Item 1.01 Entry into a Material Definitive Agreement.

On March 26, 2008, Enova Systems, Inc. entered into an agreement with a placement agent to sell 2,131,274 shares of common stock. Pursuant to the placing agreement, the placement agent has agreed to use its reasonable efforts to sell, and has conditionally sold, all such shares of Enova common stock at 195 pence sterling per share (approximately US\$3.91 per share) to certain eligible offshore investors. It is anticipated that Enova will receive approximately 4,200,000 pounds sterling (approximately US\$8,300,000) in gross proceeds from the offering. The placement agent will earn a selling commission of 5% in addition to reimbursement of expenses. The closing of the offering is contingent upon, among other things, the listing of such shares for trading on each of the American Stock Exchange and the Alternative Investment Market (AIM) of the London Stock Exchange.

The offer and sale of the shares has been made pursuant to Regulation S under the Securities Act. Among other things, each investor purchasing shares of Enova's common stock in the offering will represent that the investor is not a United States person as defined in Regulation S. In addition, neither Enova nor the placement agent has conducted any selling efforts directed at the United States in connection with the offering. All shares of common stock to be issued in the offering will include a restrictive legend indicating that the shares are being issued pursuant to Regulation S under the Securities Act and are deemed to be "restricted securities." As a result, the purchasers of such shares will not be able to resell the shares unless in accordance with Regulation S, pursuant to a registration statement, or upon reliance of an applicable exemption from registration under the Securities Act.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained in Item 1.01 above is incorporated by reference.
