**ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS,
AND DIRECTOR INDEPENDENCE**

Transactions Involving Officers, Directors, and Stockholders

In 2007, we appointed Fadi Nora to our board of directors. In addition to compensation we normally pay to non-employee members of our board, Mr. Nora is entitled to a quarterly bonus equal to 0.5% of any gross sales earned by us directly through Mr. Nora's efforts. As of December 31, 2012 and 2011, we owed \$60,321 and \$52,403 under this arrangement. Mr. Nora has loaned us various amounts through cash contributed and expenses paid on our behalf. During the years ended December 31, 2012 and 2011 Mr. Nora received cash payments totaling \$239,500 and \$172,000 from us to pay his personal credit card for expenses paid on our behalf. As of December 31, 2012 and 2011, we still owed Mr. Nora \$1,040,829 and \$1,299,829 in the form of unsecured advances, respectively. These advances and short-term bridge loans were approved by our board of directors under a 5% borrowing fee. The borrowing fees were waived by Mr. Nora on these loans. In addition, we owed Mr. Nora \$448,719 and \$1,208,756 in accrued liabilities as of December 31, 2012 and 2011, for selling, general, and administrative expenses that were paid for by Mr. Nora on a personal credit card.

We have agreed to issue 2,400,000 options each year to Mr. Nora as compensation for services provided as our director. The terms of the director agreement requires us to grant to Mr. Nora options to purchase 2,400,000 shares of our stock each year, with the exercise price of the options being the market price of our common stock as of the grant date. During the year ended December 31, 2012, we accrued for 2,400,000 stock options relating to the director agreement with Mr. Nora. The fair market value of the options was \$2,341, using the following assumptions: estimated five-year term, estimated volatility of 200.04, and a discount rate of 0.34%. The fair market value of the options was \$4,747, using the following assumptions: estimated five-year term, estimated volatility of 167.47, and a discount rate of 2.02%.

In 2007, we issued a 10% promissory note to a family member of our president in exchange for \$300,000. The note was due on demand after May 2008. During the years ended December 31, 2012 and 2011, we accrued interest expense of \$18,270 and \$15,040, respectively. At December 31, 2012 and 2011, the principal amount owing on the note was \$151,833 and \$151,833, respectively. On March 31, 2008, we issued to this same family member, along with four other Company shareholders, promissory notes totaling \$315,000. The family member's note was for \$105,000. Under the terms of all the notes, we received total proceeds of \$300,000 and agreed to repay the amount

received plus a 5% borrowing fee. The notes were due April 30, 2008, after which they were due on demand, with interest accruing between 10% and 12% per annum. During 2012 and 2011, we made no payments towards the outstanding notes. The principal balance owing on the promissory notes as of December 31, 2012 and 2011, totaled \$72,465 and \$72,465, respectively. At December 31, 2012 and 2011, the accrued interest on the notes was \$31,530 and \$23,704, respectively.

On April 2, 2009, Iehab Hawatmeh, our president, and Fadi Nora, our director, borrowed from a third party a total of \$890,000 in the form of four short-term promissory notes, which they personally guaranteed. Since the loans were used to pay our obligations, we have assumed full responsibility for the notes. Two of the notes were for a term of 60 days, with a 60-day grace period, a third note was for a term of 90 days, and a fourth note was for 24 days. Loan fees totaling \$103,418 were incurred with the issuance of the notes and are payable upon maturity of the notes. During 2012, two of the notes with a combined balance of \$411,912 were converted from short-term advances to a notes payable on CirTran's books, with the intent to convert the liability to membership interest in Play Beverages, LLC, a consolidated variable interest entity. As of December 31, 2012 and 2011, we showed the balances of \$270,000 and \$681,912, respectively, as part of short-term advances payable on the balance sheet. As of December 31, 2012, the two remaining notes were in default and are accruing interest at the default rate of 36% per year.

We have agreed to issue 6,000,000 options each year to Iehab Hawatmeh, our president, as compensation for services provided as our officer. The terms of his employment agreement require us to grant to him options to purchase 6,000,000 shares of our common stock each year, with the exercise price to equal the market price of our common stock as of the grant date. During the years ended December 31, 2012, we accrued for 6,000,000 stock options relating to this employee agreement. The fair market value of the options was \$11,868, using the following assumptions: estimated five-year term, estimated volatility of 167.47, and a discount rate of 2.02%.

As of December 31, 2012 and 2011, we owed Iehab Hawatmeh, our president, a total of \$115,558 and \$179,102, respectively, in unsecured advances and 30,000,000 and 24,000,000 stock options with an aggregated value at time of grant of \$154,547 and \$148,695, respectively. The advances and short-term bridge loans were approved by our board of directors under a 5% borrowing fee, which was waived by Mr. Hawatmeh on these loans.

On January 24, 2011, we entered into a forbearance agreement with YA Global, including a confession of judgment in its favor. In connection with that forbearance agreement, Iehab Hawatmeh, our president, agreed to guarantee such indebtedness on the occurrence of any triggering event, namely breach by Mr. Hawatmeh of his guaranty or the occurrence, while Mr. Hawatmeh is president, of fraud, intentional misrepresentation, or willful misconduct in any loan document or SEC filing, filing a voluntary receivership, the sale of our assets other than in the ordinary course of business, the payment of unbudgeted expenses, unauthorized payments to affiliates, and certain other matters. Such guarantee was secured by a pledge of one-half of his equity interest in Play Beverages, LLC. Mr. Hawatmeh continued his guaranty in connection with the March 22, 2012, forbearance agreement with YA Global, dated as of March 1, 2012, in which we ratified our previous obligations under the debentures and agreed to pay the debentures under a payment plan. In addition to the above minimum payments to YA Global, we were required to pay monthly excess cash flow, to the extent cumulatively available, consisting of consolidated earnings before interest, taxes, depreciation, and amortization, less cash deposits for product orders received but not yet shipped, actual cash taxes paid, actual cash principal and interest paid, and reasonable out-of-pocket cash paid together with reasonable cash reserves in an amount not to exceed 5% of total net sales, *provided* that such excess cash flow payments did not exceed \$50,000 in March 2012 and \$25,000 per month in April through September 2012.

On February 22, 2013, we entered into a Ratification Agreement with YA Global. Under this Ratification Agreement, we ratified the obligations under three existing Convertible Debentures dated May 26, 2005, December 30, 2005, and August 23, 2006, and agreed to amend, restate, and consolidate the obligations evidenced thereby into a Consolidated Debenture.

The Ratification Agreement also provides for a new payment schedule under the Consolidated Debenture that replaces the payment schedule that had been agreed to in a March 1, 2012, Forbearance Agreement among the parties. Under the Ratification Agreement payment schedule, we are required to make monthly payments, to be applied first to accrued interest and then to principal, in the amount of \$100,000 per month, commencing in April 2013. The amount of our required monthly cash payment shall be reduced in an amount equal to the amount credited to the lender against the obligation as a result of the lender's exercise of the right to convert the outstanding balance due under the debentures into common stock, as provided in the original convertible debentures as well as in the Consolidated Debenture. Any amount credited against the debenture obligation in excess of \$100,000 per month shall be credited against the amounts due in the next succeeding month.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

Audit Fees for Fiscal Years 2012 and 2011

The aggregate fees billed to us by Hansen Barnett & Maxwell, P.C., our independent registered public accounting firm and auditor for the fiscal year 2011, and Sadler Gibb & Associates, LLC, our independent registered public accounting firm and auditor for the fiscal year 2012, for the fiscal years ended December 31, 2012 and 2011, are as follows:

	December 31, 2012	December 31, 2011
Audit Fees ⁽¹⁾	\$99,729	\$156,838
Audit-Related Fees	--	--
Tax Fees ⁽²⁾	1,062	10,393

Edgar Filing: CIRTRAN CORP - Form 10-K/A

All Other Fees	--	--
Total Fees	\$100,791	\$167,231

(1) Audit fees consist of the audit of our annual financial statements included in our Annual Report on Form 10-K for our 2012 and 2011 fiscal years and review of interim financial statements and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years.

(2) Tax fees consist of fees for tax consultation and tax compliance services.

Policy on Preapproval of Audit and Permissible Non-Audit Services

Our board preapproves any engagement of Hansen Barnett & Maxwell, P.C., and has the ultimate authority and responsibility to select, evaluate, and when appropriate, replace our independent registered public accountants and nominate an independent registered public accounting firm for stockholder approval. While ratification of the selection of the independent registered public accounting firm by the stockholders is not required and is not binding upon our board, in the event of a negative vote on such ratification, our board might choose to reconsider its selection.

Prior to the performance of any services, our board approves all audit and non-audit services to be provided by our independent registered public accountant and the fees to be paid therefor. Although the Sarbanes-Oxley Act of 2002 permits the audit committee of the board to preapprove some types or categories of services to be provided by the independent registered public accountants, because we do not currently have an audit committee, it is the current practice of our board to specifically approve all services provided by the independent registered public accountants in advance, rather than to preapprove any type of service. Our board of directors, acting in the absence of a designated audit committee, has considered whether the provision of non-audit services is compatible with maintaining the independence of Hansen Barnett & Maxwell, P.C., and has concluded that the provision of such services is compatible with maintaining the independence of our auditors.
