INFORMATION STATEMENT

This information statement (Information Statement) is being furnished to holders of record of the common stock, par value \$0.001 per share, at the close of business on September 7, 2010, of Multisys Language Solutions, Inc., a Nevada corporation (Multisys), with respect to the potential amendment of the articles of incorporation to change the corporate name.

ABOUT THIS INFORMATION STATEMENT

What is the purpose of this Information Statement?

This Information Statement is being provided pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the Exchange Act), to notify our stockholders, as of the close of business on August 13, 2010 (the Record Date), of the amendment of the articles of incorporation to be taken pursuant to the written consent of stockholders holding a majority of the issued and outstanding shares of Multisys common stock. A majority of the holders of the Multisys common stock has approved the potential amendment of Article I of the Articles of Incorporation, changing the name of our company from MULTISYS LANGUAGE SOLUTIONS, INC. to BAKKEN RESOURCES, INC., predicated on the successful completion of the current 2010 private placement. In order to eliminate the costs and management time involve in holding a special meeting, and in order to effect the corporate action as soon as possible, we decided to proceed with the corporate action by obtaining the written consent of stockholders holding a majority of the voting power.

Who is entitled to notice?

All holders of shares of common stock of record on the close of business on the Record Date are entitled to notice of the corporate name change.

On what corporate matters did the principal stockholders vote?

The stockholders, who hold 60.9% of the total issued and outstanding voting capital stock of Multisys on the Record Date, hold a majority of the issued and outstanding voting capital stock required to vote on the corporate name change. The stockholders have voted for the following corporate action (the Action):

For the approval of an amendment to our articles of incorporation to change the corporate name Multisys Language Solutions, Inc. to Bakken Resources, Inc. , predicated on the successful completion of the current 2010 private placement.

What vote is required to approve the Actions?

In order to amend the articles of incorporation to change the corporate name, the affirmative vote of a majority of the voting capital stock is required. On August 25, 2010, stockholders holding a majority of the issued and outstanding shares of common stock signed a written consent in favor of the name change. Under Section 78.320 of the Nevada Revised Statutes, all activities requiring stockholder approval may be taken by obtaining the written consent and approval of more than 50% of the holders of voting stock in lieu of a meeting of the stockholders. Because stockholders holding a majority of the issued and outstanding shares of common stock are entitled to cast a vote representing 3,750,000 shares of common stock (which shares are equal to 60.9% of the total issued and outstanding voting capital stock on the Record Date), no action by the minority stockholders in connection with the corporate name change is required.

On August 24, 2010, our board of directors adopted a resolution declaring it advisable to amend our company's articles of incorporation to change the name of our company from Multisys Language Solutions, Inc. to Bakken Resources, Inc., predicated on the successful completion of the current 2010 private placement. On August 25, 2010, we received a written consent in lieu of a meeting of stockholders from the holders of 3,750,000 shares of common stock (which shares are equal to 60.9% of the issued and outstanding shares of common stock) approving the amendment to the Article of Incorporation to change the corporate name if the certain requirement of completing the current 2010 private placement is met. A copy of the Certificate of Amendment to Articles of Incorporation is attached as Appendix A hereto.

Name Change and Change of the Purpose of the Company

Our current Articles of Incorporation states that the name of our company is Multisys Language Solutions, Inc.

Our Board of Directors unanimously approved, subject to stockholder approval, the Certificate of Amendment to change our name from Multisys Language Solutions, Inc. to Bakken Resources, Inc., predicated on the successful completion of the current 2010 private placement, and to expand the scope of the business in which we engage, thereby allowing us to engage in any lawful activity for which may be organized in the State of Nevada.

Stockholder approval for the Certificate of Amendment changing our company's name was obtained by Written Consent of Stockholders holding at least a majority of our issued and outstanding Common Stock as of the Record Date.

Purpose of Changing the Name of the Company

We intend to change our principal business activity from software marketing to oil and gas exploration.

Multisys is proposing to acquire certain assets from Holms Energy, LLC, by exercising an executed option of an asset purchase agreement, subject to Multisys completing the sale of a minimum number of units in a current private offering. The assets acquired from Holms Energy, LLC, will be held in Multisys Acquisition, Inc., a wholly-owned subsidiary of Multisys formed for the sole purpose of accomplishing the acquisition of the Holms Energy, LLC, assets efficiently and timely.

In connection with our acquisition of these certain rights, the Board of Directors has determined that the change of our name to Bakken Resources, Inc. is in the best interest of stockholders and will more accurately reflect, and allow us to engage in, our anticipated future business operations.

Effective Date of the Action

The Certificate of Amendment effecting the name change will become effective following filing with the Secretary of State of the state of Nevada, which will occur promptly following the 20th day after the mailing of this Information Statement to our stockholders as of the Record Date.

Dissenters Right of Appraisal

Under Nevada law and our articles of incorporation and bylaws, no stockholder has any right to dissent to the proposed corporate name change, and no stockholder is entitled to appraisal of or payment for their shares of common stock pursuant to such action.

No Meeting of Stockholders Required

We are not soliciting any votes with regard to the amendment of the articles of incorporation to change the name of our company to issue shares of our common stock, to change the name of our company, and to authorize changes in our board of directors. The principal stockholders that have consented to the name change hold a majority of the total issued and outstanding shares of voting capital stock and, accordingly, such principal stockholders have sufficient shares to approve the corporation name change.
