company, based on prevailing market prices.
