ITEM 5. OTHER ITEMS

As further described in GM's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, on March 12, 2003, GM contributed 149.2 million shares of GM Class H common stock to certain of its U.S. employee benefit plans. In connection with the contribution, GM and United States Trust Company of New York, as trustee for the employee benefit plans, amended and restated their existing restated Registration Rights Agreement, dated July 1, 2000, and existing Transfer Agreement, dated June 12, 2000, and entered into other related agreements. The amended and restated Registration Rights Agreement and amended and restated Transfer Agreement provide various restrictions on the transfer of the shares of GM Class H common stock held by each of the employee benefit plans. In addition, the amended and restated Registration Rights Agreement provides the employee benefit plans certain rights to have their shares of GM Class H common stock registered under the Securities Act of 1933, as amended. This description is qualified by the amended and restated Registration Rights Agreement and related exhibits and the amended and restated Transfer Agreement, copies of which are attached as exhibits hereto.
