PROXY STATEMENT
For
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 2, 2011

INFORMATION ABOUT SOLICITATION AND VOTING

The Board of Directors of Cadiz Inc. (“Cadiz” or “the Company”) is soliciting proxies to be voted at the annual meeting of our stockholders to be held on Tuesday, June 2, 2011, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement contains information that may help you decide how to vote. These proxy materials were mailed on or about April 22, 2011, to all stockholders of record.

Our Annual Report on Form 10-K for the year ended December 31, 2010, including audited financial statements, is being mailed to you with this proxy statement.

RECORD DATE, VOTING SECURITIES AND QUORUM

The Board of Directors has fixed the close of business on April 11, 2011, as the record date for determination of stockholders entitled to notice of, and to vote at, the annual meeting.

On the record date, 13,827,354 shares of our common stock were outstanding. Holders of common stock are entitled to one vote per share. Only stockholders of record at the close of business on the record date will be entitled to vote.

The candidates for director receiving a plurality of the votes of the shares present in person or represented by proxy will be elected (Proposal 1). An affirmative vote of a majority of the shares present or represented by proxy and voting at the meeting is required for ratification of our independent registered public accounting firm (Proposal 2). The affirmative vote of a majority of the shares present or represented by proxy and voting at the meeting is required for approval of the non-binding advisory resolution approving the compensation of our named executive officers (Proposal 3). For the advisory vote regarding the frequency of the non-binding stockholder vote to approve the compensation of our named executive officers (Proposal 4), our Board of Directors currently intends to adopt the frequency option (every one, two or three years) that receives the most votes cast by our stockholders. While the votes on Proposals 3 and 4 are advisory, and will not be binding on us or the Board of Directors, the Board of Directors will review the results of the voting on these resolutions and take them into consideration when making future decisions regarding executive compensation and the frequency of the advisory vote on executive compensation.

If you complete, sign, and date the enclosed proxy and return it before the meeting, the persons named will vote your shares as you specify in the proxy. If you sign, date, and return your proxy but do not indicate how you wish your shares voted, they will be voted for the proposals. If you do not return a signed proxy, or submit your vote via Internet or by phone, then your shares will not be voted unless you attend the meeting and vote in person.

To have a quorum, holders of a majority of all shares of voting stock outstanding on the record date must be present at the meeting, either in person or by proxy. Abstentions and "broker non-votes" - shares held by brokerage firms for their clients as to which the firms have not received voting instructions from their clients and therefore do not have the authority to vote - will be counted for purposes of determining a quorum, but will be treated as neither a vote "for" nor a vote "against" the proposals. However, because Proposals 2 and 3 require that a majority of the shares present in person or by proxy at the meeting and entitled to vote on the proposal must vote "for" in order for these Proposals to pass, an abstention, because it is not a vote "for", will have the effect of a negative vote with respect to these Proposals.

Brokers may no longer vote your shares on the election of directors in the absence of your specific instructions as to how to vote (Proposal 1). Brokers are also not authorized to vote your shares on the advisory, non-binding votes on executive compensation without your instructions. (Proposals 3 and 4) We encourage you to provide instructions to your broker regarding the voting of your shares.

REVOCABILITY OF PROXIES

You may revoke a proxy any time before the voting begins in any of the following ways:

- * By giving written notice to our corporate secretary;
- * By signing and delivering a later dated proxy; or
- * By attending and voting in person at the meeting.

COST OF SOLICITATION

We are paying the expenses of this solicitation. If requested, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy material to principals and obtaining their instructions. In addition to solicitation by mail, our directors, officers, and employees may solicit proxies, without extra compensation, in person or by telephone, fax, e-mail, or similar means.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors has nominated the seven persons listed below for election at the annual meeting to serve as directors for a term expiring at the 2012 Annual Meeting of Stockholders or until their respective successors are elected and qualified.

Keith Brackpool
Murray H. Hutchison
Timothy J. Shaheen
Winston H. Hickox
Geoffrey Grant
Raymond J. Pacini
Stephen E. Courter

Each of the nominees currently serves as a director and has agreed to serve as such for another term if elected. The Board has reviewed the background of the nominees, as set out in the following page, and has determined to nominate each of the current Directors for re-election other than Mr. Stephen J. Duffy, who has agreed that he shall not stand for re-election. Mr. Duffy shall continue to serve on the Board, as well as on the committees of the Board of which he is currently a member, until the annual meeting. Following the annual meeting, the Board will contain a vacancy which may be filled by the Board upon identification of a suitable candidate. Proxies may not be voted for a greater number of persons than seven, representing the number of nominees named in this proxy statement.

The Board believes that each nominee has valuable individual skills and experience that, taken together, provide us with the variety and depth of knowledge, judgement and vision necessary to provide effective oversight of a resource development enterprise like Cadiz. As indicated in the following biographies, the nominees have extensive and diverse experience in a variety of fields, including water policy (Mr. Brackpool and Mr. Shaheen), real estate development (Mr. Hutchison, Mr. Pacini, and Mr. Hickox), environmental stewardship (Mr. Hutchison and Mr. Hickox), agricultural development (Mr. Brackpool and Mr. Shaheen), capital raising (Mr. Brackpool, Mr. Pacini, and Mr. Grant), public accounting (Mr. Pacini, Mr. Shaheen and Mr. Courter), and academia (Mr. Courter).

The Board also believes that, as indicated in the biographies, the nominees have demonstrated significant leadership skills as a chief executive officer (Mr. Brackpool, Mr. Hutchison, Mr. Shaheen, Mr. Pacini, Mr. Grant and Mr. Courter), or in government through Cabinet service (Mr. Hickox). All of the nominees have significant experience in the oversight of public companies due to their service as our directors and directors of other companies. The Board believes that these skills and experiences qualify each nominee to serve as a director of Cadiz.

Proxies will be voted for the election of the nominees named above unless instructions are given to the contrary. Proxies cannot be voted for a greater number of persons than the number of nominees named. Should any nominee become unable to serve as a director, the persons named in the enclosed form of proxy will, unless otherwise directed, vote for the election of such other person as the present Board of Directors may designate to fill that position.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE "FOR" THE ELECTION OF EACH NOMINEE AS A DIRECTOR.

Keith Brackpool is a founder of the Company, has served as a member of our Board of Directors since September 1986, and has served as Chief Executive Officer of the Company since December 1991. Mr. Brackpool assumed the role of Chairman of the Board on May 14, 2001, and was the Chief Financial Officer from May 2003 until October 2005. Mr. Brackpool also served as President of the Company from December 1991 until April 12, 2011. Mr. Brackpool has extensive expertise in Western water policy. He was appointed by former California Governor Gray Davis to co-chair his Agriculture and Water Transition Task Force and also served on the Governor's Commission on Building for the 21st Century, a diverse panel that developed long-term policy proposals to meet the state's future water, housing, technology and transportation needs. In addition to his position with the Company, Mr. Brackpool currently serves as the Chairman of the California Horse Racing Board (CHRB). Mr. Brackpool was appointed to the CHRB in September 2009 by former Governor Arnold Schwarzenegger and elected Chairman in January 2010. Mr. Brackpool is also a principal of 1334 Partners L.P., a partnership that owns commercial real estate. Previously, Mr. Brackpool served as director and chief executive officer of North American Operations for Albert Fisher Group, a multi-billion dollar food company.

Murray H. Hutchison was appointed a director the Company in June 1997. He is also a member of the Board of Managers (an LLC's functional equivalent of a Board of Directors) of our subsidiary, Cadiz Real Estate LLC. In his capacity as a manager of the LLC, he performs essentially the same duties on behalf of the LLC as he would as an outside director for a corporation. Since his retirement in 1996 from International Technology Corporation (“ITC”), a publicly traded diversified environmental management company, Mr. Hutchison has been self-employed with his business activities involving primarily the management of an investment portfolio. From 1976 to 1996, Mr. Hutchison served as Chief Executive Officer and Chairman of International Technology for ITC. Mr. Hutchison formerly served as Chairman of the Board of Texas Eastern Product Pipelines Company (TEPPCO), a publicly traded company operating in refined petroleum products, liquefied petroleum gases and petrochemical transportation and storage, prior to its acquisition by Enterprise Products Partners L.P. in October 2009. Mr. Hutchison serves as lead director on the board of Jack in the Box, Inc., a publicly traded fast food restaurant chain; and as a director on the board of Cardium Therapeutics, Inc., a publicly traded medical technology company. Additionally, Mr. Hutchison serves as Chairman of the Huntington Hotel Corporation, owner of a privately owned hotel and office buildings, and as a director of several other non-publicly traded U.S. companies.

Timothy J. Shaheen was appointed Chief Financial Officer and Secretary in November 2008, and has served as a director of the Company since March 1999. Effective April 12, 2011, Mr. Shaheen also serves as Chairman and Chief Executive Officer of the Board of Managers of Cadiz Real Estate LLC, a wholly-owned subsidiary of the Company. Mr. Shaheen is a private investor and principal of Difinity Capital Partners LLP. Mr. Shaheen is also the sole member and manager of AG Derivatives, L.L.C., which provided agricultural management consulting services to the Company in 2008. From September 1996 to April 2005, Mr. Shaheen served as the President, Chief Executive Officer and a director of Sun World International. Mr. Shaheen also served as a Governor appointee to the Los Angeles Regional Water Quality Control Board from 1999 through 2005 and as Chairman of the Food Security Task Force for the United Fresh Fruit and Vegetable Association from 2001 through 2003. Prior to joining Sun World, Mr. Shaheen served as a senior executive with Albert Fisher North America, a publicly traded domestic and international produce company from 1989 to 1996. Prior to his employment with Albert Fisher, Mr. Shaheen has seven years of experience with the accounting firm of Ernst & Young LLP. Mr. Shaheen is a certified public accountant.

Raymond J. Pacini was appointed a director of the Company effective June 16, 2005. Mr. Pacini was originally appointed to the Board as a nominee of ING pursuant to the rights of ING, our prior lender, as a former holder of our Series F preferred stock. As of June 29, 2006, the Company’s loan with ING was paid in full and ING's right to designate members of our Board of Directors was terminated. Mr. Pacini remained on the Board as a designee of Peloton, our lender after ING, pursuant to the right of Peloton to designate a single director under the terms of Cadiz' credit facility with Peloton. As of April 16, 2008, LC Capital Master Fund acquired the interest of Peloton in our credit facility. Peloton’s right to designate a director was personal to Peloton and was not assigned to LC Capital Master Fund. Mr. Pacini remained on our Board as a director but not as the designee of any entity. From May 1998 to March 2011, Mr. Pacini served as President, Chief Executive Officer and a Director of California Coastal Communities, Inc. (“CALC”), a residential land development and homebuilding company operating in Southern California which was formerly publicly traded. On October 27, 2009, CALC and certain of its subsidiaries filed voluntary petitions for reorganization under Chapter 11 of the U.S. Bankruptcy Code in the Central District of California. On March 1, 2011, CALC satisfied the various conditions to its plan of reorganization with the respect to its Chapter 11 bankruptcy cases, emerged from bankruptcy and became a privately held company. From June 1990 until May 1998, Mr. Pacini was the Chief Financial Officer of CALC (formerly known as Koll Real Estate Group, Inc. and Henley Properties, Inc.). Mr. Pacini has seven years of experience as a certified public accountant with the accounting firm of Coopers & Lybrand (now known as PricewaterhouseCoopers LLP).

Winston Hickox was appointed a director of the Company effective October 2, 2006. Mr. Hickox is currently a partner at California Strategies, a public policy consulting firm. From 2004 to 2006 Mr. Hickox completed a two-year assignment as Sr. Portfolio Manager with the California Public Employees' Retirement System (CalPERS) where he assisted with the design and implementation of a series of environmentally oriented investment initiatives in the Private Equity, Real Estate, Global Public Equities, and Corporate Governance segments of the fund's \$211 billion investment portfolio. Prior to his assignment at CalPERS, from 1999 to 2003, Mr. Hickox served as Secretary of the California Environmental Protection Agency and a member of the Governor's cabinet. Mr. Hickox's environmental policy experience also includes membership on the board of the California League of Conservation Voters, including a four-year term as Board President (1990 - 1994); and two years on the boards of Audubon California and Sustainable Conservation (2004 - 2006). Additionally, Mr. Hickox is currently serving as a member of the board of Thomas Properties Group, a publicly traded full service real estate investment firm, GRIDiant Corporation, a privately held corporation in the energy technology sector, and as a member of the Sacramento County Employees' Retirement System board. Earlier in his professional career, Mr. Hickox was a partner and Managing Director with LaSalle Advisors, Ltd., a major force in the world's real estate capital markets, and a Managing Director with Alex Brown Kleinwort Benson Realty Advisors Corp., where he served as head of the firm's Portfolio Management Group.

Geoffrey Grant was appointed a director of the Company effective January 22, 2007. Mr. Grant is presently a Managing Partner and the Chief Investment Officer of Grant Capital Partners founded in 2008. Prior to founding Grant Capital Partners, Mr. Grant was a Managing Partner and the Chief Investment Officer of Peloton Partners LLP, a global asset management firm. Mr. Grant co-founded Peloton Partners LLP in 2005. Mr. Grant's career in financial markets spans 27 years beginning at Morgan Stanley in 1982 in foreign exchange options and currency derivatives, then with Goldman Sachs from 1989 to 2004 where he ultimately served as Head of Global Foreign Exchange and Co-head of the Proprietary Trading Group in London.

Stephen E. Courter was appointed a director of the Company effective October 9, 2008. Mr. Courter was originally appointed to the Board as a designee of LC Capital Master Fund for a term expiring at the 2009 annual meeting of stockholders. Mr. Courter remained on the Board but not as a designee of any entity. Mr. Courter is currently on the faculty of the McCombs School of Business, University of Texas at Austin ("McCombs"). Mr. Courter also serves as a director of Pointserve, a privately held information technology firm in Austin, Texas. Prior to joining the faculty of McCombs, Mr. Courter served as CEO and Director of Broadwing Communications from 2006 to 2007. Prior to holding that position, Mr. Courter served as CEO and Chairman of NEON Communications from 2000 to 2006. Prior to 2000, Mr. Courter held various executive positions, both in the United States and Europe in several major telecommunication firms.

Scott S. Slater became an executive officer of the Company upon his appointment as President on April 12, 2011. Mr. Slater has served as General Counsel of the Company since November 2008. Mr. Slater is an accomplished negotiator and litigator and, in addition to his role with the Company, is also a limited partner in Brownstein Hyatt Farber Schreck, the nation's leading water practice firm. For 27 years, Mr. Slater's practice has been limited to litigation and the negotiation of agreements related to the acquisition, distribution, and treatment of water. He has served as lead negotiator on a number of important water transactions, including the negotiation of the largest conservation-based water transfer in U.S. history on behalf of the San Diego County Water Authority. Mr. Slater is also the author of California Water Law and Policy, the state's leading treatise on the subject, and has taught water law and policy courses at University of California, Santa Barbara, Pepperdine University, and the University of Western Australia, among others.

THE BOARD OF DIRECTORS

Directors of the Company hold office until the next annual meeting of stockholders or until their successors are elected and qualified. There are no family relationships between any directors or current officers of the

Company. Officers serve at the discretion of the Board of Directors.

6

The Board of Directors is responsible for our management and direction and for establishing broad corporate policies, including our leadership structure. Mr. Brackpool currently serves as both Chairman of the Board and Chief Executive Officer. The Board believes that having Mr. Brackpool serve in both capacities is in the best interests of the Company and its stockholders because it enhances communication between the Board and management and allows Mr. Brackpool to more effectively execute the Company's strategic initiatives and business plans and confront its challenges. The Board believes that the appointment of lead independent Directors for each of its key committees, as well as its overall majority of independent Directors, allow it to maintain effective oversight of management. In addition, the Board of Directors and various committees of the Board regularly meet to receive and discuss operating and financial reports presented by the Chief Executive Officer and other members of management as well as reports by experts and other advisors.

Assessing and managing risk is the responsibility of the management of the Company. Our Board of Directors oversees and reviews certain aspects of the Company's risk management efforts. Annually, the Board reviews our strategic business plans, which includes evaluating the objectives of and risks associated with these plans.

In addition, under its charter, the Audit Committee reviews and discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

DIRECTOR INDEPENDENCE

Messrs. Hutchison, Duffy, Pacini, Hickox, and Courter have all been affirmatively determined by the Board to be "independent" under all relevant securities and other laws and regulations, including those set forth in SEC and regulations and pertinent listing standards of the NASDAQ Global Market, as in effect from time to time.

The Company's independent directors meet routinely in executive session without the presence of management. The Company does not have a lead independent director.

INDEPENDENCE OF COMMITTEE MEMBERS

The Board maintains three committees, whose functions are described below. The Board has determined that all members of its committees are independent. Each committee maintains a written charter detailing its authority and responsibilities. These charters are reviewed periodically as legislative and regulatory developments and business circumstances warrant and are available in their entirety on the Company's website at <http://www.cadizinc.com> and to any stockholder otherwise requesting a copy.

COMMUNICATIONS WITH THE BOARD

Stockholders wishing to communicate with the Board, or with a specific Board member, may do so by writing to the Board, or to the particular Board member, and delivering the communication in person or mailing it to: Board of Directors c/o Timothy J. Shaheen, Corporate Secretary, Cadiz Inc., 550 S. Hope Street, Suite 2850, Los Angeles, California 90071.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the year ended December 31, 2010, the Board of Directors held three formal meetings, conferred on a number of occasions through telephone conferences, and took action, when appropriate, by unanimous written consent. All members of the Board of Directors were present at each meeting, with the exception of (i) Mr. Grant, who was unable to attend one in-person meeting and two telephonic meetings, (ii) Mr. Duffy, who was unable to attend one in-person meeting and one telephonic meeting, and (iii) Mr. Pacini, Mr. Hickox and Mr. Courter, who

were each unable to attend one telephonic meeting.

7

The Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee, each of which is comprised entirely of directors whom the Board has affirmatively determined to be independent, as they meet the objective requirements set forth by the NASDAQ Global Market and the SEC, and have no relationship, direct or indirect, to the Company other than as stockholders or through their service on the Board.

The Audit Committee is responsible for (i) considering the adequacy of the Company's internal accounting control procedures, (ii) overseeing the Company's compliance with legal and regulatory requirements, (iii) reviewing the independent auditor's qualifications and independence, (iv) the appointment, compensation and oversight of all work performed by the independent registered public accounting firm and (v) overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company. The Committee advises and makes recommendations to the Board of Directors regarding the financial, investment and accounting procedures and practices followed by the Company. The Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's website at <http://www.cadizinc.com> and to any stockholder otherwise requesting a copy. The Audit Committee is currently composed of Mr. Pacini, Mr. Duffy, Mr. Hickox and Mr. Courter. The Board has determined that all members of its Audit Committee are independent. The Audit Committee met five times during the year ended December 31, 2010. All the members of the Audit Committee were present at each meeting with the exception of (i) Mr. Duffy, who was unable to attend one in-person meeting and (ii) Mr. Courter, who was unable to attend one telephonic meeting.

The Compensation Committee oversees compensation of the Chief Executive Officer and key executives and oversees regulatory compliance with respect to the Company's compensation matters. The Committee also oversees the Company's compensation policy applicable to senior management of the Company and advises and makes recommendations to the Board of Directors regarding the compensation of directors and executive officers. The Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's website at <http://www.cadizinc.com> and to any stockholder otherwise requesting a copy. The Compensation Committee is currently composed of Mr. Hutchison, Mr. Pacini, Mr. Duffy, Mr. Hickox and Mr. Courter. The Board has determined that all members of its Compensation Committee are independent. The Compensation Committee met once during the year ended December 31, 2010. All the members of the Compensation Committee were present at the meeting with the exception of Mr. Duffy.

The Corporate Governance and Nominating Committee is responsible for the establishment of procedures for the Committee's oversight of the evaluation of the Board and management. The Committee makes recommendations to the Board of corporate guidelines applicable to the Company. The Committee is also responsible for the identification and recommendation to the Board of qualified candidates for nomination to the Company's Board of Directors. The Committee will consider director candidates recommended by stockholders provided the nominations are received on a timely basis and contain all information relating to such nominee as is required to be disclosed in solicitations of proxies for elections of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, including such person's written consent to being named in the Proxy Statement as a nominee and to serve as a director if elected, the name and address of such stockholder or beneficial owner on whose behalf the proposed nomination is being made, and the class and number of shares of the Company owned beneficially and of record by such stockholder or beneficial owner. The Corporate Governance and Nominating Committee will consider nominees suggested by stockholders on the same terms as nominees selected by the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee believes that nominees for election to the Board of Directors must possess certain minimum qualifications. The Committee will consider a candidate's judgment, skill, diversity, experience with businesses and other organizations of comparable size, financial background, beneficial ownership of the Company, and the interplay of the candidate's experience with the experience of other Board members, among other factors, in assessing a candidate. Although the Committee does not have a formal diversity policy, it believes that diversity is an important factor in determining the composition of the Board. Except as set forth above, the Corporate Governance and Nominating Committee does not currently have a formal policy regarding the handling or

consideration of director candidate recommendations received from a stockholder, or a formal process for identifying and evaluating nominees for directors (including nominees recommended by stockholders). These issues will be considered by the Corporate Governance and Nominating Committee, which will then make a recommendation to the Board. The Corporate Governance and Nominating Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's website at <http://www.cadizinc.com> and to any stockholder otherwise requesting a copy. The Corporate Governance and Nominating Committee is currently composed of Mr. Hutchison, Mr. Pacini, Mr. Duffy, and Mr. Hickox. The Board has determined that all members of its Corporate Governance and Nominating Committee are independent. The Corporate Governance and Nominating Committee met once during the year ended December 31, 2010. All the members of the Corporate Governance and Nominating Committee were present at the meeting.

The Board of Directors has determined that Mr. Pacini, a member of the Company's Audit Committee, is an "audit committee financial expert" as that term is defined in Item 401(h) of Regulation S-K under the Securities Act.

We do not have a policy regarding director attendance at our annual meetings. Mr. Shaheen was the only director in attendance at the Company's 2010 annual meeting of stockholders.

CODE OF ETHICS

A copy of the code of ethics may be found on our website at <http://www.cadizinc.com>. Any employee who becomes aware of any existing or potential violation of the code of ethics is required to report it. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "1934 Act") requires our directors and executive officers, and persons who beneficially own more than 10% of a registered class of our equity securities ("reporting persons"), to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Reporting persons are required by Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of reports and amendments thereto on Forms 3, 4 and 5 furnished to us by reporting persons and forms that we filed on behalf of certain directors and officers, during, and with respect to, our fiscal year ended December 31, 2010, and on a review of written representations from reporting persons to us that no other reports were required to be filed for such fiscal year, all Section 16(a) filing requirements applicable to our reporting persons were satisfied in a timely manner, except that a Form 5 filing of Richard Stoddard, an executive officer of the Company in 2010, with respect to one gift transaction was inadvertently filed late.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our voting securities, as of the record date for the annual meeting, by each stockholder who we know to own beneficially more than five percent of our common stock, and by each director, each named executive officer, and all directors and executive officers as a group, excluding, in each case, rights under options or warrants not exercisable within 60 days. All persons named have sole voting power and investment power over their shares except as otherwise noted.

COMPENSATION DISCUSSION AND ANALYSIS

COMPENSATION PHILOSOPHY

Our executive compensation programs are designed to enhance operating performance and to maximize the long-term value of our assets and stockholder value by aligning the financial interests of the executive officers and management with those of our stockholders. Such a compensation program helps to achieve our business and financial objectives and provide incentives needed to attract and retain well-qualified executives in a highly competitive marketplace.

Our development activities are inherently long-term in nature. Our quarterly and annual results of operations have not, and in the near term are not expected to, bear a direct relationship to the progress made by us in the development of our land and water resources. Accordingly, in order to achieve our basic goal of matching the financial interest of our executive officers and management with those of our stockholders, our compensation program emphasizes long-term incentives. In this respect, our compensation program is weighted more heavily towards long-term incentives than is typical of other companies with similarly sized asset portfolios. In addition to aligning management's interest with the stockholders, a key objective of our compensation plans is mitigating the risk in the compensation package by ensuring that a significant portion of compensation is based on the long-term performance of the Company. In doing so, the Company intentionally reduces the risk that executives will place too much focus on short-term achievements to the detriment of the long-term sustainability of the Company. Through the programs described below, a very significant portion of our executive compensation is linked to share price appreciation and corporate performance.

Our Board of Directors has formed a Compensation Committee which is responsible for reviewing and establishing the compensation payable to our executive officers, including our Chief Executive Officer. For executive officers other than the Chief Executive Officer, the Committee establishes compensation levels based, in part, upon the recommendations of our Chief Executive Officer. Currently, we have only three executive officers, including our Chief Executive Officer. The Compensation Committee is therefore able to consider the performance of each officer on an individual basis in adjusting base salary levels and in determining additional incentive compensation, such as the cash awards and long term incentives discussed below.

ELEMENTS OF COMPENSATION

Our compensation program has three primary components: base salary, performance-based cash awards and long-term incentives through stock awards.

BASE SALARY Base salaries for our named executives depend on the scope of their responsibilities, their leadership skills and values, their performance and length of service. Decisions regarding salary increases are affected by the named executive's current salary and the amounts paid to their peers within and outside the company. No specific or set formula has been used to tie base salary levels to precise measurable factors; rather, current base salaries have been established by agreements negotiated directly with our key executives.

Our Chief Executive Officer, Mr. Keith Brackpool, is charged with the overall responsibility for our company's performance.

The Compensation Committee has taken Mr. Brackpool's ongoing role in the development of our properties into consideration in entering into an amended and restated employment agreement with Mr. Brackpool effective May 22, 2009. In particular, the Compensation Committee took into consideration that Mr. Brackpool, as Chief Executive Officer, has primary responsibility for, among other things, overseeing the development of our Cadiz Valley Water Conservation, recovery and Storage Project ("Water Project"); identifying sources of financing for the Company's working capital needs and for the Water Project, and negotiating the terms of such financings; and identifying additional development opportunities (e.g. renewable energy) and leading the Company's efforts to pursue such additional development opportunities. Under this amended and restated agreement, Mr. Brackpool's base salary remains unchanged at \$400,000 and he received an immediate grant of 60,000 shares of common stock under our 2007 Management Equity Incentive Plan. The agreement provides for Mr. Brackpool's participation in a Long Term Transaction Incentive Plan in addition to allowing for his participation in other management incentive programs that the Board may adopt, including discretionary annual bonuses. In January 2010, Mr. Brackpool received 85,000 restricted shares of common stock pursuant to a contractual agreement not to sell any of those shares for a period of three years ending on January 14, 2013, and options to purchase 200,000 shares of common stock at an exercise price of \$11.50 per share under our 2009 Equity Incentive Plan that vest 1/3 when issued, 1/3 on January 14, 2011, and 1/3 on January 14, 2012. In January 2011, Mr. Brackpool received 100,000 restricted shares of common stock under the 2009 Equity Incentive Plan, pursuant to a contractual agreement not to sell any of these shares for a period of three years ending on January 10, 2014.

Mr. Scott S. Slater has served as our General Counsel since November 2008 pursuant to a General Counsel agreement with Brownstein Hyatt Farber and Schreck. Effective April 12, 2011, Mr. Slater was appointed to the position of President of the Company. As compensation for the position of President, Mr. Slater received options to purchase 100,000 shares of the Company's common stock at an exercise price of \$12.51 per share under our 2009 Equity Incentive Plan that vest 1/3 when issued, 1/3 on April 12, 2012, and 1/3 on April 12, 2013.

Mr. Richard Stoddard served as Chairman and Chief Executive Officer of the Board of Managers of Cadiz Real Estate LLC, our subsidiary holding title to our land and water assets, until April 12, 2011, pursuant to a consulting agreement with us. Effective January 1, 2011, Mr. Stoddard's monthly consulting fee decreased from \$25,000 to \$12,500. From the commencement of Mr. Stoddard's consulting agreement in 2002 to January 2007, Mr. Stoddard received a monthly consulting fee of \$20,833. In January 2007, Mr. Stoddard's monthly consulting fee increased to \$25,000 given his role in advancing the company's interests during those years, as well as the importance of his ongoing role in the development of our properties. In January 2010, Mr. Stoddard received options to purchase 50,000 shares of common stock at an exercise price of \$11.50 per share under our 2009 Equity Incentive Plan that vest 1/3 when issued, 1/3 on January 14, 2011 and 1/3 on January 14, 2012.

Effective November 19, 2008, Mr. Timothy J. Shaheen became our Chief Financial Officer. As of April 12, 2011, Mr. Shaheen was appointed to serve as Chairman and Chief Executive Officer of the Board of Managers of Cadiz Real Estate LLC, our subsidiary holding title to our land and water assets. Initially, in 2008, he received compensation for services as our Chief Financial Officer in the amount of \$10,000 per month, in addition to the compensation payable to him for his consulting services to the company under the existing consulting agreement between AG Derivatives, L.L.C. and the Company and the compensation he received for service in 2008 as a non-employee director under our Outside Director Compensation Plan. As of January 1, 2009, Mr. Shaheen was no longer eligible to participate in our Outside Director Compensation Plan and his compensation for service as our Chief Financial Officer was adjusted to enable him to receive the amount he would have otherwise received under the Outside Director Compensation Plan. Effective May 22, 2009 we entered into a formal employment agreement with Mr. Shaheen providing for a base salary of \$300,000, consistent with what he had theretofore been receiving on a month to month basis, and an immediate grant of 30,000 shares of common stock under our 2007 Management Equity Incentive Plan. The agreement provides for Mr. Shaheen's participation in a Long Term Transaction Incentive Plan in addition to allowing for his participation in other management incentive programs that the Board may adopt, including discretionary annual bonuses. In January 2010, Mr. Shaheen received 30,000 restricted shares of common stock

pursuant to a contractual agreement not to sell any of those shares for a period of three years ending on January 14, 2013, and options to purchase 100,000 shares of common stock at an exercise price of \$11.50 per share under our 2009 Equity Incentive Plan that vest 1/3 when issued, 1/3 on January 14, 2011, and 1/3 on January 14, 2012. In January 2011, Mr. Shaheen received 40,000 restricted shares of common stock under the 2009 Equity Incentive Plan pursuant to a contractual agreement not to sell any of these shares for a period of three years ending on January 10, 2014.

PERFORMANCE-BASED CASH AWARDS. The Compensation Committee believes that it is important to offer cash incentives to executives for the achievement of specified objectives that yield increased value for stockholders. Although the Compensation Committee currently believes that equity based awards rather than cash based awards allow the Company to better preserve its existing cash resources and, accordingly, relies primarily upon the grant of equity based awards to reward executive performance (see "Long-Term Incentives" below), the Compensation Committee will utilize performance-based cash awards from time to time to provide additional incentives.

LONG-TERM INCENTIVES. The primary form of incentive compensation that we expect to offer to our executives consists of long-term incentives in the form of equity awards. This form of compensation is intended to help retain executives and motivate them to improve our long-term performance and hence long-term stock market performance. The value of these equity based awards will increase as our stock price increases.

Although the Company has, in the past, utilized milestone based long-term incentive awards, at present, the Compensation Committee believes that the progress of the Company's development activities are subject to so many variables that it is difficult to create specific milestones that are adequately linked to an executive's performance. Therefore, the Committee has chosen to utilize equity instruments, such as restricted stock and options, which satisfy the Committee's goal of linking executive compensation to share price appreciation over the longer term.

The Compensation Committee views the grant of equity based awards as an incentive for future performance. Equity based awards may vest immediately upon grant, with the passage of time, at the discretion of the Board, and/or upon the achievement of certain specific performance goals

In order for the company to utilize equity based awards as our primary form of incentive compensation, in March 2007 the Board approved a management equity incentive program (the "2007 Incentive Plan") which was approved by our stockholders at the Company's 2007 Annual Meeting of Stockholders. 1,050,000 shares were reserved for issuance under the 2007 Incentive Plan, and all but 100,000 of such shares were allocated for issuance at the time of approval of the 2007 Plan.

Of the 1,050,000 shares reserved under the 2007 Incentive Plan, 800,000 were designated as Milestone-Based Deferred Stock, none of which were ultimately issued. 600,000 of such 800,000 shares were allocated for issuance to Mr. Brackpool, and 200,000 to Mr. Stoddard, with such issuance subject to the satisfaction of certain milestone conditions relating to the trading price of our common stock during the period commencing March 13, 2007 and ending March 12, 2009. The milestone conditions were not satisfied by March 12, 2009, resulting in the expiration of all 800,000 shares.

Of the remaining 250,000 shares reserved under the 2007 Incentive Plan, 150,000 were allocated to Mr. Stoddard as Time-Based Deferred Stock, which vested in three equal installments on January 1, 2008, January 1, 2009 and January 1, 2010. This left 100,000 shares, of which 10,000 were issued to an employee in the form of stock options, and the remaining shares were issued concurrently with the execution by Mr. Brackpool of an Amended and Restated Employment Agreement and by Mr. Shaheen of a formal employment agreement, both of which were effective May 22, 2009, in the amounts of 60,000 shares and 30,000 shares, respectively. As a result of the foregoing, by mid-2009, no shares remained available for issuance under the 2007 Incentive Plan. Therefore, in order for us to continue to utilize equity based awards as our primary form of incentive compensation, it became necessary for us to implement a new equity incentive program. In December 2009 the Board and our senior secured lender approved a new equity incentive program (the "2009 Incentive Plan") which was approved by our stockholders at the Company's 2009 Annual Meeting of Stockholders. 850,000 shares were reserved for issuance under the 2009 Incentive Plan, of which no more than 300,000 shares can be issued as full share grants. In January 2010, the Company granted 115,000 restricted shares of common stock and options to purchase 387,500 shares of common stock at an exercise price of \$11.50 per share to employees and consultants under the 2009 Incentive Plan. These grants consisted of the grant of 85,000 and 30,000 restricted shares of common stock to Messrs. Brackpool and Shaheen, respectively, as well as the grant of 200,000, 100,000 and 50,000 stock options at an exercise price of \$11.50 per share to Messrs. Brackpool, Shaheen and Stoddard, respectively, consistent with the terms of the agreements pursuant to which these executives provide services to the Company and which contemplate that such executives will participate in the Company's long term incentive plans. In February 2010, the Company granted an additional 15,000 options to purchase shares of common stock at an exercise price of \$11.75 per share to an employee under the 2009 Incentive Plan. In January 2011, the Company granted 100,000 and 40,000 restricted shares of common stock to Messrs. Brackpool and Shaheen, respectively, under the 2009 Incentive Plan, consistent with the terms of the agreements pursuant to which these executives provide services to the Company and which contemplate that such executives will participate in the Company's long term incentive plans. In February 2011, the Company granted 20,000 options to purchase shares of common stock at an exercise price of \$12.60 per share, and in April 2011, the Company granted 100,000 options to purchase shares of common stock at an exercise price of \$12.51 per share.

SEVERANCE AND CHANGE IN CONTROL PROVISIONS

Our compensation arrangements with Messrs. Brackpool, Shaheen and Stoddard provide for certain severance provisions and benefits associated with various termination scenarios, as well as certain vesting acceleration for equity-based compensation in the event of a change-in-control. The severance and change in control provisions were determined largely by negotiations between the parties as one of the many elements of a larger negotiation involving the particular executive's employment or consulting agreement with the Company. These agreements are designed to be competitive in the marketplace and provide security for these executives in the event that the Company is acquired and their position is impacted. This will allow our executives to consider and implement transformative transactions of significant benefit to our stockholders without undue concern over their own financial situations.

A summary of the severance and change-in-control provisions applicable to compensation arrangements with our executive officers named in the Summary Compensation Table, along with a quantification of the benefits available to each named officer as of December 31, 2010, can be found in the section of this proxy statement captioned "Potential Payments upon Termination or Change in Control".

TAX AND ACCOUNTING CONSIDERATIONS

Impact of Code Section 162(m)

The Compensation Committee has considered the impact of provisions of the Internal Revenue Code of 1986, specifically Code Section 162(m). Section 162(m) limits to \$1 million our deduction for compensation paid to each of our executive officers, which does not qualify as "performance based".

Shares of stock issued to executives under the 2007 Incentive Plan and 2009 Incentive Plan do not qualify as performance-based compensation, and therefore, the portion of the compensation expense related to the Plans that exceeds \$1 million is not deductible.

In light of our federal and state net operating loss carryforwards (approximately \$104.2 million and \$61.5 million as of December 31, 2010, respectively), we do not expect the tax deductions lost as a result of the application of Section 162(m) to have a material impact upon our financial results.

EMPLOYMENT ARRANGEMENTS

For the fiscal year ended December 31, 2010, Mr. Brackpool was compensated under an Agreement Regarding Employment pursuant to which Mr. Brackpool received base compensation of \$400,000 per year, plus certain fringe benefits including the use of a leased automobile and life and disability insurance benefits funded by us. Effective May 22, 2009, Mr. Brackpool entered into an Amended and Restated Employment Agreement pursuant to which he continued to receive the same base compensation and fringe benefits. In addition, upon executing the Amendment and Restated Employment Agreement Mr. Brackpool received an immediate grant of 60,000 shares of common stock under our 2007 Management Equity Incentive Plan. The Amended and Restated Employment Agreement also provides for Mr. Brackpool's participation in a Long Term Transaction Incentive Plan in addition to allowing for his participation in other management incentive programs that the Board may adopt, including discretionary annual bonuses. As was the case with his previous Agreement Regarding Employment, the Amended and Restated Employment Agreement requires Mr. Brackpool to perform his services in a satisfactory manner, but does not require that his services be provided on a full-time basis. In January 2010, Mr. Brackpool received 85,000 restricted shares of common stock pursuant to a contractual agreement not to sell any of those shares for a period of three years ending January 14, 2013, and options to purchase 200,000 shares of common stock at an exercise price of \$11.50 per share under our 2009 Equity Incentive Plan that vest 1/3 on issuance, 1/3 on January 14, 2011 and 1/3 on January 14, 2012. In January 2011, Mr. Brackpool received 100,000 restricted shares of common stock under the 2009 Equity Incentive Plan, pursuant to a contractual agreement not to sell any of these shares for a period of three years ending on January 10, 2014.

For the fiscal year ended December 31, 2010, Mr. Stoddard was compensated in accordance with a Consulting Agreement dated August 1, 2002, and extended on January 1, 2004, pursuant to which he received \$25,000.00 per month. Effective January 1, 2011, this Consulting Agreement was amended to extend the term through December 31, 2011, and decrease the monthly consulting fee to \$12,500. Following December 31, 2011, the terms of this Consulting Agreement will continue unless and until terminated by the Company upon not less than ninety days prior notice by either party. As part of the duties performed by Mr. Stoddard under the Consulting Agreement, Mr. Stoddard served as the Chairman and CEO of the Board of Managers of Cadiz Real Estate LLC, the subsidiary of the Company until he resigned from such position on April 12, 2011. The agreement also provides that Mr. Stoddard will participate in the Management Equity Incentive Plan and as a member of the key management team in any further equity grants considered by the compensation committee of the Board of Directors of the Company. In January 2010, Mr. Stoddard received options to purchase 50,000 shares of common stock at an exercise price of \$11.50 per share under our 2009 Equity Incentive Plan that vest 1/3 on issuance, 1/3 on January 14, 2011 and 1/3 on January 14, 2012.

Effective November 19, 2008, Mr. Timothy J. Shaheen became our Chief Financial Officer. As of April 12, 2011, Mr. Shaheen also serves as Chairman and Chief Executive Officer of the Board of Managers of Cadiz Real Estate LLC, our subsidiary holding title to our land and water assets. Initially, he received compensation for such services in the amount of \$10,000 per month, in addition to the compensation payable to him for his consulting services to the company under the existing consulting agreement between AG Derivatives, L.L.C. and the Company and the compensation he received for service in 2008 as a non-employee director under our Outside Director Compensation Plan. Mr. Shaheen is the sole member and manager of AG Derivatives, LLC. As of January 1, 2009, Mr. Shaheen was no longer eligible to participate in our Outside Director Compensation Plan and his compensation for service as our Chief Financial Officer was adjusted to enable him to receive the amount he would have otherwise received under the Outside Director Compensation Plan. Effective May 22, 2009, we entered into a formal employment agreement with Mr. Shaheen providing for a base salary of \$300,000, consistent with what he had theretofore been receiving on a month to month basis, and an immediate grant of 30,000 shares of common stock under our 2007 Management Equity Incentive Plan. The agreement also provides for Mr. Shaheen's participation in a Long Term Transaction Incentive Plan in addition to allowing for his participation in other management incentive programs that the Board may adopt, including discretionary annual bonuses. In January 2010, Mr. Shaheen received 30,000 restricted shares of common stock pursuant to a contractual agreement not to sell any of those shares for a period of three years ending January 14,

2013, and options to purchase 100,000 shares of common stock at an exercise price of \$11.50 per share under our 2009 Equity Incentive Plan that vest 1/3 on issuance, 1/3 on January 14, 2011, and 1/3 on January 14, 2012. AUDIT COMMITTEE REPORT

As of December 31, 2010, the Audit Committee is composed of Raymond J. Pacini, Stephen E. Courter, Stephen J. Duffy and Winston H. Hickox.

Each member of the Committee is an independent director as defined under the listing standards of the NASDAQ Global Market. The Committee operates under a written charter that is reviewed on an annual basis. During fiscal 2010, the Audit Committee performed all of its duties and responsibilities under its charter. The purpose of the Audit Committee is to assist the Board of Directors in its oversight of management's control of the Company's financial reporting processes.

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Audit Committee reviews the Company's accounting and financial reporting process on behalf of the Board of Directors. In that regard, of the five times the Committee met in 2010, three of these meetings and one meeting in 2011 were to exercise the Committee's responsibilities related to the Company's quarterly and annual financial statements for fiscal 2010 and management's assessment of the effectiveness of our internal controls over financial reporting as of December 31, 2010. During these meetings, the Committee reviewed and discussed with management and PricewaterhouseCoopers LLP, our independent registered public accounting firm, our consolidated financial statements, including our audited consolidated financial statements for the year ended December 31, 2010, and financial reporting process, including the system of internal controls over financial reporting and significant accounting policies applied by the Company.

The Audit Committee also reviewed the report of management contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010, filed with the Securities and Exchange Commission, as well as PricewaterhouseCoopers LLP's Report of Independent Registered Public Accounting Firm included in our 2010 Annual Report on Form 10-K related to its audit of: (i) the consolidated financial statements and (ii) the effectiveness of internal control over financial reporting. The Audit Committee continues to oversee the Company's efforts related to its internal controls over financial reporting and management's preparations for the evaluation of its internal controls for fiscal 2011.

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of PricewaterhouseCoopers LLP. The Committee regularly meets in executive session with PricewaterhouseCoopers LLP, without management present, to discuss the results of their examinations, evaluations of the Company's internal controls and the overall quality of our financial reporting.

Our independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements of the Company and expressing an opinion on the conformity of our financial statements with U.S. generally accepted accounting principles. The Committee discussed with the Company's independent registered public accounting firm the scope and plan for its audits including the review of internal controls prescribed in Section 404 of the Sarbanes-Oxley Act of 2002. The Committee has discussed with PricewaterhouseCoopers LLP the matters that are required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. PricewaterhouseCoopers LLP has provided the Committee with the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PricewaterhouseCoopers LLP's communications with the Committee concerning independence, and has discussed with the PricewaterhouseCoopers LLP its independence from the Company. The Committee also considered the nature and scope of the non-audit services provided by PricewaterhouseCoopers LLP to the Company and the compatibility of these services with PricewaterhouseCoopers LLP's independence. The Committee pre-approves all audit and permitted non-audit services to be performed by our independent registered public accounting firm pursuant

to the terms of the Committee's written charter.

27

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2010. The Committee also appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2011, and has recommended that such appointment be submitted to the Company's stockholders for ratification at the 2011 Annual Meeting of Stockholders.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

For the fiscal years ended December 31, 2010 and 2009, professional services were performed by PricewaterhouseCoopers LLP. The Company's Audit Committee annually approves the engagement of outside auditors for audit services in advance. The Audit Committee has also established complementary procedures to require pre-approval of all audit-related, tax and permitted non-audit services provided by PricewaterhouseCoopers LLP, and to consider whether the outside auditors' provision of non-audit services to the Company is compatible with maintaining the independence of the outside auditors. The Audit Committee may delegate pre-approval authority to one or more of its members. Any such fees pre-approved in this manner shall be reported to the Audit Committee at its next scheduled meeting. All services described below were pre-approved by the audit committee.

All fees for services rendered by PricewaterhouseCoopers LLP aggregated \$263,000 and \$299,600 during the fiscal years ended December 31, 2010 and 2009, respectively, and were composed of the following:

Audit Fees. The aggregate fees accrued by the Company for the audit of the annual financial statements during the fiscal years ended December 31, 2010 and 2009, for reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q, and for assistance with and review of documents filed with the SEC were \$263,000 for 2010 and \$299,600 for 2009.

Audit Related Fees. No audit-related fees were billed by PricewaterhouseCoopers LLP to the Company during the fiscal years ended December 31, 2010 and 2009.

Tax Fees. No tax fees were billed by PricewaterhouseCoopers LLP to the Company during the fiscal years ended December 31, 2010 and 2009.

All Other Fees. No other fees were billed during the fiscal years ended December 31, 2010 and 2009.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There have been no transactions during our last fiscal year with our directors and officers and beneficial owners of more than five percent of our voting securities and their affiliates requiring disclosure.

POLICIES AND PROCEDURES WITH RESPECT TO RELATED PARTY TRANSACTIONS

Our Audit Committee Charter requires that the Audit Committee review and approve all related-party transactions between the Company, on the one hand, and directors, officers, employees, consultants, and any of their family members, on the other hand. In addition, our written Conflicts of Interest policy provides that no employee, officer or director may use or attempt to use his or her position at the Company to obtain any improper personal benefit for himself or herself, for his or her family, or for any other person.

In order to implement these requirements, the Company requires that prior to entering into any transaction with the Company a related party must advise Company management of the potential transaction. Management will, in turn, provide to the Audit Committee a description of the material terms of the transaction, including the dollar amount, the nature of the related party's direct or indirect interest in the transaction, and the benefits to be received by the Company from the transaction. The Audit Committee may make such other investigations as it considers appropriate under the circumstances. The Audit Committee will also consider whether the benefits of the proposed transaction could be obtained by the Company upon better terms from non-related parties, and whether the transaction is one that would be reportable by the Company in its public filings. The Audit Committee will then make a determination as to whether the proposed transaction is in the best interests of the Company and should therefore be approved.

PROPOSAL 2

APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm to audit our financial statements for the 2011 fiscal year. Stockholder ratification of this appointment is not required by our bylaws or other applicable legal requirements. However, consistent with our past practice, the appointment of PricewaterhouseCoopers LLP is being submitted to our stockholders for ratification. In the event stockholders do not ratify PricewaterhouseCoopers LLP as our independent certified public accountants for the 2011 fiscal year, the Audit Committee will reconsider its selection of PricewaterhouseCoopers LLP, but will not be required to select another firm to audit the Company's financial statements. Even if the stockholders do ratify the appointment, the Audit Committee, in its discretion, may appoint a different firm at any time during the year if it believes that such a change would be in the best interests of the Company and our stockholders. PricewaterhouseCoopers LLP has advised us that neither it nor any of its partners or associates has any direct or indirect financial interest in or any connection with the Company other than as accountants and auditors. A representative of PricewaterhouseCoopers LLP is expected to be present and available to answer appropriate questions at the annual meeting, and will be given the opportunity to make a statement if desired.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL 2.

PROPOSAL 3

ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

This proposal, commonly referred to as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our named executive officers as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we request our stockholders to consider and approve the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and the narrative disclosures is hereby APPROVED.”

This vote is nonbinding. Our Board and Compensation Committee will consider the outcome of the vote when making decisions related to the executive compensation for our named executive officers in the future.

As described more fully in the Compensation Discussion and Analysis section of this proxy statement, our executive compensation programs are designed to enhance operating performance and to maximize the long-term value of our assets and stockholder value by aligning the financial interests of the executive officers and management with those of our stockholders. Such a compensation program helps to achieve our business and financial objectives and provide incentives needed to attract and retain well-qualified executives in a highly competitive marketplace.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR"
APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPENSATION OF
OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL 4

ADVISORY VOTE ON THE FREQUENCY OF VOTES ON EXECUTIVE COMPENSATION

This proposal affords our stockholders the opportunity to cast an advisory vote on how frequently we should include a “say-on-pay” vote in the proxy materials for future Annual Meetings of stockholders (or a special meeting of stockholders in lieu of such annual meeting). Under this proposal, stockholders may vote to have the say-on-pay vote every year, every two years or every three years. Stockholders may also choose to abstain from casting a vote on this proposal. The proxy card provides all four of these options.

After careful consideration, our Board of Directors believes that advisory votes on executive compensation should be conducted every year so that stockholders may annually express their views on the Company’s executive compensation program.

As an advisory vote, this proposal is not binding, but as with Proposal 3, the Compensation Committee and the Board of Directors value the opinions expressed by our stockholders on this issue and will consider the outcome of this vote in making decisions regarding the frequency of say-on-pay vote. Our Board of Directors currently intends to adopt the frequency option (every one, two or three years) that receives the most votes cast by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE TO HOLD THE ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY YEAR (ANNUALLY).

OTHER MATTERS

The Board of Directors does not know of any other matters that may come before the annual meeting. However, if any other matter shall properly come before the annual meeting, the proxy holders named in the proxy accompanying this statement will have discretionary authority to vote all proxies in accordance with their best judgment.

STOCKHOLDER PROPOSALS

Stockholder proposals to be included in our proxy statement for the 2012 annual meeting must be received by the Secretary of the corporation at 550 S. Hope Street, Suite 2850, Los Angeles, California 90071 no later than December 31, 2011. For a proposal to be included, you must comply with the rules of the SEC governing the submission of stockholder proposals.

Under our bylaws, no business may be brought before the 2012 annual meeting unless it is specified in the notice of the meeting, is otherwise properly brought before the meeting by or at the direction of the Board of Directors, or is properly brought before the meeting by a stockholder who has delivered notice to the Secretary of the corporation (containing certain information specified in the bylaws) not less than 90 days prior to the annual meeting. If such a stockholder notice is not timely but is nevertheless presented at the 2012 annual meeting, the proxies solicited for that meeting may confer discretionary voting authority with respect to the business proposed. These requirements are separate from and in addition to the SEC's requirements that a stockholder must meet in order to have a stockholder proposal included in our proxy statement.

This proxy statement is accompanied by our Annual Report on Form 10-K for the year ended December 31, 2010. Exhibits to the Form 10-K will be made available to stockholders for a reasonable charge upon their written request to the Company, Attention: Corporate Communications, 550 S.
