#PageNum#

3. Q: Who is entitled to vote?

The record of stockholders entitled to vote at the Annual Meeting was taken at the close of business on October 15, A: 2012 (the "Record Date"). As of the Record Date, the Company had outstanding 2,480,269 shares of common stock, par value \$0.01 per share (the "Common Stock").

4. Q: How many shares may vote at the Annual Meeting?

A: Each record holder of Common Stock is entitled to one vote per share of Common Stock owned on the Record Date.

5. Q: How do I vote my shares?

A: A proxy card is included with the proxy materials being sent to you. The proxy card allows you to specify how you want your shares voted as to each proposal listed. The proxy card provides space for you to:

Vote for, or withhold authority to vote for, each nominee for director;
Vote for or against, or abstain from voting on, the ratification of the appointment of UHY LLP as independent public accountants for the fiscal year ending June 30, 2013;

If the proxy card is properly signed and returned to us, shares covered by the proxy card will be voted in accordance with the directions you specify on the card. The person named as proxy on the proxy card is Brad Juneau, the Company's President and Acting Chief Executive Officer. Any stockholder who wishes to name a different person as his or her proxy may do so by crossing out Mr. Juneau's name and inserting the name of another person to act as his or her proxy. In such a case, the stockholder would be required to sign the proxy card and deliver it to the person named as his or her proxy, and that person would be required to be present and vote at the Annual Meeting. Any proxy card so marked should not be mailed to the Company.

If you return a signed proxy card without having specified any choices, Mr. Juneau, named as proxy, will vote the shares represented at the Annual Meeting and any adjournment thereof as follows:

FOR the election of each nominee for director;

As of the Record Date, executive officers and directors collectively beneficially owned or had voting control over 734,588 shares of Common Stock, representing approximately 28.5% of the total shares entitled to vote. See “Security Ownership of Certain Beneficial Owners and Management”.

7. Q: What vote is required?

A: All proposals will require an affirmative vote of a majority of the shares present in person or by proxy and voting at the Annual Meeting.

8. Q: What is a “quorum”?

A: Presence at the Annual Meeting, in person or by proxy, of holders of a majority of the votes entitled to be cast by all record holders of the Company’s Common Stock will constitute a quorum for the transaction of business. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

9. Q: What is the effect of an abstention or a broker non-vote?

A: Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. A broker non-vote occurs when a nominee holding shares of the Company’s Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders as a vote against, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.

10. Q: What does it mean if I receive more than one proxy card?

A: If your shares are registered differently or in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted.

11. Q: Can I revoke my proxy?

A: You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing with or transmitting to our corporate secretary either a notice of revocation or a properly created proxy bearing a later date. You also may attend the Annual Meeting and revoke your proxy by voting your shares in person.

12. Q: How will the Company solicit proxies?

A: Proxies may be solicited in person, by telephone, facsimile, mail or e-mail by directors, officers and employees of the Company without additional compensation. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders.

Mail will not be opened but will be forwarded to the Chairman of the Audit Committee or the named independent director. Mail addressed to the Board of Directors will be delivered to Brad Juneau, President and Acting Chief Executive Officer. Mr. Juneau is not an independent director.

PROPOSAL 1
ELECTION OF DIRECTORS

At the Annual Meeting, we will present the nominees named below and recommend that they be elected to serve as directors until the next annual stockholders meeting or until their successors are duly elected and qualified. Each nominee has consented to being named in this Proxy Statement and to serve if elected.

Your proxy will be voted for the election of the four nominees named below unless you give instructions to the contrary. Your proxy cannot be voted for a greater number of persons than the number of nominees named.

Nominees

Presented below is a description of certain biographical information, occupations and business experience for the past five years of each person nominated to become a director. Four directors are to be elected at the Annual Meeting. All nominees are current directors standing for reelection to the Board. If any nominee should become unavailable for election, your proxy may be voted for a substitute nominee selected by the Board, or the Board's size may be reduced accordingly. The Board is unaware of any circumstances likely to render any nominee unavailable. Directors of the Company hold office until the next annual stockholders meeting, until successors are elected and qualified or until their earlier resignation or removal.

On September 15, 2010, the Company's board of directors established a Nominating Committee to recommend nominees for director to the Board and to insure that such nominees possess the director qualifications set forth in the Company's Corporate Governance Guidelines. Additionally, the Nominating Committee reviews the qualifications of existing Board members before they are nominated for re-election to the Board. Once nominees are selected, the Board determines which nominees are presented to the Company's stockholders for final approval.

Each Board member other than Kenneth R. Peak and Brad Juneau is an independent director. The Board will also consider nominees recommended by stockholders. The Company's Bylaws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. The procedures include a requirement that notices regarding a person's nomination be received in writing from the stockholder and by the Company's Secretary not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's annual meeting. Moreover, the notice must include such nominee's written consent to be named in the Company's Proxy Statement and to serve if elected. Supporting information should include (a) the name and address of the candidate and the proposing stockholder, (b) a comprehensive biography of the candidate and an explanation of why the candidate is qualified to serve as a director taking into account the criteria identified in our corporate governance guidelines and (c) proof of ownership, the class and number of shares, and the length of time that the shares of our common stock have been beneficially owned by each of the candidate and the proposing stockholder. Minimum qualifications include extensive business experience, a solid understanding of financial statements and a reputation for integrity. Each nominee below has been recommended by the Nominating Committee.

CORPORATE GOVERNANCE

We believe that good corporate governance is important to assure that the Company is managed for the long term benefit of its stockholders. The Board and management of the Company are committed to good business practices, transparency in financial reporting and the highest level of corporate governance and ethics. The Board has specifically reviewed the provisions of the Sarbanes-Oxley Act of 2002, the rules of the Securities and Exchange Commission (“SEC”) and the NASDAQ listing standards and rules to maintain its standards of good corporate governance.

The Board has reaffirmed existing policies and initiated actions adopting policies consistent with new rules and listing standards. In particular, we have:

An Audit Committee consisting solely of independent directors.

Adopted a formal Audit Committee Charter in September 2010, a copy of which is available on the Company’s website at www.contangoore.com, which is reviewed annually by the Audit Committee.

An Audit Committee empowered to engage independent auditors.

Provided the Audit Committee with access to independent auditors, legal counsel and all management and employee levels.

Adopted a Code of Ethics that satisfies the definition of “code of ethics” under the rules and regulations of the SEC, a copy of which is available on the Company’s website. The Code of Ethics applies to all of the Company’s employees, including its principal executive officer, principal financial officer, and principal accounting officer.

Adopted a formal whistleblower protection policy.

Adopted a formal process for stockholders to communicate with the independent directors.

Adopted a formal Nominating Committee Charter in September 2010, a copy of which is available on the Company’s website, which is reviewed annually by the Nominating Committee.

Prohibited personal loans to officers and directors.

Taken appropriate Board and management action to achieve timely compliance with Section 404 of the Sarbanes-Oxley Act of 2002 regarding controls and procedures over financial reporting.

Independence. After reviewing the qualifications of our current directors and nominees, and any relationships they may have with the Company that might affect their independence, the Board has determined that each director and nominee, other than Mr. Peak and Mr. Juneau, is “independent” as that concept is defined by the NASDAQ listing standards. Both Mr. Peak and Mr. Juneau are executive officers of the Company and, therefore, the Board has concluded that Mr. Peak and Mr. Juneau are not independent directors.

Corporate Authority & Responsibility. All corporate authority resides in the Board, as the representative of the stockholders. Authority is delegated to management by the Board in order to implement the Company’s mission. Such delegated authority includes the authorization of spending

limits and the authority to hire employees and terminate their services. The independent members of the Board retain responsibility for selection, evaluation and the determination of compensation of the chief executive officer of the Company, oversight of the succession plan, approval of the annual budget, assurance of adequate systems, procedures and controls, and all matters of corporate governance. Each Board member other than Mr. Peak and Mr. Juneau is independent. Additionally, the Board provides advice and counsel to senior management.

Compensation of Directors. None of the Board members has received cash compensation since the founding of the Company. Each outside director of the Company, except Mr. Juneau, received stock options to acquire (i) 5,000 shares of Common Stock in September 2011 with an exercise price of \$12.75 and (ii) 10,000 shares of Common Stock in July 2012 with an exercise price of \$10.00. There were no other payments for meetings attended or being chairman of a committee. Compensation of directors is determined by Mr. Peak and the independent directors. Directors who are also employees of the Company do not receive compensation for serving as a director or as a member of a committee of the Board of Directors. All directors are reimbursed for reasonable out-of-pocket expenses incurred in connection with serving as a member of the Board of Directors.

Director Compensation Table. The following table sets forth the compensation paid by the Company to non-employee directors for the fiscal year ended June 30, 2012:

Name (1)	Fees earned or paid in cash (\$)	Stock Awards (\$)(2)	Option Awards (\$)(3)	All other compensation (\$)(4)	Total (\$)
Joseph S. Compofelice	—	18,194	10,969	—	29,163
Joseph G. Greenberg	—	18,194	10,969	—	29,163

(1) Kenneth R. Peak, the Company's Chairman and Brad Juneau, the Company's President and Acting Chief Executive Officer, are not included in this table as they are employees of the Company. The compensation Mr. Peak received as an employee of the Company is shown in the Summary Compensation Table. Mr. Juneau was elected a member of the Board of Directors and President and Acting Chief Executive Officer in August 2012. Mr. Juneau does not receive compensation from the Company but, through JEX, has certain overriding royalty rights in the properties of the Company as described below in "Certain Relationships and Related Transactions".

(2) The amounts shown represent expense recognized in the consolidated financial statements contained in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2012 ("2012 Consolidated Financial Statements") related to restricted stock awards granted to non-employee directors during the fiscal year ended 2012, excluding any assumptions for future forfeitures. There were no actual forfeitures of non-employee director restricted stock awards in fiscal year 2012. These restricted stock awards were granted in November 2010.

One-third of the shares granted vest in November 2011, the one-year anniversary of the date the shares were granted; one-third vest in November 2012 and one-third vest in November 2013.

(3) The amounts shown represent expense recognized in the 2012 Consolidated Financial Statements related to stock option awards granted to non-employee directors during the fiscal year ended 2012, excluding any assumptions for future forfeitures. There were no actual forfeitures of non-employee director stock option awards in fiscal year 2012 and all other assumptions used to calculate the expense amounts shown above are set forth in Note 10 to the 2012 Consolidated Financial Statements. One-third of the options granted vested immediately on the date of grant and one-third vest on each of the next two annual anniversaries of the date of grant.

(4) The Company did not pay a cash salary, have non-equity incentive plan compensation, have any type of deferred compensation program, or pay any other form of compensation to its Named Executive Officers in fiscal year 2012.

Board Size. We believe smaller to mid-size boards are more cohesive, work better together and tend to be more effective monitors than larger boards. Our Bylaws currently provide for at least three and not more than seven directors.

Annual Election of Directors. In order to create greater alignment between the Board's and our stockholders' interests and to promote greater accountability to the stockholders, directors are elected annually.

Meetings. Our Board has meetings as necessary. During the fiscal year ended June 30, 2012, the Board held four meetings. During the fiscal year ended June 30, 2012, the Board passed resolutions by unanimous written consent on two occasions. All of our Board members attended 100% of all Board and applicable committee meetings. We encourage our Board to attend our annual meeting of stockholders.

Committee Structure. It is the general policy of the Company that the Board as a whole will consider all major decisions. The committee structure of the Board includes the Audit Committee, the Compensation Committee, and the Nominating Committee. The Board may form other committees as it determines appropriate. A copy of the charter for each committee is available to any stockholder who requests a copy by delivering written notice to Contango ORE, Inc., 3700 Buffalo Speedway, Suite 960, Houston, Texas 77098.

Audit Committee. The Audit Committee was established by the Board for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the financial statements of the Company. The Audit Committee recommends the appointment of independent public accountants to conduct audits of our financial statements, reviews with the accountants the plan and results of the auditing engagement, approves other professional services provided by the accountants and evaluates the independence of the accountants. The Audit Committee also reviews the scope and adequacy of our system of internal controls and procedures over financial reporting. Members of the Audit Committee are Messrs. Compofelice (Committee Chairman) and Greenberg. Each member of the Audit Committee is independent, as independence for audit committee members is defined in the listing standards and the applicable rules of the SEC. The Audit Committee met formally four times during the fiscal year ended June 30, 2012. The Board has determined that Mr. Compofelice is an "audit committee financial expert" as defined by the rules of the SEC.

Compensation Committee. The Compensation Committee was created by the Board for the purpose of administering the Equity Plan and the compensation for Mr. Peak. Additionally, the Compensation Committee determines which executive officers and other employees may receive stock options, stock units, stock awards, stock appreciative rights and other stock based awards and the amounts of such stock based awards. Members of the Compensation Committee are Messrs. Compofelice (Committee Chairman) and Greenberg. Each member of the Compensation Committee is an "outside director" as defined under section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") and is "independent" as defined in the applicable rules of the SEC. The Compensation Committee did not meet formally during the fiscal year ended June 30, 2012, but did meet as part of the regular Board.

Nominating Committee. The Nominating Committee was created by the Board for the purpose of overseeing the identification, evaluation and selection of qualified candidates for appointment or election to the Board. The Nominating Committee identifies individuals qualified to become Board members and recommends to the Board nominees for election as directors of the Company, taking into account that the Board as a whole shall have competency in industry knowledge, accounting and finance, and business judgment. The Nominating Committee seeks members from diverse backgrounds so that the

#PageNum#

Board consists of members with a broad spectrum of experience and expertise and with a reputation for integrity. Directors should have experience in positions with a high degree of responsibility, be leaders in the companies or institutions with which they are affiliated, and be selected based upon contributions that they can make to the Company. The Nominating Committee shall give the same consideration to candidates for director nominees recommended by Company stockholders as those candidates recommended by others. Members of the Nominating Committee are Messrs. Greenberg (Committee Chairman) and Compofelice. Each member of the Nominating Committee is independent as independence for nominating committee members is defined in the NASDAQ listing standards and the applicable rules of the SEC. The Nominating Committee met formally once during the fiscal year ended June 30, 2012.

Board Leadership Structure. The Board of Directors elected Mr. Peak as both Chairman and Chief Executive Officer for a number of reasons prior to Mr. Peak's medical leave of absence. Mr. Peak is the founder of the Company and owns approximately 26% of the Company's common stock, making him our largest shareholder. Mr. Peak built Contango into a large successful gas and oil company with a market capitalization exceeding \$750 million. Furthermore, we believe that the advantages of having a single Chief Executive Officer and Chairman with extensive knowledge of our Company outweigh potential disadvantages. Mr. Peak is currently on a medical leave of absence for up to six months and Mr. Juneau is serving as President and Acting Chief Executive Officer.

Risk Oversight. We administer our risk oversight function through our Audit Committee and our Compensation Committee as well as through our Board as a whole. Our Audit Committee is empowered to appoint and oversee our independent registered public accounting firm, monitor the integrity of our financial reporting processes and systems of internal controls and provide an avenue of communication among our independent auditors, management, our internal auditing department and our Board. Our Compensation Committee is responsible for overseeing the management of risks related to our compensation arrangements.

More information about the Company's corporate governance practices and procedures is available on the Company's website at www.contangoore.com.

THE BOARD RECOMMENDS A VOTE "FOR" THE ELECTION OF THE FOUR NOMINEES AS DIRECTORS OF CORE, TO SERVE UNTIL THE NEXT ANNUAL MEETING OF STOCKHOLDERS OR UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

At the Annual Meeting, the Board will present a proposal to the stockholders to approve and ratify the engagement of UHY LLP. The Board expects that representatives of UHY LLP will be present and will have the opportunity to make a statement, if they desire, and to respond to appropriate questions. The Audit Committee will consider the failure to ratify its selection of UHY LLP as independent public accountants as a direction to select other auditors for the fiscal year ending June 30, 2013.

All of the 2012 audit services provided by UHY LLP were pre-approved by the Audit Committee. The Audit Committee has established pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee selects and appoints outside auditors, considers the independence and effectiveness of the outside auditors, approves the fees and other compensation to be paid to the outside auditors and is responsible for oversight of the outside auditors and reviews any revisions to the estimates of audit and non-audit fees initially approved. The Audit Committee's procedures prohibit the independent auditor from providing any non-audit services unless the service is permitted under applicable law and is pre-approved by the Audit Committee.

#PageNum#

The Audit Committee receives the written disclosures required by generally accepted auditing standards. The Audit Committee annually requires the outside auditors to provide the Audit Committee with a written statement delineating all relationships between the outside auditors and the Company. The Audit Committee actively engages in a dialogue with the outside auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditors. The Audit Committee recommends that the Board of Directors take appropriate action in response to the outside auditors' report to satisfy itself of the outside auditors' independence. The scope of services and fees are required to be compatible with the maintenance of the accounting firm's independence, including compliance with SEC rules and regulations.

THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF UHY LLP AS INDEPENDENT PUBLIC ACCOUNTANTS.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section of the Proxy Statement describes and analyzes our executive compensation philosophy and program in the context of the compensation paid during the last fiscal year to our named executive officers.

Overview of 2012 fiscal year Performance and Compensation. We are engaged in the exploration in the State of Alaska for (i) gold and associated minerals and (ii) rare earth elements. During the fiscal year ended June 30, 2012, the Company continued its 2012 exploration program with geological surveying, geochemical sampling, geochemical evaluation for gold and rare earth elements and two-dimensional and three dimensional electromagnetic exploration for gold and rare earth.

Philosophy. The Company is an exploration stage organization without any source of revenue. It has four part-time employees. The Company will not pay any salaries or other benefits to its executive employees for the foreseeable future and until such time as the business of the Company may require cash compensation. The Company has implemented an equity compensation program for its executive officers that will provide an incentive for such officers to achieve the Company's business objectives.

Objectives. We compete with a variety of companies and organizations to hire and retain individual talent. As a result, the primary goal of our compensation program is to help us attract, motivate and retain the best people possible. We implement this philosophy by:

- encouraging, recognizing and rewarding outstanding performance;
- recognizing and rewarding individuals for their experience, expertise, level of responsibility, leadership, individual accomplishment and other contributions to us; and
- recognizing and rewarding individuals for work that helps increase our value.

We use executive compensation to align our executive officers' goals with our mission, business strategy, values and culture.

Market Compensation Data. The Company has selected a list of six peer companies (the "Peer Group"), all of which are very small companies in the mining industry. These companies share relevant business risk and financial factors such as revenue, market capital, net income, and total assets. Companies similar in size but in unrelated industries are not included because the Company typically

#PageNum#

does not hire executives from such companies, nor would the Company be likely to lose executives to such companies:

• Rare Element Resources

• Avalon Rare Metals, Inc.

• Core Rare Metals, Inc.

• Corvus Gold

• Kiska Metals Corp.

• Freegold Ventures

Components of Senior Executive Compensation. The primary element of annual compensation for senior executives is the granting of equity awards in the form of restricted stock and stock options. Compensation for each senior executive is designed to align the executive's incentives with the long-term interests of the Company's stockholders. The Company only has four part-time employees and as a result, our executives are required to manage a number of different responsibilities and projects. The Company predominantly grants equity awards to create incentives for future performance. Executives receive equity awards to align their interests with our stockholders' interests and for working toward the long-term success of the Company.

Equity Awards

The Company's equity compensation program includes two forms of long-term incentives: restricted stock and stock options. Award size and frequency are based on each executive's demonstrated level of performance and Company performance over time. All awards shall be made by the Compensation Committee. The Compensation Committee reviews award levels from time to time but at least annually. In making individual awards, the Compensation Committee considers industry practices, the performance of each executive, the performance of the Company, the value of the executive's previous awards and the Company's views on executive retention and succession. In July 2012, Mr. Peak, Mr. Castro and Ms. Makalskaya were granted stock options to acquire 25,000, 10,000 and 10,000 shares of Common Stock, respectively. No other equity awards were granted to senior executives.

The Company currently has 2.7 million fully diluted shares, as compared to 1.7 million fully diluted shares at June 30, 2011.

Equity Award Mechanics. On September 15, 2010, the Board adopted the Equity Plan. Awards typically fall into two categories: annual awards and new hire and promotion awards. New hire and promotion awards are made on the date of hire or promotion, and annual awards are made in June. From time to time the Board of Directors may make grants at other times in connection with employee retention.

All stock option awards have a per share exercise price equal to the closing price of our Common Stock on the grant date. Stock option awards and restricted stock awards vest upon the passage of time. The Board of Directors has not granted, nor does it intend in the future to grant, equity awards in anticipation of the release of material nonpublic information. Similarly, the Company has not timed, nor does it intend in the future to time, the release of material nonpublic information based upon equity award grant dates.

Deferred Compensation and Retirement Plans. The Company does not have a deferred compensation program, pension benefits, a retirement plan, or any sort of post retirement healthcare plan. Additionally, the Company does not have any potential post-employment payments resulting from termination or a change in control of the Company.

#PageNum#

Perquisites and Other Benefits. The Company does not have any perquisites or employee benefit plans, such as medical, dental, group life and disability insurance.

Regulatory Considerations. It is the Company's policy to make reasonable efforts to cause executive compensation to be eligible for deductibility under Section 162(m) of the Code. Under Section 162(m), the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and to each of its four other most highly compensated executive officers may be limited to the extent that such compensation exceeds \$1.0 million in any one year. Under Section 162(m), the Company may deduct compensation in excess of \$1.0 million if it qualifies as "performance-based compensation", as defined in Section 162(m). While the Company does not design its compensation programs for tax purposes, in general, the Incentive Plan and the 2009 Plan are designed to allow awards and grants to be eligible for deductibility under Section 162(m).

Employment and Severance Agreements. We have no employment or severance agreement with any executive officer except for Mr. Peak.

Employment Agreement with Mr. Peak

We entered into a Chairman Agreement with Mr. Peak on November 1, 2010 in conjunction with his appointment as Chairman of the Company. In November 2010, the Company issued 23,477 restricted shares of Common Stock to Mr. Peak as compensation for his services, which vest over a period of three years beginning in November 2011. In September 2011, Mr. Peak received options to purchase 15,000 shares of Common Stock, which vest over a period of two years beginning in September 2011. In July 2012, Mr. Peak received options to purchase 25,000 shares of Common Stock, which vest over a period of two years beginning in July 2012. Mr. Peak receives no salary or other compensation. Mr. Peak's employment arrangement is for a term of one year, and for month-to-month thereafter, terminable upon 90 days' written notice, but is reviewed on an annual basis for appropriate changes in salary, benefits or other employment matter. Pursuant to the terms of the Chairman Agreement, Mr. Peak is not permitted to have an ownership interest in any company that competes with the Company. In August 2012, Mr. Peak received a medical leave of absence from the Company for up to six months and in October 2012, the Compensation Committee elected to immediately vest all restricted shares and options held by Mr. Peak.

Compensation Risk Management. The Compensation Committee considers, in establishing and reviewing our executive compensation program, whether the program encourages unnecessary or excessive risk taking and has concluded that it does not. None of our officers has received cash compensation since the founding of the Company. The Compensation Committee believes that our equity-based awards program appropriately balances risk and the desire to focus executives on specific goals important to the Company's success, and that they do not encourage unnecessary or excessive risk taking. In addition, the Compensation Committee believes that our current equity-based awards program provides an appropriate balance between the goals of increasing the price of our Common Stock and avoiding risks that could threaten our growth and stability.

Other Compensation Arrangements. Mr. Juneau was appointed the President and Acting Chief Executive Officer of the Company in August 2012. Mr. Juneau is the sole manager of the general partner of JEX which has entered into a number of agreements and arrangements with the Company. These agreements and arrangements are described under "Certain Relationships and Related Transactions" and have been approved by the Audit Committee of the Company. Mr. Juneau is not directly compensated by the Company for serving as President and Acting Chief Executive Officer.

Equity Compensation Plans and Other Compensation Arrangements

Under the 2010 Equity Compensation Plan, the Compensation Committee can grant stock options, restricted stock awards stock appreciation rights or other stock-based awards to employees, consultants or non-employee directors of the Company. Pursuant to the terms of the Equity Plan, 1,000,000 shares of unissued Common Stock are authorized and reserved for issue under nonqualified stock options, incentive stock options and restricted stock grants. The maximum aggregate number of shares of Common Stock of the Company with respect to which all grants may be made to any individual is 100,000 shares during any calendar year.

Options may be granted to employees, consultants and non-employee directors. Incentive stock options may be granted only to employees of the Company or its subsidiaries. Non-qualified stock options may be granted to employees, consultants or non-employee directors. The Compensation Committee shall determine the term of options granted to participants under the Plan but in any event all options must be exercised no later than the ten years from the issue date. All options may only be exercised while a participant is employed as an employee or providing services as a consultant or non-employee director. Restricted stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable period of restriction established by the Compensation Committee and specified in the award agreement granting the restricted stock.

In making the decision to make additional grants and/or awards, the Compensation Committee would consider factors such as the size of previous grants/awards and the number of stock options and shares of stock already held and the degree to which increasing that ownership stake would provide the additional incentives for future performance, the likelihood that the grants/awards would encourage the executive officer to remain with the Company and the value of the executive's service to the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act of 1934 requires our officers and directors and persons who own more than 10% of our Common Stock to file reports of ownership and changes in ownership with the SEC. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based on our review of the copies of such reports, we believe that all such reports required by Section 16(a) of the Exchange Act were in compliance with such filing requirements during the fiscal year ended June 30, 2012.

Certain Relationships and Related Transactions

In March 2012, the Company completed the issuance and sale of an aggregate of 882,500 shares of Common Stock, at a purchase price of \$10.00 per share, in a private placement to certain investors, pursuant to the Securities Purchase Agreement dated as of March 22, 2012. Mr. Peak invested in the private placement. See "Security Ownership of Certain Beneficial Owners and Management" for more information regarding Mr. Peak's holdings.

In August 2012, Mr. Juneau was elected President, Acting Chief Executive Officer and a director of the Company. Mr. Juneau is the sole manager of the general partner of JEX. JEX entered into a Mineral Lease dated effective July 15, 2008 covering approximately 675,000 acres ("Lease") with the Native Village of Tetlin, also known as the Tetlin Village Council, an Alaska Native Tribe, and acquired certain State of Alaska Mining Claims prospective for gold and related minerals covering approximately 18,560 acres ("Tetlin Claims").

Contango Mining Company ("Contango Mining"), a wholly-owned subsidiary of Contango, was formed in October 2009 for the purpose of engaging in exploration in the State of Alaska for (i) gold ore and associated minerals and (ii) rare earth elements. Contango Mining initially acquired a 50% interest in the Tetlin Claims in Alaska from JEX in exchange for \$1 million and a 1% ORRI in the properties under a Joint Exploration Agreement (the "Joint Exploration Agreement"). We believe JEX expended approximately \$1 million on exploratory activities and related work on the properties prior to selling the initial 50% interest to Contango Mining. Contango Mining also agreed to fund the next \$2 million of exploration costs. During the fiscal year ended June 30, 2011 and 2010, Contango Mining paid JEX approximately \$0.9 million and \$0.5 million, respectively, for exploration costs incurred by JEX in the State of Alaska.

In September 2010, Contango Mining acquired the remaining 50% interest in the properties by increasing the ORRI granted to JEX in the acquired properties to 3% pursuant to an Amended and Restated Conveyance of Overriding

Royalty Interest (the “Amended ORRI Agreement”). Contango Mining assumed control of the exploration activities and JEX and Contango Mining terminated the Joint

#PageNum#

Exploration Agreement. In September 2012, the Company and JEX entered into an Advisory Agreement in which JEX agreed to assist the Company in acquiring additional properties in the State of Alaska in return for a 2% ORRI in any such properties acquired.

The Company was formed on September 1, 2010 as a wholly-owned subsidiary of Contango and in November 2010, Contango Mining assigned the properties and certain other assets and liabilities to Contango. Contango contributed the properties and \$3.5 million of cash to the Company, pursuant to the terms of a Contribution Agreement (the "Contribution Agreement"), in exchange for approximately 1.6 million shares of the Company's common stock. The transactions took place between companies under common control. Contango distributed all of the Company's common stock to Contango's stockholders of record as of October 15, 2010, promptly after the effective date of the Company's Registration Statement Form 10 on the basis of one share of common stock for each ten (10) shares of Contango's common stock then outstanding.

In November 2011, Contango executed a \$1.0 million Revolving Line of Credit Promissory Note to lend money to the Company (the "CORE Note"). The Company and Contango share executive officers. The CORE Note contains covenants limiting the Company's ability to enter into additional indebtedness and prohibiting liens on any of its assets or properties. Borrowings under the CORE Note bear interest at 10% per annum. Principal and interest are due from CORE to Contango on December 31, 2012, and may be prepaid at any time with no prepayment penalty.

On March 30, 2012, the Company repaid \$500,000 it had borrowed under the CORE Note, plus accrued interest of approximately \$15,000. As of June 30, 2012, there are no amounts outstanding under the CORE Note. The Company may re-borrow any portion of the \$1.0 million under the CORE Note through December 31, 2012.

The Company does not lease office space, but rather uses the corporate offices leased by Contango. Contango's 60-month lease agreement at 3700 Buffalo Speedway, Ste 960, Houston, TX 77098 expires on December 31, 2015.

Related Person Transaction Policies and Procedures

The Company has instituted policies and procedures for the review, approval and ratification of "related person" transactions as defined under SEC rules and regulations. Our Audit Committee Charter requires management to inform the Audit Committee of all related person transactions. Examples of the type of transactions the Audit Committee reviews include payments made by the Company directly to a related person (other than in his or her capacity as a director or employee), or to an entity in which the related person serves as an officer, director, employee or owner, and any other transaction where a potential conflict of interest exists. In order to identify any such transactions, among other measures, the Company requires its directors and officers to complete questionnaires identifying transactions with any company in which the officer or director or their family members may have an interest. In addition, our Code of Ethics requires that the Audit Committee review and approve any related person transaction before it is consummated. The Audit Committee of the Company has reviewed and approved all agreements and arrangements described above in "Certain Relationships and Related Transactions."

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is a standing committee of the Board of Directors, which met four times during the fiscal year ended June 30, 2012. The Audit Committee consists of two members, Joseph S.

#PageNum#

Compofelice (Chairman), and Joseph G. Greenberg, each of which is independent as defined in the listing standards.
